(together with Navios Acquisition, the Co-Issuers ) intend to offer, through a private placement, subject to market and other conditions, 8.125% First Priority Ship Mortgage Notes due 2021 (the Notes ). On March 17, 2014, Navios Acquisition issued a press release announcing the pricing by the Co-Issuers of \$60 million of Notes. The Company intends to use the net proceeds of the offering for general corporate purposes, including to replace cash on its balance sheet that was used to partially finance the acquisition cost of the Nave Buena Suerte, which was previously delivered on March 10, 2014. The sale of the Notes is expected to be consummated on March 31, 2014, subject to customary closing conditions. The Notes are being offered and sold in the United States only to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the Securities Act ), and in offshore transactions to non-United States persons in reliance on Regulation S under the Securities Act. The terms of the Notes are identical to the \$610 million of 8.125% First Priority Ship Mortgage Notes due 2021 that were issued in November 2013 (the Existing Notes ). Each of the Company s direct and indirect subsidiaries that guarantees the Existing Notes will also guarantee the Notes. The Notes and the Existing Notes will have the same terms and ranking and will be treated as a single class for all purposes under the indenture (including, without limitation, waivers, amendments, redemptions and other offers to purchase).

This Report is hereby incorporated by reference into Navios Acquisition s Registration Statement on Form F-3, File No. 333-191266.
