PROXY STATEMENT

April 10, 2014

INTRODUCTION

This Proxy Statement (the "Proxy Statement") is furnished to the stockholders of Landstar System, Inc., a Delaware corporation, (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company (the "Board") to be voted at the 2014 Annual Meeting of Stockholders to be held on Thursday, May 22, 2014 at 9:00 a.m., local time (the "2014 Annual Meeting"). The 2013 Annual Report to Stockholders (which, notwithstanding anything herein to the contrary, does not form a part of the proxy solicitation material relating to this Proxy Statement), including the financial statements of the Company for fiscal year 2013, is enclosed herewith (the "2013 Annual Report"). The mailing address of the principal executive offices of the Company is 13410 Sutton Park Drive South, Jacksonville, Florida 32224. This Proxy Statement, accompanying form of proxy, Notice of 2014 Annual Meeting and 2013 Annual Report are being mailed to the stockholders of the Company on or about April 10, 2014.

RECORD DATE

The Board has fixed the close of business on March 27, 2014 as the record date for the 2014 Annual Meeting. Only stockholders of record on that date will be entitled to vote at the 2014 Annual Meeting in person or by proxy.

PROXIES

Shares cannot be voted at the 2014 Annual Meeting unless the owner thereof is present in person or by proxy. The proxies named on the enclosed proxy card were appointed by the Board to vote the shares of Common Stock of the Company, par value \$0.01 per share ("Common Stock"), represented by the proxy card. If a stockholder does not return a signed proxy card with respect to any of his or her shares, such shares cannot be voted by proxy. Stockholders are urged to mark the boxes on the proxy card to show how his or her shares are to be voted. All properly executed and unrevoked proxies in the accompanying form that are received in time for the 2014 Annual Meeting will be voted at the 2014 Annual Meeting or any adjournment thereof in accordance with any specification thereon, or if no specification is made, will be voted as follows: (i) FOR the election of the two Class III Directors nominated by the Board and named in this Proxy Statement; (ii) FOR the ratification of KPMG LLP as the independent registered public accounting firm for the Company; and (iii) FOR the proposal regarding an advisory vote on executive compensation. Each of these proposals is more fully described in this Proxy Statement. The proxy card also confers discretionary authority on the proxies to vote on any other matter not presently known to management that may properly come before the 2014 Annual Meeting.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same (i) upon receipt by the Company before such proxy is voted of a duly executed proxy bearing a later date, (ii) by written notice of the revocation of such proxy to the Secretary of the Company received before such proxy is voted or (iii) by such person(s) voting in person at the 2014 Annual Meeting.

The Board has selected Broadridge Investor Communication Solutions, Inc. as Inspector of Election (the "Inspector") pursuant to Article I of the Company's Bylaws, as amended and restated (the "Bylaws"). The Inspector shall ascertain the number of shares of Common Stock outstanding, determine the number of shares

represented at the 2014 Annual Meeting by proxy or in person and count all votes. Each stockholder shall be entitled to one vote for each share of Common Stock held by such stockholder and such votes may be cast either in person or by proxy.

PROXY SOLICITATION

The cost of the preparation of proxy materials and the solicitation of proxies will be paid by the Company. The Company has engaged Geogeson Shareholder Communications, Inc. as the proxy solicitor for the 2014 Annual Meeting for a fee of approximately \$7,500 plus reasonable expenses. In addition to the use of the mails, certain directors, officers or employees of the Company may solicit proxies by telephone or personal contact. Upon request, the Company will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to the beneficial owners of shares.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

A description of the procedures as to how stockholders may send communications to the Board or individual Board members is included on the Company's website at www.landstar.com under Investor Relations/Corporate Governance.

VOTING SECURITIES

Shares of the Common Stock are the only class of voting securities of the Company which are outstanding. On March 27, 2014, 45,027,321 shares of Common Stock were outstanding. At the 2014 Annual Meeting, each stockholder of record at the close of business on March 27, 2014 will be entitled to one vote for each share of Common Stock owned by such stockholder on that date as to each matter properly presented to the 2014 Annual Meeting. The holders of a majority of the total number of the issued and outstanding shares of Common Stock on such date shall constitute a quorum for purposes of the 2014 Annual Meeting (a Quorum).

PROPOSAL NUMBER ONE ELECTION OF DIRECTORS

The Board is divided into three classes (Class I, Class II and Class III), with directors of the Board (collectively, Directors) in each class serving staggered three-year terms. At each annual meeting of stockholders, the terms of the Directors in one of these three classes is scheduled to expire. At that annual meeting of stockholders, Directors are elected to a class to succeed the Directors whose terms are then expiring, with the terms of that class of Directors so elected to expire at the third annual meeting of stockholders thereafter. Pursuant to the Bylaws, new Directors elected by the remaining Board members to fill a vacancy on the Board shall hold office for a term expiring at the annual meeting of stockholders at which the term of the Director whose vacancy is so filled expires.

On February 4, 2014, as previously disclosed on the Company's Form 8-K filed February 7, 2014, Jeffrey C. Crowe, formerly a Class I Director whose term would have expired at the 2015 Annual Meeting of Stockholders, informed the Company of his intent to retire from the Board, effective immediately, for personal reasons. The Board accepted Mr. Crowe's resignation and thanked him for his many years of leadership, which included serving as Chairman and Chief Executive Officer of the Company from 1991 to 2004, as Chairman of the Board from 2004 to 2010, and as Chairman Emeritus of the Board since 2010.

As a result, there are currently six members of the Board: two Class III Directors whose terms will expire at the 2014 Annual Meeting, one Class I Director whose term will expire at the 2015 Annual Meeting of Stockholders, and three Class II Directors whose terms will expire at the 2016 Annual Meeting of Stockholders.

The Board has nominated David G. Bannister and Michael A. Henning for election at the 2014 Annual Meeting as Class III Directors. It is intended that the shares represented by the accompanying form of proxy will be voted at the 2014 Annual Meeting for the election of nominees David G. Bannister and Michael A. Henning as Class III Directors, unless the proxy specifies otherwise. Each Class III Director's term will expire at the 2017 Annual Meeting of Stockholders. Each nominee has indicated his or her willingness to serve as a member of the Board, if elected. In connection with his nomination for election as a Class III Director at the 2014 Annual Meeting, however, Mr. Henning informed the Board of his current intent, if elected to the Board at the 2014 Annual Meeting, to serve less than a full three year term and retire from the Board as of the 2015 Annual Meeting of Stockholders in connection with his 75th birthday.

If, for any reason not presently known, either of David G. Bannister or Michael A. Henning is not available for election at the time of the 2014 Annual Meeting, the shares represented by the accompanying form of proxy may be voted for the election of one or more substitute nominee(s) designated by the Board or a committee thereof, unless the proxy withholds authority to vote for such substitute nominee(s).

Assuming the presence of a Quorum, to be elected, a nominee must receive the affirmative vote of a majority of the votes cast by the holders of Common Stock with respect to that director's election at the 2014 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

THE BOARD RECOMMENDS A VOTE *FOR* THIS PROPOSAL

INFORMATION REGARDING BOARD OF DIRECTORS AND COMMITTEES

The business of the Company is managed under the direction of the Board. The Board meets on a regularly scheduled basis four times a year to review significant developments affecting the Company and to act on matters requiring Board approval. It also holds special meetings and acts by written consent when matters require Board action between scheduled meetings. In addition, the Independent Directors (as defined below) of the Board meet regularly in executive session without any other members of management or the Board present.

Attendance at Annual Meetings

Each member of the Board is required to attend all meetings (whether special or annual) of the stockholders of the Company. In the case where a Director is unable to attend a special or annual stockholders' meeting, such absence shall be publicly disclosed in the subsequent Proxy Statement on Schedule 14A filed by the Company with the Securities and Exchange Commission (the "SEC") and an explanation for such absence shall be provided to the Company's Nominating and Corporate Governance Committee. Any consideration of additional Company action, as appropriate, with respect to such absence shall be solely within the discretion of the Nominating and Corporate Governance Committee of the Board. All current Board members attended the Annual Meeting of Stockholders held on May 23, 2013 (the "2013 Annual Meeting"), other than Diana M. Murphy who was unable to attend due to a family medical emergency.

Attendance at Board Meetings

During the Company's 2013 fiscal year, the Board held four regularly scheduled meetings, nine special meetings, each of which was held by telephonic communications, and did not act by unanimous written consent. During the Company's 2013 fiscal year, each current Director who served on the Board in 2013 attended 75% or more of the total number of meetings of the Board and all committees of the Board on which such Director serves.

Independent Directors

Each of Homaira Akbari, David G. Bannister, Michael A. Henning, Diana M. Murphy and Larry J. Thoele is an independent director, as defined in Rule 5605(a)(2) of the Listing Rules of the NASDAQ Stock Market and meets the requirements of Rule 5605(c)(2)(A) of such rules (such Directors are, collectively, the "Independent Directors"). The Independent Directors held five meetings during fiscal year 2013, in each case in executive session without any other members of management or the Board present.

Structure and Committees of the Board

The Board has established an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, a Safety and Risk Committee and a Strategic Planning Committee to devote attention to specific subjects. The functions of these committees and the number of meetings held during 2013 are described below. The Board does not currently have an Executive Committee. The Independent Directors have elected a Lead Independent Director, whose role is further described below. In addition, the Board has established a Disclosure Committee comprised of members of management, including one employee member of the Board, to establish and maintain certain disclosure controls and procedures to ensure accurate and timely disclosure in the Company's periodic reports filed with the SEC.

Each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee consist of the Independent Directors, with a different Independent Director serving as the Chair for each such committee. In addition, Ms. Murphy serves as the Chair of the Strategic Planning Committee and Mr. Thoele serves as the Chair of the Safety and Risk Committee, each of which is comprised of all six Directors on the Board. Historically, each of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee has typically invited Mr. Gerkens, the Director who does not serve on those committees, to attend all regular meetings of these three committees, excluding any meetings of the Compensation Committee to the extent pertaining to his executive compensation arrangements.

Leadership Structure of the Board

The leadership structure of the Board consists of: (i) a Chairman of the Board, who currently is also the Company's Chief Executive Officer; (ii) a Lead Independent Director; (iii) an Independent Director serving as Chair of the Audit Committee; (iv) an Independent Director serving as Chair of the Compensation Committee; (v) an Independent Director serving as Chair of the Nominating and Corporate Governance Committee; (vi) an Independent Director serving as Chair of the Strategic Planning Committee; and (vii) an Independent Director serving as the Chair of the Safety and Risk Committee. Each of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee consists solely of Independent Directors.

The Board believes this leadership structure is appropriate for the Company as Mr. Gerkens is responsible for leading the overall strategic direction of the enterprise; however, the Independent Directors retain the decision making authority of the Board because the Independent Directors consist of a majority of the members of the Board. In addition, the Independent Directors constitute the sole members of the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee and a majority of members of the Strategic Planning Committee and the Safety and Risk Committee. The Board also believes that its leadership structure is supported by each of the Independent Directors serving as the Chair of at least one committee of the Board, as the Chair of each committee of the Board has responsibility for setting the agenda for each meeting of that committee. Ms. Murphy, as Lead Independent Director, sets the agenda for the meetings of the Independent Directors. Further, the Company's internal audit function reports directly to the Audit Committee. Finally, there are no meetings of the Board or any committee of the Board at which each Independent Director is not an invited member, the Independent Directors meet regularly in executive session without any other members of management or the Board, including Mr. Gerkens present, and the Independent Directors have significant input regarding the Board's agenda and information flow.

Lead Independent Director

On May 24, 2012, the Independent Directors elected Diana M. Murphy to serve as the Lead Independent Director of the Board (the Lead Independent Director) for such term as the Independent Directors may determine. The duties and responsibilities of the Lead Independent Director include: (i) to serve as a liaison between the Independent Directors and the other members of the Board; (ii) to preside as the chairperson at all meetings of the Independent Directors; (iii) to coordinate with the other Independent Directors of the Board to develop the agenda with respect to all meetings of the Independent Directors; (iv) to have the authority to call

meetings of the Independent Directors; (v) to provide input to the Chairman of the Board on the preparation of meeting agendas and related materials for meetings of the Board; (vi) to approve the annual schedule of meetings of the Board; (vii) to ensure that the Independent Directors have adequate resources, including full, timely information necessary to enable them to perform their duties; and (viii) to communicate to management, as appropriate, the results of private discussions among the Independent Directors.

In addition to the aforementioned duties, the Lead Independent Director of the Board has historically also been the Chair of the Nominating and Corporate Governance Committee. In that capacity, Ms. Murphy led the process by which potential new Independent Directors were identified and evaluated. This process resulted in the appointments of Dr. Akbari and Mr. Thoele to the Board in January 2013. The Board believes it is important to confer this responsibility on the Lead Independent Director in order to support a Board structure where the Independent Directors retain the decision making authority of the Board.

Ms. Murphy, as the Lead Independent Director of the Board, also serves as the Chair of the Strategic Planning Committee. In that capacity, the Lead Independent Director presides as the chairperson at meetings of the Strategic Planning Committee during which the strategic objectives of the Company are reviewed and considered by the Board.

Classified Structure of the Board

As described above, the Board is divided into three classes (Class I, Class II and Class III), with Directors in each class serving staggered three-year terms. The Board believes it is appropriate for the Board to retain its classified structure for several reasons, including (i) to promote the best interests of the Company and its stockholders by providing continuity and stability with respect to leadership, (ii) to facilitate long-term planning and enhance the ability of the Board to implement long-term business strategies, (iii) to help attract and retain highly qualified directors, (iv) to enhance the Company's bargaining power on behalf of stockholders in the event of a hostile takeover attempt or other activist shareholder undertakings and (v) to reduce vulnerability to a coercive takeover attempt and thereby make it more likely that a potential acquirer would initiate discussions with the existing Board since it cannot replace all Directors in a single election cycle.

Audit Committee

The members of the Audit Committee are Homaira Akbari, David G. Bannister, Michael A. Henning, Diana M. Murphy and Larry J. Thoele, each an Independent Director.

The Charter of the Audit Committee was amended and restated by the Board at the May 23, 2013 Board meeting. The Charter of the Audit Committee more fully describes the purposes, membership, duties and responsibilities of the Audit Committee described herein. A copy of the Charter of the Audit Committee is available on the Company's website at www.landstar.com under Investor Relations/Corporate Governance.

The Audit Committee (i) appoints the independent registered public accounting firm for the Company and monitors the performance of such firm, (ii) reviews the scope and results of the annual audits, (iii) evaluates with the independent registered public accounting firm the Company's annual audit of the consolidated financial statements and audit of internal control over financial reporting, (iv) monitors the performance of the Company's internal audit function, (v) reviews with management the annual and quarterly financial statements, (vi) reviews with management and the internal auditors the status of internal control over financial reporting, (vii) reviews and maintains procedures for the anonymous submission of complaints concerning accounting and auditing irregularities and (viii) reviews problem areas having a potential financial impact on the Company which may be brought to its attention by management, the internal auditors, the independent registered public accounting firm, the Board or through an anonymous submission of complaints. In addition, the Audit Committee preapproves all non-audit related services provided by the Company's independent registered public accounting firm, currently KPMG, and approves the independent registered public accounting firm's fees for services rendered to the Company. During the 2013 fiscal year, the Audit Committee held four meetings, five telephonic meetings and did not act by written consent.

Compensation Committee

The members of the Compensation Committee are Homaira Akbari, David G. Bannister, Michael A. Henning, Diana M. Murphy and Larry J. Thoele, each an Independent Director.

The Compensation Committee functions include: (i) reviewing and making determinations with respect to matters having to do with the compensation of Executive Officers and Directors of the Company and (ii) administering certain plans relating to the compensation of officers and Directors. During the Company's 2013 fiscal year, the Compensation Committee held two meetings, one telephonic meeting and did not act by written consent.

The Charter of the Compensation Committee was amended and restated by the Board at the May 23, 2013 Board meeting. The Charter of the Compensation Committee more fully describes the purposes, membership, duties and responsibilities of the Compensation Committee described herein. A copy of the Charter of the Compensation Committee is available on the Company's website at www.landstar.com under Investor Relations/Corporate Governance.

The Compensation Committee has full and complete discretion to establish the compensation payable to the Company's Chief Executive Officer and the other Executive Officers and oversees the compensation payable to other employees of the Company. With regard to the Executive Officers other than the Chief Executive Officer, the Compensation Committee considers the recommendations of the Chief Executive Officer. The Compensation Committee, following authorization by the Board, has delegated to the Company's Chief Executive Officer authority with respect to management annual salary decisions up to \$150,000 per employee. In addition, the Compensation Committee has delegated to the Company's Chief Executive Officer the authority with respect to (i) the grant of up to 1,000 stock options per employee (other than Executive Officers) without prior consultation with the chair of the Compensation Committee or (ii) alternatively, the grant of up to 5,000 stock options per employee (other than Executive Officers) following consultation with the Chair of the Compensation Committee. The Compensation Committee has otherwise not delegated to management any of its responsibilities with respect to the compensation of the Executive Officers of the Company, except with respect to the day to day operations of the Company's compensation plans.

The Compensation Committee has the authority to hire and negotiate the terms of compensation for its advisers, including compensation consultants. The Compensation Committee periodically reviews the Company's compensation programs.

Compensation Committee Interlocks and Insider Participation

As noted above, the members of the Compensation Committee are Homaira Akbari, David G. Bannister, Michael A. Henning, Diana M. Murphy and Larry J. Thoele. All members of the Compensation Committee are Independent Directors, and no member is or has been an employee of the Company. During the Company's fiscal year 2013, no Executive Officer of the Company served as a member of the compensation committee (or its equivalent) or board of directors of another entity whose executive officer served on the Board or the Compensation Committee.

Nominating and Corporate Governance Committee

The members of the Nominating and Corporate Governance Committee are Homaira Akbari, David G. Bannister, Michael A. Henning, Diana M. Murphy and Larry J. Thoele, each an Independent Director.

The Nominating and Corporate Governance Committee functions include identifying persons for future nomination for election to the Board. During the Company's 2013 fiscal year, the Nominating and Corporate Governance Committee held one meeting, no telephonic meetings and did not act by written consent. Stockholders who wish to submit names to the Nominating and Corporate Governance Committee for

consideration should do so in writing addressed to the Nominating and Corporate Governance Committee, c/o Corporate Secretary, Landstar System, Inc., 13410 Sutton Park Drive South, Jacksonville, Florida 32224.

The Charter of the Nominating and Corporate Governance Committee was amended and restated by the Board at the May 23, 2013 Board meeting. The Charter more fully describes the purposes, membership, duties and responsibilities of the Nominating and Corporate Governance Committee described herein. A copy of the Charter of the Nominating and Corporate Governance Committee is available on the Company's website at www.landstar.com under Investor Relations/Corporate Governance. Following the recommendation of the Nominating and Corporate Governance Committee, the Board approved revised Corporate Governance Guidelines at its May 23, 2013 meeting. The Corporate Governance Guidelines set forth, among other things, guidelines with respect to Director qualification standards and Board membership criteria, limitations on the number of public company boards on which a Director may serve, attendance of Directors at Board meetings, Director compensation, Director education, evaluation of the Company's Chief Executive Officer and Board self-assessment. A copy of the Corporate Governance Guidelines is available on the Company's website at www.landstar.com under Investor Relations/Corporate Governance.

The Nominating and Corporate Governance Committee oversees an annual self-evaluation conducted by the Board in order to determine whether the Board and its committees are functioning effectively. The Nominating and Corporate Governance Committee also oversees individual Director self-assessments in connection with the evaluation of each Director for purposes of making a recommendation to the Board as to the persons who should be nominated for election or re-election, as the case may be, at each upcoming annual meeting of stockholders.

The Nominating and Corporate Governance Committee considers candidates for the Board suggested by its members and other Board members, as well as management and stockholders. There are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for the Board based on whether or not the nominee is recommended by one of its members, another Board member, management or a stockholder. The Nominating and Corporate Governance Committee evaluates prospective nominees against a number of minimum standards and qualifications, including business experience and financial literacy. The Nominating and Corporate Governance Committee also considers such other factors as it deems appropriate, including the current composition of the Board, the balance of management Directors and Independent Directors, the need for Audit Committee or other relevant expertise, the evaluations of other prospective nominees and other individual qualities and attributes that contribute to a broad spectrum of experience among members of the Board. The Nominating and Corporate Governance Committee then determines whether to interview the prospective nominees, and, if warranted, one or more of the members of the Nominating and Corporate Governance Committee, and others as appropriate, interview such prospective nominees whether in person or by telephone. After completing this evaluation and, if warranted, interview, the Nominating and Corporate Governance Committee makes a recommendation to the Board as to the persons who should be nominated by the Board. The Board then determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

Safety and Risk Committee

COMPENSATION OF DIRECTORS

Each Director other than Mr. Gerkens is paid an annual fee of \$75,000 with no additional fees payable for attendance at or participation in Board or committee meetings or service as a chair of a committee of the Board. Directors are not paid a retainer fee upon election or re-election to the Board. Directors are reimbursed for expenses incurred in connection with attending Board meetings.

In addition, upon election or re-election to the Board for a three year term, a Director who is neither an officer nor an employee of the Company, receives a grant, on the first business day immediately following the date of such Director's election or re-election to the Board, of such number of restricted shares of Common Stock equal to the quotient of \$225,000 divided by the fair market value of a share of Common Stock on the date of such grant. Each such grant of restricted stock vests in three equal annual installments on the first three anniversary dates of such Director's election or re-election to the Board. The unvested shares of restricted stock are subject to forfeiture for the portion of the award that has not yet vested upon early departure of a Director from the Board for any reason prior to the expiration of his or her respective three year term.

Mr. Gerkens, who is not an Independent Director, did not receive any compensation for services as a Director, for services on committees of the Board or for attendance at meetings, but he was reimbursed for expenses incurred in his capacity as a Director.

The following table summarizes the compensation paid to Directors, other than Mr. Gerkens, during 2013.

- (1) Dr. Akbari and Mr. Thoele were each granted 552 restricted shares of Common Stock on January 2, 2013, the first business day immediately following the date of their election to the Board, as a pro-rated portion of

each Director's restricted share award for the period of service between January 2013 and the Company's 2013 Annual Meeting. The fair market value of a share of Common Stock on January 2, 2013 was \$53.26. Dr. Akbari, Ms. Murphy, and Mr. Thoele were each granted 4,115 (the quotient of \$225,000 divided by the fair market value of a share of Common Stock of \$54.68 on May 24, 2013) restricted shares of the Company's Common Stock on May 24, 2013, the first business day immediately following the date of their re-election to the Board. The share amount for each grant represents the aggregate fair value of the restricted shares as of such grant date, computed in accordance with generally accepted accounting principles. At December 28, 2013, Dr. Akbari, Mr. Bannister, Mr. Crowe, Mr. Henning, Ms. Murphy, and Mr. Thoele had 4,115, 1,617, 2,768, 1,617, 4,115, and 4,115 restricted shares outstanding, respectively. No dividends were paid on shares of unvested restricted stock during fiscal 2013.

- (2) As referred to above, on February 4, 2014, Mr. Crowe informed the Company of his intent to retire from the Board, effective immediately, for personal reasons. The Board accepted Mr. Crowe's resignation and thanked him for his many years of leadership. In connection with Mr. Crowe's retirement, Mr. Crowe forfeited 2,768 restricted shares of Common Stock.

The Compensation Committee of the Board has established stock ownership guidelines for Directors that recommend that each Director own a minimum of 15,000 shares of the Company's Common Stock within five years of such Director's initial election to the Board. At March 27, 2014, each current Director who has served five years on the Board was in compliance with the stock ownership guidelines.

The Board is subject to the Company's policy regarding pledging and hedging of the Company's Common Stock, as further described in the Compensation, Discussion and Analysis section of this Proxy Statement.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee has the sole authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent registered public accounting firm. The Audit Committee is comprised of all of the Independent Directors. The Audit Committee operates under a written charter approved by the Board.

Management is responsible for the Company's internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The independent registered public accounting firm is also responsible for auditing the Company's internal control over financial reporting. The Audit Committee is responsible for monitoring these processes. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to the independent registered public accounting firm's independence. The Audit Committee relies, without independent verification, on the information provided to it and on presentations and statements of fact made by management, the internal auditors and the independent registered public accounting firm.

In connection with these responsibilities, as discussed elsewhere in this Proxy Statement, the Audit Committee held four meetings and five telephonic meetings during the Company's 2013 fiscal year. These meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management, the internal auditors and the independent registered public accounting firm. The Audit Committee discussed with representatives of the independent registered public accounting firm the overall scope and plans for these audits. The Audit Committee also met with representatives of KPMG, with and without management and the internal auditors present, to discuss the Company's fiscal year 2013 financial statements and the Company's internal control over financial reporting. The Audit Committee also reviewed and discussed the December 28, 2013 audited financial statements with management and reviewed and discussed the status of the Company's internal control over financial reporting with management and the internal auditors. The Audit Committee also discussed with representatives of the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16,

Communications with Audit Committees, adopted by the Public Company Accounting Oversight Board, and also received written disclosures and the letter from KPMG required by the Public Company Accounting Oversight Board regarding KPMG's independence from the Company. The Audit Committee had discussions with representatives of the independent registered public accounting firm concerning the independence of the independent registered public accounting firm under the rules and regulations governing auditor independence promulgated under the Sarbanes-Oxley Act. The Audit Committee had discussions with management and the internal auditors concerning the process used to support certifications by the Company's Chief Executive Officer and Chief Financial Officer that are required by the Securities and Exchange Commission (SEC) and the Sarbanes-Oxley Act to accompany the Company's periodic filings with the SEC.

The Board has determined that Mr. Bannister, Mr. Henning and Mr. Thoele, each an independent director under the NASDAQ and SEC audit committee structure and membership requirements, meet the SEC criteria of an audit committee financial expert under the standards established by Item 407(d) of Regulation S-K under the Securities Act. Mr. Bannister's background and experience includes serving as a Managing Director of Deutsche Bank Alex Brown Incorporated, a General Partner of Grotech Capital Group, and currently as Chairman of the North American Region of FTI Consulting, Inc., a global business consulting firm listed on the New York Stock Exchange. In addition, Mr. Bannister was a certified public accountant employed as an audit manager at the firm of Deloitte, Haskins and Sells. Mr. Henning's background and experience includes serving in various capacities with Ernst & Young from 1961 to 2000, including Deputy Chairman of Ernst & Young from December 1999 to October 2000 and Chief Executive Officer of Ernst & Young International from

September 1993 to December 1999. Mr. Thoele's background and experience includes service as an audit partner with KPMG from 1982 to 2009. Mr. Thoele also served as Managing Partner of the Jacksonville office of KPMG from 1991 to 2007, the partner in charge of the North Florida audit practice of KPMG from 1996 to 2007 and as a lead partner in KPMG's private equity practice from 2007 to 2009.

During 2013, the Audit Committee preapproved the continuation of all non-audit services to be rendered to the Company by the independent registered public accounting firm in 2013 (which services are disclosed elsewhere in this Proxy Statement) and concluded that these services were compatible with maintaining the independence of the registered public accounting firm.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the representations of management and the independent registered public accounting firm, the Audit Committee recommended that the Board include the audited consolidated financial statements in the 2013 Annual Report, filed with the SEC on February 21, 2014. The Audit Committee has also selected KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 27, 2014 and has recommended to the Board that this selection be presented to the stockholders for ratification.

Compensation Discussion and Analysis

Overall Policy

The Company's executive compensation philosophy is designed to attract and motivate executive talent best suited to develop and implement the Company's business strategy. These objectives are attained by tying a significant portion of each executive's compensation to the Company's success in meeting specified annual corporate financial performance goals and, through the grant of stock-based awards, to appreciation in the Company's stock price. The Company's philosophy is to recognize individual contributions while supporting a team approach in achieving overall business objectives and increasing shareholder value.

The key elements of the Company's executive compensation consist of base salary, annual incentive payments and stock-based awards. The Company's policies with respect to each of these elements, including the basis for the compensation awarded, are discussed below.

The Company's philosophy is to pay annual compensation generally in cash, with long-term incentive compensation paid in the form of stock-based awards. Base salary is intended to constitute a modest percentage of total compensation. The annual incentive compensation plan is designed to pay substantial compensation for superior performance. Stock-based awards have historically accounted for a significant portion of each Named Executive's total compensation. In 2013, the Company awarded performance stock units to its Named Executives based on each individual's level of responsibility and performance and to help align management's future interests with that of the Company's stockholders. No stock options or shares of restricted stock were granted to a Named Executive in 2013. The Company believes that its compensation practices align executive compensation with financial performance and, as such, executive compensation arrangements are generally aligned with the Company's variable cost business model.

The Compensation Committee of the Board is solely responsible for decisions with respect to the compensation of the Company's Chief Executive Officer, Henry H. Gerkens. The Compensation Committee is also responsible, taking into consideration recommendations of the Chief Executive Officer, for decisions with respect to the compensation awarded to the other individuals whose compensation is detailed below (such other officers, together with Mr. Gerkens, collectively herein referred to as the "Named Executives"), subject to review by the entire Board.

The executive compensation program is reviewed annually by the Compensation Committee. Periodically, at the Compensation Committee's sole discretion, an independent review of the executive compensation program may be performed by outside consultants.

The Company provides its stockholders with the opportunity to cast an annual advisory vote on Named Executive compensation as described elsewhere in this Proxy Statement (commonly known as a "say-on-pay" proposal). At the Company's 2013 Annual Meeting, more than 98% of the votes cast on the say-on-pay proposal at that meeting were voted in favor of the proposal. The Compensation Committee believes this affirms stockholders' support of the Company's approach to executive compensation. As noted above, the say-on-pay vote is advisory and therefore not binding on the Compensation Committee. However, the Compensation Committee values the opinion of the Company's stockholders and, to the extent there were any significant vote against the Named Executive compensation as disclosed in this Proxy Statement, would consider the stockholders' concerns and evaluate whether any actions are necessary to address those concerns.

Base Salaries

Base salaries for Named Executives are initially determined by evaluating the responsibilities of the position held and the experience of the individual. Salary adjustments are determined by evaluating the performance of the Company and of each Named Executive, and also take into account the assumption of, or changes in, responsibilities, if any. The financial results of the operating functions which report into a Named Executive or for which a Named Executive otherwise has responsibility are also considered. The base salaries of the five Named Executives are detailed in the Summary Compensation Table that follows.

Performance Based Compensation

The Company maintains performance based compensation programs that are designed to encourage the Company's Named Executives to achieve various financial goals linked to operating objectives both for the Company's upcoming fiscal year as well as for the longer term performance of the enterprise. The Company's performance based compensation program includes the Company's annual incentive program and stock-based awards program, each of which are further described below.

Annual Incentive Compensation

The Company's objective with respect to the Landstar System, Inc. Executive Incentive Compensation Plan, adopted by the Board and approved by the Company's stockholders effective January 1, 2012 (the "EICP"), is to encourage the Company's Named Executives to achieve various financial goals linked to operating objectives for the Company's upcoming fiscal year. These annual goals are developed as part of the Company's budgeting process and in general are aligned with the Company's long-term objectives with respect to earnings growth. Prior to the beginning of each annual fiscal period, the Compensation Committee reviews and approves, among other financial metrics, the budgeted amount for diluted earnings per share. In establishing budgeted amounts for diluted earnings per share for 2013, the Company considered a growth factor over 2012 operating results and forecasted 2013 U.S. economic factors such as industrial production, estimated freight demand and capacity availability. Once the annual budgeted goal is approved by the Compensation Committee, the EICP is designed to incent management to meet and, when possible, to exceed their goals. An executive's incentive compensation payment continues to increase as actual results for the fiscal year exceed budgeted amounts. As further described below, actual payments under the EICP are calculated based upon how much actual results exceed budgeted diluted earnings per share, using a predetermined formula, up to the maximum annual payment per eligible participant as per the EICP as approved by the Company's stockholders, all subject to the discretion of the Compensation Committee. For the 2013 fiscal year, the maximum annual payment per eligible participant was \$3 million.

With respect to the 2013 fiscal year, each of the Named Executives had a target under the EICP based on a specific budgeted diluted earnings per share amount approved in connection with the Company's annual operating budget. The Compensation Committee believes it is appropriate to establish the targets under the EICP based on diluted earnings per share because (1) each of the Named Executives were in positions of broad responsibility over various components that affect the Company's diluted earnings per share amount, (2) the Compensation Committee believes that diluted earnings per share is the primary financial measure reflecting the performance of the Company's overall strategic direction and on that basis evaluates the performance of the Named Executives and (3) the Compensation Committee believes it is appropriate to compensate the Named Executives upon achievement of Company-wide, rather than division or function specific, budgeted targets in order to focus executive management on Company-wide strategic and financial performance goals.

The target amount of diluted earnings per share under the EICP refers to the amount of diluted earnings per share that would be required to give effect to a one-time incentive payment. A one-time incentive payment under the EICP equals 100% of the executive's EICP percentage multiplied by such executive's base salary. The EICP percentages for the Named Executives in 2013 were as follows: Mr. Gerkens, 100%, Mr. Gattoni, 75%, Mr. Kneller, 40%, Mr. O'Malley, 40% and Mr. Beacom, 40%. As disclosed in the Current Report on Form 8-K filed by the Company on January 23, 2013, Mr. Gattoni's EICP percentage was increased from 65% to 75% in connection with his promotion to Executive Vice President, Chief Financial Officer and Assistant Secretary.

For purposes of these calculations, the Company's budgeted diluted earnings per share was determined by assuming that the EICP bonus would be payable at target. For example, each Named Executive would have received a one-time incentive payout if the Company's actual diluted earnings per share amount for the fiscal year equaled budgeted diluted earnings per share after giving effect to such one-time incentive payment. If the Company's actual diluted earnings per share amount for fiscal year 2013 were less than the target amount of

diluted earnings per share, no incentive payment would have been made to the Named Executives under this portion of the EICP. If the Company's actual diluted earnings per share for the fiscal year were greater than the target amount of diluted earnings per share after giving effect to a one-time incentive payment, the EICP payment for each Named Executive would be calculated by multiplying each such executive's base salary by such executive's EICP percentage multiplied by one plus a predetermined factor. This factor equaled 33 1/3 percent for each one percent by which actual diluted earnings per share (after giving effect to a one-time incentive payout) exceeded target diluted earnings per share. Individual amounts calculated under the EICP may be adjusted downwards at the discretion of the Compensation Committee in accordance with the Company's 162(m) stockholder-approved EICP. The Company has met or exceeded the budgeted amount for diluted earnings per share in four of the preceding five fiscal years.

The target amount of diluted earnings per share under the EICP with respect to the 2013 fiscal year was \$2.84, which represented a 3% increase from the actual diluted earnings per share for the 2012 fiscal year. Diluted earnings per share for the 2013 fiscal year was \$3.16, which exceeded target diluted earnings per share by 11.4%, or \$0.32 per share, and exceeded fiscal year 2012 diluted earnings per share by 14%, or \$0.39 per share.

As previously reported in the Company's Current Report on Form 8-K filed on January 3, 2014, the Company completed the sale of Landstar Supply Chain Solutions, Inc., and its wholly owned subsidiary, Landstar Supply Chain Solutions LLC (collectively, "LSCS"), to XPO Logistics, Inc. on December 28, 2013. This sale had a significant impact on the Company's diluted earnings per share for the 2013 fiscal year, which were comprised of the following: \$2.36 per share attributable to continuing operations, \$0.09 per share attributable to the 2013 operating results of LSCS and \$0.71 per share attributable to the gain on the sale of LSCS. Based solely on the actual results for fiscal year 2013, the EICP payment for each Named Executive generated under the EICP would have been calculated by multiplying each such executive's salary by such executive's EICP percentage multiplied by 4.78 (or, one plus (11.4 multiplied by 0.33)). At the recommendation of management, the Compensation Committee used its negative discretion, as provided under the EICP, to reduce Named Executives' individual bonus amounts from a 4.78 multiple of such executive's participation percentage to amounts ranging between approximately 0.93 and 1.05 of a one-time bonus amount and approved the distribution of the amount of bonus pool generated under the EICP that was not distributed to the Named Executives as bonus compensation paid to other Landstar employees. The Compensation Committee believes the use of its negative discretion was appropriate under these circumstances due to (1) the one-time nature of the gain on the sale of LSCS, (2) the fact that the gain on sale of LSCS contributed to the Company's 2013 fiscal year diluted earnings per share but did not contribute to other financial metrics (for example, revenue or operating income) upon which bonuses may be paid to other employees of the Company, and (3) an overall belief that the Company's employee base executed well throughout a difficult operating environment in 2013, and in connection therewith, the desirability of utilizing a portion of the bonus payments which could have otherwise been paid to the Named Executives for the payment of certain bonus amounts to other employees of the Company with bonus targets based on metrics other than diluted earnings per share who otherwise would have received no 2013 bonus compensation.

Stock-based Awards

Under the Company's 2011 Landstar System, Inc. Equity Incentive Plan, stock-based awards may be granted to the Company's Named Executives and certain other key employees. No further grants of stock-based awards can be made under the Amended and Restated 2002 Employee Stock Option and Stock Incentive Plan (together with the 2011 Equity Incentive Plan, the "Employee Equity Plans"). The Compensation Committee determines the type and number of stock-based awards to be granted to a Named Executive based on such Named Executive's job responsibilities, the individual performance evaluation of such Named Executive and overall Company performance. Stock-based awards are typically granted to Named Executives once a year. The 2011 Equity Incentive Plan provides that any payment paid or award made to a participant under such plan is subject to recovery or "clawback" by the Company if the payment or award is based on materially inaccurate financial statements or any other materially inaccurate performance metric criteria.

The Company has historically granted stock options and restricted stock under the Employee Equity Plans. As further discussed below, in 2012 the Compensation Committee initiated a new program to grant performance related stock awards over time in the form of restricted stock units (the RSUs) to Named Executives on an annual basis rather than stock options or restricted stock. Each RSU represents the contractual right to receive one share of Common Stock (subject to adjustment as provided in the Employee Equity Plans) when the award becomes vested. The Compensation Committee believes that grants of RSUs will over time be the principal vehicle through which the Named Executives will be granted additional stock-based awards in the Company. The Compensation Committee continues to believe, however, that stock options, restricted stock and other forms of stock-based awards that may be granted under the Employee Equity Plans remain effective methods that may continue to be used in the future as part of the Company's long term compensation program.

In prior years, Named Executives have been granted stock options on an annual basis that vest 100% after a period that may range from three to five years from the date of grant or in three or five equal annual installments commencing on the first anniversary of the date of grant. Stock options are granted with an exercise price equal to the fair market value of the Common Stock on the date of grant. In 2013, no stock option awards were made to Named Executives.

Shares of restricted stock have also been granted to Named Executives under the Employee Equity Plans. Restricted stock has been granted that vests in three or five equal annual installments commencing on the first anniversary of the date of grant or 100% after a period that may range from three to five years from the date of grant. No shares of restricted stock were granted to Named Executives in 2013.

On each of January 2, 2012 and January 2, 2013, the Company granted in aggregate 63,000 RSUs to Named Executives other than Mr. Gerkens. Under each of these grants, Mr. Gattoni received 18,000 RSUs and Messrs. Beacom, Kneller and O'Malley each received 15,000 RSUs. The Compensation Committee awarded Mr. Gattoni larger grants than Messrs. Beacom, Kneller and O'Malley in reflection of the breadth of Mr. Gattoni's responsibilities covering the Company's financial, administrative and information systems functions. The number of RSUs that vest under this grant is determined annually, for each year in the five-year period from the date of grant, by multiplying the number of RSUs granted by the sum of (a) the average of the percentage change (positive or negative) in operating income and diluted earnings per share in each of the five years immediately following the base year as compared to operating income and diluted earnings per share reported in the base year (base year being the fiscal year immediately preceding the year in which the RSUs were granted), plus (b) 5%, rounded to the nearest whole number, less (c) the number of RSUs under such grant that previously vested. No dividends are paid on RSUs and RSUs have no voting rights. The fair value of an RSU is determined based on the market value of the Company's Common Stock on the date of grant, discounted for lack of marketability for a minimum post-vesting holding requirement. On January 2, 2014, the Company granted an aggregate of 75,000 RSUs to Named Executives, other than Mr. Gerkens, on terms similar to the terms of the January 2, 2012 and January 2, 2013 grants, except that Mr. Gattoni was granted 30,000 RSUs rather than 18,000 RSUs in connection with Mr. Gattoni's promotion to President and Chief Financial Officer of the Company, effective January 1, 2014.

On January 23, 2013, the Company granted to Mr. Gerkens 100,000 RSUs under the Company's 2011 Equity Incentive Plan. Under the terms of the grant, the RSUs may vest on January 31 of 2014, 2015, and 2016, with the number of RSUs that vest on each vesting date determined by multiplying 100,000 by the sum of (1) the percentage increase in operating income in the most recently completed fiscal year as compared to the results from the immediately preceding fiscal year (for example, on January 31, 2015, the percentage increase in operating income for the Company's 2014 fiscal year as compared to the Company's 2013 fiscal year), plus (2) the percentage increase in diluted earnings per share in the most recently completed fiscal year as compared to the results from the preceding fiscal year (for example, on January 31, 2015, the percentage increase in diluted earnings per share for the Company's 2014 fiscal year as compared to the Company's 2013 fiscal year). On January 31, 2014, 14,128 of these RSUs granted to Mr. Gerkens vested as there was no increase in operating income for the Company's 2014 fiscal year as compared to the Company's 2013 fiscal year and the percentage increase in diluted earnings per share for the Company's 2013 fiscal year as compared to the Company's 2012

fiscal year was 14.13%. Any RSUs granted to Mr. Gerkens that do not become vested as of January 31, 2016 will be forfeited. In general, if (a) Mr. Gerkens's employment as the Company's Chief Executive Officer terminates other than in a circumstance under which he becomes entitled to receive the severance benefits described in the letter agreements between the Company and Mr. Gerkens (see the section entitled Letter Agreements with Mr. Gerkens below), (b) he fails or ceases to serve as the Executive Chairman of the Company as set forth in the letter agreements, or (c) following the termination of his services as Executive Chairman of the Company, he fails to make himself available to consult with the Company as set forth in the letter agreements, then any portion of the RSUs that have not otherwise become vested prior to the applicable event described in (a), (b) or (c), will be forfeited upon his termination of service. However, if Mr. Gerkens's employment or consulting arrangement is terminated due to his death or disability, the unvested RSUs will remain outstanding and eligible for further vesting as described above.

There are several reasons why the Compensation Committee believes the differences in the nature and terms of the grants to Mr. Gerkens, on the one hand, and the other Named Executives, on the other, are appropriate. The grant to Mr. Gerkens is intended as a non-recurring grant that provides Mr. Gerkens with a long term compensation opportunity over the duration of the remaining term of his letter agreements with the Company and for a short period thereafter (during which time Mr. Gerkens would be a consultant to the Company) in connection with the transition to his successor as Chief Executive Officer, should one be appointed following the end of his current term. The RSU grants to the other Named Executives other than Mr. Gerkens are intended to be annual, recurring grants, subject to the discretion of the Compensation Committee, that the Compensation Committee believes will over time become the principal long term performance based compensation vehicle through which these Named Executives will be granted additional equity in the Company. The Compensation Committee believes that growth in operating income and diluted earnings per share are the two key financial measures reflecting the long term growth of the enterprise. The Compensation Committee believes that the Company would have to achieve superior financial performance in order for a Named Executive to vest in 100 percent of an RSU award. For example, in order for a Named Executive, other than Mr. Gerkens, to vest in 100 percent of an RSU award, the average increase in diluted earnings per share and operating income must equal or exceed the base year (the year immediately preceding the date of grant) operating income and diluted earnings per share by 95 percent in any of the 5 years following the base year.

The Compensation Committee has established post-vesting holding period requirements with respect to shares of Common Stock received upon vesting of RSUs. Mr. Gerkens will be required to hold, and may not assign, alienate, pledge, attach, sell or otherwise transfer or encumber, the shares that he receives upon settlement of the RSUs, net of any applicable withholding obligations in connection with such settlement, until December 31, 2016. With respect to the other Named Executives, each such Named Executive is subject to a one year post-vesting holding requirement with respect to the shares received upon settlement of the RSUs, net of any applicable withholding obligations in connection with such settlement.

The Company believes that the granting of stock-based awards in the form of RSUs, stock options and restricted stock is designed to encourage the creation of long-term stockholder value as the number of RSUs that vest is dependent upon growth in the Company's operating income and diluted earnings per share, no benefit can be realized from stock options unless the stock price exceeds the exercise price over the vesting period and the benefit realized from restricted stock varies directly with the Company's stock price.

Equity Ownership Guidelines

The Company believes that equity interests held by management help to align the interests of stockholders and management and maximizes stockholder returns over the long term. To that end, the Compensation Committee of the Board has established equity ownership guidelines applicable to the Named Executives of the Company. These guidelines recommend that the Chief Executive Officer of the Company hold a minimum of 50,000 shares of the Company's Common Stock and each of the other Named Executives of the Company hold a minimum of 15,000 shares of the Company's Common Stock, in each case to be achieved within specified time periods. As part of these guidelines, the Compensation Committee has also established specific criteria with

respect to the treatment of stock options, shares of restricted stock and RSUs. On the basis of these criteria, each of the Named Executives is currently in compliance with these stock ownership guidelines.

Policy Regarding Hedging and Pledging of Company Stock

The Board has also established a policy that prohibits the hedging and pledging of the Common Stock by certain members of the Company's leadership, including all Directors and Named Executives, under any circumstances.

Deferred Compensation

The Company maintains an Internal Revenue Service Code Section 401(k) Savings Plan (the "401(k) Plan") for all eligible employees. The Company maintains a Supplemental Executive Retirement Plan (the "SERP") for all officers, including the Named Executives, of the Company and its subsidiaries. The SERP is designed to provide officers with the option to receive the benefits tax deferred investment of a certain percentage of the executive's salary and a Company matching contribution on a certain portion of the executive's contribution that are offered under the Company's 401(k) Plan on the portion of the executive's salary that is not eligible to be included under the Company's 401(k) Plan, because it is above the various limitations established in the Internal Revenue Code. Except for the elimination of the maximum salary limitations, the benefits and the investment options of the SERP are the same as the 401(k) Plan. Messrs. Gerkens, Kneller, O'Malley and Beacom have elected to participate in the SERP.

Letter Agreements with Mr. Gerkens

The Company has also entered into a series of letter agreements with Mr. Gerkens, the Company's Chairman and Chief Executive Officer, to govern the employment relationship of Mr. Gerkens with the Company and provide Mr. Gerkens with certain compensation and benefits in the event of his termination of employment under certain specified circumstances. These letter agreements, in force as of the date of this Proxy Statement, are described below.

The Company and Mr. Gerkens most recently determined to amend and restate his letter agreement on January 3, 2012 in order to extend its term. Under the January 3, 2012 letter agreement, Mr. Gerkens agreed to continue to serve as the Chief Executive Officer of the Company through January 3, 2015, and thereafter as the Executive Chairman of the Company until the end of his then current term as a Director of the Company, which is anticipated at the time of the 2015 Annual Meeting of Stockholders. However, either Mr. Gerkens or the Company has the right to request his appointment as Executive Chairman of the Board during the period from the date of the Company's 2014 Annual Meeting through January 3, 2015. Upon his appointment as Executive Chairman of the Board, Mr. Gerkens will cease to serve as the Chief Executive Officer of the Company and his Key Executive Employment Protection Agreement will become null and void. In addition, upon any such appointment, Mr. Gerkens will continue to be compensated on the same terms and conditions as are currently applicable to him through January 3, 2015, including with respect to his then current annual salary and his target annual bonus, which will continue to be 100% of base salary. Following January 3, 2015, and until the end of his then current term as a Director of the Company (during his service as Executive Chairman), Mr. Gerkens will receive a salary at the annual rate of \$500,000 (amended to \$575,000 as of January 23, 2013, as further described below) but he will not be eligible to receive any bonus amounts for fiscal year 2015. Following his termination of service as Executive Chairman of the Company (which is anticipated to be at the time of the 2015 Annual Meeting of Stockholders) and until May 2018, Mr. Gerkens is expected to serve as a non-employee consultant to the Company, providing the Company consulting and other advisory services, for which he will be paid a single lump sum fee of \$600,000 (amended to \$700,000 as of January 23, 2013, as further described below) payable six months following the end of his employment. As additional consideration for his agreement to extend the term of his employment and his commitment to provide such consulting services, the Company has agreed to make available to Mr. Gerkens continued participation in its health benefits plans (or, in certain circumstances, to assist him in obtaining alternative coverage) through November 2019.

In connection with the continued contributions expected to be made by Mr. Gerkens as Chief Executive Officer of the Company, the January 3, 2012 letter agreement also extends the term of Mr. Gerkens' rights to certain severance benefits through January 3, 2015. The agreement provides that in the event the Company terminates Mr. Gerkens' employment other than for cause or disability or Mr. Gerkens terminates his employment for good reason prior to January 3, 2015, in each case at any time that Mr. Gerkens' right to receive severance is not governed by his Key Executive Employment Protection Agreement, the Company would pay Mr. Gerkens a lump sum severance benefit equal to two times the sum of his annual base salary and the annual bonus that would have been payable to him for the relevant period under the Company's EICP. In addition, Mr. Gerkens would be entitled to continue to receive health benefits for up to two years from the date of termination. The agreement also provides that if Mr. Gerkens' employment with the Company ends due to his disability or death, he, or his beneficiary, would be entitled to receive a pro rata portion of the annual bonus that would have been payable to him for the relevant period under the Company's EICP. The agreement further provides that Mr. Gerkens would work exclusively for the Company while in its employ and not compete with the Company or solicit or hire any of its employees for a two-year period following the end of his employment as Chief Executive Officer for any reason. A copy of the letter agreement between the Company and Mr. Gerkens, dated January 3, 2012, was attached as Exhibit 99.1 to a Current Report on Form 8-K, filed by the Company on January 3, 2012.

On January 23, 2013, the Company and Mr. Gerkens amended the terms of Mr. Gerkens' employment letter agreement, dated January 3, 2012, to increase Mr. Gerkens' annual salary from \$500,000 to \$575,000. Mr. Gerkens last received an increase in his salary to \$500,000, effective June 1, 2007, as previously disclosed by the Company. In addition, the letter agreement was amended to increase the consulting fee that will be paid to Mr. Gerkens for his availability to consult with the Company following his termination of service as Executive Chairman of the Company from \$600,000 to \$700,000. Except as expressly modified by the amendment, the letter agreement remains in full force and effect in accordance with its terms.

Key Executive Employment Protection Agreements

The Board has approved the execution of Key Executive Employment Protection Agreements for each of the Named Executives, to assure that each of these officers will have a minimum level of personal financial security in the context of a change in control transaction to avoid undue distraction due to the risks of job security, and to enable such officer to act in the best interests of stockholders without being influenced by such officer's economic interests. Each agreement provides certain severance benefits in the event of a change in control of the Company. Generally, (i) if on or before the second anniversary of a change in control (x) the Company terminates the covered executive's employment for any reason other than for cause or disability or (y) the covered executive voluntarily terminates his employment for good reason or (ii) if the covered executive's employment is terminated by the Company for any reason other than death, disability or cause or by the covered executive for good reason, after the execution of a definitive agreement with respect to a change in control transaction but prior to the consummation thereof, and the transaction contemplated by such definitive agreement is subsequently consummated, such executive will be entitled to severance benefits consisting of a lump sum cash amount equal to a multiple of the sum of (A) the executive's annual base salary and (B) the amount that would have been payable to the executive as an annual incentive compensation bonus for the year in which the change in control occurs, determined by multiplying his annual base salary by his total participant's percentage participation established for such year under the EICP (or any successor plan thereto). The applicable multiples are: three times for Mr. Gerkens, two times for Messrs. Gattoni and Kneller, and one time for Messrs. O'Malley and Beacom. We set the severance multiples for our Named Executives based on their position and the potential impact to their continued employment in the event of a change in control and to remain competitive within our industry. Each agreement also provides for continuation of medical benefits for up to one year from the date of employment termination of the covered executive.

In recognition of evolving best practices with respect to certain long-standing provisions in the Key Executive Employment Protection Agreements, each of the Key Executive Employment Protection Agreements

between the Company and a Named Executive was amended in 2012 to (i) delete the modified single trigger provision whereby the covered executive would have been entitled to certain severance benefits upon voluntarily terminating his employment for any reason at any time within the 60-day period beginning on the 181st day following the change in control, (ii) delete the provision that would have provided for certain tax gross-ups to be made to a covered executive in the event payments to the executive were subject to the excise tax on parachute payments imposed under Section 4999 of the Internal Revenue Code of 1986 and (iii) provide that any severance benefits payable to a covered executive will be reduced to a level at which no excise tax would be payable, if such reduction would provide such covered executive with a greater net after-tax amount.

The Company believes that the terms of our Key Executive Employment Protection Agreements are consistent with market practice and assist us in retaining the services of our Named Executives.

Other Benefits and Arrangements

The Company provides the Named Executives with certain other benefits and arrangements that the Company believes are reasonable and consistent with its overall compensation program to enable the Company to continue to attract and maintain highly qualified individuals in key positions. The Company pays the premium associated with term life insurance policies covering each of the Named Executives. The dollar value paid by the Company on behalf of each of the Named Executives with respect to these policies is included in the Summary Compensation Table below. The Board has approved and the Company has entered into indemnification agreements with each of the Named Executives providing each such Named Executive with a contractual obligation from the Company to indemnify such individual in connection with such individual's service as an employee of the Company (and in the case of Mr. Gerkens, his service as a member of the Board) to the fullest extent permitted by applicable law. The Company retains discretion to provide Named Executives with the use of certain equipment in connection with their job responsibilities, including cell phone, and other computer and communications equipment and maintenance of connectivity for such equipment in the Named Executive's home.

Tax Considerations

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a publicly traded company a federal income tax deduction for compensation in excess of \$1 million paid to certain of its Named Executives unless the amount of such excess is payable based solely upon the attainment of objective performance criteria. The Company has undertaken to qualify substantial components of the performance based, incentive compensation it makes available to its Named Executives for the performance exception to non-deductibility. Equity awards under the Company's Employee Equity Plans currently meet these requirements. At the 2012 Annual Meeting of Stockholders, the Company received stockholder approval for the EICP so that any annual awards payable thereunder (subject to certain limits) would qualify for the performance exception under Section 162(m). Under the EICP as approved, the maximum annual bonus payment per participant that could be awarded is \$3 million. The Company believes that tax deductibility of compensation is an important factor, but not the sole factor, to be considered in setting executive compensation policy. Accordingly, the Company generally intends to take such reasonable steps as are required to avoid the loss of a tax deduction due to Section 162(m), but the Compensation Committee reserves the right to pay amounts which are not deductible in appropriate circumstances.

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

- 1) RSUs have three-year contractual lives and will vest on January 31 of 2014, 2015, and 2016, with the number of RSUs that vest on each vesting date determined by multiplying 100,000 by the sum of (1) the percentage increase in operating income in the most recently completed fiscal year as compared to the results from the immediately preceding fiscal year, plus (2) the percentage increase in diluted earnings per share in the most recently completed fiscal year as compared to the results from the preceding fiscal year. Any RSUs that do not become vested as of January 31, 2016 will be forfeited. The estimated future payouts under this award assumes, i) 100 percent of the award granted will vest at the maximum payout, ii) 42 percent of the award granted will vest at the target (representing the number that will vest assuming future performance over the remaining term of the award will be representative of the 2013 fiscal year performance) and iii) no awards are assumed to vest at the threshold. The grant date fair market value of this award was \$57.63.
- 2) RSUs have five-year contractual lives and will vest on January 31 of 2014, 2015, 2016, 2017 and 2018 based on the average of the percentage change in operating income and diluted earnings per share as compared to the results from the 2012 fiscal year, plus 5%, rounded to the nearest whole number, less the number of RSUs that have previously vested. All unvested RSUs expire on January 31, 2018. The estimated future payouts under this award assumes, i) 100 percent of the award granted will vest at the maximum payout, ii) 15 percent of the award granted will vest at the target (representing the number that will vest assuming future performance over the remaining term of the award will be representative of the 2013 fiscal year performance) and iii) no awards are assumed to vest at the threshold. Please read the *Compensation Discussion and Analysis* included in this Proxy Statement for additional details about the executive compensation programs, including information about the fiscal year 2013 compensation of the Named Executives. In particular, with respect to 2013 fiscal year incentive compensation paid to the Named Executives, reference is made to the discussion in the *Compensation Discussion and Analysis* included in this Proxy Statement regarding the impact of the sale of Landstar Supply Chain Solutions, Inc., and its wholly owned subsidiary, Landstar Supply Chain Solutions LLC, to XPO Logistics, Inc., completed on December 28, 2013. As further described above, at the recommendation of management, the Compensation Committee used its negative discretion, as provided under the EICP, to reduce Named Executives' individual bonus amounts from a 4.78 multiple of each Named Executive's participation percentage to amounts ranging between approximately 0.93 and 1.05 of a one-time bonus amount and approved the distribution of the amount of bonus pool generated under the EICP that was not distributed to the Named Executives as bonus compensation paid to other Landstar employees.

The Compensation Committee continually reviews the compensation programs for the Named Executives to ensure they achieve the desired goals of aligning the Company's executive compensation structure with current market practices and the stockholders' interests. While the Compensation Committee determines the compensation of the Named Executives in the manner described in the *Compensation Discussion and Analysis*, the Company understands that the stockholders may be particularly interested in the connection between our Chief Executive Officer's compensation and the Company's performance, as well as the long-term trend of the Chief Executive Officer's total compensation relative to the stockholders' return. As set forth on the Summary Compensation Table included in this Proxy Statement, 89% of the Chief Executive Officer's total compensation for 2013 was performance-based (as discussed in *Compensation Discussion and Analysis*).

We are asking the stockholders to indicate their support for the Named Executive compensation as described in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives the stockholders the opportunity each year to express their views on the Named Executives' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Named Executives and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we will ask the stockholders to vote **FOR** the following resolution at the Company's 2014 Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Named Executives, as disclosed in the Company's Proxy Statement for the 2014 Annual Meeting pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2013 Summary Compensation Table and the other related tables and disclosure.

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board. The Board and the Compensation Committee value the opinions of the Company's stockholders and to the extent there is any significant vote against the Named Executive compensation as disclosed in this Proxy Statement, we will consider the stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Approval of Proposal No. 3 requires the affirmative vote of a majority of the votes cast at the 2014 Annual Meeting, provided a Quorum is present. **Unless you instruct us to vote differently, we will vote valid proxies**

FOR the approval of the compensation paid by the Company to its Named Executives as discussed in this Proxy Statement. The next say-on-pay vote will occur at the Company's 2015 Annual Meeting of Stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION PAID BY THE COMPANY TO ITS NAMED EXECUTIVES AS DISCUSSED IN THIS PROXY STATEMENT.
