EXPLANATORY NOTE

We are an emerging growth company under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012, or the JOBS Act, including some of the compensation disclosures required of a smaller reporting company, as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an emerging growth company until the earliest to occur of: (i) our reporting \$1 billion or more in annual gross revenues; (ii) the end of fiscal year 2019; (iii) our issuance, in a three year period, of more than \$1 billion in non-convertible debt; and (iv) the date on which we are deemed to be a large accelerated filer under U.S. Securities and Exchange Commission (SEC) rules.

2014 PROXY STATEMENT

INTRODUCTION

The 2014 Annual Meeting of Stockholders (the Annual Meeting) of Premier, Inc., a Delaware corporation (Premier, we, us, our, or the Company), will be held on Friday, December 5, 2014, beginning at 10:00 a.m., Eastern Standard Time, at our principal executive offices located at 13034 Ballantyne Corporate Place, Charlotte, North Carolina 28277. We encourage all of our stockholders to vote at the Annual Meeting, and we hope the information contained in this document will help you decide how you wish to vote at the Annual Meeting.

FREQUENTLY ASKED QUESTIONS

What is the purpose of this proxy statement?

The Premier, Inc. Board of Directors (the Board of Directors or Board) is (i) soliciting a proxy from each holder of our Class A common stock to vote on and (ii) requesting that voting instructions be provided to Wells Fargo Delaware Trust Company, N.A. the trustee (the Trustee) of the voting trust (the Class B Voting Trust) under the Voting Trust Agreement (the VTA) by and among Premier, Premier Healthcare Alliance, L.P. f/k/a Premier Purchasing Partners, L.P. (Premier LP) with respect to, the items to be considered at the Annual Meeting, which will be held on December 5, 2014.

This proxy statement and related materials are first being sent to our stockholders on or about October 22, 2014.

Why did I receive a notice regarding the availability of proxy materials on the Internet?

Pursuant to the rules adopted by the SEC, we are furnishing proxy materials to our stockholders primarily via the Internet, rather than mailing paper copies of these materials to each stockholder. We believe that this process expedites stockholders receipt of the proxy materials, lowers the costs of the Annual Meeting and helps conserve natural resources. On or about October 22, 2014, we will mail to each stockholder (other than those stockholders who previously had requested electronic or paper delivery of the proxy materials) a Notice of Internet Availability of Proxy Materials containing instructions on how to access and review the proxy materials, including our proxy statement and annual report, on the Internet and how to access a proxy card (or voting instruction card in the case of holders of the Class B common stock) to vote on the Internet or by telephone. The Notice of Internet Availability of Proxy Materials also contains instructions on how to request a paper copy of the proxy materials. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a paper copy of the proxy materials unless you request one. If you would like to receive a paper copy of the proxy materials, please follow the instructions included in the Notice of Internet Availability of Proxy Materials. We may at our discretion voluntarily choose to mail or deliver a paper copy of the proxy materials, including our proxy statement and annual report, to one or more stockholders.

What items of business will be voted on at the Annual Meeting?

At the Annual Meeting, we will consider and act upon the following proposals:

1. The election of five Class I Directors to the Board of Directors to serve until our 2017 annual meeting of stockholders;
2. The ratification of the appointment of Ernst & Young LLP (EY) to serve as our independent registered public accounting firm for our fiscal year 2015;
3. The approval of the Premier, Inc. Employee Stock Purchase Plan; and
4. The transaction of such other business as may properly come before the Annual Meeting and any adjournment or postponement.

Table of Contents

Who is entitled to vote at the Annual Meeting?

Holders of Class A common stock. Holders of our Class A common stock as of the record date of October 6, 2014 (the Record Date) are entitled to notice of and to vote at the Annual Meeting and any postponement or adjournment of the meeting.

Holders of Class B common stock. The Trustee, as the record holder of the Class B common stock on the Record Date, is entitled to vote the Class B common stock at the Annual Meeting and any postponement or adjournment of the meeting. However, as provided in the VTA, beneficial owners of Class B common stock as of the Record Date are eligible to provide voting instructions to the Trustee with respect to their shares of Class B common stock. Holders of Class B common stock must provide voting instructions not later than 12:00 p.m. Eastern Standard Time, December 3, 2014 in order to be counted.

How will the Trustee vote the Class B common stock held in the Class B Voting Trust?

Based on the instructions of the beneficial holders of the Class B common stock and pursuant to the VTA, the Trustee will vote all of the Class B common stock as a block in the manner determined by the plurality of the votes timely received by the Trustee from the Class B common stockholders for the election of directors to serve on our Board of Directors, and by a majority of the votes timely received by the Trustee from the Class B stockholders for all other matters. In the event that the voting instructions provided by the beneficial holders of the Class B common stock result in a tie, the Trustee shall vote all Class B common shares held in the Class B Voting Trust based upon written direction of the Company. In such case, the Company intends to instruct the Trustee to vote the Class B common shares in accordance with the recommendations of the Board of Directors on each matter as set forth in this proxy statement.

How does the Board of Directors recommend stockholders vote on the business of the Annual Meeting?

The Board of Directors recommends that stockholders vote their shares:

1. **FOR** the election of each of the five Class I Director nominees identified in this proxy statement;
2. **FOR** the ratification of the appointment of EY to serve as our independent registered public accounting firm for our fiscal year 2015; and
3. **FOR** the approval of the Premier, Inc. Employee Stock Purchase Plan.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote in accordance with their judgment on such matter.

How many shares can vote at the Annual Meeting?

At the close of business on October 6, 2014, we had 32,383,848 shares of Class A common stock outstanding and 111,866,539 shares of Class B common stock outstanding. Each share of Class A common stock and each share of Class B common stock is entitled to one vote. However, the Trustee of the Class B Voting Trust will vote all shares of Class B common stock as a block based on voting instructions from the beneficial holders of the Class B common

stock (or pursuant to the Company's written directions, in the event such instructions result in a tie), as described above.

How many shares must be present or represented at the Annual Meeting to constitute a quorum to conduct business?

Under our Bylaws, the holders of a majority of the voting power of our stock (Class A common stock and Class B common stock combined) issued and outstanding and entitled to vote at the Annual Meeting, present in person or represented by proxy at the Annual Meeting, constitute a quorum to conduct business at the Annual Meeting.

Table of Contents

Abstentions will be treated as present for purposes of determining a quorum. Regardless of how the beneficial holders of Class B common stock instruct the Trustee to vote their shares, under the VTA, all of the shares of Class B common stock held in the Class B Voting Trust will be counted as present for the purposes of establishing a quorum. Accordingly, regardless of the number of shares of Class A common stock voted, we expect to have a quorum established for the Annual Meeting.

What vote is required to approve each of the items of business?

Election of directors. Directors will be elected by the holders of a plurality of the votes cast by the holders of Class A common stock and Class B common stock, voting together as one class, whether present in person or represented by proxy at the Annual Meeting, outstanding at the close of business on our Record Date and entitled to vote on the election of directors.

Ratification of independent registered public accounting firm. The affirmative vote of the holders of a majority of the votes cast by the holders of Class A common stock and Class B common stock, voting together as one class, whether present in person or represented by proxy at the Annual Meeting, outstanding at the close of business on our Record Date and entitled to vote will be required to ratify EY as our independent registered public accounting firm.

Approval of the Premier, Inc. Employee Stock Purchase Plan. The affirmative vote of the holders of a majority of the votes cast by the holders of Class A common stock and Class B common stock, voting together as one class, whether present in person or represented by proxy at the Annual Meeting, outstanding at the close of business on our Record Date and entitled to vote will be required to approve the Premier, Inc. Employee Stock Purchase Plan.

Can Class B holders determine the outcome of the proposals?

As of the Record Date, our outstanding Class B common stock represented approximately 78% of our total outstanding shares of Class A and Class B common stock combined. Accordingly, sufficient shares of Class B common stock are held in the Class B Voting Trust to determine the outcome of each item under consideration. Although the beneficial holders of our Class B common stock have not indicated how they will instruct the Trustee to vote their shares of Class B common stock, under the VTA, so long as we are a controlled company under the NASDAQ stock market (NASDAQ) rules, Class B common stockholders are required to use reasonable efforts to cause (i) the appointment or nomination of directors necessary to constitute the full Board of Directors; (ii) the election of at least three independent directors, including one of which is an audit committee financial expert under the federal securities laws and (iii) Premier to be in compliance with NASDAQ listing requirements. In the event that the voting instructions provided by the beneficial holders of the Class B common stock result in a tie, the Trustee shall vote all shares of Class B common stock held in the Class B Voting Trust based upon written direction of the Company. In such case, the Company intends to instruct the Trustee to vote the shares of Class B common stock in accordance with the recommendations of the Board of Directors on each matter as set forth in this proxy statement.

See What effect do abstentions and broker non-votes have on the items of business? for the effect of abstentions and broker non-votes on the required votes above.

What is the Class B common unit exchange process? Will it impact the Annual Meeting?

In connection with our reorganization and initial public offering (IPO), our member owners were issued Class B common units in Premier LP and an equivalent number of shares of our Class B common stock. Subject to the terms of the Exchange Agreement entered into as of September 25, 2013 and effective as of October 1, 2013 by and among us, Premier LP and its limited partners (the Exchange Agreement), each member owner has the cumulative right,

Edgar Filing: Premier, Inc. - Form DEF 14A

subject to certain restrictions, commencing on October 31, 2014, and during each year thereafter, to exchange up to one-seventh of its initial allocation of Premier LP Class B common units, as well as any additional Premier LP Class B common units purchased by such member owner pursuant to certain rights of

Table of Contents

first refusal set forth in the Exchange Agreement, on a quarterly basis, for shares of our Class A common stock (on a one-for-one basis), cash or a combination of both, the form of consideration to be at the discretion of the Audit and Compliance Committee of our Board of Directors. For each Premier LP Class B common unit that is exchanged pursuant to the Exchange Agreement, the member owner will also surrender one corresponding share of Premier Class B common stock, which will automatically be retired.

As of the Record Date there were 111,866,539 Class B common units of Premier LP outstanding, of which 15,980,934 were eligible for exchange for Class A common stock under the Exchange Agreement. As of the Record Date and based on participation in the Class B common unit exchange process and our expected settlement of exchanged Class B common units for shares of our Class A common stock, we currently expect 4,685,267 shares of Class A common stock to be issued on or about October 31, 2014 and correspondingly, an equal number of shares of Class B common stock to be removed from the Class B Voting Trust, surrendered to us and retired.

Since the exchange date does not occur until October 31, 2014, which is after the Record Date, any shares of our Class A common stock issued in exchange for Class B common units will not be entitled to be voted at the Annual Meeting and, accordingly, will not have any impact on the outcome of the matters presented for approval. Upon surrender and retirement of shares of Class B common stock in connection with any Class B common unit exchange, the number of Class B common shares held in the Class B Voting Trust will also be reduced and, since such Class B common shares will no longer be eligible to be voted by the Trustee, the Trustee will not include those ineligible shares in its determination of the vote to be made on behalf of the holders of Class B common stock at the Annual Meeting.

As previously noted, as of the Record Date, our outstanding Class B common stock represented approximately 78% of our total outstanding shares of Class A and Class B common stock combined and thus, can determine the outcome of each item under consideration. However, following the completion of the exchange process, based on the discussion above, we expect the percentage of combined voting power represented by the Class B common stock to decrease. While we do not currently expect the Class B common unit exchange process to materially impact the Annual Meeting or the matters to be voted upon thereat, in the event that is not the case, we will provide updated soliciting material to our stockholders prior to the Annual Meeting.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

Most of our Class A common stockholders hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of record. If your shares are registered directly in your name with our transfer agent, Wells Fargo Bank, N.A., you are considered, with respect to those shares, the stockholder of record, and we have made these proxy materials available to you over the Internet or have delivered paper copies of these materials to you by mail, in connection with the solicitation of proxies for the Annual Meeting. As the stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the meeting. We have enclosed a proxy card for you to use.

Beneficial owner. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker, bank, or nominee which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the meeting. However, because you are not the stockholder of record, you may not vote these shares in person

Edgar Filing: Premier, Inc. - Form DEF 14A

at the meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares. Your broker, bank, or nominee has enclosed or provided a voting instruction card for you to use in directing the broker, bank or nominee how to vote your shares. If you do not provide the stockholder of record with voting

Table of Contents

instructions, your shares will constitute broker non-votes. The effect of broker non-votes is more specifically described in "What effect do abstentions and broker non-votes have on the items of business?" below.

All of the Class B common stockholders are beneficial owners of the Class B common stock held in the Class B Voting Trust. The Trustee is the record holder of all of the shares of Class B common stock. Beneficial owners of Class B common stock will receive a voting instruction card that should be used to provide voting instructions to the Trustee.

How can I have my shares represented at the Annual Meeting?

Voting by Proxy or Returning Voting Instruction Card

Holders of Class A common stock may submit a proxy by:

following the instructions on your proxy card to vote by telephone or the Internet. These instructions can also be found at www.proxyvote.com. Your telephone or Internet proxy must be received no later than 11:59 p.m., Eastern Standard Time, on December 4, 2014; or

completing, signing, dating and returning the proxy card so that it is received prior to the Annual Meeting. Jeffrey W. Lemkin and Michael J. Alkire (the "proxy holders") have been designated by our Board of Directors to vote the shares represented by proxy at the Annual Meeting. Mr. Lemkin is the General Counsel of Premier, and Mr. Alkire is the Chief Operating Officer of Premier.

The proxy holders will vote the shares represented by your valid and timely received proxy in accordance with your instructions.

If you do not specify instructions on your proxy when you submit it, the proxy holders will vote the shares represented by the proxy in accordance with the recommendations of the Board of Directors on each item of business listed above.

If any other matter properly comes before the Annual Meeting, the proxy holders will vote the shares represented by proxy on that matter in their discretion.

Beneficial holders of Class B common stock may submit a voting instruction card by:

following the instructions on your voting instruction card to vote by telephone or the Internet. These instructions can also be found at www.proxyvote.com. Your telephone or Internet voting instructions must be received no later than 12:00 p.m., Eastern Standard Time, on December 3, 2014; or

completing, signing, dating and returning your voting instruction card so that it is received no later than 12:00 p.m., Eastern Standard Time, on December 3, 2014.

Holders of Class B common stock must vote their shares in accordance with the VTA. Holders of Class B common stock must return their voting instructions as indicated above in order to have their voting instructions considered by the Trustee. Pursuant to the VTA, the Trustee, as the record holder, will vote all of the Class B common stock as a block in the manner determined by the plurality of the votes timely received by the Trustee for the election of directors to serve on our Board of Directors, and by a majority of the votes timely received by the Trustee for all other matters. The Trustee may vote the Class B common stock in person or by proxy in a manner similar to the holders of our Class A common stock.

Attending the Meeting

While we encourage voting in advance by proxy, holders of Class A common stock also have the option of voting their shares in person at the Annual Meeting. Beneficial owners of Class B common stock may only vote their shares in accordance with the terms of the VTA and cannot vote their shares in person at the Annual Meeting (although they are invited and welcome to attend the Annual Meeting in person).

Table of Contents

Shares of Class A common stock held directly in your name as the stockholder of record may be voted in person at the Annual Meeting. Submitting your proxy by telephone, by Internet or by mail will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person.

Shares of Class A common stock held beneficially in street name may be voted in person by you only if you obtain a signed proxy from the record holder giving you the right to vote the shares. Owners of shares of Class A common stock held in street name that expect to attend and vote at the meeting should contact their broker, bank or nominee as soon as possible to obtain the necessary proxy.

Even if you currently plan to attend the Annual Meeting, we recommend that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

Can I change my vote or voting instructions, or revoke my proxy, after I return my proxy or voting instruction card?

Holders of Class A common stock . You may change your vote or revoke your proxy before your proxy is voted at the Annual Meeting by:

sending written notice to Anna-Marie Forrest, Corporate Secretary, Premier, Inc., 13034 Ballantyne Corporate Place, Charlotte, North Carolina, 28277, so long as your revocation is received by 11:59 p.m., Eastern Standard Time, on December 4, 2014;

submitting a proxy bearing a later date than the proxy being revoked to Vote Processing c/o Broadridge Financial Solutions, Inc. (Broadridge), 51 Mercedes Way, Edgewood, NY 11717, so long as your later dated proxy is received by 11:59 p.m., Eastern Standard Time, on December 4, 2014;

voting again by telephone or the Internet by 11:59 p.m., Eastern Standard Time, on December 4, 2014; or

attending the Annual Meeting and voting in person.

Holders of Class B common stock . You may change your voting instructions before the Trustee votes on your behalf at the Annual Meeting by:

submitting voting instructions bearing a later date than the voting instructions being revoked to Vote Processing c/o Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, NY 11717, so long as your later dated voting instructions are received by 12:00 p.m., Eastern Standard Time, on December 3, 2014; or

submitting your voting instructions again by telephone or the Internet by 12:00 p.m., Eastern Standard Time, on December 3, 2014.

What effect do abstentions and broker non-votes have on the items of business?

A broker non-vote occurs when a bank, broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. If you are a beneficial owner of Class A common stock, your bank, broker or other nominee holder of record is permitted to vote your shares on the ratification of the independent registered public accounting firm even if the record holder does not receive voting instructions from you. Absent instructions from you, the record holder may not vote on any nondiscretionary matter including a director election, an equity compensation plan (including the approval of the Premier, Inc. Employee Stock Purchase Plan), a matter relating to executive compensation, certain corporate governance changes, or any stockholder proposal. In that case, without your voting instructions, a broker non-vote will occur. For all other matters, including the ratification of our independent registered public accounting firm, the record holder may vote at its discretion. You should consult your bank, broker or other nominee holder if you have questions about this.

Table of Contents

An abstention will occur at the Annual Meeting if your shares of Class A common stock are deemed to be present at the Annual Meeting, either because you attend the Annual Meeting or because you have properly completed and returned a proxy, but you do not vote on any proposal or other matter which is required to be voted on by our stockholders at the Annual Meeting. An abstention on any of the items listed above will have the effect of a vote against that item, except for the election of directors, for which abstentions will not be counted.

The affirmative vote of at least a majority of our issued and outstanding shares present, in person or by proxy, and entitled to vote at the Annual Meeting will be required to approve any stockholder proposal validly presented at a meeting of stockholders. Under applicable Delaware law, in determining whether any stockholder proposal has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against any stockholder proposal, except for the election of any director nominee. Abstentions will have no effect on a vote to elect a director nominee and broker non-votes will be ignored for all votes. There are no dissenters' rights of appraisal in connection with any stockholder vote to be taken at the Annual Meeting.

Shares of Class B common stock will be voted in accordance with the VTA. We do not expect any broker non-votes or abstentions at the Annual Meeting with respect to our Class B common stock.

What does it mean if I receive more than one proxy or voting instruction card?

Most likely, it means (i) your shares of Class A common stock are registered differently or are in more than one account or (ii) you own shares of both Class A and Class B common stock. Please provide voting instructions for all proxy and voting instruction cards you receive.

How do I gain admission to the Annual Meeting?

Attendance at the Annual Meeting is limited to Class A and Class B common stockholders as of the Record Date. Registration will begin at 9:15 a.m. Eastern Standard Time. You will need to get an admission ticket and bring a valid picture identification. Cameras, recording devices and other electronic devices will not be permitted at the meeting. Additional rules of conduct regarding the meeting may be provided at the meeting.

If you are a registered holder of Class A common stock. Please mark the appropriate box on the proxy card, or indicate that you plan to attend the Annual Meeting when you vote by telephone or the Internet, and an admission ticket will be sent to you. Please bring photo identification with you for admittance to the meeting.

What is householding and how does it affect me?

Pursuant to SEC rules, we are permitted to deliver one copy of our Notice of Internet Availability of Proxy Materials, and our proxy materials for those who have elected paper copies, in a single envelope addressed to all stockholders who share a single address unless they have notified us they wish to opt out of the program known as householding. Under this procedure, stockholders of record who have the same address and last name receive only one copy of the Notice of Internet Availability of Proxy Materials or proxy materials. Householding is intended to reduce our printing and postage costs and material waste. **WE WILL DELIVER A SEPARATE COPY OF THE NOTICE OF INTERNET AVAILABILITY OF PROXY MATERIALS, AND PROXY MATERIALS IF APPLICABLE, PROMPTLY UPON WRITTEN OR ORAL REQUEST.** You may request a separate copy by contacting our Corporate Secretary at 13034 Ballantyne Corporate Place, Charlotte, North Carolina, 28277, or by calling 1-704-816-4662.

If you are a beneficial stockholder and you choose not to have the aforementioned disclosure documents sent to a single household address as described above, you must opt-out by writing to: Broadridge Financial Solutions, Inc., Household Department, 51 Mercedes Way, Edgewood, New York 11717, or by calling 1-800-542-1061, and we will cease householding all such disclosure documents within 30 days. If we do not receive instructions to remove your account(s) from this service, your account(s) will continue to be householded until we notify you otherwise. If you are a beneficial stockholder and other stockholders with whom you share an address currently receive multiple copies of the aforementioned disclosure documents, or if you hold stock in more than one account and, in either case, you wish to receive only a single copy of the disclosure documents, please contact Broadridge at the address or phone

ITEMS OF BUSINESS REQUIRING YOUR VOTE

ITEM 1 ELECTION OF DIRECTORS

The Board is divided into three classes, each containing as nearly as possible an equal number of directors. The current term of office of our Class I Directors expires at the Annual Meeting, while the term for our Class II Directors expires at the 2015 annual meeting and the term for our Class III Directors expires at the 2016 annual meeting. Upon unanimous recommendation by the Nominating and Governance Committee of the Board of Directors, the Board proposes that the following nominees, Stephen R. D Arcy, Lloyd H. Dean, Charles E. Hart, MD, Philip A. Incarnati and Alan R. Yordy, each a current Class I Director, be elected for new terms of three years and until their successors are duly elected and qualified as Class I Directors. Each of the nominees has consented to serve if elected. All of our director nominees are current members of our Board of Directors who were appointed in connection with, or shortly after the completion of, our initial public offering in October 2013. If any of them becomes unavailable to serve as a director, the Board may designate a substitute nominee. In that case, the persons named as proxy holders will vote for the substitute nominee designated by the Board.

In April 2014, Dr. Hart announced his plans to retire as the President and Chief Executive Officer of Regional Health, one of our member owners, upon the appointment of his successor. We expect Dr. Hart to continue working with Regional Health during a transition period into 2015. Although the exact timing remains uncertain, we expect Dr. Hart to submit a letter of resignation to our Board of Directors on or about the time his transition period with Regional Health ends in accordance with our corporate governance guidelines, which our Board of Directors will then consider.

Director Qualifications and Biographies

The Nominating and Governance Committee, consistent with the desires of the full Board, seeks to achieve a Board that represents a diverse mix of skills, perspectives, talents, backgrounds and education that will enhance our decision-making process, oversee management's execution of strategic objectives and represent the interests of all of our stockholders. Key factors considered in connection with the selection of director nominees are independence, critical thinking skills, practical wisdom and mature judgment in the decision-making process. Our Board composition reflects our commitment to include individuals from diverse backgrounds and with diverse experience, and the members of our Nominating and Governance Committee are mindful of that objective when they nominate directors for election. Our Board composition also reflects the Nominating and Governance Committee's determination as to the appropriate size of the Board to facilitate effective communication and cooperation.

Important information about our corporate governance practices, the responsibilities and functioning of the Board and its committees, director compensation and related person transactions is found elsewhere in this proxy statement. We encourage you to review this information in connection with your decisions on the election of the director nominees.

The information set forth below includes, with respect to each nominee and each continuing director, his or her age as of the Record Date, principal occupation and employment during the past five years, the year in which he or she first became a director of the Company, and other public company directorships held by such person during the last five years. Further, each nominee's and each continuing director's independence status as determined by the Board of Directors in accordance with the standards set forth in our Corporate Governance Guidelines and the listing standards of the NASDAQ, as discussed under "Our Board of Directors," is provided below. A director or director nominee designated below as a member-director is a director employed by a U.S. hospital member, health system or group of hospitals participating in our group purchasing program, which we refer to as our member owners, and, because of such relationship, is not deemed to be independent. Each of our directors also serves on the board of managers of Premier Services, LLC, a wholly-owned subsidiary of Premier and the general partner of Premier LP.

Table of Contents

In addition to the experience, qualifications, attributes and skills of each nominee and continuing director outlined below, which have led the Board to conclude that such person should serve as a member of the Board, our Board believes that each nominee and each continuing director has demonstrated broad-based business knowledge, outstanding achievement in his or her professional career, commitment to ethical and moral values, personal and professional integrity, sound business judgment and a commitment to corporate citizenship.

**ITEM 2 RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Appointment of Ernst & Young LLP

In accordance with its charter, the Audit and Compliance Committee selected the firm of Ernst & Young LLP to be our independent registered public accounting firm for the fiscal year 2015 audit period, and with the endorsement of the Board of Directors, recommends to our stockholders that they ratify that appointment. The Audit and Compliance Committee will reconsider the appointment of EY for the next audit period if such appointment is not ratified. Representatives of EY are expected to attend the Annual Meeting and will have the opportunity to make a statement if they desire, and are expected to be available to respond to appropriate questions.

The Audit and Compliance Committee recognizes the importance of maintaining the independence of our independent registered public accounting firm, both in fact and appearance. Consistent with its charter, the Audit and Compliance Committee has evaluated EY's qualifications, performance and independence, including that of the lead audit partner. The Audit and Compliance Committee reviews and approves, in advance, the audit scope, the types of non-audit services, if any, and the estimated fees for each category for the coming year. For each category of proposed service, EY is required to confirm that the provision of such services does not impair their independence. Before selecting EY, the Audit and Compliance Committee carefully considered that firm's qualifications as an independent registered public accounting firm for the Company. This included a review of its performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit and Compliance Committee has expressed its satisfaction with EY in all of these respects. The Audit and Compliance Committee's review included inquiry concerning any litigation involving EY and any proceedings by the SEC against the firm, if any. In this respect, the Audit and Compliance Committee has concluded that the ability of EY to perform services for Premier is in no way adversely affected by any such investigation or litigation.

Audit and Compliance Committee Pre-Approval of Accounting Services

The Audit and Compliance Committee of our Board of Directors is responsible for the appointment, oversight, and evaluation of our independent registered public accounting firm. In accordance with our Audit and Compliance Committee's charter, our Audit and Compliance Committee must approve, in advance of the service, all audit and permissible non-audit services provided by our independent registered public accounting firm. Our independent registered public accounting firm may not be retained to perform the non-audit services specified in Section 10A(g) of the Exchange Act. The Audit and Compliance Committee has concluded that provision of the non-audit services described in that section is not compatible with maintaining the independence of EY.

The Audit and Compliance Committee has established a policy regarding pre-approval of audit and permissible non-audit services provided by our independent registered public accounting firm, as well as all engagement fees and terms for our independent registered public accounting firm. Under the policy, the Audit and Compliance Committee must approve the services to be rendered and fees to be charged by our independent registered public accounting firm. Typically, the Audit and Compliance Committee approves services up to a specific amount of fees. The Audit and Compliance Committee must then approve, in advance, any services or fees exceeding those pre-approved levels, subject to the *de minimis* exception set forth in Section 10A(i)(1)(B) of the Exchange Act. The Audit and Compliance Committee may delegate general pre-approval authority to a subcommittee of which the chairman of the Audit and Compliance Committee is a member. All requests or applications for services to be provided by our independent registered public accounting firm must be submitted to specified officers who may determine whether such services are included within the list of pre-approved services. All requests for services that have not been pre-approved must be

accompanied by a statement that the request is consistent with the independent registered public accounting firm's independence from Premier.

ITEM 3 APPROVAL OF THE PREMIER, INC. EMPLOYEE STOCK PURCHASE PLAN

On October 3, 2014, based upon the recommendation of the Compensation Committee of the Board of Directors, our Board of Directors approved the terms of the Premier, Inc. Employee Stock Purchase Plan (the ESPP), subject to stockholder approval. There are 3,685,500 shares of our Class A common stock reserved for issuance under the ESPP.

The ESPP provides a means for our employees to authorize payroll deductions on a voluntary basis to be used for the periodic purchase of our Class A common stock. Under the ESPP, employees may purchase up to \$25,000 worth of our Class A common stock under the ESPP in any calendar year. All employees participating in the ESPP will have equal rights and privileges. The Board believes that the ESPP will encourage broader stock ownership by our employees and thereby provide an incentive for employees to contribute to the success of Premier. The Board intends for the ESPP to offer a convenient means for employees who might not otherwise purchase and hold our Class A common stock to do so and that the discounted purchase price feature of the ESPP provides a meaningful inducement to participate. The Board also believes that employees' continuing economic interest, as stockholders, in the performance and success of Premier will enhance our entrepreneurial spirit, which we believe will greatly contribute to our long-term success.

The material features of the ESPP are summarized below. This summary, however, does not purport to be a complete description of the ESPP. The ESPP has been filed with the SEC as Appendix A to this proxy statement and may be accessed from the SEC's website at www.sec.gov. The following summary is qualified in its entirety by reference to the complete text of the ESPP. The last sales price of our Class A common stock on the NASDAQ Global Select Market on October 6, 2014 was \$31.69 per share.

Purpose

As noted above, the purpose of the ESPP is to provide a means by which employees of Premier may purchase shares of Premier Class A common stock, to assist us in retaining the services of our employees, to secure and retain the services of new employees, and to provide incentives for such persons to exert maximum efforts for the success of Premier.

Administration

The Compensation Committee of the Board of Directors administers the ESPP and has the power to construe and interpret both the ESPP and the rights granted under it. The Compensation Committee has the power, subject to the provisions of the ESPP, to determine when and how rights to purchase Class A common stock will be granted and the provisions of each offering of such rights, which need not be identical. The Board of Directors may at any time (i) appoint a person or other committee to serve in such capacity, and (ii) act in lieu of the Compensation Committee on any matter authorized for administrative action under the Plan. The Board of Directors may revoke the authority of the Compensation Committee at any time. As used herein with respect to the ESPP proposal, references to the Board of Directors also includes any committee the Board of Directors appoints to administer the ESPP, as the context requires.

Stock Subject to ESPP

We have initially reserved an aggregate of 3,685,500 shares of Class A common stock for issuance under the ESPP. The number of shares available under the ESPP will be subject to adjustment as described below in the paragraph entitled Adjustment Provisions. If rights granted under the ESPP expire, lapse or otherwise terminate without being exercised, the shares of Class A common stock not purchased under such rights will again become available for

issuance under the ESPP.

Offerings

The ESPP is implemented by offerings of rights to all eligible employees from time to time by the Board. The maximum length for an offering under the ESPP is 27 months. Offerings will begin on January 1 and July 1 of

Table of Contents

each year and consist of only one purchase period of six months. Prior to the commencement of any offering, the Board may change any or all terms of such offering and subsequent offerings, including the length of the offering period. The provisions of separate offerings need not be identical, but each offering will conform to the ESPP. We currently anticipate that the first offering will commence July 1, 2015.

Eligibility

Any person who is customarily employed at least 20 hours per week and more than five months per calendar year by Premier (or an affiliate of Premier as may be designated by the Compensation Committee from time to time as eligible to participate in the Plan) on the first day of an offering may participate in that offering, provided such employee has been continuously employed for at least six months preceding the first day of the offering. Officers of Premier or its subsidiaries or affiliates may participate in offerings under the ESPP, provided, however, that the Board may provide in an offering that certain employees who are highly compensated as defined in the Internal Revenue Code of 1986, as amended (the Code), are not eligible to participate in the offerings. The Board may determine that service with a corporation acquired by Premier will constitute service with Premier for purposes of eligibility in the ESPP. The affiliates that have been designated to participate in the ESPP as of July 1, 2015 are Premier Supply Chain Improvement, Inc., Premier Healthcare Solutions, Inc. and Premier Healthcare Alliance, L.P. However, no employee is eligible to participate in the ESPP if, immediately after the grant of purchase rights, the employee would own, directly or indirectly, stock possessing 5% or more of the total combined voting power or value of all classes of our stock or the stock of any of our affiliates, including any stock which such employee may purchase under all outstanding rights and options. As of the Record Date, approximately 1,600 employees were eligible to participate in the ESPP.

Participation in the Plan

An eligible employee becomes a Plan participant by delivering to Premier an agreement authorizing payroll deductions for the purchase period. For each offering thereafter, the employee's payroll deductions shall continue as originally elected, unless otherwise modified or terminated.

Purchase Price

Unless the Board of Directors otherwise provides, the purchase price per share of Class A common stock sold in an offering under the ESPP will be 85% of the fair market value of a share of our Class A common stock on the applicable purchase date. Under the ESPP, the fair market value of the Class A common stock on any relevant date shall generally be the closing selling price per share on such date, as officially quoted on the principal exchange on which it is traded. If there are no sales of stock on such day, then the closing selling price for the stock on the next preceding day for which there does exist such quotation shall be determinative of fair market value.

Payment of Purchase Price; Payroll Deductions

The purchase price of the shares of Class A common stock is accumulated by payroll deductions over the period of the offering. A participant may elect to contribute up to 30% of his or her eligible earnings to the ESPP during each offering period. Eligible Earnings means compensation eligible to be deferred as an elective 401(k) contribution under the Premier, Inc. Retirement Savings Plan. At any time during the offering, a participant may terminate his or her payroll deductions as the Board provides in the offering. A participant may not otherwise adjust his or her participation percentage during any purchase period. The Compensation Committee may at any time change the rules relating to the timing and frequency of withdrawals. All payroll deductions made for a participant are credited to his or her account under the ESPP and deposited with our general funds.

Purchase of Class A Common Stock

By authorizing payroll deductions during the period, the employee is entitled to purchase shares of Class A common stock under the ESPP. On the applicable purchase date, a participant's accumulated payroll deductions

Table of Contents

and other additional payments, if any, will be used to purchase shares of Class A common stock at the purchase price for the offering, up to the maximum number of shares permitted. No fractional shares will be issued and the amount, if any, remaining in a participant's account after the purchase of shares on the purchase date (which is less than the amount required to purchase one share) will automatically be refunded to the participant on the last business day of each purchase period.

In connection with offerings made under the ESPP, the Board may specify a maximum number of shares of Class A common stock a participant may be granted the right to purchase. If the aggregate number of shares of Class A common stock to be purchased upon exercise of rights granted in the offering will exceed the maximum aggregate number of shares of Class A common stock available, the Board will make a pro rata allocation of available shares of Class A common stock in a uniform and equitable manner. However, no employee may purchase more than \$25,000 worth of such Class A common stock, determined at the fair market value of the shares of Class A common stock at the time such rights are granted, under the ESPP in any calendar year.

Withdrawal

Each participant may withdraw from a given offering by delivering to us a notice of withdrawal from the ESPP. Such withdrawal may be elected at any time prior to the end of the applicable purchase period, except as provided by the Compensation Committee. Upon any withdrawal from an offering by the employee, we will distribute to the employee his or her accumulated payroll deductions without interest and such employee's interest in the offering will be automatically terminated. The employee is not entitled to again participate in that offering. However, unless the Compensation Committee provides otherwise, an employee's withdrawal from an offering will not have any effect upon such employee's ability to participate in other offerings under the ESPP, but such employee will be required to deliver a new payroll deduction authorization in order to participate in other offerings under the ESPP.

Termination of Employment

Rights granted pursuant to any offering under the ESPP terminate immediately upon cessation of an employee's employment with Premier for any reason, and we will distribute to such employee all of his or her accumulated payroll deductions, without interest.

Restrictions on Transfer

Rights granted under the ESPP are generally not transferable and may be exercised only by the person to whom such rights are granted.

Adjustment Provisions

If any change is made in the shares of our Class A common stock subject to the ESPP, or subject to any rights granted under the ESPP, without receipt of consideration by Premier, through merger, consolidation, reorganization, recapitalization, stock dividend, dividend in property other than cash, combination of shares or other change affecting the outstanding stock, stock split, liquidating dividend, combination of shares, exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by Premier, the ESPP and outstanding rights will be appropriately and proportionately adjusted in the maximum number of shares of Class A common stock subject to the ESPP and the number of shares of Class A common stock and price per shares of Class A common stock subject to outstanding rights.

Effect of Certain Corporate Transactions

In the event of:

a dissolution or liquidation of Premier; or

21

Table of Contents

Premier entering into an agreement to dispose of all or substantially all of its assets or outstanding stock through a sale, merger or reorganization in which Premier is not the surviving corporation (other than a reorganization in which there is no substantial change in the stockholders of Premier or their relating stock holdings);

then all outstanding purchase rights under the Plan will automatically be exercised immediately prior to such event by applying all sums previously collected from participants during the purchase period of such transaction to the purchase of shares.

Duration, Amendment and Termination

The Board of Directors may suspend or terminate the ESPP at any time. Unless terminated earlier, the ESPP will automatically terminate on ten years after its effective date, or the date on which the shares of Class A common stock available under the ESPP, as adjusted from time to time, are exhausted. No rights may be granted under this ESPP while the ESPP is suspended or after it is terminated. The Board may amend the ESPP at any time. To the extent determined necessary or desirable by the Board, amendments to the ESPP will be submitted to the stockholders for approval. Rights granted before amendment or termination of the ESPP will not be adversely altered or impaired by any amendment or termination of the ESPP without consent of the employee to whom such rights were granted or except as necessary or desirable to comply with any laws or government regulations or as otherwise specifically provided in the ESPP.

Federal Income Tax Information

It is our intention that purchase rights under the ESPP qualify to the maximum extent possible for favorable tax treatment under Section 423 of the Code when granted to Employees. However, due to our corporate structure, the ESPP is not currently eligible to qualify for federal income tax treatment associated with rights granted under an employee stock purchase plan that qualifies under the provisions of Section 423 of the Code. Accordingly, a participant will be taxed on amounts withheld for the purchase of shares of Class A common stock as if such amounts were actually received. The participant will recognize ordinary compensation income for federal income tax purposes at the time of purchase measured by the excess, if any, in the value of the shares of Class A common stock at the time of purchase over the purchase price. Upon resale of the shares of Class A common stock by the participant, any difference between the sales price and the purchase price will be capital gain or loss and will qualify for long-term capital gain or loss treatment if the shares of Class A common stock have been held for more than one year.

New Plan Benefits

The benefits to be received by our executive officers and employees as a result of the proposed approval of the ESPP are not determinable, since the amounts of future purchases by participants are based on elective participant contributions. No purchase rights have been granted, and no shares of Class A common stock have been issued, with respect to the 3,685,500 share allocation for which stockholder approval is sought under this proposal.

Board Recommendation

The Board of Directors unanimously recommends a vote FOR the approval of the Premier, Inc. Employee Stock Purchase Plan.

In accordance with the Board's recommendation, the proxy holders will vote the shares of Class A common stock covered by valid and timely received proxies **FOR** the approval of the ESPP, unless instructed otherwise. The Trustee will vote all of the Class B common stock as a block in the matter determined by the majority of the votes timely

received by the Trustee.

Board Structure and Director Nominations

Board Structure and Meetings

The Board's overarching responsibility is to advise and oversee the management and conduct of the Company's business by its Chief Executive Officer and other members of management charged with the long-term health and overall success of Premier's business. To that end, our business, property, and affairs are managed under the direction of our Board of Directors. Our Board size may not exceed 18 directors, and is currently comprised of 15 members, four of whom are independent under the standards discussed below, 10 of whom are member-directors as discussed below, and Ms. DeVore, our Chief Executive Officer. The Board is divided into three classes (Class I, Class II and Class III) with staggered terms of three years each. The term of one class expires at each annual meeting of stockholders; thus, directors typically stand for election after three years, unless they are filling an unexpired term. Under our Corporate Governance Guidelines, no director may serve for more than two full three-year consecutive terms except for (i) the Chief Executive Officer; (ii) each director who is not a director, officer, employee or agent of, or otherwise affiliated with, any stockholder of the Company and (iii) a Director serving as Chairman of the Board, whose term may be extended at the discretion of the Board.

Our Bylaws and Corporate Governance Guidelines provide that the Chairman of the Board shall not be an officer of the Company. We believe that having a non-executive Chairman of our Board creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board of Directors to monitor whether management's actions are in the best interests of the company and its stockholders. Our Chief Executive Officer, Board Chairman and Board Vice-Chairman work

together to set the Board agenda. Board members are invited to make agenda suggestions, and the Board approves the annual schedule of Board and committee items. The Board Chairman presides over Board meetings and coordinates the work of the committees of our Board of Directors and performs other duties delegated to the Chairman by our Board of Directors. Committee assignments and designation of the committee chair will be made by the Board based upon recommendations of the Board Chairman and Nominating and Governance Committee. Executive sessions of independent directors, held outside the presence of members of Board management, are scheduled at each in-person Board meeting and may be called at any other Board or committee meeting. The Board Chairman presides over executive sessions.

Table of Contents

The Board of Directors adopted the foregoing structure to promote decision-making and governance independent of that of our management and to better perform the Board's monitoring and evaluation functions. Members of our Board of Directors are kept informed of our business through discussions with our Chief Executive Officer and other officers, by reviewing materials provided to them, by visiting our offices, and by participating in meetings of the Board of Directors and its committees.

Under our Corporate Governance Guidelines, Board members are expected to prepare for and attend at least 75% of all Board and applicable committee meetings. The Board of Directors met 14 times during fiscal year 2014. Each incumbent member of the Board of Directors attended 75% or more of the meetings of the Board of Directors and of the committees on which he or she served that were held during the period for which he or she was a director or committee member, respectively. In addition, it is our policy that directors are expected to attend the annual meeting of stockholders. The Annual Meeting is our first annual meeting of stockholders since our initial public offering in October 2013. All members of our Board of Directors are expected to attend the Annual Meeting.

Criteria for Board Members

Our Corporate Governance Guidelines provide criteria applicable to both the composition of the Board as a whole and for individual directors. The Board as a whole has been designed to possess all of the following core competencies, with each director contributing knowledge, experience, and skills in at least one of the following domains:

senior executive level leadership experience;

group purchasing, value-based purchasing, pharmacy management, and supply chain operations;

healthcare transformation, healthcare continuum of care and population management;

performance improvement, clinical quality improvement, patient safety, outcomes management, risk management and healthcare measurement;

information technology and knowledge management;

outsourcing services;

finance, audit and major transactions/M&A/private equity/public equity;

national perspective on healthcare policy and advocacy; or

healthcare insurance and payment systems.

The Board has adopted a Board Competency and Succession Plan Policy as the guideline for the Nominating and Governance Committee in evaluating and nominating Board candidates. The Board recognizes that criteria changes as the membership of the Board changes and takes into account the current make-up and requirements of the Board in its nomination process. To be considered for Board membership, individual directors should possess the following personal traits:

a strong strategic planning orientation, including the ability to view the Company's goals and plans strategically;

ability to effectively oversee risk and innovation thus safeguarding the Company's mission and stockholder interests;

ability to listen, engage, reflect and generally work effectively with other directors and management;

willingness to ask management and each other tough questions and challenge traditional thinking;

adeptness at managing change, ambiguity and complexity;

Table of Contents

integrity backed by a record of ethical conduct;

understanding of the importance and implications of compliance with regulatory requirements; and

interest and ability to serve in a Board leadership position (i.e., Board Chairman, Vice-Chairman, committee Chair, etc.) in the future.

With respect to member-directors, the Board Competency and Succession Plan Policy requires consideration of the following characteristics:

type of stockholder (i.e., member owner, group affiliate, etc.);

type of organization (i.e., health system, hospital, other);

organization's size and scope of services;

organization's primary markets (i.e., urban; suburban; rural; safety net);

geography;

level of engagement with the Company (i.e., group purchasing volume, revenue); and

candidate's gender, ethnic background and age.

Board Diversity

Although there is no formal policy on diversity of nominees, both the Board of Directors and the Nominating and Governance Committee believe that diversity of skills, perspectives and experiences as represented on the Board as a whole, in addition to the primary factors, attributes or qualities discussed above, promotes improved monitoring and evaluation of management on behalf of the stockholders and produces more creative thinking and solutions. The Nominating and Governance Committee considers, but does not choose solely based on, the distinctive skills, perspectives and experiences that candidates diverse in gender, ethnic background, geographic origin and professional experience offer. In addition, under our Board Competency and Succession Plan Policy, the Board seeks to have a composition diverse in gender, ethnicity and age. Our Corporate Governance Guidelines do not explicitly provide limitations on Board service due to age.

Resignation Policy; Vacancies

Under our Corporate Governance Guidelines, our non-management directors must submit a letter of resignation upon resignation or retirement from, or termination of, the director's principal current employment, or other similarly

material changes in professional occupation or association. The Board is free to accept or reject the letter of resignation based on the best interests of the Board and stockholders and shall promptly notify such director of its decision.

A director appointed by the Board to fill a vacancy, including a vacancy created by a resignation, will serve until the next election of the class for which such director has been appointed and until his or her successor is elected and qualified, or until his or her earlier death, resignation, retirement, disqualification or removal.

Director Nomination Process

The Nominating and Governance Committee, in consultation with the Chairman of the Board and the Chief Executive Officer, is responsible for identifying, considering, recommending, recruiting and selecting, or recommending that the Board select, candidates to fill open positions on the Board consistent with Board-approved criteria and qualifications for membership. It is the Board's expectation that all Board members participate in Board recruitment efforts.

Table of Contents

Internal Process for Identifying Candidates

The Board Competency and Succession Plan Policy is the guideline for the Nominating and Governance Committee in evaluating and nominating Board candidates. The Nominating and Governance Committee has two primary methods for identifying director nominees (other than those proposed by stockholders, as discussed below). First, on a periodic basis, the Committee solicits ideas for possible candidates from members of the board of directors, senior level executives, and individuals personally known to the members of the board. Second, the Committee may from time to time use its authority under its charter to retain, at the Company's expense, one or more search firms to identify candidates (and to approve such firms' fees and other retention terms).

Proposals for Director Nominees by Stockholders

The Nominating and Governance Committee will consider written proposals from stockholders for director nominees that are timely and properly noticed. In considering candidates submitted by stockholders, the Nominating and Governance Committee will take into consideration the needs of the Board of Directors and the qualifications of the candidate. In accordance with Article I, Section 12 of our Bylaws, to be timely, stockholder notice must be delivered to or mailed and received at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced by more than 20 days, or delayed by more than 70 days, from such anniversary, proposed nominee(s) and related notice, in order to be timely, must be received not earlier than the 120th day prior to such annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. The Nominating and Governance Committee received no nominee recommendations from stockholders for the Annual Meeting. Stockholder nominations for our 2015 annual meeting of stockholders must be received at our principal executive offices on or after August 7, 2015 and not later than September 6, 2015. A stockholder's notice must be in the form set forth in Article I, Section 12 of our Bylaws and must be addressed to Premier, Inc., 13034 Ballantyne Corporate Place, Charlotte, North Carolina 28277, Attention: Corporate Secretary.

Article I, Section 12 of our Bylaws requires, among other things, that the notice must set forth:

Evaluation of Candidates

The Nominating and Governance Committee will consider all candidates identified through the processes described above, and will evaluate each of them, including incumbents, based on the same criteria. If, after the Committee's initial evaluation, a candidate meets the criteria for membership, the Chair of the Nominating and Governance Committee will interview the candidate and communicate the Chair's evaluation to the other members of the Committee, the Chairman of the Board and the Chief Executive Officer. Later reviews will be conducted by other members of the Committee and senior management. Ultimately, background and reference checks will be conducted and the Committee will meet to finalize its list of recommended candidates for the Board's consideration. The candidates recommended for the Board's consideration will be those individuals who will create a Board of Directors that is, as a whole, strong in its collective knowledge of, and diverse in skills and experience with respect to, accounting and finance, management and leadership, vision and strategy, business operations, business judgment, crisis management, risk assessment, industry knowledge, corporate governance and global markets.

Director Independence

Status as a Controlled Company

We are currently a controlled company under NASDAQ rules because our member owners, acting as a group pursuant to the terms of the VTA, own more than 50% of the total voting power of our outstanding common stock. As a controlled company, we are not required by NASDAQ for continued listing of Class A common stock to (i) have a majority of independent directors; (ii) maintain an independent compensation committee or (iii) maintain an independent nominating function. We intend to take advantage of all of these exemptions from NASDAQ listing requirements for the foreseeable future. As discussed below, we do maintain an Audit and Compliance Committee comprised entirely of independent directors. Once we cease to qualify as a controlled company, and after any permitted phase-in period, the Board expects to have a majority of independent directors and independent committees as required by NASDAQ.

Review of Director Independence and Standards for Independence

On August 21, 2014, the Board of Directors undertook its review of the independence of its directors and director nominees as independent directors based on our Corporate Governance Guidelines. Independent directors must meet the standards of independence established by NASDAQ. The Board reviews annually the independence of each director, taking into consideration the recommendations of the Nominating and Governance Committee. Directors have an affirmative obligation to inform the Board of any material changes in their circumstances or relationships that may impact their designation by the Board as independent.

The Board of Directors assessed whether any director had a relationship which, in the opinion of the Company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of such director. In addition, the Board assessed whether any of the following relationships existed between the Company and the director or the director's family members (i.e., spouse, parents, children and siblings or anyone residing in the director's home) that would prohibit a finding of independence under NASDAQ rules:

at any time during the past three years was the director employed by the Company;

has the director or a family member of the director accepted any compensation from the Company in excess of \$120,000 during any period of 12 consecutive months within the three years preceding the determination of independence, other than the following: (i) compensation for Board or Board committee service; (ii) compensation paid to a family member who is an employee (other than an executive officer) of the Company or (iii) benefits under a tax-qualified retirement plan, or non-discretionary compensation;

does the director have a family member who is, or at any time during the past three years was, employed by the Company as an executive officer;

is the director or his family member a partner in, or a controlling stockholder or an executive officer of, any organization to which the Company made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that exceed 5% of the recipient's consolidated gross

revenues for that year, or \$200,000, whichever is more, other than the following: (i) payments arising solely from investments in the Company's securities or (ii) payments under non-discretionary charitable contribution matching programs;

is the director or his family member employed as an executive officer of another entity where at any time during the past three years any of the executive officers of the Company serve on the compensation committee of such other entity; or

is the director or his family member a current partner of the Company's outside auditor, or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

Table of Contents

In connection with this determination, on an annual basis, each director and executive officer is required to complete a questionnaire which requires disclosure of any transactions with the Company in which the director or executive officer, or any member of his or her immediate family, has a direct or indirect material interest. There were no such transactions or contributions in fiscal year 2014.

Determination of Director Independence

Based on its review, the Board of Directors affirmatively determined that each of Stephen R. D Arcy, William E. Mayer, Ellen C. Wolf and Susan S. Wang is an independent director in accordance with our Corporate Governance Guidelines. Each of Lloyd H. Dean, Charles E. Hart, MD, Philip A. Incarnati, Alan R. Yordy, Robert Issai, Keith B. Pitts, Terry D. Shaw, Richard J. Statuto, Peter S. Fine, and Tomi S. Ryba is a member-director. Ms. DeVore, who is our Chief Executive Officer, was not deemed to be independent.

Each of our independent directors satisfies the definition of independent director contained in Rule 5605 of the NASDAQ listing standards. As a result of the review and determination above, the Board determined that:

each member of the Audit and Compliance Committee was an independent director under our Corporate Governance Guidelines and otherwise meets the qualifications for membership on such committee imposed by the NASDAQ and other applicable laws and regulations; and

each member of the Audit and Compliance Committee had accounting or related financial management expertise and was financially literate, and otherwise meets the audit committee membership requirements imposed by the NASDAQ, our Corporate Governance Guidelines, and other applicable laws and regulations; and that Ms. Wang qualifies as an audit committee financial expert within the meaning of SEC regulations.

In addition, there are no arrangements or understandings known to us between any of the directors nominated for election to the Board of Directors and any other person pursuant to which a director was or is to be elected as a director or nominee, other than any arrangements or understandings with directors or officers of the Company acting solely in their capacities as such. None of our directors, nominees or executive officers is a party to any material proceedings adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our subsidiaries. In determining the independence of Ms. Wolf, who is also a member of the board of directors of Airgas, Inc., one of our contracted suppliers, our Board of Directors considered the relationship arising through the ordinary course of business between us and Airgas, Inc., but did not consider that fact material to its independence determination.

Committees of the Board of Directors

Committee Memberships and Meetings

The Board reviews and determines the membership of our Board committees at least annually, with input from the Nominating and Governance Committee. Our Board of Directors has the following five standing committees, each of which is governed by a charter and reports its actions and recommendations to the Board of Directors: Audit and Compliance Committee, Compensation Committee, Nominating and Governance Committee, Finance Committee, and Member Agreement Review Committee. The following table shows the number of meetings held in fiscal year 2014 and the current membership of each Board committee.

Mayer, Pitts, Statuto and Ms. Wang (and another member that did not remain a board member after the IPO) and an IPO Pricing Committee that included Messrs. Mayer, Pitts, Shaw and Ms. Wang. Following the IPO, the Equity Grant Committee and the IPO Pricing Committee were terminated.

Board Committee Charters

As discussed in more detail in the descriptions of each of our Board committees below, each of our Board committees operates under a written charter adopted by the Board. The charters set forth the purpose, objectives and responsibilities of the respective committee and discuss matters such as committee membership requirements, number of meetings and the setting of meeting agendas. The charters are assessed periodically by the Nominating and Governance Committee and the respective committee and are updated by the Board as needed. The Board committee charters are available under the Investors section of our website at <http://investors.premierinc.com>.

Table of Contents**Compensation of Directors****Director Compensation Policy**

The Board of Directors has approved a Director Compensation Policy to provide an inducement to attract and retain the services of qualified persons to serve as directors. The policy applies to each director who is not an employee of, or compensated consultant to, us or any of our affiliates (non-employee director). The policy is designed to achieve the following key objectives:

align the interests of the non-employee directors and stockholders;

support overall organizational objectives and encourage the creation of stockholder value;

attract and retain high quality talent;

reflect the broad spectrum of talent and diverse sources of market data;

target median competitive pay levels; and

be simple to understand and administer.

Under the policy, each non-employee director will be compensated based on status as either a member-director or an outside director. As stated above, a member-director is a non-employee director who is employed by a Premier stockholder hospital or health system or by a group of hospitals participating in the Company's group purchasing program. An outside director is a non-employee director who is not a member-director. Compensation earned on behalf of member-directors is paid directly to the hospital or health system by whom the individual is employed. Compensation earned may or may not be paid to the individual as agreed to by the member-director and his or her employer and such decision is entirely outside our control. An outside director is an independent non-employee director who is not a member-director. Our Director Compensation Policy was established after consulting with the compensation consultant for the Compensation Committee. The Compensation Committee or the Board will review the Policy from time to time to assess whether any amendments in the type and amount of director compensation should be adjusted in order to fulfill the objectives of the Policy. This Policy may only be amended by the Board.

The following table sets forth the compensation elements and levels for outside directors and member-directors and reflects the compensation for the enhanced responsibilities and time commitment associated with the positions.

Cash Fees and Retainer The amounts in the Fees Earned or Paid in Cash column under the Director Compensation Table below are retainers and meeting fees earned for serving on our Board, its committees and as committee chairs and Chairman. All annual retainers are paid quarterly. Each outside director receives his or her cash compensation after first being elected or appointed to the Board on a pro-rated basis for the number of days during which he or she provides service. If an outside director dies, resigns or is removed during any quarter, he or she shall be entitled to a cash payment on a pro-rated basis through his or her last day of service.

Compensation earned on behalf of member-directors is paid directly to the hospital or health system by whom the individual is employed. Payments are made in January following the completion of the calendar year. Director compensation in the table below reflects amounts earned in fiscal 2014. Compensation earned may or may not be paid to the individual as agreed to by the member-director and his or her employer.

Equity Awards In connection with their initial appointment to the board, each outside director received an award of restricted stock units (RSUs) with a grant date fair value, computed in accordance with Accounting Standards Codification 718, Compensation Stock Compensation, of \$100,000. Grant date fair value assumptions are consistent with those disclosed in Note 20 *Stock-Based Compensation* to our Consolidated Financial Statements in our 2014 Form 10-K. RSU grants fully vest on the first anniversary date of the grant date, or in the case of Ms. Wolf and Mr. D Arcy, the first anniversary date of their becoming a member of the board of directors. In fiscal year 2014, those non-employee outside directors appointed at our initial public offering were each awarded 3,704 RSUs, with a grant date fair market value of \$27.00 per share based on the closing price of our common stock on the award date, September 25, 2013. Ms. Wolf received 3,305 RSUs, with a grant date fair market value of \$30.26 per share based on the closing price of our common stock on the award date, October 11, 2013. Indemnification and Exculpation

We indemnify our directors and officers to the fullest extent permitted by Delaware law. Our Certificate of Incorporation also includes provisions that eliminate the personal liability of our directors for monetary damages for breach of fiduciary duty as a director, except for liability:

- (1) In connection with our reorganization and IPO, the member owners were issued Class B common units in Premier LP and an equivalent number of shares of Premier, Inc. Class B common stock. Subject to the terms of the Exchange Agreement, each member owner has the cumulative right, subject to certain restrictions, commencing on October 31, 2014, and during each year thereafter, to exchange up to one-seventh of its initial allocation of Premier LP Class B common units, as well as any additional Premier LP Class B common units purchased by such member owner pursuant to certain rights of first refusal set forth in the Exchange Agreement, on a quarterly basis, for shares of Premier, Inc. Class A common stock (on a one-for-one basis), cash or a combination of both, the form of consideration to be at the discretion of the Audit and Compliance Committee of our Board of Directors. The percentages are based on 32,383,848 shares of Class A common stock outstanding and 111,866,539 shares Class B common stock outstanding at October 6, 2014, respectively, as adjusted upward or downward, as the case may be, by the assumptions set forth in (i), (ii) and (iii) of the preceding sentence. Certain Contractual Arrangements with Our Member Owners

Edgar Filing: Premier, Inc. - Form DEF 14A

In connection with our reorganization and IPO, we entered into several agreements to define and regulate the governance and control relationships among us, Premier LP and the member owners, including GNYHA. While

Table of Contents

our member owners receive certain rights and benefits under these agreements, we do not believe that these rights and benefits represent a direct or indirect material interest to any of our member-directors or nominee member-directors that are employed by one of our stockholder hospitals or health systems or by a group of hospitals participating in our group purchasing program. The following is a summary of the agreements below and does not purport to be complete, and is subject to, and qualified in their entirety by reference to, the complete text of the agreements which are filed as exhibits to our Form 10-K for the year ended June 30, 2014.

Premier LP Amended and Restated Limited Partnership Agreement

The member-owners are limited partners of Premier LP's Amended and Restated Limited Partnership Agreement, effective as of October 1, 2013. Our wholly-owned subsidiary, Premier Services, LLC, is the general partner of Premier LP and generally controls the day-to-day business affairs and decision-making of Premier LP. As limited partners of Premier LP, our member owners receive certain financial and other benefits. The general partner and limited partners have rights to allocations of net income and net losses and to receive quarterly distributions out of Premier LP's estimated taxable net income to facilitate payment by each limited partner of taxes, if required, on its share of taxable income of Premier LP. From time to time, Premier LP may also make discretionary distributions to limited partners. Upon certain specified events, the Class B common units held by the limited partners are subject to redemption by Premier LP or mandatory exchange pursuant to the Exchange Agreement.

Exchange Agreement

As described above, we entered into the Exchange Agreement with Premier LP and the member owners effective October 1, 2013. Pursuant to the terms of the Exchange Agreement, subject to certain restrictions, commencing on October 31, 2014, and during each year thereafter, each member owner will have the cumulative right to exchange up to one-seventh of its initial allocation of Class B common units, as well as any additional Class B common units purchased by such member owner pursuant to certain rights of first refusal (discussed below), for shares of our Class A common stock (on a one-to-one basis subject to customary adjustments), cash or a combination of both, the form of consideration to be at the discretion of our Audit and Compliance Committee. This exchange right can be exercised on a quarterly basis (subject to certain restrictions contained in the registration rights agreement described below) and is subject to rights of first refusal in favor of the other member owners that hold Class B common units and Premier LP. For each Class B common unit that is exchanged pursuant to the Exchange Agreement, the member owner will also surrender one corresponding share of our Class B common stock, which will automatically be retired. Information regarding the October 31, 2014 exchange can be found in Security Ownership of Certain Beneficial Owners and Management above.

Registration Rights Agreement

We entered into a registration rights agreement with our member owners that became effective on October 1, 2013. Pursuant to the terms of the registration rights agreement, as soon as practicable from October 1, 2014, we must use all reasonable efforts to cause a resale shelf registration statement to become effective for resales from time to time of its Class A common stock that may be issued to the member owners in exchange for their Class B common units pursuant to the Exchange Agreement, subject to various restrictions. Subject to certain exceptions, we will use reasonable efforts to keep the resale shelf registration statement effective for seven years. In addition, we will undertake to conduct an annual company-directed underwritten public offering to allow the member owners to resell Class A common stock following the first quarterly exchange date of each of the first three years during which the member owners have the right to exchange their Class B common units for shares of Class A common stock. We are not required to conduct a company-directed underwritten public offering unless the number of shares of Class A common stock requested by the member owners (and any third parties) to be registered in the applicable

company-directed underwritten public offering constitutes the equivalent of at least 3.5% of the aggregate number of Class A common units and Class B common units, or, collectively, the common units, outstanding. If the offering minimum has not been met, we may either proceed with the company-directed

underwritten public offering (such decision being in our sole discretion) or notify the member owners that we will abandon the offering. After the third year during which member owners have the right to exchange their Class B common units for shares of our Class A common stock, we may elect to conduct a company-directed underwritten public offering in any subsequent year. The registration rights agreement also grants the member owners certain piggyback registration rights with respect to other registrations of Class A common stock and includes certain lock-up restrictions. Pursuant to the registration rights agreement, we filed a resale shelf registration statement on Form S-3 with the SEC on October 3, 2014.

Tax Receivable Agreements

We entered into tax receivable agreements with the member owners which became effective on October 1, 2013. Pursuant to the terms of the tax receivable agreements, we have agreed to pay to the member owners for as long as the member owner remains a limited partner, generally over a 15-year period (under current law), 85% of the amount of cash savings, if any, in U.S. federal, foreign, state and local income and franchise tax that we actually realize (or are deemed to realize, in the case of payments required to be made upon certain occurrences under such tax receivable agreements) as a result of the increases in tax basis resulting from the initial sale of Class B common units by the member owners in connection with the Reorganization, as well as subsequent exchanges by such member owners pursuant to the Exchange Agreement, and of certain other tax benefits related to our execution of the tax receivable agreements, including tax benefits attributable to payments under the tax receivable agreements. As of June 30, 2014, we have made no such payments under the tax receivable agreements.

GPO Participation Agreements

Our member owners entered into GPO participation agreements with Premier LP which became effective on October 1, 2013. Pursuant to the terms of the GPO participation agreements, each member owner will receive cash sharebacks, or revenue share, from Premier LP equal to 30% of all gross administrative fees collected by Premier LP based upon purchasing by such member owner's acute and alternate site providers and other eligible non-healthcare organizations that are owned, leased or managed by, or affiliated with, each such member owner, or member facilities, through our GPO supplier contracts. In addition, our two largest regional GPO member owners will each remit all gross administrative fees collected by such member owner based upon purchasing by such member owner's member facilities through the member owner's own GPO supplier contracts and receive revenue share from Premier LP equal to 30% of such gross administrative fees remitted to Premier LP. Subject to certain termination rights, these GPO participation agreements each have an initial five-year term, although Premier LP's two largest regional GPO member owners have entered into agreements with seven-year terms. The terms of the GPO participation agreements vary as a result of provisions in our existing arrangements with member owners that continue to remain in effect. In certain other instances, Premier LP and member owners have entered into GPO participation agreements with certain terms that vary from the standard form.

Voting Trust Agreement

Premier, Premier LP and the member owners entered into the VTA effective October 1, 2013, pursuant to which the member owners contributed their Class B common stock to the Class B Voting Trust, under which the Trustee acts on behalf of the member owners for purposes of voting their Class B common stock. Additional information about the VTA is available in [Frequently Asked Questions](#) and elsewhere throughout this proxy statement.

Table of Contents**EXECUTIVE COMPENSATION**

As an emerging growth company, we have opted to comply with the executive compensation rules applicable to smaller reporting companies, as such term is defined under the Securities Act, which require compensation disclosure for our principal executive officer and the next two most highly-compensated executive officers.

The table below sets forth the annual compensation paid or accrued during the fiscal years ended June 30, 2014 and 2013 by our principal executive officer and the next two most highly-compensated executive officers (our named executive officers).

- (1) Reflects discretionary amounts that were awarded under our fiscal year 2013 cash-based annual incentive plan (AIP) and our cash-based long-term incentive plan (LTIP) with respect to our performance during the 2011-2013 fiscal years. Upon becoming a public company in 2013, the cash-based LTIP was replaced by the 2013 Equity Incentive Plan; thus, the named executive officers did not receive any opportunity to earn an award under the LTIP for the 2014 fiscal year. See the discussion under Long-Term Incentive Plan for additional information, including the payment schedule for the reported amount.
- (2) Reflects the aggregate grant date fair value of the performance shares and time-based restricted stock units granted to the named executive officers immediately prior to our initial public offering during the 2014 fiscal year. No stock awards were granted by us to the named executive officers during the 2013 fiscal year or any prior period. The performance shares are based on the probable outcome (as of the grant date) of the performance conditions applicable to those grants. For this purpose, the probable outcome was considered to be the compensation cost over the performance period that would have resulted had we achieved target performance during the performance period. The time-based restricted stock units reported above are based on the fair value of our Class A common stock on the grant date. There can be no assurance that the performance shares or the time-based restricted stock

units granted to our named executive officers will ever be earned or that the value of these awards as earned will equal the amounts disclosed in the Summary Compensation Table. The stock price assumption used to calculate the compensation cost is disclosed in *Note 20 Stock Based Compensation* to our consolidated financial statements included in our 2014 Form 10-K.

- (3) Reflects the aggregate grant date fair value of the stock options granted to the named executive officers immediately prior to our initial public offering during the 2014 fiscal year. No stock options were granted by us to the named executive officers during 2013 fiscal year or any prior period. We determine the fair value using the Black-Scholes option pricing model. The assumptions used to calculate the fair value for this purpose are disclosed in *Note 20 Stock Based Compensation* to our consolidated financial statements included in our 2014 Form 10-K. There can be no assurance that the options will ever be exercised (in which case no value will be realized by the executive) or that the value on exercise will equal the fair value.
- (4) Reflects for (a) fiscal year 2014, the amounts earned by our named executive officers under our Annual Incentive Plan (AIP), and (b) fiscal year 2013, the amounts earned by our named executive officers under both the non-discretionary portions of the AIP and LTIP. See the discussion under *Annual Incentive Plan* and *Long-Term Incentive Compensation Plan* for additional information, including the payment schedule for these amounts.
- (5) Reflects the following costs incurred by us for the benefit of the named executive officers under PHSI's money purchase pension plan, 401(k) plan and Deferred Compensation Plan: \$13,000, \$13,000, and \$12,750 for Ms. DeVore and Messrs. Alkire and McKasson, respectively, with respect to the money purchase plan, \$10,200, \$10,200, and \$9,350 for Ms. DeVore and Messrs. Alkire and McKasson, respectively, with respect to the 401(k) plan and \$157,150, \$108,323, and \$60,794 for Ms. DeVore and Messrs. Alkire and McKasson, respectively, with respect to the Deferred Compensation Plan. Includes a one-time reimbursement of legal and tax advisory services in connection with our IPO in the amounts of \$34,815, \$9,819 and \$9,819 for Ms. DeVore and Messrs. Alkire and McKasson, respectively. Also reflects amounts incurred by us with respect to a supplemental executive healthcare policy for Ms. DeVore.

Table of Contents**Narrative Discussion of Summary Compensation Table***Initial Public Offering Equity Grants*

None of our named executive officers owned any of our stock prior to the filing of our registration statement with the SEC in connection with our IPO. The compensation reported under *Stock Awards* and *Option Awards* columns in the Summary Compensation Table reflects equity awards granted immediately prior to our initial public offering. The Compensation Committee approved these equity grants to our named executive officers in order to better align their interests with those of our stockholders. These equity grants provide an opportunity for the named executive officers to make significant progress towards meeting levels of targeted equity ownership under our *Stock Ownership Guidelines* that are discussed below. The reported values in the *Stock Awards* and *Option Awards* columns equal grant date GAAP values determined under ASC Topic 718 as required by SEC rules, and do not represent currently realized or realizable compensation. In general, both stock awards and stock options are subject to a risk of forfeiture. Value from stock awards will not be earned by executives unless and until continued employment vesting requirements and, for the performance shares, performance goals are met. Value from a stock option will not be realized by executives unless and until continued employment requirements are met, there is an increase in stock price after the grant date and the executive exercises the stock option while the stock price is greater than the exercise price. There is no assurance that the named executive officers will realize value from the stock awards and option awards.

Realized Pay

The calculation of total compensation, as shown in the Summary Compensation Table that appears above, includes several items that are driven by accounting assumptions and which are not necessarily reflective of the compensation actually realized by our named executive officers. The chart below sets forth a different perspective on compensation that is supplemental to the information contained in the Summary Compensation Table. This chart compares the amounts reported in the Summary Compensation Table for our Chief Executive Officer, Susan DeVore, with her realized pay for the fiscal year ended June 30, 2014. Realized pay reflects the actual value of stock awards that have vested, or in the case of stock options, were exercised, during the year. It does not include non-qualified deferred compensation or other compensation included in the *All Other Compensation* column of the Summary Compensation Table (see footnote 5 of the Summary Compensation Table above for additional detail) or vested, unexercised stock options. The primary difference between our Chief Executive Officer's realized pay amount and the amounts reported in the Summary Compensation Table is the accounting value attributed to the IPO equity grants, which were fully unvested as of June 30, 2014 and represent compensation that may be realized by her in future years.

- (1) Summary Compensation Table pay includes (i) base salary, (ii) actual annual incentive earned (or *STI* in the chart), and (iii) the grant date fair value of long-term equity compensation, each as reported in the Summary Compensation Table for the applicable year.
- (2) Realized pay includes: (i) base salary and (ii) actual annual incentive earned (or *STI* in the chart), each as reported in the Summary Compensation Table, (iii) cash amounts paid under the cash based long-term incentive plan granted by the PHSI Compensation Committee in August, 2010 (*LTI-Cash*), and (iv) the in-the-money value of any option awards exercised in the applicable year plus the value of any restricted stock awards (time-based and

performance-based), that vested in the applicable year (both options and restricted stock units are included in LTI-Equity in the chart), calculated based on the stock price as of the vesting date. The LTI- Cash amount reflects the two installments (totaling 70%) of the FY2011-FY2013 Long-Term Incentive Plan payments that were made during FY2014 (see Long-Term Incentive Compensation Plan for additional information, including the payment schedule for these amounts).

Table of Contents*Annual Incentive Plan*

The Annual Incentive Plan (AIP) provides an opportunity for our employees and those of certain affiliates, subsidiaries and managed entities to receive annual cash bonuses based on achievement of predetermined performance objectives for a fiscal year. The Compensation Committee determines the extent to which performance objectives were achieved for the 2014 fiscal year. Depending on achievement level, each participant will receive 0-150% of his or her target award on September 15 following the end of the fiscal year, but may defer payment at each participant's discretion. Awards paid under the AIP are subject to forfeiture and recoupment pursuant to our recoupment policies discussed in Compensation Recoupment. For fiscal year 2014, the AIP was based entirely on pre-established performance goals.

Long-Term Incentive Compensation Plan

Payments under the LTIP are determined based on financial or operational performance during the three year performance period as compared to pre-established performance goals. Additional amounts can also be awarded on a discretionary basis. The PHSI compensation committee determined all amounts payable under the LTIP with respect to the named executive officers. The portion of the LTIP payments based on meeting pre-established performance goals for Ms. DeVore, Mr. Alkire and Mr. McKasson is \$4,066,940, \$2,085,114 and \$744,887, respectively, and is included in the Non-Equity Incentive Compensation Plan column of the Summary Compensation Table for the 2013 fiscal year. The portion of the payments based on the exercise of discretion by the PHSI compensation committee for Ms. DeVore, Mr. Alkire and Mr. McKasson is \$1,243,713, \$637,650 and \$227,794, respectively, and is included in the Bonus column of the Summary Compensation Table for the 2013 fiscal year.

An executive participating in the LTIP must be employed on the date of a scheduled LTIP payment in order to receive payment unless the executive terminates employment due to death, disability, his or her retirement, termination of employment by PHSI without cause or voluntary resignation within the two year period following a change in control (as defined in the LTIP). The named executive officers have not received a new three-year cash based LTIP award opportunity. Instead, we have authorized the grant of equity awards to our named executive officer for the 2014 fiscal year. The LTIP did not provide for immediate payment of these amounts: 40% was paid on September 15, 2013; 30% was paid on June 30, 2014; and the remaining 30% is scheduled to be paid on June 30, 2015.

Determination of Executive Compensation

As discussed earlier, the Compensation Committee is responsible for, among other matters: (i) reviewing key employee compensation goals, policies, plans and programs; (ii) reviewing and approving the compensation of our directors, Chief Executive Officer and other executive officers; (iii) reviewing and approving employment agreements and other similar arrangements between us and our executive officers; and (iv) administering our stock plans and other incentive compensation plans, including assessing the performance of the organization relative to the incentive plan goals. The Compensation Committee, pursuant to its charter, has the authority to select and retain experts or consultants to assist the committee in discharging its duties and responsibilities. The Compensation Committee has in the past engaged Mercer to provide compensation data on other companies and recommendations on executive compensation, including bonuses and equity grants. Mercer has also provided data and recommendations regarding director compensation.

Role of the Compensation Consultant

During our fiscal year 2014, the Compensation Committee directly retained the services of Mercer to provide advice and recommendations to the Compensation Committee on executive officer and Board of Director compensation

programs. Mercer's fees for executive compensation consulting to the Compensation Committee for fiscal year 2014 were \$451,682.

Table of Contents

During fiscal year 2014, Mercer provided the following services to the Compensation Committee related to executive officer compensation:

Attended meetings of the Compensation Committee as the Committee's advisor;

Evaluated the competitive positioning of our executive officers' base salaries, annual incentive and long-term incentive compensation relative to our peer companies;

Advised on target award levels within the annual and long-term incentive program and, as needed, on actual compensation actions;

Assessed the alignment of executive officer compensation levels relative to our performance against our peer companies and relative to the Compensation Committee's articulated compensation philosophy;

Provided advice on the design of our annual and long-term incentive plans;

Advised on the performance measures and performance targets for the annual and long-term incentive programs; and

Assessed the potential for material risk within our compensation policies and practices for all employees, including executive officers.

During fiscal year 2014, management retained the services of Mercer to provide compensation and health and welfare consulting, and affiliated companies Marsh and National Economic Research Associates, Inc. to provide insurance services and economic consulting services, respectively. The aggregate fees paid for these services for fiscal year 2014 were \$381,140.

Based in part on the policies and procedures Mercer and the Compensation Committee have in place, the Compensation Committee believes that the advice it receives from the executive compensation consultant, a Mercer representative, is objective and not influenced by Mercer's or its affiliates' relationships with Premier. These policies and procedures include:

The executive compensation consultant receives no incentive or other compensation based on the fees charged to us for other services provided by Mercer or any of its affiliates;

The executive compensation consultant is not responsible for selling other Mercer or affiliate services to us;

Mercer's professional standards prohibit the executive compensation consultant from considering any other relationships Mercer or any of its affiliates may have with us in rendering his or her advice and recommendations;

The Compensation Committee has the sole authority to retain and terminate the executive compensation consultant;

The executive compensation consultant has direct access to the Compensation Committee without management intervention;

The Compensation Committee evaluates the quality and objectivity of the services provided by the executive compensation consultant each year and determines whether to continue to retain the consultant; and

The protocols for the engagement (described below) limit how the executive compensation consultant may interact with management.

While it is necessary for the executive compensation consultant to interact with management to gather information, the Compensation Committee has adopted protocols governing if and when the executive compensation consultant's advice and recommendations can be shared with management. These protocols are

Table of Contents

included in the Compensation Committee's engagement letter with Mercer. The Compensation Committee also determines the appropriate forum for receiving the executive compensation consultant's recommendations. Where appropriate, management invitees are present to provide context for the recommendations.

Employment Agreements

Effective October 1, 2013, each of our named executive officers entered into an employment agreement. The term of each employment agreement is three years. Each employment agreement provides for automatic extension after the initial three-year period by adding a one-year term on each anniversary of the effective date of each agreement unless either party timely provides written notice to the contrary. These employment agreements, which are between PHSI and the named executive officers, provide for the following compensation:

Annual base salary for Ms. DeVore, Mr. Alkire and Mr. McKasson equal to \$977,800, \$797,500 and \$510,000, respectively.

Target annual incentive compensation for Ms. DeVore, Mr. Alkire and Mr. McKasson equal to 125%, 100% and 100% of base salary, respectively.

Eligibility for participation in the 2013 Equity Incentive Plan.

All incentive compensation payments shall be subject to one or both of our compensation recoupment policies as in effect from time to time. See Compensation Recoupment for a discussion of these policies.

Reimbursement for excise taxes, penalties and interest under Section 409A of the Code incurred by an executive as a result of our breach of an executive's employment agreement.

One-time reimbursement of attorneys' and tax advisors' fees incurred by Ms. DeVore and Messrs. Alkire and McKasson in connection with negotiating and reviewing the employment agreements in conjunction with our IPO.

The employment agreements provide for severance benefits in the event the named executive officer's employment is terminated without cause or they leave for good reason. Enhanced severance benefits are provided in the event of an involuntary termination that occurs on or within two years after a Change in Control (as defined in the 2013 Equity Incentive Plan). All severance benefits are subject to signing a release and compliance with non-competition, non-solicitation, non-interference and confidentiality restrictions.

Employment Termination without Cause or Resignation for Good Reason

As stated in the employment agreements, we will pay 2.4 times the named executive officer's total annual compensation in cash over 30 months if such officer's employment is terminated without cause or such officer resigns for good reason on or within 24 months after a Change in Control (as defined in the 2013 Equity Incentive Plan).

Total annual compensation for this purpose means the sum of the named executive officer's then current base salary

plus the greater of (i) the officer's target AIP bonus as of employment termination, or (ii) the average AIP bonuses paid to the named executive officer during the 36 months preceding employment termination. As stated in the employment agreements, we will pay 1.9 times the named executive officer's base salary in cash over 24 months if such officer's employment is terminated without cause or such officer resigns for good reason other than during the 24 month change in control protection period described above. A termination without cause under the employment agreements means that PHSI terminates the named executive officer's employment for any reason other than death, disability or cause.

We do not provide our named executive officers a gross-up of any golden parachute excise taxes under the Code. The award agreements for the stock options, time-based restricted stock units and performance shares include a modified cutback provision. Benefits under these equity awards, the employment agreements and other plans and arrangements covering our named executive officers are paid out in full or reduced so that the golden parachute excise tax is avoided, whichever produces a better after-tax result for the named executive officer.

(1) Represents fully exercisable stock options.

(2) The stock option awards vest in equal amounts on the first, second and third anniversaries of June 30, 2013, subject to the officer's continued employment by us or our affiliates or subsidiaries on those dates. In the event of termination due to death, disability, voluntary resignation on or after attaining age 59 ½ or age 55 with five or more years of service, by us without cause or by the officer for good reason (each as defined in the standard form of equity award agreement approved by the board of directors for all participants) prior to a Change in Control (as defined in the 2013 Equity Incentive Plan), any options that would have vested in the 12 months following employment termination will immediately vest. In the event of an employment termination by us without cause or by the officer for good reason on or within 24 months following a Change in Control, the option will immediately vest in full. All stock options (both vested and unvested) will be forfeited on a termination for cause or resignation without Good Reason or in the event the officer violates his or her non-compete agreement.

(3) All stock options have a term of ten years from the grant date, except that any stock options that are not forfeited on a participant's termination of employment will be exercisable for the lesser of twelve months or the remaining

term.

- (4) The restricted stock unit awards vest in full on June 30, 2016, subject to the officer's continued employment by us or our affiliates or subsidiaries on that date. In the event of termination due to death, disability, voluntary resignation on or after attaining age 59 ½ or age 55 with five or more years of service, by us without cause or by the officer for good reason prior to a Change in Control, a pro-rata portion of the restricted stock units shall vest based on the period of completed service from July 1, 2013 through July 1, 2016. In the event of an employment termination by us without cause or by the officer for good reason on or within 24 months following a Change in Control, the restricted stock units will immediately vest in full. All restricted stock units are subject to forfeiture in the same manner as stock options.
- (5) The performance share awards vest based on achieving performance objectives for the three year performance period beginning July 1, 2013 and ending June 30, 2016, subject to such officer's continued employment on June 30, 2016. The disclosed amount reflects a 100% payout based the probable achievement of the performance objectives under this grant. In the event of termination due to death, disability, voluntary resignation on or after attaining age 59 ½ or age 55 with five or more years of service, by us without cause or by the officer for good reason prior to a Change in Control, a pro-rata portion of the performance shares shall vest contingent on our actual performance results for the applicable performance period based on the period of completed service during such performance period. If a Change in Control occurs, performance shares will vest based on actual performance achievement as of the Change in Control.
- (6) Calculation based on the closing price of our Class A common stock on NASDAQ of \$29.00 per share on June 30, 2014.

Compensation Recoupment

We have adopted compensation recoupment policies with respect to all incentive compensation awards, including amounts payable under our cash incentive plans and the equity awards granted under the 2013 Equity

Table of Contents

Incentive Plan that may be earned by our executive officers. If we are required to restate our financial statements due to their material noncompliance with any financial reporting requirements under the federal securities laws, our executive officers who received incentive compensation based on erroneous data in a materially noncompliant financial statement must repay us the amount in excess of what would have paid based on that restatement. The repayment obligation extends to any incentive compensation an executive officer or executive-team member receives during the three-year period preceding a restatement. The board of directors has the authority to determine when and how much incentive compensation must be repaid following the restatement of a financial statement. We do not believe that the risks arising from our executive officer compensation practices are reasonably likely to have a material adverse effect on Premier. We will amend these compensation recoupment policies as required to comply with applicable SEC rules that are adopted under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010.

Executive Officer Stock Ownership Guidelines

Our Board of Directors has adopted stock ownership guidelines that apply to all our executive officers and other members of senior management designated by our Chief Executive Officer. This policy is designed to align the interests of our executive leadership team with the interests of our stockholders. Covered executives are expected to own our Class A common stock with a value equal to a multiple of their base salary, and until the guideline amount is achieved each covered executive will generally be required to retain a level of shares following the vesting or exercise of equity awards granted. The chart below summarizes the key terms of our stock ownership guidelines as applicable to our named executive officers:

Requirement	Title	Required Amount
Stock Ownership Guidelines	Chief Executive Officer	5x base salary
	Chief Operating Officer	3x base salary
	Chief Financial Officer	3x base salary
Stock Holding Requirements	Chief Executive Officer	50% of net after-tax value
	Chief Operating Officer	35% of net after-tax value
	Chief Financial Officer	35% of net after-tax value

Ownership for purposes of this policy is defined to include stock owned directly or indirectly by a covered executive or any of such person's immediate family members residing in the same household, shares held in trust for the benefit of such executive or such executive's family and shares obtained through stock option exercise and shares underlying vested restricted stock units and performance shares.

REPORT OF THE AUDIT AND COMPLIANCE COMMITTEE

The following Report of the Audit and Compliance Committee does not constitute soliciting material and shall not be deemed filed or incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Exchange Act, except to the extent Premier specifically incorporates such information by reference.

The Board of Directors has the ultimate authority for effective corporate governance, including the role of oversight of Premier's management. The Audit and Compliance Committee's purpose is to assist the Board of Directors in fulfilling its responsibilities to Premier and its stockholders by overseeing the accounting and financial reporting processes, the qualifications and selection of the independent registered public accounting firm engaged by the Company, the Company's Ethics & Compliance Program as directed by the Chief Ethics and Compliance Officer, and the performance of the internal auditors and independent registered public accounting firm. The Audit and Compliance Committee members' functions are not intended to duplicate or to certify the activities of Premier's management or Premier's independent registered public accounting firm.

In its oversight role, the Audit and Compliance Committee relies on the expertise, knowledge and assurances of management, the internal auditors, and the independent registered public accounting firm. Management has the primary responsibility for establishing and maintaining effective systems of internal and disclosure controls (including internal control over financial reporting), for preparing financial statements, and for the public reporting process. Ernst & Young LLP (EY), Premier's independent registered public accounting firm, is responsible for performing an independent audit of Premier's consolidated financial statements and for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles in the United States. In this context, the Audit and Compliance Committee:

reviewed and discussed with management and EY the fair and complete presentation of Premier's consolidated financial statements and related periodic reports filed with the SEC (including the audited consolidated financial statements for the year ended June 30, 2014);

discussed with EY the matters required to be discussed by the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), including PCAOB Auditing Standard No. 16 (Communications with Audit Committees); and

received the written disclosures and the letter from EY required by PCAOB Rule 3526 (Communication with Audit Committees Concerning Independence) and discussed with EY its independence from the Company and its management.

The Audit and Compliance Committee also discussed with Premier's internal auditors and EY the overall scope and plans for their respective audits; reviewed and discussed with management, the internal auditors, and EY the significant accounting policies applied by Premier in its financial statements, as well as alternative treatments and risk assessment; and met periodically in executive sessions with each of management, the internal auditors, and EY.

The Audit and Compliance Committee was kept apprised of the progress of management's assessment of the Premier's internal control over financial reporting and provided oversight to management during the process.

Edgar Filing: Premier, Inc. - Form DEF 14A

Based on the reviews and discussions described above, the Audit and Compliance Committee recommended to the Board of Directors, and the Board of Directors approved, that the audited consolidated financial statements for the year ended June 30, 2014, be included in our Annual Report on Form 10-K for the fiscal year ended June 30, 2014 for filing with the SEC. The Audit and Compliance Committee has selected EY as the Company's independent registered public accounting firm for fiscal year 2015.

III. ADMINISTRATION

The Plan shall be administered by the Plan Administrator. Subject to the provisions of the Plan and applicable law, the Plan Administrator shall have the authority in its sole discretion: (a) to determine the Stock's fair market value; (b) to construe and interpret the terms of the Plan; (c) to correct any defect, supply any omission, or reconcile any inconsistency in the Plan in the manner and to the extent it shall deem desirable to carry out the purposes of the Plan; (d) to establish a limit on the maximum number of shares of Stock that may be purchased during a purchase period, (e) to prescribe, amend, and rescind rules and regulations relating to the Plan; and (f) to make all other determinations and take all other action described in the Plan or as the Plan Administrator otherwise deems necessary or advisable for administering the Plan and effectuating its purposes. Decisions of the Plan Administrator (or its designate) shall be final and binding on all parties who have an interest in the Plan.

IV. PURCHASE PERIODS

(a) Stock shall be offered for purchase under the Plan through a series of successive purchase periods during offering periods not to exceed 27 months until such time as (i) the maximum number of shares of Stock available for issuance under the Plan shall have been purchased or (ii) the Plan shall have been sooner terminated in accordance with Article IX.

(b) Under no circumstances shall any purchase rights granted under the Plan be exercised, nor shall any shares of Stock be issued hereunder, until such time as the Company shall have complied with all applicable requirements of the Securities Act of 1933 (as amended), all applicable listing requirements of any securities exchange on which the Stock is listed and all other applicable requirements established by law or regulation, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(c) As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the shares are being purchased only for investment and without any present intention to sell or distribute such shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

(d) The Plan shall be implemented in a series of consecutive purchase periods, each to be of such duration as determined by the Plan Administrator prior to the commencement date of the purchase period; provided that the first purchase period shall begin not sooner than the Effective Date. The Plan Administrator shall have the authority to establish purchase periods over such intervals and subject to such terms and conditions as it determines to be appropriate or desirable without stockholder approval.

(e) Each Participant shall be granted a separate purchase right with respect to each purchase period. The purchase right shall be granted on the first day of the purchase period and shall be automatically exercised on the last U.S. business day of that purchase period or any earlier day the purchase right is to be exercised hereunder.

V. ELIGIBILITY AND PARTICIPATION

(a) An individual who has been continuously employed as an Employee for at least six (6) months as of the commencement of a purchase period shall be eligible to participate in such purchase period under the Plan, subject to the requirements of Section V(b) and the limitations imposed by Article VI, Article VII and Article VIII below. No non-employee director or independent contractor may participate in the Plan.

(b) An Employee may become a Participant by completing and submitting enrollment forms (including but not limited to a subscription agreement and a payroll deduction authorization) in such form and manner as approved by the Plan Administrator (or its designee) during the twenty-one day period before the beginning of a purchase period, unless a different time for completing and submitting the enrollment forms is set by the Plan Administrator for all Employees with respect to a given purchase period. Notwithstanding the foregoing, no Employee shall be entitled to enroll in the Plan or acquire Stock under the Plan during any period in which the Company has restricted the purchase or sale of its securities by its employees.

A-2

Table of Contents

(c) The payroll deduction authorized by a Participant for purposes of acquiring Stock under the Plan may be any multiple of 1% of the Eligible Earnings of the Participant during the period the purchase right remains outstanding, up to a maximum equal to 30% of the Participant's Eligible Earnings (or such lower maximum percentage as may be designated by the Plan Administrator from time to time). The deduction rate so authorized shall continue in effect for the entire period the purchase right remains outstanding, unless the Participant shall, prior to the end of the purchase period for which the purchase right will remain in effect, withdraw by filing the appropriate form with the Plan Administrator (or its designate). Payroll deductions will automatically cease upon the termination of the Participant's purchase right in accordance with Section VII(d) or Section VII(e) below. Participants may adjust the percentage of their Eligible Earnings to be paid as contributions pursuant to the Plan from one purchase period to the next by completing and submitting a new enrollment form during the enrollment period for the next purchase period. Participants may not adjust their rate of contribution during a purchase period. A Participant's contribution rate in effect on the last day of a purchase period shall automatically apply to the next purchase period unless (i) the Participant elects otherwise during the enrollment period preceding the next purchase period or (ii) the Plan Administrator determines during a purchase period, by written notice to all affected Participants, that Participants' contribution rates shall not automatically apply to the next purchase period.

(d) Payroll deductions shall commence on the first payroll that ends after the beginning of the purchase period and shall end on the last payroll paid on or prior to the last day of the purchase period to which the enrollment form is applicable, unless sooner terminated as provided in Article VII.

VI. STOCK SUBJECT TO PLAN

(a) The Stock purchasable by Participants under the Plan shall be authorized but unissued Stock, Stock held in the treasury of the Company, or from any other proper source. The total number of shares of Stock that may be issued under the Plan in the aggregate shall be 3,685,500 shares (subject to adjustment under Section VI(b) below).

(b) In the event any change is made to the Stock purchasable under the Plan by reason of (i) any merger, consolidation or reorganization or (ii) any stock dividend, stock split, recapitalization, combination of shares or other change affecting the outstanding Stock as a class without the Company's receipt of consideration, then unless such change occurs in connection with a transaction described under Section VII(k), appropriate adjustments shall be made by the Plan Administrator to (i) the class and maximum number of shares issuable in the aggregate over the term of the Plan, (ii) the class and maximum number of shares purchasable per Participant on any one purchase date, and (iii) the class and number of shares and the price per share of the Stock subject to each purchase right at the time outstanding under the Plan. Any such adjustment shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Stock subject to purchase rights under the Plan.

VII. PURCHASE RIGHTS

Subject to Article VI above, an Employee who participates in the Plan for a particular purchase period shall have the right to purchase Stock upon the terms and conditions set forth below and shall execute a subscription agreement embodying such terms and conditions and such other provisions (not inconsistent with the Plan) as the Plan Administrator may deem advisable. A subscription agreement may provide that it shall remain in effect indefinitely for future purchase periods, subject to (i) the individual's right to terminate the subscription agreement by written notice to the Plan Administrator in advance of a future purchase period, and (ii) the Plan Administrator's discretion to determine during a purchase period, by written notice to all affected Participants, that all such subscription agreements shall prospectively expire at the end of that purchase period or a designated one thereafter.

Table of Contents

(a) *Purchase Price.* The U.S. Dollar purchase price per share shall be 85% of the fair market value per share of Stock when the purchase right is exercised. For purposes of determining such fair market value (and for all other valuation purposes under the Plan), the fair market value per share of Stock on any given date shall be the closing selling price per share of Stock on the immediately preceding date for which there exists a quotation on the principal exchange on which the Stock is at the time traded.

(b) *Number of Purchasable Shares.* The number of shares purchasable by a Participant upon the exercise of an outstanding purchase right shall be the number of whole shares of Stock obtained by dividing the amount collected from the Participant through payroll deductions during each purchase period the purchase right remains outstanding by the purchase price in effect for that purchase period, subject to any limit established by the Plan Administrator with respect to the maximum number of shares of Stock that may be purchased during such purchase period. For avoidance of doubt, any limitation on the maximum number of shares must be established by the Plan Administrator in writing on or before the first day of a purchase period to be effective for that purchase period. Any remaining amount in the Participant's account shall be automatically refunded to the Participant. Under no circumstances shall purchase rights be granted under the Plan to any Employee if such Employee would, immediately after the grant, own (within the meaning of Section 424(d) of the Code) or hold outstanding options or other rights to purchase, stock possessing 5% or more of the total combined voting power or value of all classes of stock of the Company or any of its Affiliates. The accrual limitations of Article VIII shall apply to all purchase rights.

(c) *Payment.* Payment for Stock purchased under the Plan shall be effected by means of the Participant's authorized payroll deductions. Such deductions shall begin on the first pay day coincident with or immediately following the commencement date of the relevant purchase period and, unless terminated earlier pursuant to Sections VII(d) or (e) below, shall terminate with the pay day ending with or immediately prior to the last day of the purchase period. The amounts so collected shall be credited to the book account maintained by the Company on the Participant's behalf under the Plan, but no interest shall be paid on the balance from time to time outstanding in such book account. The amounts collected from a Participant may be commingled with the general assets of the Company and may be used for general corporate purposes.

(d) *Withdrawal from Purchase Period.*

(i) A Participant may withdraw from a purchase period by filing the prescribed notification form with the Plan Administrator (or its designate) on or prior to the date required by the Plan Administrator in its discretion. No further payroll deductions shall be collected from the Participant with respect to that purchase period, and the Participant may elect with respect to any payroll deductions for the purchase period collected prior to the withdrawal date to: (A) have the Company refund, in the currency originally collected, the payroll deductions which the Participant made under the Plan during that purchase period or (B) have such payroll deductions held for the purchase of shares at the end of such purchase period. If no such election is made, then such payroll deductions shall automatically be refunded at the end of such purchase period, in the currency originally collected. For purposes of this Section VII(d), a Participant who fails to meet the requirements of an Employee as set forth in Section II(h) of the Plan during a purchase period will be deemed to have elected to withdraw from such purchase period.

(ii) The Participant's withdrawal from a particular purchase period shall be irrevocable and shall also require the Participant to re-enroll in the Plan (by making a timely filing of a new subscription agreement and payroll deduction authorization) if the Participant wishes to resume participation in a subsequent purchase period.

(iii) The Plan Administrator may at any time change the rules pertaining to the timing of withdrawals, limit the frequency of withdrawals, limit the frequency with which participants may withdraw and re-enroll in the Plan, and may impose a waiting period on participants who want to re-enroll following withdrawal.

(e) *Termination of Employment/Leave of Absence.* Except as provided in Section VII(1) below, if a Participant ceases to remain an Employee while his/her purchase right remains outstanding, then such purchase right shall immediately terminate and all sums previously collected from the Participant during the purchase period in which such termination occurs shall be promptly refunded to the Participant (or his or her estate, if

A-4

Table of Contents

employment termination was due to death). However, should the Participant cease active service by reason of an approved leave of absence, then the Participant shall have the election, exercisable up until the end of the purchase period in which the leave of absence commences, to (i) withdraw all the funds in the Participant's payroll account at the commencement of such leave or (ii) have such funds held for the purchase of shares at the end of such purchase period. If no such election is made, then such funds shall automatically be held for the purchase of shares at the end of such purchase period. In no event shall any further payroll deductions be added to the Participant's account following his/her cessation of Employee status or the commencement of such leave. Should the Participant return to active service (x) within ninety (90) days following the commencement of his/her leave of absence or (y) prior to the expiration of any longer period for which such Participant's right to reemployment with the Company is guaranteed by statute or contract, then his/her payroll deductions under the Plan shall automatically resume upon his/her return at the rate in effect at the time the leave began, and if a new purchase period begins during the period of the leave, then the Participant will automatically be enrolled in that purchase period at the rate of payroll deduction in effect for him/her at the time the leave commenced, but payroll deductions for that purchase period shall not actually begin until the Participant returns to active service. However, an individual who returns to active employment following a leave of absence that exceeds in duration of the time period described in (x) or (y) above, as applicable, will be treated as a new common law employee for purposes of subsequent participation in the Plan and must accordingly re-enroll in the Plan (by making a timely filing of the prescribed enrollment forms) on or before the start date of any subsequent purchase period in which he or she wishes to participate.

For purposes of the Plan, a Participant shall be considered to be an Employee for so long as such Participant remains in the active employ of the Company or any other Designated Affiliate under the Plan.

(f) *Stock Purchase.* The Stock subject to the purchase right of each Participant (other than Participants whose purchase rights have previously terminated in accordance with Sections VII(d) or (e) above) shall be automatically purchased on the Participant's behalf on the last U.S. business day of the purchase period for which such purchase right remains outstanding. The purchase shall be effected by applying the amount credited to each Participant's book account, as converted into U.S. Dollars if necessary, on the last U.S. business date of the purchase period to the purchase of whole shares of Stock (subject to the limitations on the maximum number of purchasable shares set forth in Section VII(b) and Article VIII) at the purchase price in effect for such purchase period. Any cash contributed to a Participant's account under the Plan after a purchase of shares of Stock at the end of a purchase period shall be either carried forward to the next purchase period, applied to meet any minimum required tax withholding or returned to the Participant, as elected by the Plan Administrator.

(g) *Proration of Purchase Rights.* Should the total number of shares of Stock to be purchased pursuant to outstanding purchase rights on any particular date exceed the number of shares then available for issuance under the Plan, the Plan Administrator shall make a pro-rata allocation of the available shares on a uniform and nondiscriminatory basis, and any amounts credited to the accounts of Participants shall, to the extent not applied to the purchase of Stock, be refunded to the Participants, in the currency originally collected.

(h) *Shareholder Rights.* A Participant shall have no rights as a shareholder with respect to shares covered by the purchase rights granted to the Participant under the Plan until the shares are actually purchased on the Participant's behalf in accordance with Section VII(f). No adjustments shall be made for dividends, distributions or other rights for which the record date is prior to the purchase date.

(i) *ESPP Broker Account.* The shares purchased on behalf of each Participant shall be deposited directly into a brokerage account which the Company shall establish for the Participant at a Company-designated brokerage firm. The account will be known as the ESPP Broker Account. The Plan Administrator may adopt such policies and procedures for the Plan as it determines is appropriate, including policies and procedures regarding the transfer of

shares from a Participant's ESPP Broker Account.

(j) *Assignability*. Neither the Plan contributions made by a Participant nor any purchase rights granted under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws

of descent and distribution) by a Participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect. Purchase rights shall be exercisable only by the Participant during the Participant's lifetime.

(k) *Merger or Liquidation of Company.* In the event the Company or its shareholders enter into an agreement to dispose of all or substantially all of the assets or outstanding capital stock of the Company by means of a sale, merger or reorganization in which the Company will not be the surviving corporation (other than a reorganization effected primarily to change the State in which the Company is incorporated, a merger or consolidation with a wholly-owned Subsidiary, or any other transaction in which there is no substantial change in the shareholders of the Company or their relative stock holdings, regardless of whether the Company is the surviving corporation) or in the event the Company is liquidated, then all outstanding purchase rights under the Plan shall automatically be exercised immediately prior to the consummation of such sale, merger, reorganization or liquidation by applying all sums previously collected from Participants during the purchase period of such transaction to the purchase of whole shares of Stock, subject, however, to the applicable limitations described in Section VII(b).

(l) *Acquisitions and Dispositions.* The Plan Administrator may, in its sole and absolute discretion and in accordance with principles under Section 423 of Code, create special purchase periods for individuals who become Employees solely in connection with the acquisition of another company or business by merger, reorganization or purchase of assets and may provide for special purchase dates for Participants who will cease to be Employees solely in connection with the disposition of all or a portion of any Designated Affiliate or a portion of the Company, which purchase periods and purchase rights granted pursuant thereto shall, notwithstanding anything stated herein, be subject to such terms and conditions as the Plan Administrator considers appropriate in the circumstances.

(m) *Notice by Participants of Disqualifying Dispositions.* As a condition for Plan participation, each Participant agrees that the Company shall be notified, through the ESPP Broker Account (or by the Participant in writing if the Participant's Stock is not held therein), immediately after any sale or transfer of Stock that is both purchased through the Plan and is sold or disposed of within the two year period beginning with the purchase period in which the Stock was purchased, but only to the extent that the Stock is acquired under the Plan in a manner that is intended to meet the qualification requirements under Section 423 of the Code.

VIII. ACCRUAL LIMITATIONS

(a) No Participant shall be entitled to accrue rights to acquire Stock pursuant to any purchase right outstanding under this Plan if and to the extent such accrual, when aggregated with (i) Stock rights accrued under other purchase rights outstanding under the Plan and (ii) similar rights accrued under other employee stock purchase plan of the Company or any Affiliate, would otherwise permit such Participant to purchase more than Twenty-Five Thousand dollars (\$25,000) worth of Stock (determined on the basis of the fair market value of such stock on the date or dates such rights are granted to the Participant) for each calendar year such rights are at any time outstanding.

(b) For purposes of applying the accrual limitations of Section VIII(a), the right to acquire Stock pursuant to each purchase right outstanding under the Plan shall accrue as follows:

(i) The right to acquire Stock under each such purchase right shall accrue as and when the purchase right first becomes exercisable on the last U.S. business day of each purchase period the right remains outstanding.

(ii) No right to acquire Stock under any outstanding purchase right shall accrue to the extent the Participant has already accrued in the same calendar year the right to acquire Twenty-Five Thousand U.S. Dollars (US\$25,000) worth of Stock (determined on the basis of the fair market value on the date or dates of grant) pursuant to one or more purchase rights held by the Participant during such calendar year.

Table of Contents

(iii) If by reason of the Section VIII(a) limitations, one or more purchase rights of a Participant do not accrue for a particular purchase period, and then the payroll deductions which the Participant made during that purchase period with respect to such purchase rights shall be promptly refunded in the currency originally collected.

(c) In the event there is any conflict between the provisions of this Article VIII and one or more provisions of the Plan or any instrument issued thereunder, the provisions of this Article VIII shall be controlling.

IX. AMENDMENT AND TERMINATION

(a) The Board or the Compensation Committee of the Board may from time to time alter, amend, suspend or discontinue the Plan; provided, however, that no such action shall adversely affect purchase rights at the time outstanding under the Plan unless necessary or desirable to comply with any applicable law, regulation or rule; and provided, further, that no such action of the Board or the Compensation Committee of the Board may, without the approval of the shareholders of the Company, increase the number of shares issuable under the Plan (other than adjustments pursuant to Sections VI(b) and VII(b)), alter the purchase price formula so as to reduce the purchase price specified in the Plan, or materially modify the requirements for eligibility to participate in the Plan.

(b) Without shareholder approval and without regard to whether any Participant rights may be considered to have been adversely affected, the Plan Administrator shall be entitled to, in addition to, and without limitation with respect to, what is permitted pursuant to Section IX(a), cancel or change the purchase periods, limit the frequency and/or number of changes in the amount withheld during a purchase period, establish the exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, permit payroll withholding in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of properly completed enrollment forms, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Stock for each Participant properly correspond with amounts withheld from the Participant's Eligible Earnings, and establish such other limitations or procedures as the Plan Administrator determines in its sole discretion advisable which are consistent with the Plan.

X. TAXES

(a) It is the Company's intention that purchase rights under the Plan qualify to the maximum extent possible for favorable tax treatment under Section 423 of the Code when granted to Employees who are employed by a Designated Affiliate that is a subsidiary corporation of the Company as determined under Section 424(f) of the Code. To the extent that purchase rights are granted to an Employee employed by a Designated Affiliate that is not a subsidiary corporation under Section 424(f) of the Code, then such purchase rights will not qualify for favorable tax treatment under Section 423 of the Code. The provisions of the Plan shall be construed so as to extend and limit participation in a manner consistent with the requirements of Section 423 of the Code except for the Company being able to extend purchase right to Employees employed by a Designated Affiliate that is not a subsidiary corporation of the Company under Section 424(f) of the Code.

(b) It is intended that purchase rights that do not qualify for favorable tax treatment under Section 423 of the Code shall not constitute nonqualified deferred compensation subject to the requirements of Section 409A of the Code, and the provisions of the Plan shall be construed consistent with this intention. Notwithstanding any provision of the Plan to the contrary, in the event that the Plan Administrator determines that any amounts payable hereunder will be taxable to a Participant under Section 409A of the Code, the Plan Administrator may (i) adopt such amendments to the Plan and appropriate policies and procedures, including amendments and policies with retroactive effect, that it determines necessary or appropriate to preserve the intended tax treatment of the benefits provided by the Plan and/or (ii) take such other actions as the Plan Administrator determines necessary or appropriate to comply with the

requirements of Section 409A of the Code. No action shall be taken

under the Plan that shall cause an Award to fail to comply with Section 409A of the Code, to the extent applicable to purchase rights hereunder. However, in no event shall any member of the Board, the Company or any of its Affiliates (including their respective employees, officers, directors or agents) have any liability to any Participant (or any other person) with respect to taxes under Section 409A of the Code.

(c) A Participant shall be required to pay to the Company or any of its Affiliates, and the Company or any of its Affiliates shall have the right and is hereby authorized to withhold, from any cash, shares of Stock, other securities or other property deliverable under the Plan or from any compensation or other amounts owing to a Participant, the amount (in cash, shares of Stock, other securities or other property) of any minimum required withholding taxes in respect of purchase rights or any payment or transfer under the Plan and to take such other action as may be necessary in the opinion of the Plan Administrator or the Company to satisfy all obligations for the payment of such withholding and taxes. Without limiting the generality of foregoing, the Plan Administrator may, in its sole discretion, permit a Participant to satisfy, in whole or in part, any minimum required tax withholding liability by (i) the delivery of shares owned by the Participant having a fair market value equal to such withholding liability or (ii) having the Company withhold from the number of shares of Stock otherwise issuable or deliverable under the Plan a number of shares with a fair market value equal to such minimum required statutory withholding liability.

XI. GENERAL PROVISIONS

(a) The Plan shall terminate upon the earlier of (i) ten years after its Effective Date, or (ii) the date on which all shares of Stock available for issuance under the Plan shall have been sold pursuant to purchase rights exercised under the Plan.

(b) Nothing in the Plan or in any agreement entered into pursuant to the Plan shall confer upon any Employee or other person the right to continue in the employment of the Company or any Affiliate or affect any right which the Company or any Affiliate may have to terminate the employment of such Employee or other person.

(c) All notices, elections or other communications by a Participant to the Company or the Plan Administrator under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Plan Administrator at the location, or with the person, designated by the Plan Administrator for the receipt thereof.

(d) All costs and expenses incurred in the administration of the Plan shall be paid by the Company.

(e) Any documents that the Company may use in the administration of the Plan, may be delivered in paper or electronic medium, including but not limited to email or the posting on a web site maintained by the Company or a third party under contract with the Company.

(f) The laws of the State of Delaware shall have control over all matters and disputes arising under the Plan.

(g) The rights and privileges of all Participants under the Plan shall be the same (except as otherwise required by applicable law).
