On February 12, 2015, the Supervisory Board of SAP SE ("SAP") retrospectively reduced the performance threshold for vesting of certain restricted share units beginning January 2014 under SAP's RSU Milestone Plan 2015, which is an element of variable compensation for Executive Board members of SAP.

In connection with the change to the RSU Milestone Plan 2015, the Supervisory Board and Executive Board of SAP updated their declaration, as required by the German Stock Corporation Act, regarding SAP's implementation of the recommendations of the German Corporate Governance Code.

The declaration is attached as Exhibit 99.1 hereto and incorporated by reference herein.

Any statements contained in this document that are not historical facts are forward-looking statements as defined in the U.S. Private Securities Litigation Reform Act of 1995. Words such as anticipate, believe, estimate, expect, forecast, intend, may, plan, project, predict, should and will and similar expressions as they relate to SAP are used to identify such forward-looking statements. SAP undertakes no obligation to publicly update or revise any forward-looking statements. All forward-looking statements are subject to various risks and uncertainties that could cause actual results to differ materially from expectations. The factors that could affect SAP's future financial results are discussed more fully in SAP's filings with the U.S. Securities and Exchange Commission (the "SEC"), including SAP's most recent Annual Report on Form 20-F for 2013 filed with the SEC. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates.
