PROXY STATEMENT

Annual Meeting of Stockholders

May 1, 2015

This proxy statement and accompanying proxy (the Proxy Statement) are being furnished to the stockholders of CommScope Holding Company, Inc., a Delaware corporation (the Company or CommScope), in connection with the solicitation of proxies by the Board of Directors of the Company (the Board or the Board of Directors) for use at the Annual Meeting of Stockholders, and at any adjournment or postponement thereof (the Annual Meeting), for the purposes set forth in the accompanying Notice of 2015 Annual Meeting of Stockholders. The Annual Meeting will be held on May 1, 2015 at 1:30 p.m., local time, at JPMorgan Chase & Co., 270 Park Avenue 2nd Floor Conference Center, New York, NY 10017.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Why did I receive a Notice of Internet Availability of Proxy Materials?

You are receiving this Proxy Statement because you owned shares of CommScope common stock at the close of business on March 10, 2015 (the Record Date), and that entitles you to vote at the Annual Meeting. By use of a proxy, you can vote whether or not you attend the Annual Meeting.

We are furnishing proxy materials to our stockholders primarily via the Internet, instead of mailing printed copies of those materials to each stockholder. On or about March 12, 2015, we mailed a Notice of Internet Availability of Proxy Materials (the Notice) to our stockholders. The Notice contains instructions about how to access our proxy materials and vote via the Internet. If you would like to receive a paper copy of our proxy materials, please follow the instructions included in the Notice. If you previously chose to receive our proxy materials electronically, you will continue to receive access to these materials via e-mail unless you elect otherwise.

Who is entitled to vote at the Annual Meeting?

Holders of our common stock outstanding at the close of business on the Record Date are entitled to vote their shares at the Annual Meeting. As of the Record Date, 189,108,463 shares of our common stock were issued and outstanding. Each share of our common stock is entitled to one vote on each matter properly brought before the Annual Meeting.

The presence at the Annual Meeting in person or by proxy of the holders of record of a majority in voting power of the shares entitled to vote at the Annual Meeting, or 94,554,232 shares, will constitute a quorum for the transaction of business at the Annual Meeting.

What will I be voting on at the Annual Meeting and how does the Board recommend that I vote?

There are three proposals that stockholders will vote on at the Annual Meeting:

Proposal No. 1 Election of three Class II directors to serve until the 2018 Annual Meeting of Stockholders;

Proposal No. 2 Advisory vote to approve the compensation paid to our named executive officers;

Table of Contents

Proposal No. 3 Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2015.

The Board recommends that you vote:

Proposal No. 1 **FOR** the election of the three nominees to the Board;

Proposal No. 2 **FOR** the advisory vote to approve the compensation paid to our named executive officers;

Proposal No. 3 **FOR** ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2015.

Mark A. Olson and Frank B. Wyatt, II, two of our executive officers, have been selected by our Board to serve as proxy holders for the Annual Meeting. All shares of our common stock represented by properly delivered proxies received in time for the Annual Meeting will be voted at the Annual Meeting by the proxy holders in the manner specified in the proxy by the stockholder. If you sign and return a proxy card without indicating how you want your shares to be voted, the persons named as proxies will vote your shares in accordance with the recommendations of the Board.

What is the difference between holding shares as a stockholder of record and as a beneficial owner?

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, you are considered, with respect to those shares, the stockholder of record. The Notice has been or will be sent directly to you.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the beneficial owner of those shares held in street name. The Notice has been or will be sent to you by your broker, bank or other holder of record who is considered, with respect to those shares, to be the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote the shares in your account.

How do I vote?

Stockholder of Record. If you are a stockholder of record, you may vote by using any of the following methods:

Through the Internet. You may vote by proxy through the Internet by following the instructions on the Notice or the instructions on the proxy card if you request printed copies of the proxy materials by mail.

By Telephone. If you request printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free telephone number shown on the proxy card and following the recorded instructions.

Edgar Filing: CommScope Holding Company, Inc. - Form DEF 14A

By Mail. If you request printed copies of the proxy materials by mail, you may vote by proxy by completing, signing and dating the proxy card and sending it back to the Company in the envelope provided.

In Person at the Annual Meeting. If you attend the Annual Meeting, you may vote your shares in person. We encourage you, however, to vote through the Internet, by telephone or by mailing us your proxy card even if you plan to attend the Annual Meeting so that your shares will be voted in the event you later decide not to attend the Annual Meeting.

Beneficial Owners. If you are a beneficial owner of shares, you may vote by using any of the following methods:

Through the Internet. You may vote by proxy through the Internet by following the instructions provided in the Notice and the voting instruction form provided by your broker, bank or other holder of record.

By Telephone. If you request printed copies of the proxy materials by mail, you may vote by proxy by calling the toll-free number found on the voting instruction form and following the recorded instructions.

Table of Contents

By Mail. If you request printed copies of the proxy materials by mail, you may vote by proxy by completing, signing and dating the voting instruction form and sending it back to the record holder in the envelope provided.

In Person at the Annual Meeting. If you are a beneficial owner of shares held in street name and you wish to vote in person at the Annual Meeting, you must obtain a legal proxy from your broker, bank or other holder of record and present it at the Annual Meeting. Please contact that organization for instructions regarding obtaining a legal proxy.

What does it mean if I receive more than one Notice, proxy card or voting instruction form?

If you received more than one Notice, proxy card or voting instruction form, your shares are registered in more than one name or are registered in different accounts. Please follow the voting instructions included in each Notice, proxy card and voting instruction form to ensure that all of your shares are voted.

May I change my vote after I have submitted a proxy?

If you are a stockholder of record, you have the power to revoke your proxy at any time by:

delivering to our Corporate Secretary an instrument revoking the proxy;

delivering a new proxy in writing, through the Internet or by telephone, dated after the date of the proxy being revoked; or

attending the Annual Meeting and voting in person (attendance without casting a ballot will not, by itself, constitute revocation of a proxy).

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your broker, bank or other holder of record. You may also revoke your previous voting instructions by voting in person at the Annual Meeting if you obtain a legal proxy from your broker, bank or other holder of record and present it at the Annual Meeting.

Who will serve as the proxy tabulator and inspector of election?

A representative from American Stock Transfer & Trust Company, LLC, will serve as the independent inspector of election and will tabulate votes cast by proxy or in person at the Annual Meeting. We will report the results in a Form 8-K filed with the Securities and Exchange Commission (the Commission) within four business days of the Annual Meeting.

What vote is required to approve each proposal?

The shares of a stockholder whose ballot on any or all proposals is marked as *abstain* will be included in the number of shares present at the Annual Meeting to determine whether a quorum is present.

If you are a beneficial owner of shares and do not provide the record holder of your shares with specific voting instructions, your record holder may vote your shares on the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for 2015 (Proposal No. 3). However, your record holder cannot vote your shares without specific instructions on the election of directors (Proposal No. 1) or the advisory vote on the compensation paid to our named executive officers (Proposal No. 2). If your record holder does not receive instructions from you on how to vote your shares on Proposals 1 or 2, your record holder will inform the inspector of election that it does not have the authority to vote on that proposal with respect to your shares. This is generally referred to as a broker non-vote. Broker non-votes will be counted as present for purposes of determining whether enough votes are present to hold the Annual Meeting, but they will not be counted in determining the outcome of the vote.

Table of Contents

The following table summarizes the votes required for passage of each proposal and the effect of abstentions and broker non-votes.

Proposal	Vote Required	Impact of Abstentions and Broker Non-Votes, if any
No. 1 Election of directors	Directors will be elected by a plurality of the votes cast, meaning the directors receiving the largest number of for votes will be elected	Abstentions and broker non-votes will not affect the outcome of the vote
No. 2 Advisory vote to approve compensation paid to our named executive officers	Approval by a majority of the voting shares entitled to vote and represented in person or by proxy	Abstentions will count as votes against the proposal; broker non-votes will not affect the outcome of the vote.
No. 3 Ratification of appointment of independent registered public accounting firm	Approval by a majority of the voting shares entitled to vote and represented in person or by proxy	Abstentions will count as votes against the proposal; broker non-votes will not affect the outcome of the vote.

Who is paying for the cost of this proxy solicitation?

Our Board is soliciting the proxy accompanying this Proxy Statement. We will pay all proxy solicitation costs. Proxies may be solicited by our officers, directors, and employees, none of whom will receive any additional compensation for their services. These solicitations may be made personally or by mail, facsimile, telephone, messenger, email, or the Internet. We will pay brokers, banks, and certain other holders of record holding shares of common stock in their names or in the names of nominees, but not owning such shares beneficially, for the expense of forwarding solicitation materials to the beneficial owners. The Company has retained Morrow & Co., LLC, 470 West Avenue, Stamford, Connecticut 06902, to assist in the solicitation of proxies from stockholders. Morrow & Co., LLC will receive a solicitation fee of approximately \$6,500, plus reimbursement of certain out-of-pocket expenses.

What do I need to do to attend the meeting in person?

In order to be admitted to the Annual Meeting, you must present proof of ownership of CommScope stock as of the close of business on the Record Date. This can be:

a brokerage statement or letter from a bank or broker that is a record holder indicating your ownership of CommScope stock as of the close of business on March 10, 2015;

the Notice of Internet Availability of Proxy Materials;

a printout of the proxy distribution email (if you received your materials electronically);

a proxy card;

a voting instruction form; or

a legal proxy provided by your broker, bank or nominee.

Any holder of a proxy from a stockholder must present the proxy card, properly executed, and a copy of the proof of ownership. Stockholders and proxy holders must also present a form of photo identification such as a driver's license. We will be unable to admit anyone who does not present identification or refuses to comply with our security procedures.

Table of Contents

Is there a list of stockholders entitled to vote at the Annual Meeting?

A list of stockholders entitled to vote at the Annual Meeting will be available at the meeting and for ten days prior to the meeting, between the hours of 8:00 a.m. and 4:00 p.m. Eastern Time, at our offices at 1100 CommScope Place, SE, Hickory, North Carolina 28602. If you would like to view the stockholder list, please contact our Corporate Secretary to schedule an appointment.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

To reduce costs and reduce the environmental impact of our Annual Meeting, we have adopted a procedure approved by the Commission called householding. Under this procedure, stockholders of record who have the same address and last name and who do not participate in electronic delivery of proxy materials will receive only a single copy of our Proxy Statement and 2014 Annual Report, unless we have received contrary instructions from such stockholder. Stockholders who participate in householding will continue to receive separate proxy cards and Notices.

We will promptly deliver, upon written or oral request, individual copies of the proxy materials to any stockholder that received a householded mailing. If you would like an additional copy of the Proxy Statement or 2014 Annual Report, please contact our Corporate Secretary, by mail at 1100 CommScope Place, SE, Hickory, North Carolina 28602 or by phone at (828) 324-2200. If you are a beneficial owner, you may contact the broker or bank where you hold the account.

If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of our Proxy Statement and Annual Report, or if you hold stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact our transfer agent, American Stock Transfer & Trust Company, LLC, at 6201 15th Avenue, Brooklyn, NY 11219 or by phone at (800) 937-5449.

Could other matters be decided at the Annual Meeting?

As of the date of this Proxy Statement, our Board is not aware of any matters, other than those described in this Proxy Statement, which are to be voted on at the Annual Meeting. If any other matters are properly raised at the Annual Meeting, however, the persons named as proxy holders intend to vote the shares represented by your proxy in accordance with their judgment on such matters.

Table of Contents

CORPORATE GOVERNANCE MATTERS AND COMMITTEES OF THE BOARD OF DIRECTORS

Controlled Company

We are no longer a controlled company for purposes of the rules of Nasdaq. Controlled companies under those rules are companies of which more than 50% of the voting power for the election of directors is held by an individual, a group or another company. On January 14, 2011, CommScope Holding Company, Inc., an affiliate of the Carlyle Group, or Carlyle, acquired the equity of CommScope, Inc. (the Acquisition). In March and June 2014, Carlyle conducted secondary offerings of an aggregate of 40.25 million shares of our common stock, and on March 9, 2015, Carlyle sold an additional 20 million shares of our common stock in another secondary offering (the Sell-Down Offering). From the Acquisition until the Sell-Down Offering, Carlyle controlled more than 50% of the voting power of our common stock. The sale by Carlyle in the Sell-Down Offering resulted in its ownership falling below 50% of our outstanding common stock and the loss of our controlled company status. Following the Sell-Down Offering, Carlyle continues to own approximately 43% of our outstanding common stock and continues to have the right to designate a majority of the members of our Board of Directors for nomination for election.

While we were a controlled company, we took advantage of certain exemptions from corporate governance requirements provided in the rules of Nasdaq. Specifically, as a controlled company, we were not required to have (i) a majority of independent directors, (ii) a compensation committee composed entirely of independent directors or (iii) our director nominees selected, or recommended for selection by the Board of Directors, either by (a) independent directors constituting a majority of the Board's independent directors in a vote in which only independent directors participate or (b) a nomination committee comprised solely of independent directors. Pursuant to the transition period provided by the rules of Nasdaq, our Nominating and Compensation Committees must be fully independent and a majority of the members of our Board of Directors must be independent within one year of our loss of controlled company status. During these transition periods, we may continue to utilize the available exemptions from certain corporate governance requirements as permitted by Nasdaq rules. The controlled company exemption does not modify the independence requirements for audit committees, and we are in compliance with the requirements of the Sarbanes-Oxley Act of 2002 and the Nasdaq rules.

Policies on Corporate Governance

Our Board believes that good corporate governance is important to ensure our business is managed for the long-term benefit of our stockholders. We have adopted a Code of Conduct that applies to all of our directors, executive officers and Senior Financial and Accounting Officers. We have also adopted a Code of Ethics and Business Conduct that applies to all of our employees. We have also adopted Corporate Governance Guidelines. A copy of the current versions of the Code of Conduct, the Code of Ethics and Business Conduct and the Corporate Governance Guidelines, are available on our website at www.commscope.com and will also be provided upon request to any person without charge. Requests should be made in writing to our Corporate Secretary at CommScope Holding Company, Inc., 1100 CommScope Place, SE, Hickory, NC 28602, or by phone at (828) 324-2200. In the event of any amendment or waiver of our Code of Conduct or Code of Ethics and Business Conduct applicable to our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions, such amendment or waiver will be posted on our website.

Board Leadership Structure

The Company currently has separate individuals serving in the positions of Chairman of the Board and Chief Executive Officer. The Board of Directors does not have a set policy with respect to the separation of the offices of Chairman of the Board and Chief Executive Officer, as the Board believes it is in the best interests of the Company to

make that determination based on the position and direction of the Company and the membership of the Board. The Board regularly evaluates whether or not the roles of Chairman of the Board and Chief Executive

Table of Contents

Officer should be separate and, if they are to be separate, whether the Chairman of the Board should be selected from the non-employee directors or be an employee of the Company. The Board believes these issues should be considered as part of the Board's broader oversight and succession planning process.

Board Role in Risk Oversight

While risk management is primarily the responsibility of our management, the Board provides overall risk oversight focusing on the most significant risks facing us. The Board oversees the risk management processes that have been designed and are implemented by our executives to determine whether those processes are functioning as intended and are consistent with our business and strategy. The Board executes its oversight responsibility for risk management directly and through its committees. The Board's role in risk oversight has not affected its leadership structure.

The Audit Committee is specifically tasked with reviewing with management, the independent auditors and our legal counsel, as appropriate, our compliance with legal and regulatory requirements and any related compliance policies and programs. The Audit Committee is also tasked with reviewing our financial and risk management policies. Members of our management who have responsibility for designing and implementing our risk management processes regularly meet with the Audit Committee. The Board's other committees oversee risks associated with their respective areas of responsibility.

The full Board considers specific risk topics, including risk-related issues pertaining to laws and regulations enforced by the United States and foreign government regulators and risks associated with our business plan and capital structure. In addition, the Board receives reports from members of our management that include discussions of the risks and exposures involved with their respective areas of responsibility, and the Board is routinely informed of developments that could affect our risk profile or other aspects of our business.

Director Independence

Our Corporate Governance Guidelines, which are available on our website as described above, require that the Board be comprised of a majority of directors who qualify as independent directors under applicable Nasdaq rules, unless we are a controlled company as defined by Nasdaq rules. As described above, we no longer qualify as a controlled company under applicable Nasdaq rules and therefore our Corporate Governance Guidelines require us to have a majority of independent directors (although the rules of Nasdaq provide a one year transition period). The Board has determined that each of our non-employee directors, Timothy T. Yates, Austin A. Adams, Claudius E. Watts IV, Campbell R. Dyer, Marco De Benedetti, Peter J. Clare, Stephen C. Gray, L. William Krause and Thomas J. Manning, is independent under applicable Nasdaq rules. The Board has determined that each of Marvin S. Edwards, Jr. and Frank M. Drendel is not independent. In making its independence determinations, the Board considered the relationship between our Company and Carlyle, as Carlyle owns approximately 43% of our outstanding common stock. Specifically, the Board considered the fact that (i) Messrs. Yates, Adams, Watts, Dyer, De Benedetti, Clare, Gray, Krause and Manning serve on our Board as designees of Carlyle pursuant to the terms of the amended and restated stockholders agreement, (ii) Messrs. Clare, De Benedetti, Dyer and Watts serve as Managing Directors of Carlyle, (iii) Messrs. Gray and Krause serve as Senior Advisors to Carlyle, and (iv) we paid a termination fee of approximately \$20.2 million to Carlyle in 2013 to terminate the management agreement we entered into with Carlyle in 2011 (which termination fee was below the thresholds set forth under the Nasdaq listing rules which might otherwise preclude a finding a director independence). The Board considered these matters and the other relationships with these directors and the Company and Carlyle and the Board determined that none of such directors have a relationship which, in the opinion of the Board, would interfere with the exercise of such director's independent judgment in carrying out the responsibilities as a director or otherwise impair such director's independence.

Nominations for Directors

Subject to our amended and restated stockholders agreement, the Nominating Committee will consider director nominees recommended by stockholders. For more information regarding our amended and restated stockholders

Table of Contents

agreement, see below under the heading **Certain Relationships and Related Party Transactions Amended and Restated Stockholders Agreement**. A stockholder who wishes to recommend a director candidate for consideration by the Nominating Committee should send such recommendation to our Corporate Secretary at CommScope Holding Company, Inc., 1100 CommScope Place, SE, Hickory, NC 28602, who will then forward it to the committee. Any such recommendation should include a description of the candidate's qualifications for board service, the candidate's written consent to be considered for nomination and to serve if nominated and elected, and addresses and telephone numbers for contacting the stockholder and the candidate for more information. A stockholder who wishes to nominate an individual as a candidate for election, rather than recommend the individual to the Nominating Committee as a nominee, must comply with the advance notice requirements set forth in our Bylaws. See **Stockholder Proposals for the Company's 2016 Annual Meeting** for more information on these procedures.

The Nominating Committee will consider and evaluate persons recommended by the stockholders in the same manner as it considers and evaluates other potential directors. However, as described in more detail below, pursuant to our amended and restated stockholders agreement, Carlyle currently has the right to designate nine of our eleven board members, and Messrs. Drendel and Edwards have the right to be nominated for the remaining two board positions. See **Certain Relationships and Related Party Transactions Amended and Restated Stockholders Agreement**.

Director Qualifications

Subject to our amended and restated stockholders agreement, the Nominating Committee is responsible for reviewing the qualifications of potential director candidates and recommending to the Board of Directors those candidates to be nominated for election to the Board of Directors. For more information regarding our amended and restated stockholders agreement, see below under the heading **Certain Relationships and Related Party Transactions Amended and Restated Stockholders Agreement**. In reviewing such candidates, our Corporate Governance Guidelines, which are available on our website as described above, set forth criteria that the Nominating Committee must consider when evaluating a director candidate for membership on the Board of Directors. These criteria are as follows: (i) reputation for integrity, honesty and adherence to high ethical standards; (ii) demonstrated business acumen, experience and ability to exercise sound judgments in matters that relate to our current and long-term objectives and a willingness to contribute positively to the decision-making process; (iii) commitment to understand us and our industry and to regularly attend and participate in meetings of the Board of Directors and its committees; and (iv) ability to understand the sometimes conflicting interests of our various constituencies, which include stockholders, employees, clients, governmental units, creditors and the general public, and to act in the interests of all stockholders. The Nominating Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for any prospective nominee. Our Corporate Governance Guidelines also require the Nominating Committee to consider the mix of backgrounds and qualifications of the directors in order to assure that the Board of Directors has the necessary experience, knowledge and abilities to perform its responsibilities effectively and to consider the value of diversity on the Board of Directors. While diversity and variety of experiences and viewpoints represented on the Board should always be considered, a director nominee should not be chosen nor excluded solely or largely because of race, religion, national origin, sex, sexual orientation or disability.

Board Composition

Our Board of Directors currently consists of eleven members. Frank M. Drendel is our Chairman of the Board of Directors.

The number of members on our Board of Directors may be modified from time to time exclusively by resolution of our Board of Directors, subject to the terms of our amended and restated stockholders agreement. Our Board is divided into three classes whose members serve three-year terms expiring in successive years. Directors hold office

until their successors have been duly elected and qualified or until the earlier of their respective death, resignation or removal.

Table of Contents

At each annual meeting of stockholders, the successors to the directors whose terms will then expire will be elected to serve from the time of election and qualification until the third annual meeting of stockholders following such election. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

In connection with the Acquisition, we entered into a stockholders agreement with Carlyle, members of management who hold common stock and certain other stockholders. Upon the effectiveness of the registration statement that was filed in connection with the Initial Public Offering, the stockholders agreement was amended and restated. See **Certain Relationships and Related Party Transactions Amended and Restated Stockholders Agreement**. Pursuant to the amended and restated stockholders agreement, but subject to the annual election process, Carlyle has the right to designate nine of our eleven directors. Mr. Drendel will also be a director, and shall serve as the non-executive chairman of the Board, for so long as he is employed by us pursuant to his employment agreement. See **Compensation Discussion and Analysis Employment, Severance and Change in Control Arrangements** for more information regarding the employment agreement we have entered into with Mr. Drendel. The final director is our senior ranking executive officer, who, for so long as he serves as our chief executive officer, will be Marvin S. Edwards, Jr. All parties to the amended and restated stockholders agreement have agreed to vote their shares in favor of such designees. Carlyle is not obligated to designate the entire number of directors to which it is entitled and any such undesignated positions shall remain vacant until such time as Carlyle exercises its right to designate such additional directors. Currently, Carlyle has designated all nine director positions which it is entitled to designate under the amended and restated stockholders agreement. If Carlyle loses its right to designate any directors pursuant to the terms of the amended and restated stockholders agreement, these positions will be filled by our stockholders in accordance with our amended and restated certificate of incorporation, or the **Certificate of Incorporation**, and **Bylaws**. Messrs. Adams, Clare, De Benedetti, Dyer, Gray, Krause, Manning, Watts, and Yates have been designated by Carlyle.

When considering whether directors and nominees have the experience, qualifications, attributes or skills, taken as a whole, to enable the Board of Directors to satisfy their oversight responsibilities effectively in light of our business and structure, the Board of Directors focused primarily on each person's background and experience as reflected in the information discussed in each of the director's individual biographies set forth below. See **Proposal No. 1: Election of Directors**. We believe that our directors provide an appropriate diversity of experience and skills relevant to the size and nature of our business.

Directors are expected to spend the time needed and meet as frequently as necessary to properly

discharge their responsibilities. In 2014, the Board held eight meetings and committees

of the Board held a total of eleven meetings. All directors attended 75% or more of the meetings of the Board and committees on which they served, other than Mr. De Benedetti who attended 62.5% of the meetings of the Board.

In general, the Board reserves time following each regularly scheduled meeting to allow the non-management Board members and the independent directors to each meet in executive sessions.

Board Committees

Our Board of Directors directs the management of our business and affairs as provided by Delaware law and conducts its business through meetings of the Board of Directors and three standing committees: the Audit Committee, Compensation Committee and Nominating Committee. Amended and Restated Stockholders Agreement

In connection with the Acquisition, on January 14, 2011, we entered into a stockholders agreement with Carlyle, members of management who held our common stock and certain other of our stockholders. Upon the effectiveness of the registration statement that was filed in connection with the IPO, the stockholders agreement was amended and restated. Pursuant to the amended and restated stockholders agreement, our Board of Directors will consist of up to eleven members, with Carlyle having the right to designate nine of the board members, Mr. Drendel shall also have the right to serve as a board member, and shall serve as the non-executive chairman of the Board, for so long as he is employed by us pursuant to his employment agreement. See Compensation Discussion and Analysis Employment, Severance and Change in Control Arrangements for more information regarding the employment agreement we have entered into with Mr. Drendel. In addition, our senior ranking executive officer has the right to serve as a board member, who, for so long as he serves as our chief executive officer, will be Mr. Edwards. All parties to the amended

and restated stockholders agreement have agreed to vote their shares in favor of such designees. Carlyle is not obligated to designate the entire number of directors to which it is entitled and any such undesignated positions shall remain vacant until such time as Carlyle exercises its right to designate such additional directors. If Carlyle loses its right to designate any directors pursuant to the terms of the amended and restated stockholders agreement, these positions will be filled by our stockholders in accordance with our Certificate of Incorporation and Bylaws. Although we are no longer a controlled company, Carlyle will continue to be able to significantly influence our decisions.

Indemnification Agreements

We have entered into indemnification agreements with each of our directors and certain of our officers. These indemnification agreements provide the directors and officers with contractual rights to indemnification and expense advancement which are, in some cases, broader than the specific indemnification provisions under Delaware law. We believe that these indemnification agreements are, in form and substance, substantially similar to those commonly entered into by similarly situated companies.

Employment Agreements

See Compensation Discussion and Analysis Employment, Severance and Change in Control Arrangements for information regarding the employment agreements that we have entered into with our executive officers.

Registration Rights Agreement

Pursuant to a registration rights agreement that we entered into on January 14, 2011 in connection with the Acquisition, we have granted Carlyle the right to cause us, in certain instances, at our expense, to file registration statements under the Securities Act of 1933, as amended, or the Securities Act, covering resales of our common stock held by them, and we have granted Carlyle and certain other stockholders party to that agreement the right to piggyback on registration statements filed by us in certain circumstances. On each of March 26, 2014 and June 12, 2014, an affiliate of Carlyle commenced secondary offerings of 20.125 million shares of our common stock pursuant to registration statements filed pursuant to the registration rights agreement, and on March 9, 2015, Carlyle sold an additional 20 million shares of our common stock pursuant to another registration statement filed pursuant to the registration rights agreement. As of March 10, 2015, shares subject to the registration rights agreement represent approximately 43% of our outstanding common stock. These shares also may be sold under Rule 144 under the Securities Act, depending on their holding period and subject to restrictions in the case of shares held by persons deemed to be our affiliates. The registration rights agreement also requires us to indemnify certain of our stockholders and their affiliates in connection with any registrations of our securities.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information with respect to the beneficial ownership of our common stock as of March 10, 2015 by:

each person known to own beneficially more than 5% of the capital stock;

each of our directors;

each of our named executive officers; and

all of our directors and executive officers as a group.

We had 189,108,463 shares of common stock outstanding as of March 10, 2015. The amounts and percentages of shares beneficially owned are reported on the basis of Commission regulations governing the determination of beneficial ownership of securities. Under the Commission rules, a person is deemed to be a beneficial owner of a security if that person has or shares voting power or investment power, which includes the power to dispose of or to direct the disposition of such security. A person is also deemed to be a beneficial owner of any securities of which that person has a right to acquire beneficial ownership within 60 days. Securities that can be so acquired are not deemed to be outstanding for purposes of computing any other person's percentage. Under these rules, more than one person may be deemed to be a beneficial owner of securities as to which such person has no economic interest.

Except as otherwise indicated in these footnotes, each of the beneficial owners listed has, to our knowledge, sole voting and investment power with respect to the shares of capital stock and the business address of each such beneficial owner other than Carlyle is c/o CommScope Holding Company, Inc., 1100 CommScope Place, SE, Hickory, NC 28602.

PROPOSAL No. 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Exchange Act and related rules promulgated by the Commission, our stockholders have an opportunity to vote to approve, on an advisory (nonbinding) basis, the compensation of our named executive officers. This proposal is commonly referred to as a Say-on-Pay proposal. This proposal is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this Proxy Statement. As required by these rules, the Board invites you to review carefully the Compensation Discussion and Analysis and the tabular and other disclosures on compensation under Executive Compensation beginning on page 28, and cast a vote on the Company's executive compensation programs through the following resolution:

Resolved, that the stockholders approve, on an advisory basis, the compensation of the Company's named executive officers, including the Company's compensation practices and principles and their implementation, as discussed and disclosed in the Compensation Discussion and Analysis, the compensation tables, and any narrative executive compensation disclosure contained in this Proxy Statement.

As discussed in the Compensation Discussion and Analysis, the Board of Directors believes that the Company's long-term success depends in large measure on the talents of our employees. The Company's compensation system plays a significant role in our ability to attract, retain, and motivate the highest quality workforce. The Board of Directors believes that its current compensation program directly links executive compensation to performance, aligning the interests of the Company's executive officers with those of its stockholders.

Pursuant to Section 14A of the Exchange Act, this vote is advisory and will not be binding on the Company. While the vote does not bind the Board of Directors to any particular action, the Board of Directors values the input of the stockholders, and will take into account the outcome of this vote in considering future compensation arrangements.

Although this vote is advisory in nature and does not impose any action on the Company or the Compensation Committee of the Board of Directors, the Company strongly encourages all stockholders to vote on this matter. Currently, Say-on-Pay votes are held by the Company annually, and the next stockholder advisory vote will occur at the 2016 annual meeting of stockholders.

The Board of Directors recommends a vote FOR Proposal No. 2, to approve an advisory (non-binding) resolution regarding the compensation of the Company's named executive officers.

Table of Contents**PROPOSAL No. 3: RATIFICATION OF THE APPOINTMENT OF THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed the firm of Ernst & Young LLP as the Company's independent registered public accounting firm to examine the books of account and other records of the Company and its consolidated subsidiaries for the 2015 fiscal year. The Board of Directors is asking the stockholders to ratify and approve this action.

Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting and will be afforded the opportunity to make a statement and will be available to respond to appropriate questions that may come before the Annual Meeting.

Although such ratification is not required by law, the Board of Directors believes that stockholders should be given the opportunity to express their views on the subject. While not binding on the Audit Committee, the failure of the stockholders to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm would be considered by the Audit Committee in determining whether to retain the services of Ernst & Young LLP.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has adopted policies and procedures for pre-approving all audit and non-audit services provided by the Company's independent registered public accounting firm prior to the engagement of the independent registered public accounting firm with respect to such services.

Under these policies and procedures, proposed services may be pre-approved on a periodic basis or individual engagements may be separately approved by the Audit Committee prior to the services being performed. In each case, the Audit Committee considers whether the provision of such services would impair the independent registered public accounting firm's independence. All audit services, audit-related services and tax services provided by E&Y for 2014 and 2013 were pre-approved by the Audit Committee.

The Board of Directors recommends a vote FOR Proposal No. 3, the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for 2015. Proxies will be voted FOR ratification, unless otherwise specified in the proxy.

The Audit Committee operates pursuant to an Audit Committee Charter that is reviewed annually by the Audit Committee and updated as appropriate. A copy of the charter can be found on the Company's website at <http://www.commscope.com>.

The Audit Committee has considered whether the provision of non-audit professional services rendered by E&Y, and disclosed elsewhere in this proxy statement, is compatible with maintaining their independence.

Based upon the above review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements for the year ended December 31, 2014 be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

Table of Contents**EXECUTIVE COMPENSATION****Compensation Discussion and Analysis****Overview**

This Compensation Discussion and Analysis provides an overview and analysis of (1) the elements comprising our compensation program during 2014 for our named executive officers, or NEOs, identified below, (2) the material compensation decisions made by the Compensation Committee of our Board of Directors under that program and reflected in the executive compensation tables that follow in this Compensation Discussion and Analysis and (3) the material factors our Compensation Committee considered in making those decisions. The principal objectives of our compensation program with respect to executives are to:

provide compensation opportunities that enable us to attract superior talent in a highly competitive industry;

retain key employees and reward outstanding achievement;

foster management's performance in order to produce financial results that our Compensation Committee believes will enhance the long-term interests of our stockholders; and

align management's interests with those of our stockholders and encourage executives to have equity stakes in our Company.

The primary elements of our executive compensation program are summarized in the following table:

Base Salary	Recognize performance of job responsibilities and attract and retain individuals with superior talent.
Annual Incentive Plan and Discretionary Performance Compensation Policy Awards	Provide major short-term incentives linked directly to increases in recognized financial measures.
Equity Incentive Awards	Emphasize our Company's long-term performance objectives, promote the maximization of stockholder value and retain key executives by providing an opportunity to participate in the ownership of our Company.
Severance and Change in Control Benefits	Encourage key executives' continued attention and dedication and focus their attention on Company objectives and stockholder value when considering strategic alternatives.
Supplemental Executive Retirement Plan and Deferred Compensation Plan	Provide an opportunity for savings and long-term financial security.
Employee Benefits and Perquisites	Attract and retain talented executives in a cost-efficient manner.

We intend for our NEOs' total compensation to reflect a pay for performance compensation philosophy. Total compensation for our NEOs has been allocated between the compensation elements, taking into consideration the balance between providing short-term incentives and long-term investment in our financial performance, in order to align the interests of management with the interests of stockholders and to provide competitive pay and benefits to our NEOs. The variable annual cash incentive awards and the equity awards are designed to ensure that total compensation reflects the overall success or failure of our Company and to motivate the NEOs to meet appropriate performance measures.

Table of Contents

For the year ended December 31, 2014, our NEOs were as follows:

Marvin S. Edwards, Jr., President and Chief Executive Officer (principal executive officer);

Mark A. Olson, Executive Vice President and Chief Financial Officer (principal financial officer);

Randall W. Crenshaw, Executive Vice President and Chief Operating Officer;

Peter U. Karlsson, Senior Vice President, Global Sales;

Frank B. Wyatt, II, Senior Vice President, General Counsel and Secretary; and

Frank M. Drendel, Chairman of the Board.

Determination of Compensation Awards

Our Compensation Committee is provided with the primary authority to determine and approve the compensation awards available to our NEOs and is charged with reviewing our executive compensation policies and practices to ensure adherence to our compensation philosophies and that the total compensation paid to our NEOs is fair, reasonable and competitive, taking into account our position within our industry and the level of expertise and experience of our NEOs in their positions. To aid our Compensation Committee in making its determinations, our Chief Executive Officer provides recommendations annually to our Compensation Committee regarding the compensation of all officers who report directly to him.

For 2014, our Compensation Committee determined the total amount of compensation for our NEOs and the allocation of total compensation among each of the components of compensation, based generally on compensation levels from prior years and in reliance upon the judgment and general industry knowledge of its members obtained through years of service with comparably sized companies in our industry and other similar industries.

We believe that direct ownership in our Company provides our NEOs with a strong incentive to increase the value of our Company and we encourage equity ownership by NEOs and other employees through a variety of means, including direct stock holdings and the award of stock options and other equity-based interests. While we encourage our directors and officers to be significant stockholders, we do not currently have any formal stock ownership guidelines. However, we believe that awards under our equity incentive programs to our NEOs substantially align their interests with those of our stockholders.

2014 Elements of Compensation

Base Salary

We set base salaries for our NEOs generally at a level we deem necessary to attract and retain individuals with superior talent. In addition to considering industry and market practices, our Compensation Committee and Board of

Directors annually review our NEOs' performance. Adjustments in base salary are generally based on each NEO's individual performance and level and scope of responsibility and experience, as well as considerations of market pay practices.

In connection with 2014 compensation recommendations, our Chief Executive Officer, with assistance from our Human Resources department including our Senior Vice President of Human Resources, reviewed publicly available compensation survey data, which did not identify individual compensation data for specific companies, to aid in making his annual compensation recommendations to our Compensation Committee. This review was not done for purposes of benchmarking compensation with any particular group of companies, but rather to ensure that compensation recommendations were generally consistent with market levels. Following our Chief Executive Officer's recommendations, and consistent with past practices, in early 2014 our Compensation Committee increased base salaries for each of our NEOs. Messrs. Edwards, Crenshaw, Wyatt and Drendel received base salary increases of approximately 3.25% to 3.8%, consistent with past practice. Mr. Olson and Mr. Karlsson received a more substantial base salary increase of approximately 5.5% in order to provide them with more competitive compensation opportunity.

Table of Contents

The base salaries for our NEOs in 2014, reflecting salary increases taking effect for such year, are set forth in the following table:

Name	2014 Base Salary(1)
Marvin S. Edwards, Jr.	\$ 935,000
Mark A. Olson	\$ 490,000
Randall W. Crenshaw	\$ 660,000
Peter U. Karlsson	\$ 480,000
Frank B. Wyatt, II	\$ 465,000
Frank M. Drendel	\$ 550,000

(1) Reflects a base salary increase that occurred in April 2014.

Cash Incentive Plans

Our Compensation Committee believes that the payment of annual, performance-based, cash compensation provides incentives necessary to retain executive officers and reward them for short-term Company performance. Therefore, our Compensation Committee structures our compensation programs to reward executive officers based on our performance during each fiscal year.

Annual Incentive Plan

Historically, our Company's financial performance and, when appropriate, operating segment financial performance has been taken into account when determining plan payouts for our NEOs under the CommScope Holding Company, Inc. Annual Incentive Plan, or the AIP. The AIP performance measures and each of the NEO's target awards, expressed as a percentage of base salary for the year, are approved by our Compensation Committee during the first quarter of the relevant performance year.

Our Compensation Committee retains the subjective ability to, at any time prior to the final determination of awards, change the target award percentage of participants other than NEOs to reflect any change in the participant's responsibility level or position during the course of the performance period. Our Compensation Committee may choose to make subjective changes to target award percentages or performance measures, as appropriate, to account for extraordinary business circumstances that are out of a business unit's control. In addition, our Compensation Committee may, in its sole discretion, decrease the amount of an award that would be otherwise payable to an NEO. If a change in control of our Company occurs, we will pay each participant a cash award equal to the participant's target incentive for the AIP plan cycle then underway (with the payout prorated to the date of the change in control). We believe this is appropriate since the impact of a change in control on operating income or other financial targets is unpredictable and could potentially adversely affect participant awards under the AIP.

Table of Contents

In 2014, our Compensation Committee approved the performance metrics for the 2014 performance year to be 15% based on revenue growth (adjusted for the impact of acquisitions, as approved by the Compensation Committee), 15% based upon adjusted free cash flow (defined as cash flow from operations, less capital expenditures and adjustments for unusual items as approved by the Compensation Committee) and 70% based upon our Adjusted Operating Income. Adjusted Operating Income consists of operating income as reported on the Consolidated Statement of Operations and Comprehensive Income less adjustment, as approved by the Compensation Committee, for amortization, impairments to goodwill and other intangible assets, adjustments for purchase accounting, equity-based compensation and certain non-cash, nonrecurring or other items that are included in operating income that we do not consider indicative of our ongoing operating performance. The following chart sets forth the weighting of each performance metric, the threshold, target and maximum performance goals, and the actual performance achieved under our AIP for the year ended December 31, 2014 (dollars in millions):

Performance Metric	Weighting	Threshold	Target	Maximum	Achieved
Revenue Growth	15%	\$ 34.8	\$ 89.2	\$ 208.8	\$ 331.4
Adjusted Free Cash Flow	15%	\$ 219.1	\$ 273.9	\$ 328.7	\$ 346.4
Adjusted Operating Income	70%	\$ 530.5	\$ 663.1	\$ 795.7	\$ 808.4

Based on the actual levels of achievement set forth above, Messrs. Edwards, Olson, Crenshaw, Karlsson, Wyatt and Drendel were entitled to bonus payments in amounts equal to 210% of their target bonus amounts. Our Compensation Committee did not exercise its discretion to reduce the payouts under the AIP.

The following table sets forth the threshold, target and maximum annual incentive award potential, and the actual payout amount, for each of our NEOs for 2014.

	Threshold Award (% of 2014 Base Salary)	Target Award (% of 2014 Base Salary)	Maximum Award (% of 2014 Base Salary)	Actual 2014 Award (\$)(1)
Marvin S. Edwards, Jr.	62.5%	125.0%	262.5%	\$ 2,434,688
Mark A. Olson	42.5%	85.0%	178.5%	\$ 863,494
Randall W. Crenshaw	42.5%	85.0%	178.5%	\$ 1,169,175
Peter U. Karlsson	35.0%	70.0%	147.0%	\$ 696,413
Frank B. Wyatt, II	35.0%	70.0%	147.0%	\$ 678,038
Frank M. Drendel	25.0%	50.0%	105.0%	\$ 572,250

(1) Actual award is based on base salary earnings for the year.

Discretionary Performance Compensation Policy

In addition to the AIP, in 2014 we also provided the Discretionary Performance Compensation Policy, or the DPCP, a broad-based annual incentive program for all U.S.-based employees, including our NEOs. Under the DPCP, participants were eligible to receive a percentage of their annualized pay rate as of the end of the performance year as a cash incentive. The target percentage, which was the maximum payable under the DPCP, was established during the first quarter of the performance year by our Compensation Committee. The percentage payable was the same for each

eligible employee and was set by a formulaic process based on achievement of established performance objectives. The DPCP was designed to encourage improved performance and reward employees for performance in the performance year.

In 2014, our Compensation Committee set the DPCP target percentage at 2% of the year-end annualized pay rate for each eligible employee if our Company's Adjusted Operating Income equaled or exceeded the Adjusted Operating Income target set forth in the AIP. The percentage to be provided to employees decreased as Company performance as a percent of the target Adjusted Operating Income declined, down to 0% if less than 50% of the

target Adjusted Operating Income was reached. For the 2014 performance year, the Adjusted Operating Income performance target was exceeded and the payment to each employee, including our NEOs, was 2.0% of his or her year-end annualized pay rate.

The Compensation Committee has discontinued the DPCP for the 2015 and subsequent performance years.

Equity Incentive Awards

Our Compensation Committee believes that key employees who are in a position to make a substantial contribution to the long-term success of our Company and to build stockholder value should have a significant and on-going stake in our Company's success. Prior to becoming a private company in 2011, the annual grant of equity awards to the NEOs was a principal focus of our compensation program. In connection with our becoming a private company in 2011, we adopted a new equity incentive compensation plan, which we amended on February 19, 2013 (the Amended and Restated 2011 Incentive Plan) to increase the number of shares of common stock available for issuance thereunder, as so amended and restated, the 2011 Plan. Shortly after becoming a private company in 2011, we made large, one-time equity incentive grants, or founders awards, to our NEOs under that plan. In addition, Mr. Olson received an additional stock option grant in connection with his promotion to Chief Financial Officer in 2012. We did not grant any equity-based awards to our NEOs during 2014.

Certain of the outstanding options held by the NEOs are rollover options that were assumed by us in connection with the Acquisition. All rollover options became fully vested in connection with the Acquisition. All other outstanding equity awards held by our NEOs as of December 31, 2014 consist of founders award options granted under the 2011 Plan and were granted following the Acquisition in 2011, other than the additional founders award in to Mr. Olson in 2012, as described above. Half of the founders awards granted to each NEO are time-vested options that vest and become exercisable, subject to the continued employment of the NEO, in five equal annual installments (or four equal annual installments, with respect to Mr. Olson's 2012 option award) beginning on January 14, 2012 (or January 14, 2013, with respect to Mr. Olson's 2012 option grant). The remaining half of the founders awards granted to each NEO consists of performance-vested options that vest and become exercisable in annual installments over a period of five years (or four years, with respect to Mr. Olson's 2012 option award), subject to the achievement of annual Adjusted EBITDA performance goals. The performance-vested options that would otherwise fail to become vested in accordance with the Adjusted EBITDA targets are eligible for catch-up vesting and/or carry-forward vesting if Adjusted EBITDA targets are exceeded in other performance years. Further, in the event of a liquidity event, all time-vested options will vest in full and, if the liquidity event results in a return to Carlyle of at least a threshold multiple of its invested capital, all or a portion of the performance-vested options will vest in full (depending on the return Carlyle receives on its invested capital). Adjusted EBITDA consists of earnings before interest, taxes, depreciation and amortization (including impairments to goodwill and other intangible assets and adjustments for purchase accounting), equity-based compensation and certain non-cash, nonrecurring or other items that are included in net income (loss) that we do not consider indicative of our ongoing operating performance.

For 2014, the Adjusted EBITDA threshold and maximum performance targets for the performance-based portion of the founders award options that were set at the time the options were granted in early 2011 and subsequently adjusted by the Compensation Committee for certain acquisitions were \$624.0 million and \$738.0 million, respectively. Actual 2014 Adjusted EBITDA (\$857.2 million) exceeded the maximum 2014 Adjusted EBITDA level, and therefore the applicable performance-vested options vested at a level of 100%. With respect to the options granted in 2011, the Actual Adjusted EBITDA in excess of the maximum Adjusted EBITDA level was applied to the 2011 and 2012 performance years in accordance with the catch-up vesting provisions of the options allowing 100% of the performance-based options for each year to fully vest. In addition, \$41.0 million is available to be carried forward towards achievement of the 2015 Adjusted EBITDA target. With respect to Mr. Olson's option granted in 2012, the

Actual 2014 Adjusted EBITDA in excess of the maximum 2014 Adjusted EBITDA level was applied to fully vest the remainder of the performance-based options for the 2012 performance year and \$113.0 million is available to be carried forward towards achievement of the 2015 Adjusted EBITDA target.

On November 30, 2012, we declared and paid a special dividend of \$200.0 million, or \$1.29 per share, on our common stock, which we refer to herein as the 2012 Dividend. In addition, on May 20, 2013 and June 28, 2013 we declared special dividends of \$342.8 million, or \$2.21 per share (paid on May 28, 2013), and \$195.9 million, or \$1.27 per share (paid on June 28, 2013), respectively, on our common stock, which we refer to herein together as the 2013 Dividends. The 2012 Dividend and the 2013 Dividends are referred to herein together as the Special Dividends.

In connection with the IPO, we adopted a new equity incentive plan and no further awards will be made under prior equity plans.

Supplemental Executive Retirement Plan

We maintain a nonqualified Supplemental Executive Retirement Plan, or the SERP, that is intended to provide retirement and related benefits to certain of our executive officers. All of the NEOs, other than Mr. Olson, participate in the SERP. For additional information regarding the SERP, see below under Nonqualified Deferred Compensation.

Employee Benefits and Perquisites

Our NEOs are eligible under the same plans as all other U.S. employees for medical, dental, vision and short-term and long-term disability insurance and a Health Savings Plan. We also maintain the CommScope, Inc. Retirement Savings Plan, or the 401(k) plan, in which substantially all of our U.S. employees, including our NEOs, are eligible to participate. We currently contribute 2% of the participant's salary and bonus and provide matching contributions of up to 4% of the participant's salary and bonus, up to a maximum of 6% of the participant's salary and bonus, subject to certain statutory limitations (\$260,000 for 2014). In addition, we provide our NEOs with a supplemental term life insurance policy. We provide these benefits due to their relatively low cost and the high value they provide in attracting and retaining talented executives.

Deferred Compensation Plan

In October 2012, we adopted a voluntary non-qualified deferred compensation plan, or the DCP, that permits a group of our management, including the NEOs, and other key employees to defer up to 90% of their compensation (including base salary, AIP and DPCP awards). For additional information regarding the DCP, see below under Nonqualified Deferred Compensation.

Employment, Severance and Change in Control Arrangements

We have entered into employment agreements with Messrs. Edwards, Olson, Crenshaw and Drendel and severance protection agreements with Mr. Karlsson and Mr. Wyatt. The employment agreements entitle the executives to certain compensation and benefits and both the employment agreements and severance protection agreements entitle the executives to receive certain severance payments upon a qualifying termination of employment, as described below under Potential Payments upon Termination or Change in Control.

- (4) Represents performance-vesting options granted following the Acquisition not vested or exercisable as of December 31, 2014. These options vest and become exercisable, subject to the continued employment of the NEO, in annual installments over a period of five years (or four years, with respect to Mr. Olson's 2012 option award), subject to the achievement of annual Adjusted EBITDA performance goals. The number of unexercisable options includes options that vested in early 2015 due to the achievement of greater than 100% of the 2014 Adjusted EBITDA performance goal, but which remained unvested as of December 31, 2014 and were subject to the NEO's continued employment until the date our Compensation Committee certified the applicable performance level in accordance with the terms of the founders options. The number also includes the performance-vested options for performance years 2011 and 2012 that previously failed to become vested in accordance with the Adjusted EBITDA targets and became fully vested when the Compensation Committee ratified the 2014 performance due to catch-up vesting.
- (5) The options expire on the tenth anniversary of the date of grant, except for Mr. Olson's 2012 option grant, which expires on the ninth anniversary of the date of grant.

Nonqualified Deferred Compensation for 2014

The Nonqualified Deferred Compensation table reflects information about the SERP and the DCP for 2014.

SERP

The SERP is an unfunded defined contribution type retirement plan maintained for the benefit of a select group of our management and/or highly compensated employees. The SERP provides for an annual credit by us to each participant's account in an amount generally equal to 5% of such participant's base salary, AIP bonus, and DPCP incentive paid for the respective year up to a cap (which in 2014 was \$260,000), plus 15% of the amount in excess of the cap. Equity-based compensation is not taken into account for purposes of the SERP. In addition to annual contributions, participants' accounts generally accrue interest each year. In January 2011, we determined that the interest rate for 2011 would be 5%, and it has remained at 5% since 2011. We review the interest rate annually. There have been no participants added to the SERP since 2005.

Participants become vested in their SERP account on the date that is one year and 31 days following the date they receive notification of their participation in the SERP, or the Vesting Date ; however, there are generally no payments to participants until retirement at age 55 or older with at least 10 years of service, or at age 65 without regard to any service requirement, or Retirement. Pursuant to the terms of the SERP, a participant generally will receive the full value of his account balance upon the participant s termination or resignation for any reason once he is eligible for Retirement. However, participants (or participant s beneficiaries, in the case of a

Table of Contents

participant's death) may also receive benefits prior to Retirement in the following situations: (1) if the participant dies before Retirement; (2) if the participant experiences a disability (as defined in the SERP) before beginning to receive any SERP benefits; (3) if the participant's employment is involuntarily terminated, for reasons other than for cause; or (4) if the participant terminates employment for any reason other than for cause within two years after a change in control of our Company. In addition, the SERP was amended in 2011 to provide that participants employed with us as of the Acquisition in 2011 would be eligible to receive their SERP benefits upon termination of employment prior to Retirement, except if the participant is terminated for cause. Payment to the SERP participants generally occurs on the next following January 31 or July 31, except that payments resulting from termination following a change in control or terminations due to disability are paid as soon as practicable following such termination.

Messrs. Edwards, Crenshaw and Drendel are vested in their SERP accounts and eligible for Retirement, so they would receive their account balance if their employment terminated for any reason. Messrs. Karlsson and Wyatt are currently vested in their SERP accounts and, though they are not eligible for Retirement, pursuant to the 2011 amendment, they are eligible to receive the full value of their SERP accounts upon any termination of employment, other than for cause.

DCP

The DCP permits a select group of our management, including the NEOs, and other key employees to defer up to 90% of their compensation (including base salary, AIP and DPCP awards). Our obligations under the DCP are funded with contributions to a rabbi trust, and participants may invest the amounts credited to their accounts in one or more notional investments that are substantially the same as investment offerings provided under our 401(k) plan. Participants' accounts are 100% vested at all times, and we do not provide matching or other Company contributions to the DCP. In general, upon a participant's termination of employment, he or she may elect to receive a distribution in a lump sum or annual installments over a period of two to ten years, which distribution will commence, per the participant's election, as soon as practical following (i) termination of employment, or (ii) the earlier of (A) a specific date, or (B) the date of termination (provided that if termination is due to retirement, payments will commence as of the elected specified date). Upon a participant's death or disability, or upon the occurrence of a change in control of the Company, the participant's entire balance will be paid to him or her (or the participant's estate or beneficiary, as applicable) in a lump sum.

The following table depicts the value of benefits accumulated by our NEOs under the SERP and the DCP as of December 31, 2014.

Potential Payments upon Termination or Change in Control

Employment and Severance Protection Agreements

Each of our named executive officers is party to an employment agreement or severance protection agreement that entitles him to the right to receive certain severance payments upon a qualifying termination of employment.

Employment Agreements with Messrs. Edwards, Olson and Crenshaw

We are party to employment agreements with Messrs. Edwards, Olson and Crenshaw, each of which expires on December 31, 2015, subject to automatic renewal for additional one-year periods unless we give written notice of non-renewal at least 90 days prior to such date. Pursuant to the agreements, in the event the executive's employment is terminated by us by notice of non-renewal of the term of the agreement, by us for any reason other than for cause or disability or by the executive for good reason, the executive will be entitled to receive his accrued compensation and each of the following:

severance pay in an amount equal to two times the sum of (A) his then current base salary, and (B) his base salary multiplied by 1.25, in the case of Mr. Edwards, or 0.85, in the case of Messrs. Olson and Crenshaw, payable in equal monthly installments over two years (the "Termination Benefits Period") or, upon termination within twenty-four months following a change in control, in a lump sum;

a prorated bonus under the AIP for the fiscal year in which his termination occurs, based on actual performance and payable at the same time our Company pays bonuses to its other executive officers;

a cash payment equal to the cost we would have incurred had the executive continued group medical, dental, vision and/or prescription drug benefit coverage for himself and his eligible dependents during the Termination Benefits Period, payable in periodic installments in accordance with our payroll practice (the "Medical Coverage Payments"); and

if at the end of the Termination Benefits Period, the executive is not employed by another entity (including self-employment), then for six months (or his earlier re-employment) he will receive (i) an additional monthly payment equal to one-twelfth of the sum of (A) his base salary and (B) his base salary multiplied by 1.25, in the case of Mr. Edwards, or 0.85, in the case of Messrs. Olson and Crenshaw, and (ii) continuation of the Medical Coverage Payments (provided that such Medical Coverage Payments will not cease upon re-employment unless the executive obtains such coverage or benefits pursuant to the subsequent employer's benefit plans).

For purposes of Messrs. Edwards', Olson's and Crenshaw's agreements, "good reason" includes material breach of the agreement, a material diminution in duties, failure to continue the executive in his role as sole President and CEO without his prior written consent, in the case of Mr. Edwards, or Chief Financial Officer in the case of Mr. Olson, or Chief Operating Officer, in the case of Mr. Crenshaw, any reduction in salary or target bonus opportunity, relocation of the executive's place of employment by more than twenty-five miles without his prior written consent and, in the case of Mr. Edwards, our failure to nominate him to our Board.

If the executive's employment is terminated by us for cause or disability, by reason of his death or by the executive other than for good reason, we will pay to the executive his accrued compensation. In addition, in the

event of the executive's death, his estate will be entitled to receive a prorated bonus under the AIP for the fiscal year in which his death occurs, payable at the same time our Company pays bonuses to its other executive officers and based on actual performance.

Severance Protection Agreement with Mr. Karlsson

We are also a party to a severance protection agreement with Mr. Karlsson. His agreement is on a 1-year term automatically renewing on January 1 of each year unless we or Mr. Karlsson gives notice of non-renewal at least ninety (90) days prior to such date, except that the term may not expire prior to 24 months following a change in control (as defined in the agreement). Pursuant to the agreement, in the event that Mr. Karlsson's employment is terminated within 24 months after a change in control (i) by us for any reason other than for cause or disability or (ii) by Mr. Karlsson for good reason (which definition includes, among other things, an adverse change in status or duties and a reduction in salary or benefits), Mr. Karlsson will be entitled to receive accrued compensation and each of the following:

severance pay in an amount equal to his then current base salary;

a prorated bonus for the fiscal year in which his termination occurs, based on the actual bonus that would have been payable to him for the year in which the termination occurs; and

continuation of Mr. Karlsson's and his dependents' health benefits for 12 months (the Termination Benefits Period).

If Mr. Karlsson's employment is terminated by us within 24 months after a change in control for cause or disability, by reason of his death or by Mr. Karlsson other than for good reason, we will pay to him his accrued compensation and any earned but unpaid bonus or incentive compensation. In addition, in the case of a termination by us for disability or due to Mr. Karlsson's death, he will receive a pro rata bonus for the year of termination, based on the actual bonus that would have been payable to him for the year in which the termination occurs.

Further, if Mr. Karlsson's employment is terminated by us other than for cause at any time prior to the date of a change in control and such termination (i) occurred after we entered into a definitive agreement, the consummation of which would constitute a change in control or (ii) Mr. Karlsson reasonably demonstrates that such termination was at the request of a third party who has indicated an intention or has taken steps reasonably calculated to effect a change in control, such termination will be deemed to have occurred after a change in control.

Severance Protection Agreement with Mr. Wyatt

We are party to a severance protection agreement with Mr. Wyatt. This severance protection agreement is on a 1-year term automatically renewing on January 1 of each year unless we or Mr. Wyatt gives notice of non-renewal at least ninety (90) days prior to such date, except that the term may not expire prior to 24 months following a change in control (as defined in the agreement). Pursuant to the agreement, in the event Mr. Wyatt's employment is terminated within 24 months after a change in control (i) by us for any reason other than for cause or disability or (ii) by Mr. Wyatt for good reason (which definition includes, among other things, an adverse change in status or duties, a reduction in salary or benefits, and a relocation of Mr. Wyatt's place of employment by more than twenty-five miles), Mr. Wyatt will be entitled to receive accrued compensation and each of the following:

severance pay in an amount equal to one and one-half times Mr. Wyatt's then current base salary plus one and one-half times the target annual incentive payable to Mr. Wyatt under the AIP for the fiscal year immediately preceding the fiscal year of termination;

a prorated bonus under the AIP for the fiscal year in which his termination occurs, based on the actual bonus paid or payable to Mr. Wyatt under the AIP in respect of the year immediately preceding the year of termination;

Table of Contents

continuation of Mr. Wyatt's and his dependents' and beneficiaries' life insurance, disability, medical, dental and hospitalization benefits for 18 months (the "Termination Benefits Period");

if, at the end of the Termination Benefits Period, Mr. Wyatt is not employed by another employer (including self-employment), then for six months (or his earlier re-employment with another entity) he will receive (i) an additional monthly payment equal to one-twelfth of his then current base salary plus one-twelfth of the target annual incentive payable to Mr. Wyatt for the fiscal year immediately preceding the fiscal year of termination, and (ii) continuation of the benefits discussed in the bullet above (provided that such benefits will not cease upon re-employment unless Mr. Wyatt obtains such coverage or benefits pursuant to the subsequent employer's benefit plans); and

reimbursement for (i) outplacement assistance services (up to 25% of the sum of Mr. Wyatt's then-current year salary and prior year target bonus), (ii) tax and financial planning assistance (up to \$2,000) and (iii) relocation expenses under certain circumstances.

If Mr. Wyatt's employment is terminated by us within 24 months after a change in control for cause or disability, by reason of his death or by Mr. Wyatt other than for good reason, we will pay to Mr. Wyatt his accrued compensation and any earned but unpaid bonus or incentive compensation. In addition, in the case of a termination by us for disability or due to Mr. Wyatt's death, he will receive a pro rata bonus for the year of termination based on the actual bonus paid or payable to Mr. Wyatt under the AIP in respect of the year immediately preceding the year of termination.

Further, if Mr. Wyatt's employment is terminated by us other than for cause at any time prior to the date of a change in control and such termination (i) occurred after we entered into a definitive agreement, the consummation of which would constitute a change in control or (ii) Mr. Wyatt reasonably demonstrates that such termination was at the request of a third party who has indicated an intention or has taken steps reasonably calculated to effect a change in control, such termination will be deemed to have occurred after a change in control.

Employment Agreement with Mr. Drendel

Mr. Drendel's employment agreement expires on December 31, 2015, subject to automatic renewal for additional one-year periods unless we or Mr. Drendel gives written notice of non-renewal at least 90 days prior to such date. Pursuant to the agreement, in the event his employment is terminated by us by notice of non-renewal of the term of the agreement, by us for any reason other than for cause or by Mr. Drendel for any reason, he will be entitled to receive his accrued compensation and each of the following: (i) an amount (the "Severance Payment") equal to two times the sum of (X) his base salary and (Y) his base salary multiplied by 0.50, payable in a lump sum payment within thirty days following termination; and (ii) a cash payment equal to the cost our Company would have incurred had he continued group medical, dental, vision and/or prescription drug benefit coverage for himself and his eligible dependents for 24 months following his termination of employment, payable in periodic installments in accordance with our payroll practice.

If Mr. Drendel's employment is terminated by us for cause or by reason of his death, we will pay to him his accrued compensation. In addition, in the event of Mr. Drendel's death, his estate will be entitled to receive the Severance Payment payable in a lump sum payment within thirty days following his death.

280G Tax Gross-Up Provisions

The employment agreements with Messrs. Edwards, Olson, Crenshaw and Drendel and the severance protection agreement with Mr. Wyatt provide for a gross-up payment by our Company in the event that the total payments the executive receives under the agreement, or otherwise (for example, due to accelerated vesting of equity), are subject to the excise tax under Section 4999 of the Internal Revenue Code of 1986, as amended, or the Code. In such an event, we will pay an additional amount so that the executive is made whole on an after-tax basis from the effect of the excise tax. Mr. Karlsson's severance protection agreement does not contain any provision with respect to gross-up payments or cut-backs in the event of such excise taxes.

Table of Contents*Restrictive Covenants*

Messrs. Edwards, Olson, Crenshaw and Drendel's employment agreements each contain cooperation and confidentiality covenants that apply during and following the executives' respective employment with us. The agreements also contain certain non-compete and non-solicitation obligations that continue for a certain period following termination of employment, as follows: 24 months, in the case of Messrs. Edwards, Olson and Crenshaw (and up to an additional six months if the executive continues to receive the benefits discussed above following the conclusion of the Termination Benefits Period) and 60 months, in the case of Mr. Drendel. Messrs. Karlsson and Wyatt's severance protection agreements do not contain any restrictive covenants.

The following table sets forth the estimated amount of the severance benefits each of our NEOs would receive under the termination scenarios identified therein, in each case assuming a termination of employment on December 31, 2014. The benefits described and quantified below are in addition to the compensation and benefits that would already be vested upon a NEO's termination, including accrued but unpaid salary, accrued and unused vacation pay, amounts previously earned and deferred under the DCP and payments and benefits accrued under the 401(k) plan and the SERP.

- (1) Assumes that the executive is not self-employed or employed by another entity at the end of the Termination Benefits Period and, accordingly, receives an additional six months of severance.
- (2) Pursuant to the executive's severance protection agreement, upon his termination of employment by the Company without cause, by the executive for good reason, or by reason of his death or disability, in each case within 24 months following a change in control, he would be entitled to a payment equal to the actual bonus paid to the executive with respect to the year prior to that in which the executive's termination date occurs (in this case, 2013), pro-rated for the number of days the executive was employed during the year of such termination.
- (3) Assumes that the executive is not self-employed or employed by another entity at the end of the Termination Benefits Period and, therefore, receives an additional six months of benefits continuation.
- (4) Reflects reimbursement of outplacement expenses and for tax and financial planning services. Note that, in certain circumstances, Mr. Wyatt would also be entitled to reimbursement for costs of relocation following a termination; however, estimates of these costs are not included in the amounts above.
- (5) Estimate of gross-up payment assumes acceleration of equity incentive awards, see below discussion under the heading *Equity Incentive Awards*. Estimate of gross-up payment based on a 280G excise tax rate of 20%, a tax rate of 35% for federal, 1.45% for Medicare and an appropriate state tax rate.

AIP

Pursuant to the terms of the AIP, in the event of a change in control of our Company (as defined in the AIP), within 30 days thereafter, we will pay to each participant immediately prior to such change in control (regardless of whether such participant remains in the employ of our Company following the change in control) an award equal to his or her target incentive for the AIP plan cycle then underway (prorated to the date of the change in control). Outside the context of a change in control, participants are eligible to receive a pro rata portion of their award if their employment is terminated due to death, disability or retirement (at age 65, at age 55 with at least 10 years of service with the company, or earlier with prior approval of our Company). Accordingly, assuming a change in control, death or disability on December 31, 2014, or, in the case of Mr. Edwards or Mr. Drendel, retirement on December 31, 2014, the payments in respect of AIP awards to the NEOs would be as follows: \$1,159,375 for Mr. Edwards, \$411,188 for Mr. Olson, \$556,750 for Mr. Crenshaw, \$331,625 for Mr. Karlsson, \$322,875 for Mr. Wyatt and \$272,500 for Mr. Drendel.

SERP

Pursuant to the terms of the SERP, a participant generally will receive the full value of his account balance upon the participant's termination or resignation for any reason once he is eligible for Retirement. Messrs. Edwards, Crenshaw and Drendel are vested in their SERP accounts and eligible for Retirement, so they would receive the amounts shown in the column of the Nonqualified Deferred Compensation table entitled *Aggregate balance at last fiscal year end* were their employment terminated for any reason on December 31, 2014.

Messrs. Karlsson and Wyatt are currently vested in their SERP accounts and, though they are not eligible for Retirement, pursuant to the 2011 amendment to the SERP, they are eligible to receive the full value of their SERP accounts upon any termination of employment, other than for cause. The value of their SERP accounts is based on an assumed effective date of December 31, 2014 shown in the column of the Nonqualified Deferred Compensation table entitled *Aggregate balance at last fiscal year end*.

Payment to the SERP participants generally occurs on the next following January 31 or July 31, except that payments resulting from termination following a change in control or terminations due to death or disability are paid as soon as practicable following such termination.

Equity Incentive Awards

Per the terms of the option agreements, all of the time-vested options will vest immediately upon the occurrence of a liquidity event and all or a portion of the performance-vested options will vest immediately if Carlyle realizes a minimum return on its investment in connection with the liquidity event and depending on the level of the return on investment.

Table of Contents

For purposes of these options, a liquidity event means either (a) the consummation of the sale, transfer, conveyance or other disposition in one or a series of related transactions (by way of merger, consolidation or otherwise) of more than 50% of the total number of our equity securities held, directly or indirectly, by Carlyle as of January 14, 2011 for cash; or (b) the consummation of the sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the assets of our Company, or our Company and its Subsidiaries taken as a whole, to any person for cash, other than to Carlyle or an affiliate of Carlyle. The occurrence of a change in control of us could in some circumstances also constitute a liquidity event for purposes of the stock options; however, a change in control of us could occur without triggering a liquidity event and a liquidity event could occur without the occurrence of a change in control.

Assuming the occurrence of a liquidity event on December 31, 2014, all of our NEOs' unvested time-vested options would have vested and, based upon the fair market value of our shares of common stock as of such date (\$22.83 per common share), 62% of our NEOs' performance-vesting founders awards would have vested. The fair market value of the shares subject to the time-vested options and the performance-vested options that would have vested as a result of the liquidity event, net of the option exercise price, would have been as follows:

Name	FMV Time Vested Options	FMV Performance Vested Options
Marvin S. Edwards, Jr.	\$ 6,793,788	\$ 4,942,496
Mark A. Olson	\$ 1,252,415	\$ 606,786

Peter U. Karlsson	\$ 905,941	\$ 659,059
Frank B. Wyatt, II	\$ 905,941	\$ 659,059

of Directors he served on. In addition, the Audit Committee chairman receives \$10,000 more per year for serving as such. We also reimburse non-employee directors for reasonable out-of-pocket expenses in the performance of their duties as directors. Non-employee directors received equity-based awards, in the form of stock options (if granted prior to the IPO) or restricted stock units (if granted subsequent to the IPO) at the time of their election to our Board of Directors. In addition, our non-employee directors receive an annual grant of restricted stock units having a grant date value equal to \$75,000. The options were granted with a per share exercise price equal to the estimated fair market value of one share of the common stock on the date of grant and were eligible to vest in five equal annual installments. The restricted stock units vest on the first anniversary of the grant date.

In 2014, we provided the following compensation to our non-employee directors:

Compensation-Related Risk Assessment

Our Compensation Committee, with the assistance of our management, through the human resources, finance and legal departments, has analyzed the potential risks arising from our compensation policies and practices, and has determined that there are no such risks that are reasonably likely to have a material adverse effect on us.
