**Item 1.01. Entry into a Material Definitive Agreement.**

***Agreement and Plan of Merger***

On March 29, 2015, Horizon Pharma, Inc. (Parent), a Delaware corporation and indirect wholly-owned subsidiary of Horizon Pharma plc, Ghrian Acquisition Inc., a Delaware corporation and a wholly owned subsidiary of Parent (Purchaser) and Hyperion Therapeutics, Inc., a Delaware corporation (the Target), entered into a definitive Agreement and Plan of Merger (the Merger Agreement), pursuant to which Parent, through Purchaser, will commence an offer (the Offer) to acquire all of the outstanding shares of the Target's common stock, par value \$0.0001 per share (the Shares), for \$46.00 per share in cash, without interest, subject to any required withholding of taxes (the Offer Price).

Completion of the Offer is subject to several conditions, including (i) there shall have been validly tendered and not validly withdrawn Shares that represent one more than 50% of the sum of (A) the total number of Shares outstanding at the time of the expiration of the Offer plus (B) the aggregate number of Shares issuable to holders of stock options of the Target (the Target Options) and warrants to purchase shares of common stock of the Target from which the Target has received notices of exercise prior to the consummation of the Offer (and as to which Shares have not yet been issued to such exercising holders of Target Options); (ii) the expiration or termination of any applicable waiting period relating to the Offer under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended; (iii) the absence of a material adverse effect on the Target; (iv) subject to certain materiality exceptions, the truth and accuracy of certain representations and warranties of the Target contained in the Merger Agreement; (v) Parent's receipt of debt financing pursuant to the debt commitment letter described below (or any alternative financing) or Parent's receipt of confirmation from its lenders the debt financing (or an alternative financing) will be available at the consummation of the Offer (the Financing Condition); and (vi) certain other customary conditions.

The Parent and Purchaser are obligated to commence the Offer within seven business days from the date of the Merger Agreement and to keep the Offer open for twenty business days, subject to possible extension under the terms of the Merger Agreement. Following the completion of the Offer and subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Purchaser will merge with and into the Target, with the Target surviving as a wholly owned subsidiary of Parent, pursuant to the procedure provided for under Section 251(h) of the General Corporation Law of the State of Delaware without further stockholder approval (the Merger).

At the effective time of the Merger (the Effective Time), by virtue of the Merger and without any action on the part of the holders of any Shares, each outstanding Share (other than (i) any Shares owned directly by Parent or Purchaser or held in the treasury of the Target, or (ii) any Shares as to which the holder properly exercises appraisal rights under Delaware law) will be canceled and converted into the right to receive an amount in cash equal to the Offer Price (the Merger Consideration).

Pursuant to the Merger Agreement, as of immediately prior to the Effective Time, and conditioned upon the occurrence of the Effective Time, and without any action on the part of any optionholder, (i) all unvested Target Options that are outstanding as of immediately prior to the Effective Time shall fully vest and become exercisable and (ii) to the extent not exercised prior to the Effective Time, each Target Option shall be cancelled at the Effective Time and be converted into the right to receive an amount in cash (without interest and subject to deduction for any required withholding tax), equal to the product of (A) the excess, if any, of the Merger Consideration over the exercise price per Share of each such Target Option and (B) the number of Shares of the Target's common stock underlying such Target Option. Each Target Option that has an exercise price per Share that is equal to or greater than the Merger Consideration shall be cancelled at the Effective Time and terminated without any cash payment or other consideration being made to such optionholder.

Pursuant to the Merger Agreement, as of immediately prior to the Effective Time, and conditioned upon the occurrence of the Effective Time, and without any action on the part of any holder of the restricted stock units of the

Target (the Target RSUs ), (i) all unvested Target RSUs that are outstanding as of immediately prior to the Effective Time shall fully vest and (ii) each Target RSU that is outstanding immediately prior to the Effective Time shall be cancelled at the Effective Time and be converted into the right to receive an amount in cash (without interest and subject to deduction for any required withholding tax), equal to the product of (A) the Merger Consideration and (B) the number of shares of the Target's common stock underlying such Target RSU. Any payment in respect of any Target RSU which immediately prior to such cancellation was treated as deferred compensation subject to Section 409A of the Internal Revenue Code of 1986, as amended (the Code ) shall be made on the applicable settlement date for such Target RSU if required in order to comply with Section 409A of the Code.

The Parent, Purchaser and the Target have made customary representations, warranties and covenants in the Merger Agreement, including using commercially reasonable efforts to consummate and make effective, and to satisfy all conditions to, the transactions contemplated by the Merger Agreement as promptly as practicable. The Target has agreed to (i) conduct its business in all material respects in the ordinary course consistent with past practice, including not taking certain specified actions, prior to consummation of the Merger, (ii) use commercially reasonable efforts to preserve its business organization and relationships and (iii) comply in all material respects with applicable laws.

The Target has also agreed (i) not to enter into, continue or participate in any discussions or any negotiations regarding any alternative proposals for the acquisition of the Target or any proposal or inquiry that is reasonably likely to lead to an alternative proposal for the acquisition of the Target and (ii) not to solicit, initiate or knowingly encourage or furnish any non-public information in connection with or for the purpose of soliciting, initiating or encouraging any proposal or inquiry that constitutes, or is reasonably likely to lead to an alternative proposal for the acquisition of the Target. However, subject to the satisfaction of certain conditions, the Target and its board of directors, as applicable, are permitted to take certain actions which may, as more fully described in the Merger Agreement, include changing the board of directors' recommendation following receipt of an unsolicited proposal, if the board of directors of the Target concludes in good faith, after consultation with the Target's financial advisor, that it constitutes a superior proposal and concludes in good faith, after consultation with outside counsel, that the failure to enter into such definitive agreement would be inconsistent with its fiduciary duties under Delaware law. In addition, the board of directors of the Target is permitted to change its recommendation, for reasons not related to the receipt of an unsolicited proposal, if the board of directors has concluded in good faith, after consultation with outside counsel, that the failure to take such action would be inconsistent with its fiduciary duties under Delaware law.

The Merger Agreement includes customary termination provisions for both the Target and Parent and provides that, in connection with the termination of the Merger Agreement under specified circumstances, including termination by the Target to accept and enter into a definitive agreement with respect to an unsolicited superior offer, the Target will be required to pay to Parent a termination fee of \$35 million. If the Merger Agreement is terminated by the Target for the failure of Parent to receive the proceeds of the debt financing contemplated thereby or other specified conditions, then Parent will be required to pay a termination fee of \$75 million to the Target. In the event that Parent becomes obligated to pay such fee to the Target, such fee (together with Parent's obligation to reimburse the Target for certain costs incurred by the Target in connection with its efforts to assist Parent in obtaining the debt financing) will be, except in the case of common law fraud or willful breach by Parent or Purchaser, the Target's sole source of recovery against Parent or any of its affiliates for any losses or damages arising out of or relating to the transactions contemplated by the Merger Agreement and in no event will the Target be entitled to specific performance if Parent has paid such fee in accordance with the terms of the Merger Agreement.

The Merger Agreement has been unanimously adopted by the board of directors of Parent, Purchaser and the Target and the board of directors of the Target unanimously recommends that stockholders of the Target tender their Shares in the Offer.

The foregoing description of the Offer, the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached hereto as Exhibit 2.1. The Merger Agreement has been incorporated herein by reference to provide information regarding the terms of the Merger Agreement and is not intended to modify or supplement any factual disclosures about the Target, Parent or Purchaser in any public reports filed with the U.S. Securities and Exchange Commission by the Target or Parent. In particular, the assertions embodied in the representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of the Merger Agreement, were solely for the benefit of the parties to the Merger Agreement, and may be subject to limitations agreed upon by the contracting parties, including being qualified by information in confidential disclosure schedules provided by the Target to Parent in connection with the signing of the Merger Agreement. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, the representations and warranties in

the Merger Agreement were used for the purpose of allocating risk between the Target, Parent and Purchaser, rather than establishing matters of fact. Accordingly, the representations and warranties in the Merger Agreement may not constitute the actual state of facts about the Target, Parent or the Purchaser. The representations and warranties set forth in the Merger Agreement may also be subject to a contractual standard of materiality different from that generally applicable to investors under federal securities laws. Therefore, the Merger Agreement is included with this filing only to provide investors with information regarding the terms of the Merger Agreement, and not to provide investors with any other factual information regarding the parties or their respective businesses.

(Citi) and Jefferies Finance LLC (Jefferies) on March 29, 2015, pursuant to which Citi and Jefferies have committed to provide up to \$900.0 million of secured term loans pursuant to a term loan facility, the proceeds of which, in addition to a portion of Parent's existing cash, would be used to (i) refinance the loans under Parent's existing credit facility and certain outstanding debt of the Target (the Refinancing), (ii) pay the Offer Price, and (iii) pay any prepayment premiums, fees and expenses in connection with any of the foregoing. The commitment to provide the term loans is subject to certain conditions, including the negotiation of definitive documentation for the term loans and other customary closing conditions consistent with the Merger Agreement. The Parent will pay customary fees and expenses in connection with obtaining the Debt Commitment Letter and the term loans and has agreed to indemnify the lenders if certain losses are incurred by the lenders in connection therewith.

The foregoing description of the Debt Commitment Letter does not purport to be complete and is qualified in its entirety by reference to the Debt Commitment Letter, a copy of which is attached hereto as Exhibit 99.1.
