Item 8.01. Other Events.

As previously announced, NetScout Systems, Inc. (the Company or NetScout), Danaher Corporation (Danaher), Potomac Holding LLC, a wholly-owned subsidiary of Danaher (Newco), RS Merger Sub I, Inc., a wholly-owned subsidiary of the Company (Merger Sub I) and RS Merger Sub II, LLC, a wholly-owned subsidiary of the Company (Merger Sub II) and, together with Merger Sub I, the Merger Subs), entered into an Agreement and Plan of Merger and Reorganization (the Merger Agreement) pursuant to which the Company will acquire the communications group business of Danaher conducted under the brands Tektronix Communications, Fluke Networks and Arbor Networks, but excluding Danaher's data communications cable installation business and its communication service provider (field and test tools systems) business (the Communications Business) in a Reverse Morris Trust transaction.

On May 14, 2015, Danaher announced that it has commenced an exchange offer in connection with the transaction, pursuant to which Danaher is offering to Danaher stockholders the option to exchange their shares of Danaher common stock for common units of Newco, subject to proration. Following the consummation of the exchange offer, Merger Sub I will merge with and into Newco (the First Merger), with Newco continuing as the surviving company (the First Merger). Immediately following the First Merger, Newco will merge with and into Merger Sub II, with Merger Sub II surviving as a wholly-owned subsidiary of NetScout (the Second Merger), and together with the First Merger, the Mergers).

In the First Merger, Newco common units will convert automatically into the right to receive shares of NetScout common stock. NetScout expects to issue approximately 62.5 million shares of its Common Stock to Danaher stockholders that participate in the exchange offer (and become holders of Newco common units). The number of shares of Danaher common stock that will be accepted in the exchange offer will depend on the final exchange ratio and the number of shares of Danaher common stock tendered. If the exchange offer is consummated but not fully subscribed, then the remaining Newco common units owned by Danaher will be distributed on a pro rata basis to Danaher stockholders whose shares of Danaher common stock remain outstanding after the consummation of the exchange offer.
