Under the Loan Agreement, the Company is permitted to draw up to \$25.0 million on a revolving line of credit. Prior to June 30, 2017, interest is paid quarterly at Wall Street Journal Prime and the line of credit matures June 30, 2017. The line of credit is unsecured. Among other provisions in the Loan Agreement, the Company must satisfy certain financial covenants during the term of the Loan Agreement, including without limitation, covenants that require the Company to maintain certain capital, tangible net worth, loan loss reserve, non-performing asset and cash flow coverage ratios. In addition, the Loan Agreement contains certain operational covenants, that among others, restricts the payment of dividends above 55% of consolidated net income, limits the incurrence of debt (excluding any amounts acquired in an acquisition) and prohibits the disposal of assets except in the ordinary course of business. Since 1995, the Company has declared dividends as a percentage of its consolidated net income in a range of 37% (low) in 1995 to 53% (high) in 2003 and 2006. Through the three months ended March 31, 2015, the Company has declared dividends equal to 37.4% of its consolidated net income.
