THE COMPANY

We are one of the premier consumer financial services companies in the United States. Our roots in consumer finance trace back to 1932. We provide a range of credit products through programs we have established with a diverse group of national and regional retailers, local merchants, manufacturers, buying groups, industry associations and healthcare service providers, which we refer to as our partners. Through our partners over 350,000 locations across the United States and Canada, and their websites and mobile applications, we offer their customers a variety of credit products to finance the purchase of goods and services.

Our business benefits from longstanding and collaborative relationships with our partners, including some of the nation's leading retailers and manufacturers with well-known consumer brands. We believe our partner-centric business model has been successful because it aligns our interests with those of our partners and provides substantial value to both our partners and our customers. Our partners promote our credit products because they generate increased sales and strengthen customer loyalty. Our customers benefit from instant access to credit, discounts and promotional offers. We seek to differentiate ourselves through deep partner integration and our extensive marketing expertise. We have omni-channel (in-store, online and mobile) technology and marketing capabilities, which allow us to offer and deliver our credit products instantly to customers across multiple channels.

Our revenue activities are managed through three sales platforms: Retail Card, Payment Solutions and CareCredit. Retail Card is a leading provider of private label credit cards, and also provides Dual Cards and small- and medium-sized business credit products. Payment Solutions is a leading provider of promotional financing for major consumer purchases, offering primarily private label credit cards and installment loans. CareCredit is a leading provider of promotional financing to consumers for elective healthcare procedures, products or services, such as dental, veterinary, cosmetic, vision and audiology.

We offer our credit products primarily through our wholly-owned subsidiary, the Bank. Through the Bank, we offer, directly to retail and commercial customers, a range of deposit products insured by the Federal Deposit Insurance Corporation (FDIC), including certificates of deposit, individual retirement accounts, money market accounts and savings accounts. We also take deposits at the Bank through third-party securities brokerage firms that offer our FDIC-insured deposit products to their customers. We have expanded and continue to expand our online direct banking operations to increase our deposit base as a source of stable and diversified low cost funding for our credit activities.

DESCRIPTION OF DEBT SECURITIES

We may issue senior debt securities or subordinated debt securities. The senior debt securities will be issued in one or more series under the indenture, dated as of August 11, 2014, between us and The Bank of New York Mellon, as trustee (as amended and supplemented from time to time, the "senior indenture"), a copy of which is incorporated by reference as an exhibit to the registration statement to which this prospectus relates. The subordinated debt securities will be issued in one or more series under a subordinated indenture, to be entered into between us and The Bank of New York Mellon, as trustee (as amended and supplemented from time to time, the "subordinated indenture"), the form of which is attached as an exhibit to the registration statement to which this prospectus relates.

The senior debt securities and the subordinated debt securities are referred to in this prospectus individually as a "debt security" and collectively as the "debt securities." The senior indenture and the subordinated indenture are each referred to in this prospectus individually as an "indenture" and collectively as the "indentures."

Each indenture is subject to any amendments or supplements we may enter into from time to time as permitted under that indenture. We will file any amendments or supplements to an indenture as exhibits to a Current Report on Form 8-K or a post-effective amendment to the registration statement to which this prospectus relates. The statements herein relating to the debt securities and the indentures are summaries and are subject to the detailed provisions of the debt securities and the indentures. The descriptions set forth in this prospectus do not restate the indentures and do not contain all the information you may find useful. We urge you to read the indentures because they, and not the summary set forth in this prospectus or contained in any applicable prospectus supplement, define your rights as a holder of the debt securities. Whenever we refer to particular sections of or defined terms in an indenture, those sections and definitions are incorporated by reference. The indentures are subject to and governed by the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act").

As used in this description of debt securities, "we," "our," "us," "Synchrony" and the "Company" refer solely to SYNCHRONY FINANCIAL and not to any of our subsidiaries.

General

We will describe in one or more prospectus supplements the terms of the series of debt securities that we may offer and the supplemental indenture relating to such series of debt securities. These terms will include the following:

the designation and the aggregate principal amount of the debt securities of the series;

whether the debt securities are senior debt securities or subordinated debt securities and, if subordinated debt securities, any specific subordination provisions applicable thereto not otherwise set forth in this prospectus;

whether the debt securities will be convertible into or exchangeable for our common stock or other securities and the terms and conditions governing such exchange or conversion;

any limit upon the aggregate principal amount of the debt securities of the series which may be issued;

the date or dates on which the principal and premium, if any, of the debt securities of the series shall be payable;

the rate or rates, or the method of determination thereof, at which the debt securities of the series shall bear interest, the date or dates from which that interest shall accrue, the interest payment dates on which that interest shall be payable and the record dates for the determination of holders to whom interest is payable;

if other than the U.S. dollars, the currency of the debt securities of the series and the currency in which payments on the debt securities of the series shall be payable;

if applicable, the price or prices at which, the period or periods within which and the terms and conditions upon which debt securities of the series may be redeemed, in whole or in part, at our option, pursuant to any sinking fund or otherwise;

if applicable, our obligation to redeem, purchase or repay debt securities of the series pursuant to any sinking fund or analogous provisions or at the option of a holder thereof and the price at which or process by which and the period or periods within which and the terms and conditions upon which debt securities of the series would be redeemed, purchased or repaid, in whole or in part, pursuant to such obligation;

if other than in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof, the denominations in which debt securities of the series shall be issuable;

any events of default, if different from the existing events of default under the indentures and described in this prospectus, and whether such additional or modified events of default are subject to covenant defeasance;

the trustee, if different from the existing trustee under an indenture;

any addition to, or modification of, any covenants set forth in the applicable indenture with respect to the debt securities of any series, and whether any such additional or modified covenant is subject to covenant defeasance; and

any other terms of the series.

When we use the term "business day," we mean any calendar day that is not a Saturday, Sunday or a day on which commercial banking institutions are not required to be open for business in The City of New York, New York.

Unless otherwise specified in any applicable prospectus supplement, each series of the debt securities will be issued in the form of one or more fully-registered debt securities registered in the name of the nominee of The Depository Trust Company ("DTC").

Neither indenture limits the aggregate amount of debt securities that we may issue. We may issue debt securities under either indenture up to the aggregate principal amount authorized by our board of directors from time to time. In addition, neither indenture limits our ability to incur senior debt, subordinated or secured debt, or our ability, or that of any of our existing or future subsidiaries, to incur other indebtedness and other liabilities or issue preferred stock.

We may, from time to time, without the consent of the holders of debt securities of a particular series, reopen that series of debt securities and issue additional debt securities of that series having the same ranking and the same interest rate, maturity and other terms as the debt securities of that series, except for the public offering price, the issue date and, if applicable, the initial interest payment date and initial interest accrual date. Any such additional debt

securities, together with the debt securities of the same series initially offered by this prospectus and any applicable prospectus supplement, will constitute a single series of debt securities under the applicable indenture; provided that if the additional debt securities are not fungible for U.S. federal income tax purposes with the debt securities of the same series initially offered by this prospectus and any applicable prospectus supplement, the additional debt securities will be issued under a separate CUSIP number. No additional debt securities may be issued if an event of default has occurred and is continuing with respect to the series of debt securities of which those additional debt securities would be a part.

The trustee will initially be the registrar and paying agent for the debt securities. We will maintain an office in the Borough of Manhattan, The City of New York where we will pay the principal of, and any premium and

interest on, the debt securities and you may present the debt securities for registration of transfer and exchange. We have designated the office of the trustee located at 101 Barclay Street, New York, New York 10286 for this purpose.

Ranking

We are a holding company and conduct substantially all of our operations through our subsidiaries. However, the debt securities will be obligations exclusively of Synchrony and will not be guaranteed by any of our subsidiaries. As a result, the debt securities will be structurally subordinated to all indebtedness and other liabilities of our subsidiaries (including deposit liabilities of the Bank), as well as the indebtedness and other liabilities of our securitization entities, which means that creditors of our subsidiaries (including depositors of the Bank) and our securitization entities will be paid from their assets before holders of the debt securities would have any claims to those assets.

As a holding company, we depend on the ability of our subsidiaries, particularly the Bank, to transfer funds to us to meet our obligations, including our obligations to pay the principal of, and any premium and interest on, the debt securities. Our subsidiaries have no obligation to pay any amounts due on the debt securities.

Senior Debt Securities

Unless otherwise specified in any applicable prospectus supplement, each series of senior debt securities will be our direct, unsecured obligations and will rank without preference or priority among themselves and equally in right of payment with all of our existing and future unsecured and unsubordinated obligations, and senior in right of payment to all of our existing and future indebtedness that is expressly subordinated to that series of senior debt securities.

Subordinated Debt Securities

Unless otherwise specified in any applicable prospectus supplement, each series of subordinated debt securities will be our direct, unsecured obligations and will rank junior in right of payment to all of our existing and future unsubordinated obligations.

In the event of any bankruptcy, insolvency, reorganization or receivership of us or the Bank (or any successor to the Bank), whether voluntarily or involuntarily, or in bankruptcy, insolvency, reorganization, receivership or other proceedings involving us or the Bank (or any successor to the Bank), then and in any such event the holders of senior obligations (including holders of any senior debt securities) will be entitled to receive payment in full of all amounts due or to become due on or in respect of all senior obligations, or provision made for such payment in cash, before the holders of subordinated debt securities are entitled to receive or retain any payment on account of principal of, or any premium or interest on, subordinated debt securities. To that end, the holders of senior obligations will be entitled to receive, for application to the payment thereof, any payment or distribution of any kind or character, which may be payable or deliverable in respect of the subordinated debt securities in the event of any bankruptcy, insolvency, reorganization or receivership of us or the Bank (or any successor to the Bank), whether voluntarily or involuntary, or in bankruptcy, insolvency, reorganization, receivership or other proceedings involving us or the Bank (or any successor to the Bank), whether in cash, property or securities, including any such payment or distribution which may be payable or deliverable by reason of the payment of any of our other indebtedness being subordinated to the payment of the subordinated debt securities. By reason of such subordination, in the event of any bankruptcy, insolvency, reorganization or receivership of us or the Bank (or any successor to the Bank), whether voluntarily or involuntary, or in bankruptcy, insolvency, reorganization, receivership or other proceedings involving us or the Bank (or any successor to the Bank), holders of senior obligations and holders of our other obligations that are not subordinated to senior obligations may recover more, ratably, than the holders of the subordinated debt securities.

Table of Contents

Subject to the payment in full of all senior obligations, the rights of the holders of the subordinated debt securities will be subrogated to the rights of the holders of the senior obligations to receive payments or distributions of cash, property or securities from us applicable to those senior obligations by virtue of that subordination until the principal of, and any premium and interest on, the subordinated debt securities have been paid in full.

No payment of principal (including any redemption or sinking fund payments) of, and any premium or interest on, the subordinated debt securities may be made (1) in the event and during the continuation of any default by us in the payment of principal, premium, interest or any other amount due on any senior obligations or (2) if the maturity of any senior obligations has been accelerated because of a default.

The subordinated indenture does not limit or prohibit us from incurring additional senior obligations, which may include indebtedness that is senior to the subordinated debt securities, but subordinate to our other obligations. The senior debt securities will constitute senior obligations under the subordinated indenture.

The subordinated indenture provides that the foregoing subordination provisions, insofar as they relate to any particular issue of the subordinated debt securities, may be changed prior to such issuance. Any such change would be described in an applicable prospectus supplement.

Certain Covenants

Set forth below are summaries of certain covenants in the indentures that apply to us, unless otherwise provided in an applicable prospectus supplement. However, the indentures do not significantly limit our operations. In particular, the indentures do not:

limit the amount or frequency of dividends that we can pay;

limit the amount of debt securities that we may issue from time to time;

limit the number of series of debt securities that we may issue from time to time;

limit or otherwise restrict the amount of debt which we or our subsidiaries may incur or the number or amount of securities that we may issue; or

contain any covenant or other provision that is specifically intended to afford any holder of debt securities any protection in the event of highly-leveraged transactions or similar transactions involving us or our subsidiaries.

Limitation on Disposition of Voting Stock of the Bank

The senior indenture contains a covenant limiting our ability to dispose of the Voting Stock (as defined below) of a Bank Subsidiary (as defined below). This covenant generally provides that, except as permitted as described under

Consolidation, Merger and Sale of Assets in this prospectus, as long as any series of the senior debt securities are outstanding:

neither we nor any of our subsidiaries will sell, assign, transfer or otherwise dispose of any shares of Voting Stock of a Bank Subsidiary, or securities convertible into or options, warrants or rights to subscribe for or purchase shares of Voting Stock of a Bank Subsidiary, and we will not permit any Bank Subsidiary to issue any shares of, or securities convertible into or options, warrants or rights to subscribe for or purchase shares of, Voting Stock of a Bank Subsidiary, in each case if, after giving effect to such transaction and to the issuance of the maximum number of shares of Voting Stock of that Bank Subsidiary issuable upon the exercise of all such convertible securities, options, warrants or rights, such Bank Subsidiary would cease to be a controlled subsidiary (as defined below); and

we will not permit any Bank Subsidiary to merge or consolidate with or into any corporation unless the survivor is us or is, or upon consummation of the merger or consolidation will become, a controlled

Table of Contents

subsidiary, or to lease, sell or transfer all or substantially all of its properties and assets to any person except to us or a controlled subsidiary or a person that upon such lease, sale or transfer will become a controlled subsidiary.

A Bank Subsidiary is the Bank, any successor to the Bank, or any subsidiary of ours that owns, directly or indirectly, any Voting Stock of the Bank or any successor to the Bank.

A controlled subsidiary is a subsidiary of ours in respect of which at least 80% of the outstanding shares of the Voting Stock of that subsidiary is at the time owned by us, by one or more of our subsidiaries or by us and one or more of our controlled subsidiaries.

Voting Stock of any specified person as of any date means the capital stock of that person of the class or classes having general voting power under ordinary circumstances to elect at least a majority of the board of directors, managers or trustees of that person; provided that, for the purposes hereof, capital stock which carries only the right to vote conditionally upon the happening of an event shall not be considered Voting Stock whether or not such event shall have happened.

The limitations described above do not apply to transactions required by law, rule, regulation, direction or order of any governmental agency or authority. In addition, for the avoidance of doubt, the limitations described in the second bullet point above will not apply to any transfer of loan receivables, on customary terms and in the ordinary course of business, directly or indirectly to our securitization entities in connection with our securitization financing facilities.

The subordinated indenture does not contain the limitation described above or any other limitation on the disposition of Voting Stock of a Bank Subsidiary.

Limitation on Creation of Liens

The senior indenture contains a covenant limiting our ability to create liens on the Voting Stock of a Bank Subsidiary. This covenant generally provides that, as long as any series of the senior debt securities are outstanding, neither we nor any of our subsidiaries will create, assume or incur any pledge, encumbrance or lien upon any shares of Voting Stock of a Bank Subsidiary, or upon securities convertible into or options, warrants or rights to subscribe for or purchase, any shares of Voting Stock of a Bank Subsidiary, in each case to secure indebtedness for borrowed money, if, treating that pledge, encumbrance or lien as a transfer of the shares of Voting Stock of that Bank Subsidiary or securities convertible into or options, warrants or rights to subscribe for or purchase shares of Voting Stock of that Bank Subsidiary to the secured party (in each case after giving effect to such transaction and to the issuance of the maximum number of shares of Voting Stock of that Bank Subsidiary issuable upon the exercise of all such convertible securities, options, warrants or rights), that Bank Subsidiary would cease to be a controlled subsidiary (as defined above under Limitation on Disposition of Voting Stock of the Bank), unless the senior debt securities are equally and ratably secured with any and all such indebtedness for so long as such indebtedness is so secured.

In addition, for the avoidance of doubt, the limitations described in the preceding paragraph do not apply to the incurrence of any pledge, encumbrance or lien upon loan receivables, on customary terms and in the ordinary course of business, in connection with our securitization financing facilities.

The subordinated indenture does not contain the limitation on liens described above or any other limitation on creation of liens.

Table of Contents

Consolidation, Merger and Sale of Assets

Each indenture provides that we will not (i) merge or consolidate with any other person or (ii) sell, convey, transfer or otherwise dispose of all or substantially all of our assets to any person (other than a subsidiary), in each case unless:

either we are the continuing person or the successor person is a corporation or limited liability company organized and existing under the laws of the United States of America or any state thereof or the District of Columbia that pursuant to a supplemental indenture to the applicable indenture expressly assumes all of our obligations under the applicable indenture and the debt securities issued and outstanding thereunder; provided that, in the event that the successor person is not a corporation, another person that is a corporation shall expressly assume, as co-obligor with that successor person, all of our obligations under the applicable indenture and the debt securities issued and outstanding thereunder;

immediately after that merger or consolidation, or that sale, conveyance, transfer or other disposition, no default or event of default has occurred and is continuing under the applicable indenture; and

we have delivered to the trustee an officer's certificate and an opinion of counsel, each stating that the merger, consolidation, sale, conveyance, transfer or other disposition and that supplemental indenture (if any) comply with the applicable indenture.

In the event of any such merger, consolidation, sale, conveyance (other than by way of lease), transfer or other disposition, and upon any such assumption by the successor person or persons, such successor person or persons shall succeed to and be substituted for us, with the same effect as if it or they had been named in the applicable indenture as us and we shall be relieved of any further obligations under such indenture and under the debt securities issued and outstanding thereunder and the predecessor company may be dissolved, wound up and liquidated at any time thereafter.

For the avoidance of doubt, without limiting the foregoing, the limitations described in this section will not apply to any transfer of loan receivables, on customary terms and in the ordinary course of business, directly or indirectly to our securitization entities in connection with our securitization financing facilities.

Reports

Under the indentures, we are required to file with the trustee, within 15 days after we are required to file the same with the SEC, copies of the annual reports and of the information, documents, and other reports that we are required to file with the SEC pursuant to Section 13 or Section 15(d) of the Exchange Act or pursuant to Section 314 of the Trust Indenture Act. Annual reports, information, documents and other reports that are filed by us with the SEC via the EDGAR system or any successor electronic delivery procedure will be deemed to be filed with the trustee at the time those documents are filed via the EDGAR system or that successor procedure. Delivery of those reports, information and documents to the trustee is for informational purposes only, and the trustee's receipt thereof will not constitute constructive notice of any information contained therein or determinable from information contained therein, including our compliance with any of our covenants in the indentures.

Events of Default

Senior Debt Securities

Unless otherwise provided in any applicable prospectus supplement, any of the following events will constitute an event of default under the senior indenture with respect to any series of senior debt securities:

default in the payment of any installment of interest on that series of senior debt securities when due and payable, and the continuance of that default for 30 days;

default in the payment of the principal of, or any premium on, that series of senior debt securities when due and payable (whether at maturity, upon redemption or otherwise);

Table of Contents

default in the making or satisfaction of any sinking fund payment or analogous obligation as and when the same shall become due and payable by the terms of the senior debt securities of that series;

failure to observe or perform any other covenants or agreements in the senior indenture in respect of the senior debt securities of that series, which failure continues for 60 days after written notice to us, requiring us to remedy the same, from the trustee or holders of at least 25% of the outstanding principal amount of that series of senior debt securities as provided in the senior indenture;

any indebtedness of ours or the Bank (or any successor to the Bank) for borrowed money is accelerated by its terms if the aggregate principal amount of that indebtedness which has been so accelerated exceeds \$100 million and the acceleration is not rescinded or annulled within 15 days after written notice from the trustee or the holders of at least 25% of the outstanding principal amount of that series of senior debt securities as provided in the senior indenture; provided that this event of default will be remedied, cured or waived without further action upon the part of either the trustee or any of the holders if any default giving rise to the acceleration of that other indebtedness is remedied, cured or waived; and

specified events relating to the bankruptcy, insolvency, reorganization or receivership of us or the Bank (or any successor to the Bank).

Subordinated Debt Securities

An event of default under the subordinated indenture with respect to subordinated debt securities of any series will occur only upon the occurrence of certain events relating to the bankruptcy, insolvency, reorganization or receivership of us or the Bank (or any successor to the Bank). There will be no event of default, and holders of subordinated debt securities will not be entitled to accelerate the maturity of the subordinated debt securities, in the case of a default in the performance of any covenant or obligation with respect to the subordinated debt securities, including a default in the payment of principal of, and any premium or interest on, such subordinated debt securities.

Remedies

If an event of default arising from specified events of the bankruptcy, insolvency, reorganization or receivership of us or the Bank (or any successor to the Bank) occurs, the principal amount of all outstanding debt securities will become due and payable immediately, without further action or notice on the part of the holders of the debt securities or the trustee.

Acceleration of Senior Debt Securities; Waiver of Defaults

If any other event of default with respect to a series of senior debt securities occurs, the trustee or the holders of not less than 25% in principal amount of the outstanding senior debt securities of that series may declare the principal amount of the senior debt securities of that series to be due and payable immediately, by a notice in writing to us, and to the trustee if given by holders. Upon any such declaration, the principal amount of that series of senior debt securities will become immediately due and payable.

However, at any time after a declaration declaring the principal amount of a series of senior debt securities to be due and payable immediately has been made or any series of senior debt securities shall have otherwise become due and payable, but before a judgment or decree for payment of the money due has been obtained, the holders of a majority in

principal amount of the outstanding debt securities of that series of senior debt securities may, subject to conditions specified in the indentures, rescind and annul that declaration or acceleration and its consequences.

Acceleration of Subordinated Debt Securities

As discussed above, payment of the principal amount of any series of subordinated debt securities shall be accelerated automatically in the case of certain events relating to the bankruptcy, insolvency, reorganization or

Table of Contents

receivership of us or the Bank (or any successor to the Bank). Payment of the principal amount of any series of subordinated debt securities, however, may not be accelerated if we default in the performance of any covenant or obligation with respect to those subordinated debt securities, including a default in the payment of principal of, and any premium or interest on, those subordinated debt securities.

Indemnification of the Trustee for Actions Taken on Your Behalf

Subject to the provisions of each indenture relating to the duties of the trustee, if an event of default then exists, the trustee will be under no obligation to exercise any of its rights or powers under the applicable indenture at your request, order or direction, unless you have offered to the trustee reasonable security or indemnity satisfactory to the trustee. Subject to the provisions for the security or indemnification of the trustee and otherwise in accordance with the conditions specified in the applicable indenture, the holders of a majority in principal amount of outstanding debt securities of any series issued under that indenture have the right to direct the time, method and place of conducting any proceeding for and remedy available to the trustee, or exercising any trust or power conferred on the trustee in connection with the debt securities of such series.

Notice of Default

The trustee will, within 90 days after the occurrence of a default with respect to a series of debt securities, mail to the holders of such debt securities notice of such default relating to such series of debt securities, unless such default has been cured or waived. However, the Trust Indenture Act and each indenture permits the trustee to withhold notices of defaults (except for certain payment defaults) if the trustee in good faith determines that withholding of such notices to be in the interests of the holders.

We will furnish the trustee with an annual statement as to our compliance with the conditions and covenants in each indenture.

Legal Proceedings and Enforcement of Right of Payment

You will not have any right to institute any proceeding under or with respect to the indenture or for any remedy under the applicable indenture, unless you have previously given to the trustee written notice of a continuing event of default with respect to the debt securities you hold. In addition, the holders of at least 25% in principal amount of the outstanding debt securities of a series must have made written request, and offered to the trustee such reasonable indemnity as it may require, to institute that proceeding as trustee, and, within 60 days following the receipt of that notice, the trustee must not have received from the holders of a majority in principal amount of the outstanding debt securities of that series a direction inconsistent with that request, and must have failed to institute the proceeding. However, you will have an absolute right to receive payment of the principal of, and any premium or interest on, the debt securities you hold at the place, time, rates and in the currency expressed in the applicable indenture and the debt securities you hold and to institute a suit for the enforcement of that payment.

Modification of Indentures

We may enter into supplemental indentures for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of each indenture with respect to one or more series of debt securities issued thereunder with the consent of holders of a majority in aggregate principal amount of the debt securities of all such series affected by such modification or amendment, voting as a single class. However, the consent of each holder affected is required for any amendment to:

change the stated maturity of principal of, or any installment of principal of or interest on, any debt security;

Table of Contents

in the case of the subordinated indenture, modify the provisions of the subordinated indenture with respect to the subordination provisions in a manner materially adverse to the holders of the subordinated debt securities;

adversely affect the right of any holder of the debt securities to convert or exchange any debt security into or for our common stock or other securities in accordance with the terms of such security;

reduce the rate of or extend the time for payment of interest, if any, on any debt security or alter the manner of calculation of interest payable on any debt security;

reduce the principal amount or premium, if any, on any debt security;

make the principal of, and any premium or interest on, any debt security payable in a different currency;

reduce the percentage in principal amount of any series of debt securities, the holders of which are required to consent to any supplemental indenture or to any waiver of any past default or event of default;

change any place of payment where the debt securities or interest thereon is payable;

modify the interest rate reset provision of any debt security;

impair the right of any holder of the debt securities to receive payment of the principal of, and any premium or interest on, any debt securities on or after the respective due dates for such principal, premium or interest, or to institute suit for the enforcement of any such payment, or reduce the amount of the principal of an original issue discount security that would be due and payable upon an acceleration of the maturity thereof, or adversely affect the right of repayment, if any, at the option of the holder, or extend the time for, or reduce the amount of, any payment to any sinking fund or analogous obligation relating to any debt security; or

modify provisions of the indentures relating to waiver of defaults or amendment of the indentures, except to increase the percentage in principal amount of debt securities whose holders must consent to an amendment or to provide that certain other provisions of the indentures cannot be modified or waived without the consent of the holder of each outstanding debt security affected by the modification or waiver.

Notwithstanding the foregoing, holders of the debt securities of any series shall vote as a separate class with respect to modifications or amendments that affect only the debt securities of that series, and the holders of other series of debt securities shall not have any voting rights with respect to those matters as they relate to the debt securities of that series.

In addition, we and the trustee with respect to each indenture may enter into supplemental indentures without the consent of the holders of the debt securities of any series for one or more of the following purposes:

to evidence that another corporation or limited liability company has become our successor and/or to add a co-obligor under the provisions of the applicable indenture relating to mergers, consolidations, sales, conveyances, transfers or other dispositions of assets described under Consolidation, Merger and Sale of Assets in this prospectus, and that the successor or successors assume our covenants, agreements and obligations in the applicable indenture and in the debt securities issued thereunder;

to add to our covenants further covenants, restrictions, conditions or provisions for the protection of the holders of all or any series of the debt securities as our board of directors and the trustee shall consider to be for the protection of the holders of those debt securities, and to make a default in any of these additional covenants, restrictions, conditions or provisions a default or an event of default under the applicable indenture;

to establish the forms or terms of debt securities of any series;

to cure any ambiguity, to correct or supplement any provisions that may be defective or inconsistent with any other provision or to make such other provisions in regard to matters or questions arising under the

Table of Contents

applicable indenture that do not adversely affect the interests of the holders of such series of debt securities in any material respect; provided that any amendment made solely to conform the provisions of the applicable indenture to the description of the debt securities contained in this prospectus or any applicable prospectus supplement or other offering document pursuant to which the debt securities were sold will not be deemed to adversely affect the interests of the holders of that series of debt securities;

to modify or amend the applicable indenture to permit the qualification of the indentures or any supplemental indentures under the Trust Indenture Act as then in effect;

to provide for the issuance of additional debt securities of any series;

to provide for the exchange of any debt securities in global form represented by one or more global certificates for debt securities of the same series issued under the applicable indenture in definitive certificated form in the circumstances permitted by the terms of the applicable indenture and those debt securities, and to make all appropriate changes to the applicable indenture for that purpose;

to add to, change or eliminate any of the provisions of the supplemental indentures in respect of one or more series of debt securities; provided that any such addition, change or elimination (i) shall not apply to, or modify the rights of any holder of, any debt security of any series created prior to the execution of such supplemental indentures or (ii) shall become effective only when no debt securities of any series created prior to the execution of such supplemental indentures are outstanding;

to add guarantees with respect to any series of debt securities or to secure any series of debt securities; and

to evidence and provide for the acceptance of appointment by a successor or separate trustee with respect to the debt securities.

Defeasance of Indentures

We have the right to terminate all of our obligations with respect to a series of debt securities under the covenants described under **Certain Covenants** in this prospectus and under such other covenants for that series as may be established in the future in accordance with the terms of the applicable indenture and to provide that any event of default expressed to be subject to covenant defeasance under the applicable indenture shall no longer constitute an event of default under the applicable indenture with respect to that series of debt securities, following irrevocably depositing in trust with the trustee, as trust funds solely for the benefit of holders of debt securities of that series, money in an amount sufficient, U.S. government obligations the scheduled payments of principal and interest on which shall be sufficient, or a combination thereof sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification delivered to the trustee, without consideration of any reinvestment of interest, to pay principal of, and any premium or interest on, the debt securities of that series to their maturity or redemption, as the case may be, and complying with certain other conditions, including delivery to the trustee of an opinion of counsel, to the effect that you will not recognize income, gain or loss for federal income tax purposes as a result of our exercise of such right and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case otherwise.

In addition, we have the right at any time to terminate all of our obligations under an indenture with respect to any series of debt securities issued thereunder, other than (i) your right to receive, solely from the trust fund described below, payments of principal of, and any premium or interest on, that series of debt securities when due and (ii) certain obligations relating to the defeasance trust and obligations to register the transfer or exchange of the debt securities, to replace mutilated, lost or stolen debt securities, to maintain registrars and paying agents in respect of the debt securities, to pay compensation to, and expenses of, the trustee, and with respect to the resignation or removal of the trustee, following irrevocably depositing in trust with the trustee, as trust funds solely for the benefit of holders of debt securities of that series, money in an amount sufficient, U.S. government obligations the scheduled payments of principal and interest on which shall be sufficient, or a combination

thereof sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification delivered to the trustee, without consideration of any reinvestment of interest, to pay principal of, and any premium or interest on, the debt securities of such series to their maturity or redemption, as the case may be, and complying with certain other conditions, including delivery to the trustee of a ruling received from the Internal Revenue Service or an opinion of counsel to the effect that you will not recognize income, gain or loss for federal income tax purposes as a result of our exercise of such right and will be subject to federal income tax on the same amount and in the same manner and at the same times as would have been the case otherwise, which, in the case of an opinion of counsel, is based upon a change in law after the date of the applicable indenture.

Original Issue Discount Securities

Debt securities may be sold at a substantial discount below their stated principal amount and may bear no interest or interest at a rate which at the time of issuance is below market rates. Important federal income tax consequences and special considerations applicable to those debt securities will be described in an applicable prospectus supplement.

Indexed Securities

If the amount of payments of principal of, and any premium or interest on, debt securities of any series is determined with reference to any type of index or formula or changes in prices of particular securities or commodities, the federal income tax consequences, specific terms and other information with respect to those debt securities and that index or formula and securities or commodities will be described in an applicable prospectus supplement.

Foreign Currencies

If the principal of, and any premium or interest on, debt securities of any series are payable in a foreign or composite currency, the restrictions, elections, federal income tax consequences, specific terms and other information with respect to those debt securities and that currency will be described in an applicable prospectus supplement.

Satisfaction and Discharge

An indenture will generally cease to be of any further effect with respect to any series of debt securities issued thereunder, if:

either (i) we have delivered to the trustee for cancellation all outstanding debt securities of that series (with certain limited exceptions), or (ii) all of the outstanding debt securities of that series not previously delivered to the trustee for cancellation have become due and payable, or are by their terms to become due and payable within one year, or are to be called for redemption within one year under arrangements satisfactory to the trustee, and we have deposited with the trustee in trust, funds sufficient to pay at maturity or upon redemption all of the outstanding debt securities of that series; and

if, in either case, we also pay or cause to be paid all other sums then payable under the applicable indenture by us.

Any monies and U.S. government obligations deposited with the trustee for payment of principal of, and any premium or interest on, the debt securities of any series and not applied but remaining unclaimed by the holders of the debt securities of that series for two years after the date upon which the principal of, and any premium or interest on, the

debt securities of such series, as the case may be, shall have become due and payable, shall be repaid to us by the trustee on written demand. Thereafter, the holders of the debt securities of that series may look only to us for payment thereof.

Table of Contents

Miscellaneous Provisions

Each indenture provides that certain debt securities, including those debt securities owned by us or any other obligor of the applicable debt securities or any person directly or indirectly controlled by or under direct or indirect common control with us or any other obligor of the applicable debt securities, will not be deemed to be outstanding in determining whether the holders of the requisite principal amount of the outstanding debt securities of a particular series have given or taken any demand, direction, consent or other action under the indentures as of any date, or are present at a meeting of holders for quorum purposes.

We will be entitled to set any day as a record date for the purpose of determining the identity of holders of debt securities of any series issued under an indenture entitled to vote or consent (or to revoke any vote or consent) to any action under that indenture, in the manner and subject to the limitations provided in that indenture.

Resignation and Removal of a Trustee

The trustee may resign with respect to an indenture at any time by giving written notice thereof to us.

Under certain circumstances, we may remove the trustee and appoint a successor trustee. The trustee may also be removed by act of the holders of a majority in principal amount of the then outstanding debt securities of one or more series issued and outstanding under the applicable indenture.

No resignation or removal of a trustee and no appointment of a successor trustee will become effective until the acceptance of appointment by a successor trustee in accordance with the requirements of the indentures.

Governing Law

The senior indenture is, and the subordinated indenture and any debt securities issued under either indenture, and any claim, controversy or dispute arising under or related to the indentures and the debt securities will be, governed by and construed in accordance with the laws of the State of New York.

Book-Entry System

Unless otherwise indicated in an applicable prospectus supplement, DTC, which we refer to along with its successors in this capacity as the depositary, will act as securities depositary for the debt securities. Unless otherwise indicated in an applicable prospectus supplement, each series of debt securities will be issued as fully-registered securities registered in the name of Cede & Co., the depositary's nominee. One or more fully-registered global security certificates, representing the total aggregate principal amount of each series of the debt securities, will be issued with respect to each series of the debt securities and will be deposited with the depositary or its custodian and will bear a legend regarding the restrictions on exchanges and registration of transfer referred to below.

The laws of some jurisdictions may require that some purchasers of securities take physical delivery of securities in definitive form. These laws may impair the ability to transfer beneficial interests in the debt securities so long as the debt securities are represented by global security certificates.

Investors may elect to hold interests in the global debt securities through either DTC in the United States or Clearstream Banking S.A. (Clearstream) or Euroclear Bank S.A./N.V., as operator of the Euroclear System (the Euroclear System), in Europe if they are participants of such systems, or indirectly through organizations which are participants in such systems. Clearstream and the Euroclear System will hold interests on behalf of their participants

through customers' securities accounts in Clearstream and the Euroclear System's names on the books of their respective U.S. depositaries, which in turn will hold such interests in customers' securities

accounts in the respective depositaries' names on the books of DTC. Citibank N.A. will act as depositary for Clearstream and JPMorgan Chase Bank will act as depositary for the Euroclear System (in such capacities, the "U.S. Depositaries").

The information in this section concerning the depositary, its book-entry system, Clearstream and the Euroclear System has been obtained from sources that we believe to be reliable, but we have not attempted to verify the accuracy of this information.

DTC

DTC has advised us that it is a limited-purpose trust company organized under the New York Banking Law, a banking organization within the meaning of the New York Banking Law, a member of the Federal Reserve System, a clearing corporation within the meaning of the New York Uniform Commercial Code and a clearing agency registered pursuant to the provisions of Section 17A of the Exchange Act. The depositary holds securities that its participants deposit with the depositary. The depositary also facilitates the settlement among participants of securities transactions, including transfers and pledges, in deposited securities through electronic computerized book-entry changes in participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. Access to the depositary's system is also available to others, including securities brokers and dealers, banks and trust companies that clear transactions through or maintain a direct or indirect custodial relationship with a direct participant either directly, or indirectly. The rules applicable to the depositary and its participants are on file with the SEC.

According to DTC, the foregoing information with respect to DTC has been provided to the financial community for informational purposes only and is not intended to serve as a representation, warranty or contract modification of any kind.

Clearstream

Clearstream has advised us that it is incorporated under the laws of Luxembourg as a professional depositary. Clearstream holds securities for its participating organizations ("Clearstream Participants") and facilitates the clearance and settlement of securities transactions between Clearstream Participants through electronic book-entry changes in accounts of Clearstream Participants, thereby eliminating the need for physical movement of certificates. Clearstream provides to Clearstream Participants, among other things, services for safekeeping, administration, clearance and settlement of internationally-traded securities and securities lending and borrowing. Clearstream interfaces with domestic markets in several countries. As a professional depositary, Clearstream is subject to regulation by the Luxembourg Commission for the Supervision of the Financial Sector (*Commission de Surveillance du Secteur Financier*). Clearstream Participants are recognized financial institutions around the world, including underwriters, securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations and may include the underwriters. Indirect access to Clearstream is also available to others, such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with a Clearstream Participant, either directly or indirectly.

Distributions with respect to interests in the debt securities held beneficially through Clearstream will be credited to cash accounts of Clearstream Participants in accordance with its rules and procedures, to the extent received by the U.S. Depositary for Clearstream.

The Euroclear System

Edgar Filing: Synchrony Financial - Form S-3ASR

The Euroclear System has advised us that it was created in 1968 to hold securities for participants of the Euroclear System (Euroclear Participants) and to clear and settle transactions between Euroclear Participants through simultaneous electronic book-entry delivery against payment, thereby eliminating the need for physical

movement of certificates and any risk from lack of simultaneous transfers of securities and cash. The Euroclear System includes various other services, including securities lending and borrowing and interfaces with domestic markets in several countries. The Euroclear System is operated by Euroclear Bank S.A./N.V. (the Euroclear Operator). All operations are conducted by the Euroclear Operator, and all Euroclear securities clearance accounts and Euroclear System cash accounts are accounts with the Euroclear Operator. Euroclear Participants include banks (including central banks), securities brokers and dealers and other professional financial intermediaries and may include the underwriters. Indirect access to the Euroclear System is also available to other firms that clear through or maintain a custodial relationship with a Euroclear Participant, either directly or indirectly.

Securities clearance accounts and cash accounts with the Euroclear Operator are governed by the Terms and Conditions Governing Use of Euroclear and the related Operating Procedures of the Euroclear System, and applicable Belgian law (collectively, the Terms and Conditions). The Terms and Conditions govern transfers of securities and cash within the Euroclear System, withdrawals of securities and cash from the Euroclear System, and receipts of payments with respect to securities in the Euroclear System. All securities in the Euroclear System are held on a fungible basis without attribution of specific certificates to specific securities clearance accounts. The Euroclear Operator acts under the Terms and Conditions only on behalf of Euroclear Participants, and has no records of or relationship with persons holding through Euroclear Participants.

Distributions with respect to each series of debt securities held beneficially through the Euroclear System will be credited to the cash accounts of Euroclear Participants in accordance with the Terms and Conditions, to the extent received by the U.S. Depositary for the Euroclear System.

Definitive Certificate Form

We will issue debt securities in definitive certificated form in exchange for global securities if:

the depositary notifies us that it is unwilling or unable to continue as depositary with respect to the applicable series of debt securities or the depositary ceases to be a clearing agency registered under the Exchange Act and, in each case, a successor depositary is not appointed by us within 90 days of such notice or of our becoming aware of that failure to be registered;

we determine at any time that the applicable series of debt securities will no longer be represented by global security certificates (in which case we will inform the depositary of such determination who will, in turn, notify participants of their right to withdraw their beneficial interest from the global security certificates representing such series of debt securities); or

any event shall have occurred and be continuing which, after notice or lapse of time, or both, would constitute an event of default with respect to the applicable series of debt securities, and that exchange is so requested by or on behalf of the depositary in accordance with customary procedures following the request of a beneficial owner seeking to exercise or enforce its rights under that series of debt securities.

Any global debt security, or portion thereof, that is exchangeable pursuant to the foregoing paragraph will be exchangeable for debt security certificates, as the case may be, registered in the names directed by the depositary. We expect that these instructions will be based upon directions received by the depositary from its participants with respect to ownership of beneficial interests in the global security certificates.

Edgar Filing: Synchrony Financial - Form S-3ASR

As long as the depositary or its nominee is the registered owner of the global security certificates, the depositary or its nominee, as the case may be, will be considered the sole owner and holder of the global security certificates and all debt securities represented by these certificates for all purposes under the debt securities and the indentures. Except in the limited circumstances referred to above, owners of beneficial interests in global security certificates:

will not be entitled to have the debt securities represented by these global security certificates registered in their names; and

Table of Contents

will not be considered to be owners or holders of the global security certificates or any debt securities represented by these certificates for any purpose under the debt securities or the indentures.

All payments on the debt securities represented by the global security certificates and all transfers and deliveries of related debt securities will be made to the depositary or its nominee, as the case may be, as the holder of the debt securities.

Global Security Certificates

Ownership of beneficial interests in the global security certificates will be limited to participants or persons that may hold beneficial interests through institutions that have accounts with the depositary or its nominee. Ownership of beneficial interests in global security certificates will be shown only on, and the transfer of those ownership interests will be effected only through, records maintained by the depositary or its nominee, with respect to participants interests, or any participant, with respect to interests of persons held by the participant on their behalf. Payments, transfers, deliveries, exchanges and other matters relating to beneficial interests in global security certificates may be subject to various policies and procedures adopted by the depositary from time to time. Neither we nor the trustee will have any responsibility or liability for any aspect of the depositary's or any participant's records relating to, or for payments made on account of, beneficial interests in global security certificates, or for maintaining, supervising or reviewing any of the depositary's records or any participant's records relating to these beneficial ownership interests.

Although the depositary has agreed to the foregoing procedures in order to facilitate transfers of interests in the global security certificates among participants, the depositary is under no obligation to perform or continue to perform these procedures, and these procedures may be discontinued at any time. We will not have any responsibility for the performance by the depositary or its direct participants or indirect participants under the rules and procedures governing the depositary.

Global Clearance and Settlement Procedures

Unless otherwise indicated in an applicable prospectus supplement, initial settlement for the debt securities will be made in immediately available funds. Secondary market trading between DTC participants will occur in the ordinary way in accordance with DTC's rules and will be settled in immediately available funds using DTC's Same-Day Funds Settlement System. Secondary market trading between Clearstream Participants and/or Euroclear Participants will occur in the ordinary way in accordance with the applicable rules and operating procedures of Clearstream and the Euroclear System, as applicable.

Cross-market transfers between persons holding directly or indirectly through DTC on the one hand, and directly or indirectly through Clearstream Participants or Euroclear Participants, on the other, will be effected through DTC in accordance with DTC rules on behalf of the relevant European international clearing system by its U.S. Depositary; however, such cross-market transactions will require delivery of instructions to the relevant European international clearing system by the counterparty in such system in accordance with its rules and procedures and within its established deadlines (European time). The relevant European international clearing system will, if the transaction meets its settlement requirements, deliver instructions to its U.S. Depositary to take action to effect final settlement on its behalf by delivering or receiving securities in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Clearstream Participants and Euroclear Participants may not deliver instructions directly to their respective U.S. Depositaries.

Because of time-zone differences, credits of debt securities received in Clearstream or the Euroclear System as a result of a transaction with a DTC participant will be made during subsequent securities settlement processing and dated the business day following the DTC settlement date. Such credits or any transactions in

Table of Contents

such debt securities settled during such processing will be reported to the relevant Euroclear Participant or Clearstream Participant on such business day. Cash received in Clearstream or the Euroclear System as a result of sales of the debt securities by or through a Clearstream Participant or a Euroclear Participant to a DTC participant will be received with value on the DTC settlement date but will be available in the relevant Clearstream or the Euroclear System cash account only as of the business day following settlement in DTC.

Although DTC, Clearstream and the Euroclear System have agreed to the foregoing procedures in order to facilitate transfers of debt securities among participants of DTC, Clearstream and the Euroclear System, they are under no obligation to perform or continue to perform such procedures and such procedures may be discontinued or changed at any time.

Anti-Takeover Effects of Provisions of the DGCL, Federal Reserve Board Regulations and Our Certificate of Incorporation and Bylaws

The DGCL, Federal Reserve Board regulations and our certificate of incorporation and bylaws contain provisions that may delay, deter, prevent or render more difficult a takeover attempt that our stockholders might consider to be in their best interests. Even in the absence of a takeover attempt, these provisions may also adversely affect the prevailing market price for our common stock if they are viewed as limiting the liquidity of our common stock or discouraging takeover attempts in the future.

Federal Reserve Board Requirements

Under Federal Reserve Board regulations, takeover attempts, business combinations and certain acquisitions of our common stock may require the prior approval of or notice to the Federal Reserve Board. If an entity seeks to acquire, either acting alone or in concert with others, 25% or more of any class of our voting stock, acquire control of the election or appointment of a majority of the directors on our board of directors, or exercise a controlling influence over our management or policies, it would be required to obtain the prior approval of the Federal Reserve Board. An existing bank holding company generally would need to obtain the Federal Reserve Board's approval before acquiring 5% or more of any class of our voting stock. In addition, under other Federal Reserve Board regulations, if any individual or entity seeks to acquire, either acting alone or in concert with others, 25% or more of any class of our voting stock, the individual or entity generally is required to provide 60 days' prior notice to the Federal Reserve Board. An individual or entity is presumed to control us, and therefore generally required to provide 60 days' prior notice to the Federal Reserve Board, if the individual or entity acquires 10% or more of any class of our voting stock, although the individual or entity may seek to rebut the presumption of control based on the facts.

Authorized but Unissued Common and Preferred Stock

The existence of authorized and unissued common and preferred stock may enable our board of directors to issue shares to persons friendly to current management, which could render more difficult or discourage an attempt to obtain control of us by means of a merger, tender offer, proxy contest or otherwise, and could thereby protect the continuity of our management and possibly deprive stockholders of opportunities to sell common stock they own at prices higher than prevailing market prices.

Board of Directors

Our certificate of incorporation provides that, subject to the rights of the holders of any series of preferred stock, any director or the entire board of directors may be removed at any time with or without cause by the affirmative vote of the holders of a majority in voting power of our outstanding common stock entitled to vote thereon.

Stockholder Action

Our certificate of incorporation provides that any action required or permitted to be taken by our stockholders must be effected at a duly called annual or special meeting of such holders and may not be effected by any consent in writing by such holders; provided, however, that any action required or permitted to be taken by the holders of any series of preferred stock, voting separately as a series or separately as a class with one or more other such series, may be taken without a meeting, without prior notice and without a vote, to the extent expressly so provided by the applicable preferred stock designation.

Table of Contents

Our certificate of incorporation also provides that, except as required by law and subject to the rights of any holders of preferred stock, special meetings of our stockholders for any purpose or purposes may be called only (i) by or at the direction of our board of directors, any committee of our board of directors, our Chairman of the board of directors or our Chief Executive Officer or (ii) by our corporate secretary upon the written request of holders of a majority of our issued and outstanding common stock. No business other than that stated in the notice will be transacted at any special meeting. These provisions may have the effect of delaying consideration of a stockholder proposal until the next annual meeting.

Advance Notice Requirements for Nominations of Directors or Other Stockholder Proposals

Our bylaws require stockholders seeking to nominate persons for election as directors at an annual or special meeting of stockholders, or to bring other business before an annual or special meeting (other than a matter brought under Rule 14a-8 under the Exchange Act), to provide timely notice in writing. To be timely, a stockholder's notice generally must be delivered to our corporate secretary, in the case of an annual meeting, not later than the close of business on the 90th day, nor earlier than the close of business on the 120th day, prior to the anniversary date of the immediately preceding annual meeting of stockholders. However, if the annual meeting is called for a date that is more than 30 days before or more than 70 days after that anniversary date, or in the case of a special meeting, to be timely, a stockholder's notice must be received by our corporate secretary not earlier than the close of business on the 120th day prior to such meeting and not later than the close of business on the later of the 90th day prior to such meeting or the tenth day following the day on which public announcement is first made by us of the date of such meeting.

A stockholder's notice to our corporate secretary must be in proper written form and must set forth information related to the stockholder giving the notice and the beneficial owner (if any) on whose behalf the nomination is made, including:

the name and record address of the stockholder and the beneficial owner;

information as to the ownership by the stockholder and the beneficial owner of our capital stock, derivative instruments, short positions and related information;

a representation that the stockholder is a holder of record of our stock entitled to vote at that meeting and that the stockholder intends to appear in person or by proxy at the meeting to propose such nomination or business; and

a representation whether the stockholder or the beneficial owner intends or is part of a group which intends to deliver a proxy statement or form of proxy to holders of at least the percentage of our outstanding capital stock required to elect the nominee, or otherwise to solicit proxies from stockholders in support of such nomination or proposal.

As to each person whom the stockholder proposes to nominate for election as a director, the notice shall include, among other information, the following:

Edgar Filing: Synchrony Financial - Form S-3ASR

all information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors in a contested election contest, or otherwise required, pursuant to the Exchange Act;

the person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected;

a written questionnaire with respect to the background and qualification of such person and the background of any other person or entity on whose behalf the nomination is being made;

the person's written representation and agreement that: (i) except as has been disclosed to us, such person is not and will not become a party to any voting commitment or compensation, reimbursement or indemnification arrangement in connection with service as a director and (ii) such person would, if

Table of Contents

elected as a director, comply with all of our corporate governance, ethics, conflict of interest, confidentiality and stock ownership and trading policies and guidelines applicable generally to our directors; and

such other information as required under our bylaws.

As to any other business that the stockholder proposes to bring before the meeting, the notice shall include, among other information, the following:

a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the complete text of any resolutions or bylaw amendment proposed for consideration), the reasons for conducting the business at the meeting and any material interest in such business of such stockholder and beneficial owner on whose behalf the proposal is made; and

a description of all agreements, arrangements and understandings between the stockholder and beneficial owner and any other person or persons acting in concert with them in connection with the proposal.

Exclusive Forum

Our certificate of incorporation provides that, unless we consent in writing to the selection of another forum, the Court of Chancery of the State of Delaware shall be the exclusive forum for: (i) any derivative action or proceeding brought on our behalf, (ii) any action asserting a claim of breach of fiduciary duty owed by any director, officer or employee to us or our stockholders, (iii) any action asserting a claim pursuant to the DGCL or (iv) any action asserting a claim governed by the internal affairs doctrine. Our certificate of incorporation further provides that, to the fullest extent permitted by law, any person or entity purchasing or otherwise acquiring any interest in shares of our capital stock shall be deemed to have notice of and to have consented to this provision. Although we believe this provision benefits us by providing increased consistency in the application of Delaware law in the types of lawsuits to which it applies, the provision may have the effect of discouraging lawsuits against our directors and officers. The enforceability of similar choice of forum provisions in other companies' certificates of incorporation has been challenged in legal proceedings, and it is possible that, in connection with any action, a court could find the choice of forum provisions contained in our certificate of incorporation to be inapplicable or unenforceable in such action.

Limitation of Liability and Indemnification Matters

Our certificate of incorporation provides that, to the fullest extent permitted by the DGCL as it now exists or may hereafter be amended, none of our directors will be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director. Under the DGCL as it now reads, such limitation of liability is not permitted:

for any breach of the director's duty of loyalty to us or our stockholders;

for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

for payments of unlawful dividends or unlawful stock purchases or redemptions under Section 174 of the DGCL; or

for any transaction from which the director derived an improper personal benefit.

Section 145 of the DGCL provides that a corporation may indemnify directors and officers, as well as other employees and individuals, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement, that are incurred in connection with various actions, suits or proceedings, whether civil, criminal, administrative or investigative, other than an action by or in the right of the corporation, known as a derivative action, if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best

Table of Contents

interests of the corporation, and, with respect to any criminal action or proceeding, if they had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification only extends to expenses, including attorneys' fees, incurred in connection with the defense or settlement of such actions, and the statute requires court approval before there can be any indemnification if the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation's bylaws, disinterested director vote, stockholder vote, agreement or otherwise.

Our certificate of incorporation provides that each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that such person, or a person of whom such person is the legal representative, is or was a director or officer of us, or has or had agreed to become a director of us, or, while a director or officer of us, is or was serving at our request as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, whether the basis of such proceeding is the alleged action of such person in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, will be indemnified and held harmless by us to the fullest extent authorized by the DGCL against all expense, liability and loss reasonably incurred or suffered by such person in connection therewith. Our certificate of incorporation also provides that we will pay the expenses incurred in defending any such proceeding in advance of its final disposition, subject to the provisions of the DGCL. These rights are not exclusive of any other right that any person may have or acquire under any statute, provision of our certificate of incorporation, bylaw, agreement, vote of stockholders or disinterested directors or otherwise. No repeal or modification of these provisions will in any way diminish or adversely affect the rights of any director or officer of us under our certificate of incorporation in respect of any occurrence or matter arising prior to any such repeal or modification. Our certificate of incorporation also specifically authorizes us to grant similar indemnification rights to our employees or agents and our bylaws authorize us to maintain insurance on behalf of any person who is an officer, director, employee or agent.

Delaware Business Combination Statute

Our certificate of incorporation does not exempt us from the application of Section 203 of the DGCL.

Section 203 of the DGCL provides that, subject to exceptions set forth therein, an interested stockholder of a Delaware corporation shall not engage in any business combination, including mergers or consolidations or acquisitions of additional shares of the corporation from the corporation, with the corporation for a three-year period following the time that such stockholder became an interested stockholder unless:

prior to such time, the board of directors of the corporation approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder;

upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least 85% of the voting stock of the corporation outstanding at the time the transaction commenced, other than statutorily excluded shares; or

Edgar Filing: Synchrony Financial - Form S-3ASR

at or subsequent to such time, the business combination is approved by the board of directors of the corporation and authorized at an annual or special meeting of stockholders by the affirmative vote of at least 66 2/3% of the outstanding voting stock which is not owned by the interested stockholder.

Except as otherwise set forth in Section 203 of the DGCL, an interested stockholder is defined to include:

any person that is the owner of 15% or more of the outstanding voting stock of the corporation, or is an affiliate or associate of the corporation and was the owner of 15% or more of the outstanding voting stock of the corporation at any time within three years immediately prior to the date of determination; and

the affiliates and associates of any such person.

DESCRIPTION OF DEPOSITARY SHARES

We may offer depositary receipts for depositary shares, each of which will represent a fractional interest in a share of a particular series of a class of our preferred stock, as described in any applicable prospectus supplement. Preferred stock of each series of each class represented by depositary shares will be deposited under a separate deposit agreement among us, the preferred stock depositary named in the deposit agreement and the holders from time to time of our depositary receipts. Subject to the terms of the deposit agreement, each owner of a depositary receipt will be entitled, in proportion to the fractional interest of a share of the particular series of a class of our preferred stock represented by the depositary shares evidenced by such depositary receipt, to all the rights and preferences of the preferred stock represented by those depositary shares (including dividend, voting, conversion, redemption and liquidation rights).

The depositary shares will be evidenced by depositary receipts issued pursuant to the applicable deposit agreement. Immediately following our issuance and delivery of the preferred stock to the preferred stock depositary, we will cause the preferred stock depositary to issue, on our behalf, the depositary receipts.

The description in any applicable prospectus supplement will not necessarily be complete, and reference will be made to the relevant deposit agreement and depositary receipts, which will be filed with the SEC. Copies of the applicable form of deposit agreement and depositary receipt may be obtained from us upon request.

DESCRIPTION OF WARRANTS

We may issue warrants to purchase debt securities, common stock or preferred stock. We may issue warrants independently or together with other securities. Warrants sold with other securities may be attached to or separate from the other securities. We will issue warrants under one or more warrant agreements between us and a warrant agent that we will name in any applicable prospectus supplement.

if the exercise price is not payable in U.S. dollars, the foreign currency, currency unit or composite currency in which the exercise price is denominated;

any minimum or maximum amount of warrants that may be exercised at any one time;

any terms relating to the modification of the warrants; and

any terms, procedures and limitations relating to the transferability, exchange or exercise of the warrants.

DESCRIPTION OF STOCK PURCHASE CONTRACTS AND STOCK PURCHASE UNITS

We may issue stock purchase contracts, including contracts obligating holders to purchase from us, and us to sell to the holders, a specified number of shares of our common stock or preferred stock at a future date or dates (the "Stock Purchase Contracts"). The price per share of shares of our common stock or preferred stock and number of shares of our common stock or preferred stock may be fixed at the time the Stock Purchase Contracts are issued or may be determined by reference to a specific formula set forth in the Stock Purchase Contracts. The Stock Purchase Contracts may be issued separately or as a part of units consisting of a Stock Purchase Contract and our debt securities or debt obligations of third parties, securing the holders' obligations to purchase the shares of our common stock or preferred stock under the Stock Purchase Contracts, which we refer to in this prospectus as "Stock Purchase Units." The Stock Purchase Contracts may require holders to secure their obligations thereunder in a specified manner. The Stock Purchase Contracts also may require us to make periodic payments to the holders of the Stock Purchase Units or vice-versa and such payments may be unsecured or prefunded on some basis.

An applicable prospectus supplement will describe the terms of any Stock Purchase Contracts or Stock Purchase Units. The description in any applicable prospectus supplement will not necessarily be complete, and reference will be made to the Stock Purchase Contracts, and, if applicable, collateral or depositary arrangements, relating to the Stock Purchase Contracts or Stock Purchase Units. Material United States federal income tax considerations applicable to the Stock Purchase Units and the Stock Purchase Contracts will also be discussed in an applicable prospectus supplement.

PLAN OF DISTRIBUTION

We or, if applicable, a selling securityholder, may sell the offered securities inside and outside the United States from time to time (a) through underwriters or dealers, (b) directly to one or more purchasers, including our affiliates, (c) through agents, or (d) through a combination of any of these methods. An applicable prospectus supplement will describe the terms of the offering of the applicable securities and the method of distribution of those securities, including the following information, if applicable:

the names of any underwriters or agents;

the name or names of any managing underwriter or underwriters;

the purchase price of the securities from us;

the net proceeds to us from the sale of the securities;

any delayed delivery arrangements;

any underwriting discounts, commissions and other items constituting underwriters' compensation;

any initial public offering price;

any discounts or concessions allowed or reallocated or paid to dealers; and

any commissions paid to agents.

General

Underwriters, dealers, agents and remarketing firms that participate in the distribution of the offered securities may be underwriters as defined in the Securities Act. Any discounts or commissions they receive from us and any profits they receive on the resale of the offered securities may be treated as underwriting discounts and commissions under the Securities Act. We will identify any underwriters, agents or dealers and describe their commissions, fees or discounts in an applicable prospectus supplement.

Sale Through Underwriters or Dealers

If we use underwriters in a sale, they will acquire the offered securities for their own account. The underwriters may resell the securities in one or more transactions, including negotiated transactions. These sales will be made at a fixed public offering price or at varying prices determined at the time of the sale.

We may offer the securities to which this prospectus relates to the public through an underwriting syndicate or through a single underwriter.

Unless any applicable prospectus supplement states otherwise, the obligations of the underwriters to purchase the offered securities will be subject to certain conditions contained in an underwriting agreement that we will enter into with the underwriters. The underwriters will be obligated to purchase all of the securities of the series offered if any of the securities are purchased, unless an applicable prospectus supplement says otherwise. Any initial public offering price and any discounts or concessions allowed, re-allowed or paid to dealers may be changed from time to time.

If we use dealers in a sale of securities, we will sell the securities to them as principals. They may then resell those securities to the public at varying prices determined by the dealers at the time of resale. We will include in an applicable prospectus supplement the names of the dealers and the terms of the transaction.

Direct Sales and Sales Through Agents

We may choose to sell the offered securities directly. In this case, no underwriters or agents would be involved. We may also sell the securities through agents we designate from time to time. In an applicable

Table of Contents

prospectus supplement, we will name any agent involved in the offer or sale of the offered securities, and we will describe any commissions payable by us to the agent. Unless we inform you otherwise in an applicable prospectus supplement, any agent will agree to use its best efforts to solicit purchases for the period of its appointment.

We may sell the securities directly to institutional investors or others who may be deemed to be underwriters within the meaning of the Securities Act with respect to any sale of those securities. We will describe the terms of any such sales in an applicable prospectus supplement.

Delayed Delivery Contracts

If we so indicate in an applicable prospectus supplement, we may authorize agents, underwriters or dealers to solicit offers from certain types of institutions to purchase securities from us at the public offering price under delayed delivery contracts. These contracts would provide for payment and delivery on a specified date in the future. The contracts would be subject only to those conditions described in an applicable prospectus supplement. An applicable prospectus supplement will describe the commission payable for solicitation of those contracts.

Indemnification

We may have agreements with agents, underwriters, dealers and remarketing firms and each of their respective affiliates to indemnify them against certain civil liabilities, including liabilities under the Securities Act. Agents, underwriters, dealers and remarketing firms, and their affiliates, may engage in transactions with, or perform services for, us in the ordinary course of business. This includes commercial banking and investment banking transactions.

Market Making, Stabilization and Other Transactions

Unless any applicable prospectus supplement states otherwise, each series of offered securities will be a new issue and will have no established trading market. We may elect to apply to list any series of offered securities on an exchange. Any underwriters that we use in the sale of offered securities may make a market in those securities, but may discontinue such market making at any time without notice. Therefore, we cannot assure you that the offered securities will have a liquid trading market.

In connection with the distribution of the securities offered under this prospectus, we may enter into swap or other hedging transactions with, or arranged by, underwriters or agents or their affiliates, which may include short sales of the securities by counterparties or option, forward or other types of transactions that require delivery of securities to a counterparty, who may resell or transfer the securities offered under this prospectus.

Underwriters and others who are deemed to be underwriters under the Securities Act may engage in transactions that stabilize, maintain or otherwise affect the price of the securities, including the entry of stabilizing bids or syndicate covering transactions or the imposition of penalty bids. Any such underwriters and distribution participants may be subject to applicable provisions of the Exchange Act and the associated rules and regulations under the Exchange Act, including Regulation M, which provisions may limit the timing of purchases and sales of shares by the selling securityholders. Furthermore, under Regulation M, persons engaged in a distribution of securities are prohibited from simultaneously engaging in market making and certain other activities with respect to such securities for a specified period of time prior to the commencement of such distributions, subject to special exceptions or exemptions. In addition, the anti-manipulation rules under the Exchange Act may apply to sales of the securities in the market. All of these limitations may affect the marketability of the securities and the ability of any person to engage in market-making activities with respect to the securities.

Selling Securityholder

A selling securityholder may use this prospectus in connection with the offering of our securities for resale. An applicable prospectus supplement will identify the selling securityholder and the terms of the securities

A selling securityholder may be deemed to be an underwriter in connection with the securities it resells and any profits on the resales may be deemed to be underwriting discounts and commissions under the Securities Act. A selling securityholder will receive all the proceeds, and we will not receive any proceeds, from resales by that selling securityholder.

Item 15. Indemnification of Directors and Officers

Section 145 of the General Corporation Law of the State of Delaware (DGCL) provides that a corporation may indemnify any person, including directors and officers, as well as employees and agents, against expenses, including attorneys fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any threatened, pending or completed actions, suits or proceedings in which such person is made a party by reason of such person being or having been a director, officer, employee or agent of such corporation. Section 145 of the DGCL provides that the rights contained therein are not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

Section 102(b)(7) of the DGCL permits a corporation to provide in its certificate of incorporation that a director of the corporation shall not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liability (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) for payments of unlawful dividends or unlawful stock repurchases or (iv) for any transactions from which the director derived an improper personal benefit.

The certificate of incorporation of SYNCHRONY FINANCIAL (the Registrant) provides that the Registrant will indemnify its directors and officers to the fullest extent permitted by law and that, to the fullest extent permitted by law, no director shall be liable for monetary damages to the Registrant or its stockholders for any breach of fiduciary duty as a director.

The Registrant has obtained industry standard policies of insurance under which coverage is provided to its directors and officers against legal liability for loss which is not indemnified arising from claims made by reason of breach of duty or other wrongful act while acting in their capacity as directors and officers of the Registrant. Further, the Registrant entered into indemnification agreements with its directors and executive officers which would require it, among other things, to indemnify them against certain liabilities which may arise by reason of their status or service as a director or officer and to advance to them expenses, subject to reimbursement to the Registrant if it is determined that they are not entitled to indemnification.

In addition, any underwriting agreement that the Registrant may enter into in connection with the sale of any securities registered hereunder may provide for indemnification of the Registrant, its directors, certain of its officers and certain persons who control the Registrant by the underwriters against certain liabilities. To the extent that the Registrant enters into any such underwriting agreement, it will file it as an exhibit to a Current Report on Form 8-K, which will be incorporated by reference into this registration statement.

Item 17. Undertakings

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that the undertakings set forth in paragraphs (i), (ii) and (iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference into the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
- (i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.
- (5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.
- (6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(7) To supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of

unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the indemnification provisions described herein, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
