Actual results or events could differ materially from those set forth in, or implied by, the forward-looking statements and the related assumptions due to a variety of factors. Reference is made to the section entitled Forward-Looking Statements on page 2 of the Annual Information Form for a discussion of such factors.

### **5. CONTROLS AND PROCEDURES**

The Registrant's Chief Executive Officer and its Executive Vice-President and Chief Financial Officer are responsible for establishing and maintaining the Registrant's disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) of the Exchange Act) and internal control over financial reporting (as such term is defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act).

#### Disclosure Controls and Procedures

The Registrant maintains disclosure controls and procedures designed to ensure that material information required to be disclosed in reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported on a timely basis, and that such information is accumulated and communicated to senior management, including the Registrant's Chief Executive Officer and Chief Financial Officer, as appropriate, to enable them to make timely decisions regarding required disclosure of such information. The Registrant has conducted an evaluation of its disclosure controls and procedures as of December 31, 2016 under the supervision, and with the participation of, its

Chief Executive Officer and its Chief Financial Officer. Based on this evaluation, the Registrant's Chief Executive Officer and Chief Financial Officer have concluded that the Registrant's disclosure controls and procedures (as this term is defined in the rules adopted by Canadian securities regulatory authorities and the United States Securities and Exchange Commission) are effective as of December 31, 2016.

Internal Control Over Financial Reporting

Management of the Registrant is responsible for establishing and maintaining adequate internal control over financial reporting for the Registrant. Internal control over financial reporting is a process designed to provide reasonable, but not absolute, assurance regarding the reliability of financial reporting and preparation of financial

statements for external purposes in accordance with accounting principles generally accepted in the United States. Due to its inherent limitations, internal control over financial reporting may not prevent or detect misstatements on a timely basis. Additionally, projections of any evaluation of the effectiveness of internal control over financial reporting to future periods are subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate. The Registrant's management used the Committee of Sponsoring Organizations of the Treadway Commission (COSO) Internal Control-Integrated Framework (2013) to evaluate the effectiveness of internal control over financial reporting. On January 4, 2016, the Registrant completed the acquisition of the Getrag Group of Companies (Getrag). As permitted by securities rules and regulations, the Registrant excluded Getrag from its evaluation of internal control over financial reporting as of December 31, 2016. The excluded Getrag assets constituted 7% of the Registrant's total assets as of December 31, 2016. Overall, Getrag constituted 6% of sales and 2% of net income of the Registrant for the year ended December 31, 2016. Based on this evaluation, the Registrant's Chief Executive Officer and Chief Financial Officer have assessed the effectiveness of the internal control over financial reporting and concluded that, as at December 31, 2016, such internal control over financial reporting is effective. The Company's internal control over financial reporting as of December 31, 2016 has been audited by Deloitte LLP, the Independent Registered Public Accounting Firm who also audited the Company's consolidated financial statements for the year ended December 31, 2016. Deloitte LLP expressed an unqualified opinion on the effectiveness of the Company's internal control over financial reporting. This report precedes the Registrant's audited consolidated financial statements for the year ended December 31, 2016, and is located on page 26 of the Annual Shareholders' Report.

#### Changes in Internal Controls Over Financial Reporting

Other than the addition of Getrag's operations to the Registrant's internal control over financial reporting, there have been no changes in the Registrant's internal controls over financial reporting that occurred during the year ended December 31, 2016 that have materially affected, or are reasonably likely to materially affect, the Registrant's internal control over financial reporting. The Registrant is currently integrating Getrag into its operations, compliance programs and internal control process. As permitted by the securities rules and regulations, the Registrant has excluded Getrag from management's evaluation of internal control over financial reporting as of December 31, 2016.

None of the services provided by the Auditor in 2016 were treated as exempt from
