This Amendment No. 2 to Schedule 13D (this Amendment No. 2) amends and supplements the Statement on Schedule 13D filed with the United States Securities and Exchange Commission on February 17, 2017, as amended to date (the Statement), relating to the Common Stock (the Common Stock) of Dynegey, Inc. (the Issuer). Capitalized terms used herein without definition shall have the meaning set forth in the Statement.

Item 4. Purpose of Transaction.

Item 4 of the Statement is hereby amended and supplemented by adding the following:

Volt Merger Agreement, Terawatt Agreement and Investor Rights Agreement Amendment

On August 17, 2017, Volt Parent, LP, a Delaware limited partnership (Volt Parent), and Volt Merger Sub, Inc., a Delaware corporation (Volt Merger Sub), each entities affiliated with the Reporting Persons, entered into an Agreement and Plan of Merger (the Volt Merger Agreement), by and among Calpine Corporation, a Delaware corporation (Calpine), Volt Parent and Volt Merger Sub, pursuant to which, among other things, Volt Merger Sub will merge with and into Calpine (the Merger), with Calpine surviving the Merger as a subsidiary of Volt Parent. The Merger remains subject to regulatory and other conditions and, subject to the satisfaction or waiver of those conditions, is expected to close in the first quarter of 2018 (the Volt Merger Closing Date).

In order to facilitate regulatory approval of the Merger, Volt Parent has agreed in the Volt Merger Agreement to cause Terawatt Holdings, LP (Terawatt Holdings) to undertake any actions with respect to its ownership of the Common Stock required by the regulators to obtain approval of the Merger, including causing Terawatt Holdings to divest the Common Stock that it owns in the Issuer if required. In connection with the Merger Agreement, Terawatt Holdings and Calpine have entered into an agreement on September 5, 2017 (the Terawatt Agreement) pursuant to which:

Terawatt Holdings and Calpine agreed that Terawatt Holdings and any controlled affiliates from and after the closing of the Merger (for so long as Terawatt Holdings and such controlled affiliates own any shares of Common Stock in excess of 9.99% of the then-outstanding Common Stock): (a) shall not vote any shares of Common Stock beneficially owned by Terawatt Holdings or such controlled affiliates in excess of 9.99% of the then-outstanding Common Stock at any annual or special meeting (or adjournment thereof) of the stockholders of the Issuer or in any written consent of the stockholders of the Issuer (collectively, a Stockholder Vote), but, if requested by the Issuer, shall cause such shares to be present at any such meeting for purposes of establishing a quorum and (b) shall vote any shares of Common Stock beneficially owned by Terawatt Holdings or such controlled affiliates up to and including 9.99% of the then-outstanding Common Stock in proportion to the vote of all stockholders of the Issuer (other than Terawatt Holdings and any controlled affiliates) on any such matters subject to a Stockholder Vote;

Effective as of the Volt Merger Closing Date, Tyler Reeder will resign from the Issuer's board of directors, and Terawatt Holdings will not exercise its right to nominate any individual to, nor shall any Energy Capital Partners or Terawatt Holdings individual serve on, the Issuer's board of directors (as noted below however, the Issuer may request that any director nominated by Terawatt Holdings step down from the Issuer's board of directors prior to the closing of the Merger, subject to reinstatement if the closing of the Merger does not occur); and

Terawatt Holdings will agree to dispose of its Common Stock of the Issuer in excess of 9.99% of the outstanding Common Stock in due course (but in no event later than three (3) years) after the Volt Merger Closing Date. Volt Parent intends to seek approval from the regulators to be permitted to effect the disposal of its Common Stock of the Issuer in excess of 9.99% of the outstanding Common Stock over the three year period following the Volt Merger Closing Date.

There can be no assurances that the above steps will be required by the regulators in order to obtain approval of the Merger, or that the regulators will not require that the Reporting Persons make additional concessions.

Consistent with the above-referenced agreements with Calpine, on September 5, 2017, Terawatt Holdings and the Issuer entered into Amendment No. 1 to the Investor Rights Agreement (the "IRA Amendment"). Pursuant to the IRA Amendment, Terawatt Holdings and the Issuer agreed that (i) notwithstanding anything to the contrary contained in Section 11 of the Investor Rights Agreement, dated as of February 7, 2017, by and between Terawatt Holdings and the Issuer (the "IRA"), Terawatt Holdings and any controlled affiliates from and after the closing of the Merger (for so long as Terawatt Holdings and such controlled affiliates own any shares of Common Stock in excess of 9.99% of the then-outstanding Common Stock): (a) shall not vote any shares of Common Stock beneficially owned by Terawatt Holdings or such controlled affiliates in excess of 9.99% of the then-outstanding Common Stock at any Stockholder Vote, but, if requested by the Issuer, shall cause such shares to be present at any such meeting for purposes of establishing a quorum and (b) shall vote any shares of Common Stock beneficially owned by Terawatt Holdings or such controlled affiliates up to and including 9.99% of the then-outstanding Common Stock in proportion to the vote of all stockholders of the Issuer (other than Terawatt Holdings and any controlled affiliates) on any such matters subject to a Stockholder Vote; and (ii) effective as of the closing of the Merger, Section 9 of the IRA would be amended such that Terawatt Holdings would no longer have the right to nominate an individual for election to the Issuer's board of directors (and any director so serving on the Issuer's board of directors at such time would resign from the board of directors). In addition, Terawatt Holdings and the Issuer have separately agreed in the IRA Amendment to cause any director nominated by Terawatt Holdings to resign from the Issuer's board of the directors at any time prior to the closing of the Merger if so requested by the Issuer; provided, however, that if the Volt Merger Agreement is terminated and the closing of the Merger does not occur, Terawatt Holdings shall be entitled from and after the date of such termination to renominate an individual for election to the Issuer's board of directors in accordance with Section 9(a) of the IRA.

The foregoing descriptions of the Volt Merger Agreement, the Terawatt Agreement and the IRA Amendment do not purport to be complete and each is qualified in its entirety by reference to the full text of such agreements filed as exhibits to this Statement and incorporated herein by reference.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Item 6 of the Statement is hereby amended and supplemented by adding the following:

Item 4 above summarizes certain provisions of the Volt Merger Agreement, the Terawatt Agreement and the IRA Amendment and is incorporated herein by reference. A copy of each of the Volt Merger Agreement, the Terawatt Agreement and the IRA Amendment are attached as exhibits to this Statement and are incorporated herein by reference.
