Item 8.01. Other Events.

Air Products and Chemicals, Inc. (the Company) announced that it has entered into an agreement to form a joint venture with Lu'an Clean Energy Company, Ltd. (Lu'an) to own and operate a coal-to-syngas project in China's Shanxi Province. The Company will contribute four large air separation units previously constructed to supply the project and \$500 million in consideration for a 60% ownership in the joint venture. Lu'an will contribute gasification and syngas purification equipment in consideration for cash and a 40% ownership in the joint venture. The joint venture will receive coal, steam, and power from Lu'an and will supply syngas to Lu'an under a long-term, on-site supply agreement. The joint venture agreement is subject to government and regulatory approval.
