Item 8.01 Other Events

On January 2, 2018, Dominion Energy entered into an Agreement and Plan of Merger (the Merger Agreement) by and among Dominion Energy, Sedona Corp. and SCANA. The Merger Agreement provides for a stock-for-stock merger (the Merger) in which Sedona Corp., a wholly-owned subsidiary of Dominion Energy, will merge with and into SCANA and SCANA shareholders would receive 0.6690 shares of Dominion Energy common stock for each share of SCANA common stock, the equivalent of \$55.35 per share, or about \$7.9 billion based on Dominion Energy's share price at close of trading January 2, 2018. Following completion of the Merger, SCANA would operate as a wholly-owned subsidiary of Dominion Energy. Upon closing of the Merger, SCANA's shareholders would own an estimated 13% of Dominion Energy's outstanding common stock. Including assumption of debt, the value of the transaction is approximately \$14.6 billion.

The Merger Agreement contains customary representations, warranties, covenants and termination provisions. Consummation of the Merger is subject to the satisfaction or waiver of certain specified closing conditions, including (i) approval of the plan of merger contained in the Merger Agreement by SCANA's shareholders, (ii) compliance with applicable federal and state regulatory filing and approval requirements, including under the Hart-Scott-Rodino Act and from the Nuclear Regulatory Commission, the Federal Energy Regulatory Commission and the public service commissions of South Carolina, North Carolina and Georgia and (iii) other customary closing conditions.

In connection with the request for South Carolina regulatory approval of the Merger, the Merger Agreement calls for significant benefits to the electric customers of SCANA's subsidiary South Carolina Electric & Gas Company (SCE&G) to offset previous and future costs relating to the abandoned V.C. Summer Units 2 and 3 new nuclear development project. A summary of these benefits, which include cash payments to be made to SCE&G electric customers following the closing of the Merger and future rate reductions for those customers, is contained in the press release referenced above and furnished herewith.
