## EXPLANATORY NOTE

This Amendment No. 2 ( Amendment No. 2 ) relates to the Common Shares, representing limited liability company interests ( Common Shares ), of Titan Energy, LLC, a Delaware limited liability company ( the Issuer ), and amends the Schedule 13D filed on September 12, 2016, as amended by Amendment No. 1 filed on March 5, 2018 (as amended, the Amended 13D ). Except as amended herein, the Amended 13D is unchanged and remains in effect. Capitalized terms used herein but not otherwise defined in this Amendment No. 2 shall have the respective meanings ascribed to them in the Amended 13D.

This Amendment No. 2 is filed to, among other things, report that:

effective as of April 9, 2018, GSO Capital Partners LP and its affiliates concluded their relationship with respect to all of FS Investments sponsored funds sub-advised by GSO or its affiliates, including FS Energy and Power Fund ( FSEP ), FS Investment Corporation II ( FSIC II ) and FS Investment Corporation III ( FSIC III ). As a result, each of the GSO Entities, each of the GSO Executives, each of the Blackstone Entities and Stephen A. Schwarzman who previously reported together with the reporting persons pursuant to a Joint Filing Agreement will now report their beneficial ownership of Issuer securities on a separate Schedule 13D statement;

effective as of April 9, 2018, (i) FSEP terminated FS Investment Advisor, LLC as its investment adviser, and (ii) FS/EIG Advisor, LLC serves as investment adviser to FSEP; and

effective as of April 9, 2018, (i) FSIC II terminated FSIC II Advisor, LLC as its investment adviser, (ii) FSIC III terminated FSIC III Advisor, LLC as its investment adviser and (iii) FS/KKR Advisor, LLC serves as the investment adviser to each of FSIC II and FSIC III. Accordingly, FSIC II Advisor, LLC no longer may be deemed to have sole voting, investment and/or dispositive power with respect to Common Shares held by FS Investment Corporation II and Cobbs Creek LLC.

Due to the fact that FSIC II Advisor, LLC has ceased to be the beneficial owner of more than 5% of the Common Shares, this Amendment No. 2 is an exit filing with respect to FSIC II Advisor, LLC.

Item 3 of the Amended 13D is hereby amended and restated as follows:

As described in more detail below under Item 4, in satisfaction of its obligations to the FS Funds under the Plan (as defined below), the Issuer issued an aggregate of 828,275 Common Shares to the FS Funds, as follows:

FS Energy and Power Fund	468,496
Foxfields Funding LLC	87,000
FS Investment Corporation II	134,000
Cobbs Creek LLC	66,040
FS Investment Corporation III	72,739

**Item 4. Purpose of Transaction.**

Item 4 of the Amended 13D is hereby amended and restated as follows

On July 25, 2016, Atlas Resource Partners, L.P. (the Partnership) and certain of its subsidiaries, including Atlas Resource Finance Corporation (together with the Partnership, the Debtors) filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the Bankruptcy Code) in the United States Bankruptcy Court for the Southern District of New York (the Bankruptcy Court), Case No. 16 - 12149 (SHL).

On August 26 2016, the Bankruptcy Court entered an order confirming the *Joint Prepackaged Chapter 11 Plan of Reorganization of Atlas Resource Partners, L.P., et al.* (the Plan).

On September 1, 2016, the Plan became effective pursuant to its terms and the Debtors emerged from their chapter 11 cases. Pursuant to the Plan, the business assets and operations of the Partnership vested in a new limited liability company, Titan Energy Operating LLC (New OpCo), which is a subsidiary of the Issuer.

On the same date and pursuant to the Plan, the Issuer issued an aggregate of 5,416,667 Common Shares pursuant to the Plan, including an aggregate of 828,275 Common Shares to the FS Funds in satisfaction of the Partnership's and the Issuer's obligations under the Plan. Certain of the FS Funds received Common Shares because of their holdings in the Partnership's unsecured notes, at an exchange rate of (i) 6.739042 Common Shares per \$1,000 of principal in the Partnership's 7.75% Senior Notes due 2021 and (ii) 6.740930 Common Shares per \$1,000 of principal in the Partnership's 9.25% Senior Notes due 2021 (and together with the 7.75% Senior Notes due 2021, the Notes). Under the Plan, the Debtors' obligations under the Notes have been extinguished.

In addition, on the same date and pursuant to the Plan, certain FS Funds received Common Shares as a result of their holdings in the Partnership's second lien term loan (Second Lien Loan), at a rate of 20 Common Shares per \$1,000 of principal in the Second Lien Loan. Pursuant to the Plan, the Second Lien Loan was refinanced and New OpCo has assumed the obligations of the Second Lien Loan.

As described in more detail below under Item 6, under the Registration Rights Agreement (defined below), the FS Funds and certain of their affiliates have certain piggy-back and demand registration rights with the Issuer, subject to the conditions and limitations set forth in the Registration Rights Agreement.

The FS Funds currently hold their Common Shares for investment purposes, subject to the following. After reviewing their investment in the Issuer, on the basis of various factors, including the Issuer's business, financial condition, results of operations and prospects, the FS Entities and their representatives have, from time to time, engaged in, and

expect to continue to engage in, discussions with the other lenders of the Issuer, including the lenders under the Issuer's amended and restated second lien credit agreement (the "Second Lien Facility") dated September 1, 2016, with Wilmington Trust, National Association, as administrative agent and collateral agent, and the Issuer's management regarding the possible conversion of some or all of the debt under the Second Lien Facility into equity of the Issuer or one or more of its subsidiaries (a "Potential Debt Conversion"). The FS Entities may develop plans with respect to a Potential Debt Conversion and expect to have discussions in the future with the Issuer's management, board of directors and representatives and advisors and other current and potential lenders and stockholders of the Issuer relating to a Potential Debt Conversion. There can be no assurance as to whether or when a Potential Debt Conversion will be consummated. In connection with a Potential Debt Conversion, the FS Entities may seek to change the composition of the board of directors of the Issuer or one or more of its subsidiaries, including by increasing or decreasing the number of directors. The Reporting Persons intend to review on a continuing basis the FS Funds investment in the Issuer. As a result of the Reporting Persons' continuous review and evaluation of the business of the Issuer, the Reporting Persons may communicate with the board of directors of the Issuer, members of management and/or other security holders from time to time with respect to operational, strategic, financial or governance matters or otherwise work with management and the board of directors with a view to maximizing security holder value. Subject to the agreements described herein, the Reporting Persons may seek to sell or otherwise dispose of some or all of the Issuer's securities (which may include, but is not limited to, transferring some or all of such securities to its affiliates or distributing some or all of such securities to

such Reporting Person's respective shareholders, partners, members or beneficiaries, as applicable) from time to time, and/or may seek to acquire additional securities of the Issuer (which may include rights or securities exercisable or convertible into securities of the Issuer) from time to time, in each case, in open market or private transactions, block sales or otherwise. Any transaction that the Reporting Persons may pursue may be made at any time and from time to time without prior notice and will depend on a variety of factors, including, without limitation, the price and availability of the Issuer's securities, subsequent developments affecting the Issuer, the Issuer's business and the Issuer's prospects, other investment and business opportunities available to the Reporting Persons, general industry and economic conditions, the securities markets in general, tax considerations and other factors deemed relevant by the Reporting Persons.

Except as described in this Item 4 of Schedule 13D, the Reporting Persons do not have any present plans or proposals that relate to or would result in any of the actions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D, and the Reporting Persons, at any time and from time to time, may review, reconsider and change their position and/or change their purpose and/or develop such plans and may seek to influence management or the board of directors of the Issuer with respect to the business and affairs of the Issuer, and may from time to time consider pursuing or proposing any such transactions and, in connection therewith, may discuss, evaluate and/or pursue any such transactions with advisors, the Issuer or other persons.
