Model for Partnerships in the Refining segment

Rio de Janeiro, April 19, 2018 – Petróleo Brasileiro S.A. – Petrobras reports that, in order to support its final proposal regarding partnerships in the refining segment, today, it will hold a seminar with the participation of the Ministry of Mines and Energy (MME), the National Petroleum Agency (ANP), the Brazilian Institute of Petroleum, Natural Gas and Biofuels (IBP) and other interested entities, to learn about these players' perspective on the subject and to introduce its preliminary model for partnerships in the sector.

It is a technical event, without the goal of announcing a decision on the matter. Accordingly, Petrobras clarifies that the preliminary model to be presented has no formal approval of its governance bodies (Executive Board and Board of Directors).

The pursuit of partnerships in the refining segment was approved in the Petrobras Strategic Planning (PE) and the 2017-2021 Business and Management Plan (PNG), and reinforced in PNG 2018-2022, as indicated in the strategy to reduce Petrobras' E&P, Refining, Transportation, Logistics, Distribution and Sale risks through partnership and disinvestments.

FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company's expected business and financial performance, among other matters, contain words such as believe, expect, estimate, anticipate, optimistic, intend, plan, aim, will, may, should, could, would, likely, and similar expressions cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company's actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of assumptions and factors. These factors include, but are not limited to, the following: (i) failure to comply with laws or regulations, including fraudulent activity, corruption, and bribery; (ii) the outcome of ongoing corruption investigations and any new facts or information that may arise in

relation to the Lava Jato Operation ; (iii) the effectiveness of the Company s risk management policies and procedures, including operational risk; and (iv) litigation, such as class actions or proceedings brought by governmental and regulatory agencies. A description of other factors can be found in the Company s Annual Report on Form 20-F for the year ended December 31, 2016, and the Company s other filings with the U.S. Securities and Exchange Commission.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

Date: April 19, 2018.
