CUSIP No. 253862 10 6 13D Page 6 of 13 Pages

Pursuant to Rule 13d-2 promulgated under the Securities Exchange Act of 1934, as amended, this Amendment No. 1 to the Schedule 13D (the "Amendment No. 1") amends the Schedule 13D filed on June 15, 2017 (the "Initial 13D"), and as amended by this Amendment No. 1, the "Schedule 13D"), on behalf of the Reporting Persons named in Item 2(a) thereof. Unless specifically amended hereby, the disclosures set forth in the Initial 13D shall remain unchanged. Capitalized terms used but not defined in this Amendment No. 1 shall have the meanings ascribed to them in the Initial 13D.

On August 10, 2017 the Reporting Persons ceased to be the beneficial owners of more than 5% of the outstanding Shares of the Issuer. The filing of this Amendment No. 1 represents the final amendment to the Schedule 13D and constitutes an exit filing for the Reporting Persons.

Item 4. Purpose of the Transaction.

Item 4 is hereby amended to add the following:

***July 28, 2017 Transactions***

On July 28, 2017, Iroquois Master Fund entered into an Exchange Agreement with the Issuer (the "Exchange Agreement") whereby Iroquois exchanged (a) (i) the Convertible Note, which was past due its June 2, 2017 maturity date, and (ii) the April 17, 2017 Warrant to purchase up to 83,334 Shares at \$0.90 per Share, including all claims due on each, for (b) (i) promissory notes in the principal amounts of \$110,000, \$35,000 and \$34,000 (the "Promissory Notes") and (ii) a warrant to purchase up to 83,334 Shares at \$0.55 per share (the "Exchange Warrant"). Such exchange was made in reliance upon the exemption from registration under Rule 3(a)(9) of the Securities Act of 1933, as amended (the "Securities Act").

The Promissory Notes were unsecured obligations of the Issuer, without interest. The Promissory Notes in principal amounts of \$110,000 and \$35,000 were payable in full on August 1, 2017, and the Promissory Note in principal amount of \$34,000 was payable in full on August 8, 2017. The Issuer paid Iroquois Master Fund the amount due in full under the Promissory Note with a principal amount of \$34,000 on August 7, 2017, and the Promissory Notes with principal amounts of \$35,000 and \$110,000 were cancelled in connection with the July 28, 2017 SPA and July 28, 2017 Subscription Agreement, respectively, as discussed below.

The Exchange Warrant becomes exercisable on the six month anniversary of the July 28, 2017 issuance date and it terminates five years after the initial exercise date. The Exchange Warrant may be exercised for cash or, upon the failure to maintain an effective registration statement, on a cashless basis. It is subject to a beneficial ownership limitation such that the holder may not acquire Shares upon the exercise thereof if the holder, with its affiliates, would beneficially own in excess of 4.99% of the number of Shares outstanding immediately after such exercise; provided, that such limitation may be decreased at any time by the holder, or may be increased up to 9.99% by the holder upon not less than 61 days' prior written notice to the Issuer.

On July 28, 2017, Iroquois Master Fund concurrently entered into a Securities Purchase Agreement with the Issuer (the "July 28, 2017 SPA") under which the Issuer issued and sold Iroquois Master Fund 63,600 Shares in exchange for the cancellation of the Promissory Note with a principal amount of \$35,000. Such Shares were not registered and were sold in reliance on Section 4(a)(2) and/or Regulation D promulgated under the Securities Act. The July 28, 2017 SPA included customary "piggy-back" registration rights for the 63,600 Shares issued thereunder for a period of 12 months from the date of such agreement.

Furthermore, on July 28, 2017, Iroquois Master Fund entered into a subscription agreement with the Issuer (the "July 28, 2017 Subscription Agreement"), under which the Issuer issued and sold in a registered direct offering 200,000 Shares at \$0.55 per Share for an aggregate purchase price of \$110,000, which was purchased in exchange for the cancellation of the Promissory Note in the principal amount of \$110,000. The 200,000 Shares were offered and sold pursuant to the Issuer's effective Registration Statement on Form S-3 (No. 333-215834), including the Prospectus Supplement filed by the Issuer with the SEC on July 28, 2017 in connection with such sale.

CUSIP No. 253862 10 6 13D Page 7 of 13 Pages

In connection with the July 28, 2017 Subscription Agreement, the Issuer also issued Iroquois Master Fund a warrant (the "Additional Warrant") to purchase 120,000 Shares at a purchase price of \$0.55 per Share. The Additional Warrant becomes exercisable on the six month anniversary of the issuance date thereof, and terminates on the five year anniversary of the date of issuance. The Additional Warrant may be exercised for cash or on a cashless basis. It is subject to a beneficial ownership limitation such that the holder may not acquire Shares upon the exercise thereof if the holder would beneficially own in excess of 4.99% of the number of Shares outstanding immediately after such exercise, or the holder, with its affiliates, would beneficially own in excess of 9.99% of the number of Shares outstanding immediately after such exercise; provided, that such limitation may be increased or decreased at any time by the holder upon not less than 61 days' prior written notice to the Issuer.

The foregoing is only a brief description of the material terms of the Promissory Notes, Exchange Agreement, July 28, 2017 SPA, July 28, 2017 Subscription Agreement, Exchange Warrant, and Additional Warrant. The foregoing descriptions are qualified in their entirety by reference to the full text of the forms of such documents, which are filed as Exhibits 99.1 through 99.6 hereto and incorporated by reference herein.

### ***August 10, 2017 Transactions***

On August 10, 2017, the Issuer entered into Securities Purchase Agreements (the "August 2017 SPAs") with each of Iroquois Master Fund and Iroquois Investment. Under the terms of the August 2017 SPAs, Iroquois Master Fund and Iroquois Investment acquired Warrants to purchase 183,333 Shares and 91,667 Shares, respectively (the "August 2017 Warrants") and 10% Senior Convertible Promissory Notes with principal amounts of \$110,000 and \$55,000, respectively (the "August 2017 Convertible Notes"), for aggregate purchase prices of \$110,000 and \$55,000, respectively. Such securities were sold in reliance on Section 4(a)(2) and Rule 506(b) promulgated under the Securities Act. In connection therewith, each of Iroquois Master Fund and Iroquois Investment also entered into Registration Rights Agreements with the Issuer dated August 10, 2017 (the "Registration Rights Agreements").

Each of the August 2017 Warrants entitles the holders to purchase Shares at an exercise price of \$0.66 per Share for a period of five years from the date of issuance, and are immediately exercisable. If the market price of the Shares is greater than the exercise price of the August 2017 Warrants, then they may be exercised on a cashless basis. They are subject to a beneficial ownership limitation such that the holder may not acquire Shares upon the exercise thereof if the holder, with its affiliates, would beneficially own in excess of 4.99% of the number of Shares outstanding immediately after such exercise; provided, that such limitation may be decreased at any time by the holder, or may be increased up to 9.99% by the holder upon not less than 61 days' prior written notice to the Issuer.

The August 2017 Convertible Notes include a one-time interest charge of 10% on the principal amount, and principal and interest are due on February 10, 2018. The August 2017 Convertible Notes are convertible at any time at the option of the holder into Common Stock at a conversion price of \$0.60 per Share, subject to customary adjustment for stock splits, stock dividends, combinations or similar events. As of the date of this Schedule 13D, the August 2017 Convertible Notes held by Iroquois Master Fund and Iroquois Investment are convertible into 200,000 and 100,000 Shares, respectively. The August 2017 Convertible Notes contain standard and customary events of default, upon which the Issuer may be required to pay the holder the principal amount due plus accrued interest earned thereon times 125%, plus any other expenses, and any amounts past due accrue interest at 15% per annum.

Upon notice and other conditions, the Issuer may at any time prior to conversion prepay the outstanding principal balance of the August 2017 Convertible Notes and interest accrued thereon by paying the following multiples of the outstanding principal and interest depending on the prepayment date: (i) within 30 days – 105%; (ii) 31 to 60 days - 110%; 61 to 120 days - 115%; and 120 days to maturity - 120%. In addition, the holders may, at their option, require the Issuer to repay all or a portion of the August 2017 Convertible Notes and interest earned thereon in the event the Issuer issues, in a single transaction or in a series within six months, debt or equity in the aggregate amount of \$2 million or more.

While amounts are outstanding under the August 2017 Convertible Notes, the Issuer may not enter into any public or private offering of its securities with any other investor that has the effect of establishing rights or otherwise benefiting such other investor in a manner more favorable in any material respect to such other investor than the rights and benefits established in favor of the holders unless the holders have been provided with the same rights and benefits. Further, until the earlier of the repayment or conversion of the August 2017 Convertible Notes, the Company shall not enter into any variable rate transactions. The August 2017 Convertible Notes are subject to a beneficial ownership limitation such that the holder may not acquire Shares upon the conversion thereof if the holder, with its affiliates, would beneficially own in excess of 4.99% of the number of Shares outstanding; provided, that such limitation may be waived upon 61 days' prior written notice to the Issuer.

CUSIP No. 253862 10 6 13D Page 8 of 13 Pages

Under the Registration Rights Agreements, the Issuer has agreed to register the Shares underlying the August 2017 Convertible Notes and August 2017 Warrants under the Securities Act. The Issuer will file, at its expense, a registration statement for the resale of such Shares by September 10, 2017 and cause such registration statement to be declared effective within 120 days of September 10, 2017, subject to any resale limitation imposed by the SEC. If the Issuer does not meet these timing and certain other requirements under the Registration Rights Agreement, the Issuer shall pay liquidated damages to each of Iroquois Master Fund and Iroquois Investment in the amount of \$15,000 per month until cured, and any such unpaid amount shall incur interest at 12% per annum.

The foregoing is only a brief description of the material terms of the August 2017 SPAs, August 2017 Warrants, August 2017 Convertible Notes, and Registration Rights Agreements. The foregoing descriptions are qualified in their entirety by reference to the full text of the forms of such documents, which are filed as Exhibits 99.7 through 99.10 hereto and incorporated by reference herein.

At this time, the Reporting Persons have determined that they no longer hold any Shares with the purpose, or with the effect of, changing or influencing control of the Issuer or in connection with or as a participant in any transaction having that purpose or effect, or any other plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of the instructions to Item 4 of Schedule 13D.
