MINUTES NO. 117 OF SADIA S.A. BOARD OF DIRECTORS MEETING,
HELD ON DECEMBER 21, 2006

On the twenty-first day of December of the year two thousand and six, at its facilities at Rua Fortunato Ferraz nº 365 – 2º andar, in São Paulo-SP, the members of Sadia S.A. Board of Directors held a meeting chaired by Mr. Walter Fontana Filho, and upon a verification of compliance with the first paragraph of Article 16 of the Bylaws, the meeting was called to order for appreciation of the matter below, which was approved by unanimous voting of those present, as follows:

1. AMENDMENT TO THE BYLAWS - Articles 15 and 16:

Upon a proposal tabled by the Executive Board and in accordance with the provisions under letter “a”, item VII of Article 17 of the Company's Bylaws, and for the purpose of submission to the appreciation of the Extraordinary Shareholders Meeting to be called, the Board of Directors approved by unanimity the proposal for the amendment of Article 15 and by the majority present the proposal for amendment of Article 16 of the By Laws, consisting of a new procedure for election, by preferred or minority shareholders, of members to the Company's Board of Directors. *“To the Shareholders. The new procedure for representing minority shareholders established by the reform of the Corporate Law approved by Law No. 10303/01 implies, upon the lapse of the transition period established in its art. 8º, the need to introduce a more detailed guideline about determining any possible conflict of interests resulting from the election of administrators in competitive companies in the marketplace. In the wake of this reform, the law addressed this issue in its Para. 3, art. 147, acknowledging the ineligibility of members attached to competitors or, more broadly, members having interests which conflict with the Company's interests, an issue which led to the enactment of CVM Instruction No. 367/2002. The Board of Directors realizes that, similarly to the models followed by other Brazilian publicly-held companies, it is justifiable to have in the Bylaws a broad scope in relation to the qualification of the candidates proposed by preferred or minority shareholders so as to enable a better representativeness, by having other shareholders supporting the respective nominees or to facilitate a competition in searching the candidate more capable of making a contribution towards a better corporate governance. On the other hand and without prejudice of the voting right of the shareholder interested in being freely represented in the Board, the Board realizes that, along the same lines of the already cited CVM Instruction No. 367, it is justifiable to adopt clearer guidelines to permit the identification of conflicting interest situations. It should be pointed out that the intention is not to restrict, in any way, the representation of the preferred or minority shareholders in the Board. In this connection, care was taken to make it very clear that, even in a situation of permanent conflict, a shareholder may elect an independent member, defined in a manner similar to that used by BOVESPA. In brief, this is not a restriction to the shareholder and, instead, this is aimed at selecting a candidate that will ensure such representation and, as required by law, an effective performance of the selected member. Further, the Board of Directors realizes that the presence of a member involved in a permanent conflicting situation, i.e., resulting from the election by*

the same shareholder or group of shareholders (or by other entities directly or indirectly related to them), would lead, undoubtedly, to a repeated, or even permanent, abstention from voting by such member with conflicting corporate activities, a situation highly prejudicial to good corporate governance and, ultimately, to a structural unfeasibility of complying with the legal duties of diligence of a member continuously so impeded. In view of the foregoing, and in conformity with the provision under letter "a", item VII of Article 17 of the Bylaws, the Board proposes the following amendments to the Bylaws: I - Article 15: i) change in the wording of Paragraph 1, establishing that the election of Vice President(s) to the Board of Directors be also the duty of the general shareholders meeting; ii) deletion of the current Paragraph 2; iii) introduction of new Paragraphs to that article, to establish a procedure for the nomination by shareholders of members to the Board of Directors and to define and discipline situations of interest conflicting with those of the Company; II - Article 16: Amendment to the heading of this article, to change the minimum frequency for holding ordinary meetings of the Board of Directors, from monthly to quarterly; III – Consolidation of the Bylaws: in accordance with the above proposed amendments. If this proposal is approved, the amended provisions of the Bylaws will read as shown below and, for convenience of the reader, the amendments are shown underlined and in bold, as follows:
