Item 1.01 Entry Into a Material Definitive Agreement.

On June 3, 2011, IntelGenx Technologies Corp. (the Company) entered into a definitive securities purchase agreement (the Purchase Agreement) with certain accredited and institutional investors (collectively, the Investors) for the issuance and sale in a private placement transaction (the US Private Offering) of 2,582,536 shares (the Shares) of the Company's common stock, par value \$0.00001 per share (the "Common Stock") at a per share purchase price of \$0.67, and three-year warrants (the "Warrants") to purchase up to 1,291,268 shares of Common Stock at an exercise price of \$0.74 per share, for aggregate gross proceeds of approximately \$1.6 million. The number of shares of Common Stock to be received upon the exercise of the Warrants and the exercise price of the Warrants are subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the Closing Date.

In addition, the Company intends to enter into a definitive subscription agreement solely with Canadian investors for the issuance and sale in a concurrent private placement transaction (the Canadian Private Offering) of up to an additional \$1.5 million in Shares and Warrants under the same terms and conditions as the US Private Offering.

The US and Canadian Private Offerings are expected to close on or about June 17, 2011 (the Closing Date), subject to the satisfaction of customary closing conditions.

The Company expects to receive aggregate gross proceeds from the US and Canadian Private Offerings of up to approximately \$3 million, before deducting offering expenses. The Company intends to use the net proceeds from the sale of the Shares and Warrants pursuant to the US and Canadian Private Offerings for general corporate purposes.

In connection with the US Private Offering, on June 3, 2011, the Company and the Investors entered into a Registration Rights Agreement (the Registration Rights Agreement) under which the Company is obligated to file a registration statement (the Registration Statement) with the Securities and Exchange Commission (the SEC) registering the Shares and the shares of Common Stock issuable upon exercise of the Warrants for resale by the Investors on or prior to 20 days after the Closing Date (the Filing Date). In addition, the Company agreed to use its best efforts to cause the SEC to declare the Registration Statement effective by no later than 110 days following the Closing Date. The Company shall also register the Shares and Warrants to be issued pursuant to the Canadian Private Offering for resale by the Canadian investors on the Registration Statement.

On the Closing Date, the Company shall pay/issue to the placement agent (i) cash commissions in the amount of 7% of the aggregate gross proceeds received by the Company in the US Private Offering; and (ii) warrants (the Placement Agent Warrants) to purchase such number of shares of Common Stock that are equal to 7% of the amount of Shares sold in the US Private Offering. The Company may enter into a similar commission arrangement with one or more agents in connection with the Canadian Private Offering.

The foregoing is a summary of certain material terms and conditions of the Purchase Agreement, the Warrants, and the Registration Rights Agreement, and not a complete discussion of such agreements. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the Form of Warrant, Form of Securities Purchase Agreement and Form of Registration Rights Agreement attached to this Current Report on Form 8-K in Exhibits 4.1, 10.1 and 10.2, respectively, and incorporated herein by reference.
