Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
 - ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- Each Performance Unit entitles the holder to the value of one common share. The Units are payable 60% in common stock and 40% in cash. One half of the Units vested at grant and one half vested in installments, each equaling 1/36th of the total number of Units, beginning October 17, 2006 and continuing until the Units were fully vested in March 2008. Units are held in a deferred compensation account, 25% of which was paid on April 30, 2008, 25% of which will become payable on April 30, 2010 and the remaining 50% of which will become payable on April 30, 2011.
- Until payout, Units were subject to anti-dilution adjustment, effected by the issuance of additional Units, upon conversions of the Issuer's Series A Preferred and 10% Senior Convertible Notes, all of which have now been converted or redeemed. Since the grant date on September 29, 2006, an aggregate of 661,335 additional Units were granted as a result of such adjustments. The Units remain subject to adjustment for stock splits and similar events.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
