Item 1.01 Entry into a Material Definitive Agreement.

On January 18, 2019, January 31, 2019, February 14, 2019 and March 6, 2019 respectively, HyperSolar, Inc. (the “Company”) agreed to issue and sell separate convertible promissory notes (individually a “Note” and collectively the “Notes”) to accredited investors (the “Investors”). The Company issued and sold a total of four (4) Notes in the aggregate principal amount of \$271,000 to three (3) Investors.

The Company has the right but not the obligation under each Note to prepay the outstanding balance on the Notes, wherein the Company would pay to the Investor a percentage of the outstanding Note (the “Prepayment Percentage”), with such Prepayment Percentage dependent upon the period of time during which the Company elects to prepay the outstanding Note.

The Note issued on January 18, 2019 bears interest at a rate of 10% per annum and is convertible into shares of common stock of the Company at any time after January 18, 2019 at a conversion price equal to 61% multiplied by the lowest trading price of the Company’s common stock during the twenty-five (25) trading day period ending on the latest complete trading day prior to the conversion, as specified in the Note.

The Notes issued on January 31, 2019, February 14, 2019 and March 6, 2019 each bears interest at a rate of 10% per annum and is convertible into shares of common stock of the Company 180 days following their respective issuance dates at a conversion price equal to 61% multiplied by the average of the two (2) lowest trading prices of the Company’s common stock during the fifteen (15) trading day period ending on the latest complete trading day prior to the conversion, as specified in the Notes.

Notwithstanding the foregoing, each Investor shall be restricted from effecting a conversion, if such conversion, along with the other shares of the Company’s common stock beneficially owned by the Investor and its affiliates, exceeds 4.99% of the outstanding shares of the Company’s common stock.

Each Note also enumerates events of default, which include, but are not limited to, failure to pay principal and interest, breach of covenant, bankruptcy and delisting of common stock.

In connection with the sale of the Notes, the Company relied upon the exemption from registration provided by Section 4(a)(2) of the Securities Act of 1933, as amended, for transactions not involving a public offering.
