SECTION 3 - SECURITIES AND TRADING MARKETS

ITEM 3.01. NOTICE OF DELISTING OR FAILURE TO SATISFY A CONTINUED LISTING RULE OR STANDARD; TRANSFER OF LISTING.

On July 14, 2005 American Software, Inc. (the "Company") received a notice from the staff of The Nasdaq Stock Market stating that the Company is not in

Edgar Filing: AMERICAN SOFTWARE INC - Form 8-K

compliance with Nasdaq's requirements for the continued listing of the Company's securities on The Nasdaq Stock Market. This notice was sent automatically due to the Company's failure to timely file its Annual Report on Form 10-K for the fiscal year ended April 30, 2005, as required under Nasdaq rules. As previously reported by the Company in a press release dated July 12, 2005, the Company's Form 10-K was due to be filed on July 14, 2005, but could not be filed within the prescribed time period for reasons outlined in the press release. The Nasdaq notice also stated that an "E" will be appended to the end of the Company's common stock trading symbol, changing the symbol to "AMSAE" until the noncompliance is corrected. The notice from Nasdaq does not by itself result in delisting of the Company's securities if the Company, within seven calendar days from the date of such notice, requests a hearing.

The Company intends to make a timely request for a hearing with the Nasdaq Listing Qualifications Panel on this matter. The request for a hearing will stay the delisting pending the hearing and a decision by the Panel. At the hearing, the Company intends to outline the timeframe within which it intends to become current in its SEC filing obligations. While the Company expects the hearing to be successful, there can be no assurance that the Panel will accept the Company's plan to re-establish compliance and grant the Company's request for continued listing or that, even if such plan is accepted, the Company will be able to implement the plan within the prescribed timeframe. The Company may appeal any adverse decision of the Panel to the Nasdaq Listing and Hearing Review Council. Any such appeal by the Company would not stay the ruling of the Listing Qualifications Panel.
