**Proposal for allocation of net profits for the 2009 fiscal year
(as per Exhibit 9-1-II to ICVM 481/2009)**

Although Braskem S.A. (Company) has shown net profits in the fiscal year of 2009 (R\$ 917,228 thousand), the totality of such amount was used to absorb accrued losses under the terms of article 189 of Law No. 6,404, of December 15, 1976 (Corporation Law).

The Company's management has not proposed any allocation of net profits for the 2009 fiscal year, since, pursuant to legal determination, the accrued losses must be deducted from the year's results before any profit sharing or allocation is performed.

The Company's management provides below the information required by Exhibit 9-1-II to CVM Ruling No. 481, of December 17, 2010:

1. Net Profits for the 2009 fiscal year:

The Company's net profits for the 2009 fiscal year amounted to R\$ 917,228 thousand.

2. Aggregate amount and amount per share of the dividends:

Zero. In accordance with the sole paragraph of article 189 of the Corporation Law, the net profits were absorbed into the accrued losses.

3. Percentage of the net profits for the year distributed based on profits ascertained in balance sheets prepared half-yearly or at shorter periods:

Zero. There has been no advance payment of dividends or declaration of interest on net equity based on profits ascertained in balance sheets prepared half-yearly or at shorter periods.

4. Aggregate amount and amount per share of dividends distributed based on profits in previous years:

Zero. There has been no distribution of dividends or declaration of interest on net equity based on profits in previous years.

5. (a) Information on the gross amount of dividends and interest on net equity, separately, per each type and class of share, to be distributed/declared at the annual general meeting:

Not applicable. Pursuant to article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no distribution of dividends and/or interest on net equity will be made.

5. (b) Information on the form and term of payment of dividends and interest on net equity to be distributed/declared at the annual general meeting:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no distribution of dividends and/or interest on net equity will be made.

5. (c) Information on any updating and interest on dividends and interest on net equity to be distributed/declared at the annual general meeting:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no distribution of dividends and/or interest on net equity will be made.

5. (d) Information on the date of declaration of payment of dividends and interest on net equity considered in order to identify the shareholders that will be entitled to receive dividends and interest on net equity distributed/declared at the annual general meeting:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no distribution of dividends and/or interest on net equity will be made.

6. Information on dividends or interest on net equity declared based on profits ascertained in balance sheets prepared half-yearly or at shorter periods and already distributed:

Not applicable. There has been no advance payment of dividends or declaration of interest on net equity based on profits ascertained in balance sheets prepared half-yearly or at shorter periods.

7. (a) Comparative table showing the net profits for the year and the three (3) previous years, per each type and class of share:

8. Information on the allocation to the legal reserve:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no amount is to be allocated to the legal reserve.

9. (a) Description of the form of calculation of the fixed or minimum dividends:

Pursuant to the Company's bylaws, the class A preferred shares are entitled to the payment of minimum dividends corresponding to six percent (6%) of their unit value, obtained by dividing the capital amount by the total outstanding shares. The class B preferred shares, in turn, are entitled to the payment of fixed dividends in the amount corresponding to six percent (6%) of their unit value, obtained by dividing the capital amount by the total outstanding shares.

9. (b) Information as to whether the year's profits are sufficient to fully pay the fixed or minimum dividends:

The year's profits were not sufficient for the full payment of the minimum and fixed dividends to which the holders of preferred shares would be entitled.

9. (c) Information about any unpaid portion being cumulative:

Pursuant to the Company's bylaws, the unpaid portion of the minimum dividends and fixed dividends is not cumulative.

9. (d) Information about the aggregate value of fixed or minimum dividends to be paid to each class of preferred shares:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, there is no amount to be paid as fixed or minimum dividends.

9. (e) Information about the fixed or minimum dividends to be paid per preferred share of each class:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into accrued losses, and for this reason there is no amount payable as fixed or minimum dividends.

10. (a) Description of the form of calculation of mandatory dividends set out in the bylaws:

The shareholders are entitled to receive as mandatory dividends twenty-five percent (25%) of the net profits for the year, and all the amounts paid as minimum and fixed dividends must be deducted from the amount of the mandatory dividends.

10. (b) Information as to whether the mandatory dividends are being paid in full or not:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no payment of dividends or interest on net equity will be made.

10. (c) Information on the amount possibly withheld due to the Company's financial condition:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no payment of dividends or interest on net equity will be made.

11. Information about the withholding of mandatory dividends due to the Company's financial condition:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no payment of dividends or interest on net equity will be made.

12. Information about the allocation of results to the contingency reserve:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no amount will be allocated to the contingency reserve.

13. Information on the allocation of results to the realizable profits reserve:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no amount will be allocated to the realizable profits reserve.

14. Information on the allocation of results to the statutory reserves:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no amount will be allocated to the statutory reserve.

15. Information on the withholding of profits foreseen in the capital budget:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, there will be no profit withholding foreseen in the capital budget.

16. Information on the allocation of results to the tax incentive reserve:

Not applicable. Under the terms of article 189 of the Corporation Law, the net profits for the year were absorbed into the accrued losses, and for this reason, no amount will be allocated to the tax incentive reserve.
