Clarification about Acquisition in Bolivia

Rio de Janeiro, December 21st, 2010 Petróleo Brasileiro S.A. - Petrobras clarifies the news issued by the Brazilian press regarding the acquisition of a participation interest in Block XX - Tarija Oeste for natural gas exploration and production (Itaú Field), in Bolivia.

The Company informs that the acquisition was already approved by the Bolivian legislature but it is still pending the final approval of the law which regulates the transfer of rights. After that, Petrobras Bolívia S.A. (PEB) will be able to take 30% participation in the field, as the operator, and will pay a cash consideration of US\$ 13.2 million.

In addition, PEB will reimburse the amount of US\$ 50.6 million of investments made by the previous owner, to be paid in some installments starting after the final approval.

Finally, the Company clarifies that this recent approval by the Bolivian legislature refers to a negotiation which began in October, 2008. The investments in natural gas production in Bolivia are mainly aimed at supplying the Brazilian market through the Bolivia - Brazil gas pipeline, considering that the supply contracts are validos until 2019.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
