**Publicly Held Company**

**MATERIAL FACT**

**Acquisition of Secondary Recovery Company**

Rio de Janeiro, December 09, 2011 – Petróleo Brasileiro S.A. – Petrobras informs to have purchased all the shares of the Secondary Recovery Company, publicly held share company, with headquarters located in the City of Macaé, State of Rio de Janeiro.

The Secondary Recovery Company was incorporated on June 01, 2001 with the special purpose of performing the supply of equipment to Petrobras for Pargo, Congro, Garoupa, Cherne and Carapeba fields located in Campos Basin, known as PCGC Project.

According to the provisions of the Investment Agreement, executed on December 13, 2001, Petrobras exercised the Call Option of 43,456,000 (forty three million, four hundred and fifty six thousand) common shares issued by the Company, representing 100% (one hundred percent) of its stock capital, all held by the Company's current shareholders.

As provided for in the Investment Agreement, the price for the call option was defined as BRL\$ 300.00 (three hundred reais), which corresponds to the payment of BRL\$ 100,00 (one hundred reais) to each of the current shareholders.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
