- Issue price: 99.166%

The proceeds from this offering of US\$ 8.5 billion are part of Petrobras' planned funding needs under its 2014-2018 Business and Management Plan (2014-2018 BMP), which indicates

that some of the resources necessary to finance investments will come from debt and another significant amount will come from operating cash flow. The 2014-2018 BMP provides that, from 2014 to 2018, Petrobras will raise US\$ 60.5 billion of gross debt and have US\$ 54.9 billion of amortizations, resulting in incremental net debt of US\$ 5.6 billion for the period.

Bank of China (Hong Kong) Limited, BB Securities Ltd., Banco Bradesco BBI S.A., Citigroup Global Markets Inc., HSBC Securities (USA) Inc. and J.P. Morgan Securities LLC are the joint bookrunners for the transaction and Banca IMI S.p.A. and Scotia Capital (USA) Inc. are the co-managers.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
