- ix. Approving the nomination of the board members appointed by the Chairman of the Board of Directors (“**P-CA**”) to constitute the Compliance Committee (“**CC**”), the Finance and Investment Committee (“**CFI**”), the Strategy and Communication Committee (“**CEC**”) and the Personnel and Organization Committee (“**CPO**”);

v. To convene and hold RCAs;

3

- vi. To invite, whenever necessary, external consultants, Braskem officers and Team Members to participate in the RCAs. The invitation shall be extended with the support of the Executive Secretary of the CA ("**S-CA**");

- vii. To propose that the officers hire external consultants to assist in performing the Board's tasks in specific situations. The contracting process must comply with Braskem's relevant guidance documentation;

- xi. To propose to the CA any proposals to update these Rules.

4. Composition and Term of Office

As defined in the Bylaws, the Board is composed of 11 (eleven) members and their respective alternates, who may be elected or removed at any time by the Meeting.

The positions of LN-Braskem and P-CA may not be occupied by the same person.

The members of the Board shall have a unified term of office of 2 (two) years, with the option for reelection.

At least 20% (twenty percent) of the members of the Board of Directors must be independent directors, according to the definition provided in the Company's policies.

4

When compliance with the above percentage results in a fractional number of board members, that fraction shall be rounded up to the next whole number.

5. CA Support Committees

The role of the Support Committees shall be to examine certain matters in order to assist deliberations under the CA's responsibility, but the Support Committees shall not make decisions on behalf of the CA.

The Committees shall be created by deliberation of the CA, which shall define the respective scope and expected results of each Committee.

5.1. Permanent Committees

Permanent committees are those that attend to matters whose nature and objectives remain unaltered for a long period of time. The board members who make up these committees shall have a term of office that coincides with that of the CA, and each committee shall have a minimum of 3 (three), and no more than 5 (five) members, one of whom shall be the Committee Coordinator. There shall be no alternate members on the Committees.

The Board shall have 4 (four) Permanent Committees: CFI, CPO, CEC and CC.

The duties and manner in which these Committees shall function are defined in their respective Internal Rules approved by the CA.

5.2. “Ad Hoc” Committees

Ad hoc committees are those that attend to relevant matters of a temporary nature. Their period of validity is limited and they shall be disbanded upon attaining the expected results, or upon expiry of the period defined in their governing rules.

The number of participants shall be defined on a case-by-case basis.

6. The CA Communication System

6.1. Matters for Deliberation

Matters for deliberation are submitted for the CA's approval at the initiative of the P-CA, any board member through the P-CA, or LN-Braskem through the S-CA, and may be sent to the CA via a Deliberation Proposal ("**PD**" or "**PDs**") when the nature and/or complexity of the subject matter so warrants.

6.2. Informative Material

Informative material is that which deals with relevant matters and is distributed at the initiative of the board members or LN-Braskem in the form of reports, or is submitted at the RCAs for the purpose of helping the Board to better understand, monitor, analyze and, as the case may be, deliberate on matters of interest to the Company.

6.3. Relevant Facts

External reports of relevant facts must be sent to the board members by LN-Braskem, via the Company's Corporate Governance area, no later than their original external publication.

In addition to relevant facts, the CA must also be notified, through the Company's Corporate Governance area, of any other facts that might have a material impact on the Company or that may be important for the CA in carrying out its activities.

7. CA Operational System

7.1. RCA Convocation and Agenda

The RCA's agendas shall be defined by the P-CA with the participation and proposals of LN-Braskem.

The calls, agenda and any PDs and support materials for the RCAs must be sent by the P-CA, with the support of the S-CA, to the board members at least 10 (ten) calendar days prior to the date of the RCA, unless the majority of its acting members establishes, on an exceptional basis, an earlier deadline, but one that is never less than 48 (forty-eight) hours, in which case the agenda must be provided with the proper accompanying documents.

6

7.2. PDs

PDs are formal documents submitted to the CA regarding particular matters for deliberation whose nature and/or complexity so requires. PDs must be submitted in the standard format defined in **Annex I** to these Rules, and be prepared with the degree of detail necessary for the matter to be correctly evaluated by the CA.

The titles of PDs shall reflect the nature of the matter they deal with, according to the following categories: administrators, alienation of assets, contract/commercial, financial, corporate governance/compliance, investments, legal, corporate or planning/organization/personnel.

Once the PD is approved, according to its original content or with changes introduced by the CA, the PD shall constitute a matter for deliberation, producing the resulting effects.

7.3. Deliberations

The CA shall only deliberate with the presence of the majority of its board members and resolutions shall be taken by majority vote, subject to the terms of the Shareholders' Agreements.

Any CA resolution whose immediate disclosure in public minutes could jeopardize the Company's legitimate interests shall be recorded in separate minutes of the meeting, which shall be filed at the Company's head office. Any subsequent public disclosure of the resolutions, if applicable, must be approved by the CA.

In the event that a resolution is not implemented, or if there is any change prior to implementation regarding therelevant approval conditions, the proponent of the resolution

shall, depending on the nature and relevance of the change, notify the CA or, as the case may be, submit the PD for revision or announce the cancellation of the resolution at the following RCA.

7

For subsidiaries that have minority shareholders with a relevant shareholding interest, especially those that have board members who represent those minority shareholders, implementation of the CA's resolution must respect the governance in effect for the subsidiary.

7.3.1. Conflict of Interest

If a board member has a conflict of interest regarding certain deliberations, he/she must abstain from participating in the decision-making process involving that deliberation, inform the CA of his/her situation and record it in the minutes of the RCA. If he/she should fail to notify the Board of the conflict of interest, any board member who has knowledge thereof must do so.

7.4. Meetings

The RCAs shall take place in accordance with the schedule of regular meetings approved annually by the CA and must be held at least 6 (six) and no more than 12 (twelve) times each fiscal year.

The RCAs shall be held, preferably, at Braskem's head office, and may be held, on an exceptional basis, via remote participation if authorized by the P-CA. In the case of non-face-to-face meetings, each board member shall be individually and exclusively responsible for taking all necessary measures to ensure the strict confidentiality of the meetings. Persons not authorized by the P-CA shall be strictly prohibited from having access to any information discussed at the meeting.

The following persons may participate at the RCAs as invitees:

i. LN-Braskem;

ii. S-CA;

8

- iii. Team Member(s) of LN-Braskem whenever the nature of the matter(s) listed on the agenda so justify, at the discretion of LN-Braskem and with the consent of the P-CA;
- iv. Member of the Legal area that will act as the RCA's secretary;
- v. Member of the Corporate Governance area that will act as the S-CA; and
- vi. External consultants, officers and Team Members of Braskem invited by the P-CA, as provided for in Section 3(vi), of these Rules.

Independently of the CA's regular meetings, exceptional meetings may be called, as necessary.

7.4.1. Absence or Vacancy of the P-CA or a Board Member

When absent or in case of temporary unavailability, the members of the Board shall be substituted by their respective alternates if no other full member or alternate is identified by the substituted member.

When the P-CA is absent or in case of his/her temporary unavailability, the role of Chairman of the CA shall be exercised by the Vice-Chairman of the CA ("**VP-CA**"). When the P-CA and VP-CA are simultaneously absent or in case of their temporary unavailability, the P-CA shall identify someone else from among the other members of the Board to replace him/her in the role of

Chairman of the CA.

If a position on the Board becomes vacant, it shall automatically be filled by the board member's respective alternate if no other board member is appointed by the remaining members from among the alternate board members, subject to the terms of the Shareholders' Agreements. The substitute shall serve until the next Meeting, at which point his/her name may be ratified or replaced by the shareholders. The substitute appointed to fill the vacancy must serve the remaining term of office of the substituted member.

9

7.5. Executive Session

The CA may adopt the practice of holding executive sessions of the board members without the presence of invitees, to coordinate and discuss matters of their exclusive interest. The minutes of these meetings shall be drawn up separately and filed at the Company's head office.

7.6. Minutes of the Meetings

The minutes taken at the RCAs must be drafted clearly, to record all decisions made, informative matters discussed, the names of those in attendance, the votes cast and the voting abstentions, if any. Whenever possible, the minutes shall be approved and signed by the board members immediately after the meeting is adjourned. The minutes of the meeting shall be filed at the Company in a dedicated book and shall not be made public.

An excerpt of the minutes shall be produced and signed by the RCA's secretary, containing the resolutions intended to affect third parties and, if the Company for whatever reason deems it necessary for the minutes to be disclosed, they shall be filed with the proper agencies and published in the manner required by law or regulation to be disclosed to a regulatory or similar agency.

The RCA's secretary shall have the following duties:

- i. Prepare and draw up the respective minutes of the meeting and other documents in the dedicated book;
- ii. Gather the signatures of all the board members who participated in the RCA, in addition to noting the presence of any invitees; and

iii. Prepare an extract of the minutes and arrange for its filing with the proper agencies and its publication in the official press and in a widely-circulated newspaper.

10

7.7. Executive Secretary of the Board of Directors

The S-CA serves as the official channel of communication between the board members and LN-Braskem and his/her team, in order to streamline, coordinate and monitor the information necessary to duly fulfill the Board's responsibilities.

This person is chosen by the P-CA after nomination by LN-Braskem from among the members of the Company's Corporate Governance area.

The S-CA is responsible for providing support to the CA and the Committees, in order to:

- i. Prepare and manage the schedule of regular meetings and any exceptional meetings;
- ii. Organize the RCAs and meetings of the Committees;
- iii. Standardize, revise and distribute documents to be reviewed at the RCAs and by the Committees;
- iv. Obtain any clarification from LN-Braskem and his/her team regarding PDs and other documents, when necessary;
- v. Assist the board members, when requested, in matters of interest to the CA;

vi. Monitor and support the execution of actions resulting from the deliberations, especially those under the responsibility of the P-CA;

vii. Maintain the numbering, control and filing of PDs and other documents defined in these Rules;

viii. Prepare agendas, memoranda and correlated documents related to the RCAs and the Committees and interact with LN-Braskem and the board members on behalf of the P-CA;

11

- ix. Propose and prepare documents and support the implementation of measures intended to improve the functioning of the CA and its Committees; and

- x. Make sure that the CA and its Committees are functioning efficiently.

8 General provisions

All communications between members of the CA and other advisors shall take place under strict confidentiality.
