**Item 1.01 Entry into a Material Definitive Agreement.**

On January 31, 2006, the Compensation and Human Resources Committee (the "Committee") of the Board of Directors of UnitedHealth Group Incorporated (the "Company") designated certain participants, including all executive officers of the Company, eligible to receive long term performance awards for the 2006-2008 performance period under the Company's ongoing Executive Incentive Plan. Pursuant to the terms of the Executive Incentive Plan, the Committee also approved target performance awards, maximum performance awards and objective performance goals for the 2005-2007 performance period based on achievement of certain earnings per share amounts. These awards are subject to adjustment based on additional financial and non-financial objectives, such as growth in revenues and operating income, operating cash flows, operating margin, return on equity, quality, integrity and compliance, and timely progress on strategic initiatives.

The Committee also approved revised forms of stock option agreements and restricted stock agreements and approved forms of SAR agreement for officers and directors under the Company's 2002 Stock Incentive Plan, each of which is attached as an exhibit to this Form 8-K and incorporated herein by reference. The Committee also approved providing substantially all holders of outstanding stock options of the Company the ability to elect to exercise those stock options using a net cashless exercise feature as permitted by the Company's 2002 Stock Incentive Plan.

Commencing in 2006 and subsequent years, the Board of Directors of the Company authorized a reduction in the quarterly grants of non-qualified stock options to non-employee directors from 10,000 shares to 8,000 shares and reduced the initial one-time grant of non-qualified stock options to new directors from 72,000 shares to 58,000 shares.
