Item 1.01 Entry into a Material Definitive Agreement.

On July 18, 2008, Alliance Data Systems Corporation ("Alliance Data" or the "Company" as "Borrower") and ADS Alliance Data Systems, Inc., ADS Foreign Holdings, Inc., Alliance Data Foreign Holdings, Inc., Epsilon Marketing Services, LLC and Epsilon Data Management, LLC (as "Guarantors") exercised the \$210.0 million accordion feature of their Credit Agreement with Bank of Montreal, as administrative agent and letter of credit issuer, and various other agents and banks dated September 29, 2006, as amended (the "Credit Facility").

As a result of the exercise of the accordion feature, the Credit Facility provides for a \$750.0 million revolving line of credit. As of June 30, 2008, borrowings under the Credit Facility were \$355.0 million with a weighted average interest rate of 3.0%. No additional amounts were drawn in connection with the exercise of the accordion on July 18, 2008.

As a result of the exercise of the accordion feature, the Company added Royal Bank of Canada as an additional lender under the Credit Facility. In addition, the Company obtained increased lending commitments under the Credit Facility from BMO Capital Markets Financing, Inc., SunTrust Bank, Bank of America, N.A., Barclays Bank PLC, JPMorgan Chase Bank, N.A., Royal Bank of Scotland PLC, Wachovia Bank, National Association and Fifth Third bank (Central Ohio), all of which were original parties to the Credit Facility.

The Credit Facility contains customary events of default and negative covenants for credit agreements of this type as well as certain financial covenants. All of these terms remain unchanged, including those amendments that were made in June 2008 to amend certain defined terms and negative covenants regarding the Company's ability, and in certain instances, its subsidiaries' ability, to create liens, repurchase stock and make investments. The June 2008 amendment also replaced the financial covenant establishing a maximum ratio of Total Capitalization, which was measured as the ratio of Consolidated Debt to the sum of Consolidated Debt and Consolidated Net Worth, with a financial covenant establishing a maximum ratio of Total Leverage, which is measured as the ratio of Consolidated Debt to Consolidated Operating EBITDA.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 above is incorporated herein by reference.
