Item 2.02 Results of Operations and Financial Condition.

On February 5, 2009, Synchronoss Technologies, Inc. (the "Company") issued a press release relating to its results of operations and financial condition for the quarter and year ended December 31, 2008. The Company's GAAP and non-GAAP financial results for the fourth quarter and the GAAP financial results for the full year ended December 31, 2008 were correctly reported in the press release. However, the fair value of stock-based compensation, net of tax for the year ended December 31, 2008, should have been reported in the press release as \$4,061,000, instead of \$6,947,000. This caused the Company's non-GAAP net income for the year ended December 31, 2008 to be reported as \$18,827,000 instead of \$15,941,000, and the Company's non-GAAP net income per share for the year ended December 31, 2008 to be reported as \$0.58 instead of \$0.50. A corrected version of the reconciliation of GAAP to non-GAAP financial measures included with the press release is attached as an exhibit to this Current Report on Form 8-K.

The information in Item 2.02 of this Current Report on Form 8-K and the exhibit attached hereto shall not be deemed filed for purposes of Section 18 of the Securities and Exchange Act of 1934 (the "Exchange Act") or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act, except as expressly set forth by specific reference in such filing.
