Compensation Committee

The members of the Compensation Committee are Messrs. Cozzi, Tyra and Yarmuth. The Compensation Committee is responsible for making recommendations to the Board regarding salaries and bonuses that we pay to our executive officers. Mr. Cozzi is the committee chairperson. All functions of the Compensation Committee are performed by the committee as a whole. The Compensation Committee has delegated to our Chief Executive Officer, President and Chief Financial Officer decisions regarding non-executive employee compensation. None of our executive officers served as a member of the Compensation Committee of another entity. Our Compensation Committee has a written charter, which is available on our website at www.isa-inc.com under Investors.

Compensation Committee Consultant

During 2017, the Compensation Committee engaged FW Cook to perform a board compensation study as more fully described in the "2018 Director Compensation Table" and a market assessment on executive compensation plans. FW Cook used a peer group of companies to determine the benchmark range and design of competitive salaries and incentives from which to determine the appropriate salaries and incentives for the Company's executives and managers. FW Cook identified thirteen public companies as a peer group that was similar to the Company. The peer group consists of Schnitzer Steel Industries, Inc., Casella Waste Systems, Inc., US Ecology, Inc., Haynes International, Inc., Insteel Industries, Inc., Heritage-Crystal Clean, Inc., Universal Stainless & Alloy Products, Inc., Quest Resource Holding Corporation, Synalloy Corporation, Hudson Technologies Inc., Friedman Industries, Incorporated, Avalon Holdings Corporation and Perma-Fix Environmental Services, Inc. These companies range between revenues of \$52 million and \$1.7 billion. ISA is small relative to the median revenue of the peer group. Therefore, FW Cook determined that the bottom 25th percentile of this peer group is a suitable data point. Further, FW Cook recommended amounts and design of compensation structure for named executive officers based on the 25th percentile of the peer group, which were effective during 2018. The Compensation Committee considered the recommendations of FW Cook in connection with the entry into an amended and restated employment agreement with Mr. Phillips as described below.

Executive Employment Agreement and Stock Option Agreements with Chief Executive Officer, President and Chief Financial Officer

On March 26, 2018, the Board appointed Todd L. Phillips as Chief Executive Officer, President and Chief Financial Officer of the Company. Mr. Phillips had previously served as the Company's President and Chief Financial Officer. In connection with his appointment as Chief Executive Officer, Mr. Phillips and the Company entered into an Amended and Restated Employment Agreement on March 26, 2018 (the "Employment Agreement"). The Employment Agreement was effective as of January 1, 2018, with the one-year initial term ending on December 31, 2018, subject to earlier termination as described below. After expiration of the initial term, the term will be automatically extended for additional 12-month periods thereafter if neither party gives written notice to the other within 30 days before

expiration of the original 12-month period or any renewal period thereafter of that party's desire to terminate the Employment Agreement. On December 31, 2018, the Employment Agreement was automatically extended to December 31, 2019.

Table of Contents

The Employment Agreement amended and restated in its entirety the prior employment agreement between the Company and Mr. Phillips dated as of December 31, 2014 (the “Prior Employment Agreement”).

Pursuant to the Employment Agreement, Mr. Phillips will earn an annual base salary of \$300,000, subject to adjustment by the Board. Mr. Phillips will be eligible to receive an annual performance-based bonus that provides him an opportunity to earn a target bonus equal to 50% of his then-current base salary. Beginning with the calendar year ending December 31, 2018, Mr. Phillips will be eligible to receive a bonus amount based on the achievement of “Adjusted EBITDA” (as defined in the Employment Agreement) targets. Mr. Phillips must be employed on the day payments are made in order to be eligible for a bonus for that calendar year.

Under the Employment Agreement, the amount of Mr. Phillips’ bonus for a particular calendar year will be determined based on the amount by which the Company’s “Adjusted EBITDA” for such calendar year exceeds or is less than the target Adjusted EBITDA goal established by the Company’s Board or its Compensation Committee for that calendar year. For 2018, the Company’s Adjusted EBITDA target was \$2.4 million, which the Company exceeded with Adjusted EBITDA of \$2.6 million, resulting in a bonus to Mr. Phillips of \$185,954.

Pursuant to the Employment Agreement, Mr. Phillips is entitled to receive (i) an equity compensation award, consisting of Restricted Stock Units and non-incentive stock options to be granted to Mr. Phillips at the close of business on the second business day following the filing of the Company’s Annual Report on Form 10-K for the year ended December 31, 2017, and (ii) annual equity compensation awards, consisting of RSUs and Options, to be granted to Mr. Phillips in 2019 and each subsequent calendar year during the term of the Employment Agreement. Under the Employment Agreement, each award is to consist of (A) that number of RSUs equal in Value (as defined in the Employment Agreement) on the date of the grant to 33.33% of Mr. Phillips’ then-base salary, and (B) that number of Options equal in Value (as defined in the Employment Agreement) on the date of the grant to 16.67% of Mr. Phillips’ then-base salary. The RSUs are to be subject to three-year cliff vesting, with the entire award vesting 36 months from the grant date. The Options are to vest over a three-year period, with 1/3 vesting on each annual anniversary of the grant date. The exercise price per share of the Options is to be equal to the fair market value of the Company’s common stock on the grant date.

Under the Prior Employment Agreement, Mr. Phillips was eligible to receive an annual bonus with a target of 50% of his then-current annual base salary, as determined by the Company’s Compensation Committee in its sole discretion.

At the time of entry into his Prior Employment Agreement, we entered into two Stock Option Agreements with Mr. Phillips, dated December 31, 2014 and January 2, 2015, respectively. Under these agreements, Mr. Phillips received a grant of an aggregate of 170,000 non-incentive stock options which vest over a three-year period, with 1/3 vesting on the first anniversary of the grant date and 1/6 vesting every six months thereafter until the three-year anniversary of the grant date. The stock option agreement dated December 31, 2014 granted Mr. Phillips 150,000 stock options at an exercise price per share of \$5.97. The stock option agreement dated January 2, 2015 granted Mr. Phillips 20,000 stock

options at an exercise price per share of \$5.71. The exercise price per share of the options is equal to the fair market value of the Company's common stock on the grant date.

Mr. Phillips' 170,000 stock options were cancelled on June 15, 2016 as part of a one-time stock option exchange in consideration for the grant of 90,000 RSUs to Mr. Phillips as approved by the shareholders at the 2016 annual meeting. The RSUs vested as follows: (i) on July 1, 2016, 50.00% (45,000) of the RSUs vested and became nonforfeitable; (ii) on December 31, 2016, 12.50% (11,250) of the RSUs vested and became nonforfeitable (iii) on June 30, 2017, 12.50% (11,250) of the RSUs vested and became nonforfeitable (iv) on December 31, 2017, 12.50% (11,250) of the RSUs vested and became nonforfeitable and (v) on June 15, 2018, 12.50% (11,250) of the RSUs vested and became nonforfeitable. Each RSU represented the right to receive one share of the Company's common stock upon the vesting of the RSU, subject to the terms and conditions set forth in the RSU Agreement and the Plan.

The stock options and one-time stock option exchange were granted pursuant to the Company's 2009 Long Term Incentive Plan.

Base Salary

When determining base salary levels for senior management, we evaluate base salary levels of similar positions in the group of our selected peer companies as more fully described in the section Compensation Committee Consultant. Base salaries are established to reflect the employee's roles and responsibilities and recognize and reward individual skills, experience and sustained job performance.

Mr. Phillips' base salary was \$300.0 thousand and \$220.0 thousand per year during 2018 and 2017, respectively.

Table of Contents

Annual Incentive Bonuses

The Company's annual incentive compensation plan is a cash-based, pay-for-performance incentive plan. The plan covers Mr. Phillips and certain other personnel as determined by the Compensation Committee and the Company's Chief Executive Officer, President and Chief Financial Officer. The incentive compensation plan rewards the achievement of certain corporate operating and financial targets set by the Compensation Committee at the beginning of each year.

The Compensation Committee may also award discretionary bonuses in connection with annual incentive compensation. As described above in connection with the Employment Agreement, the Compensation Committee awarded Mr. Phillips a formula based bonus earned during 2018 and paid in 2019 of \$186.0 thousand. The Compensation Committee also awarded Mr. Phillips a discretionary bonus earned during 2017 and paid in 2018 of \$110.0 thousand.

Long Term Incentive Plan

Long-term incentive compensation opportunities may be performance-based. Long-term incentives provided by the Company may consist of equity awards based on achievement of certain corporate targets. The Company may award long-term incentives in the form of restricted stock, stock options and other forms of equity incentives as more fully described in the Company's 2009 Long-Term Incentive Plan. Equity-based performance awards provide an adequate incentive to management to perform well for shareholders. In addition, equity awards have been an effective means of attracting and retaining management talent.

Long-term incentive plans are designed to ensure that incentive compensation reflects the growth and profitability of the Company. Each of the equity-based awards offered by the Company is intended to reward specified results. These awards promote a long-term view, reward long-term positive performance of the Company, and are intended to align management's interests with shareholders' interests.

Stock Options and Restricted Stock Units

The Company awards stock options and RSUs because it believes they serve a valuable purpose in aligning management's interests with shareholders' interests. Because stock options and RSUs generally vest over time, they serve not only as an incentive for superior performance, but also as a retention device. The Company generally receives an income tax deduction when an executive exercises a stock option or when the RSUs vest.

On March 28, 2018, the Compensation Committee awarded Mr. Phillips options to purchase 31,041 shares of the Company's common stock. Item 13. Certain Relationships and Related Transactions, and Director Independence

Policies and Procedures for Related Person Transactions

Our Board of Directors has adopted written policies and procedures for the review of any transaction, arrangement, or relationship in which we are a participant, the amount involved exceeds \$120,000, and one of our executive officers, directors, director nominees or 5% shareholders (or their immediate family members), each of whom we refer to as a “related person,” has a direct or indirect material interest.

If a related person proposes to enter into such a transaction, arrangement or relationship, which we refer to as a “related person transaction,” the related person must report the proposed related person transaction to our Board. The policy calls for the proposed related person transaction to be reviewed and, if deemed appropriate, approved by our Audit Committee. Whenever practicable, the reporting, review and approval will occur prior to entry into the transaction. If advance review and approval is not practicable, the Audit Committee will review, and in its discretion may ratify the related person transaction. The policy also permits the chairman of the Audit Committee to review and, if deemed appropriate, approve proposed related person transactions that arise between Audit Committee meetings, subject to ratification by the Audit Committee at its next meeting. Any related person transactions that are ongoing in nature will be reviewed annually. If the related person at issue is a director of the Company, or a family member of a director, then that director would recuse himself and abstain from voting on the approval of the related person transaction, but may, if so requested by the chair of the Audit Committee, participate in some or all of the committee's discussions of the related person transaction.

A related person transaction reviewed under the policy will be considered approved or ratified if it is authorized by the Audit Committee after full disclosure of the related person's interest in the transaction.

As appropriate for the circumstances of the related person transaction, the Audit Committee will review and consider the following:

- The related person's interest in the related person transaction;
- The approximate dollar value of the amount involved in the related person transaction;

• The approximate dollar value of the amount of the related person's interest in the transaction without regard to the amount of any profit or loss;

- Whether the transaction will be undertaken in the ordinary course of our business;

- Whether the terms of the transaction are no less favorable to us than terms that could have been reached with an unrelated third party;

- The purpose, and the potential benefits to us, of the transaction; and

- Any other information regarding the related person transaction or the related person in the context of the proposed transaction that would be material to investors in light of the circumstances of the particular transaction.

The Audit Committee may approve or ratify the transaction only if it determines that, under all of the circumstances, the transaction is in, and not inconsistent with, our best interests. The Audit Committee may impose any conditions on the related person transaction that it deems appropriate.

Unless the transaction is excluded by the instructions to the SEC's related person transaction disclosure rule, any approved related person transaction would be disclosed in accordance with SEC rules.

Table of Contents

The policy provides that transactions involving compensation of executive officers shall be reviewed and approved by the Compensation Committee in the manner specified in its charter.

During the periods ended December 31, 2018 and 2017, the Company was involved in various transactions with related parties. A summary of transactions and related balances are as follows. The table at the end of this note should be used in referencing all below paragraphs.

K&R, LLC ("K&R") and 7100 Grade Lane, LLC ("7100 LLC"):

The Company is involved in various transactions with K&R and 7100 LLC, which are wholly-owned by Kletter Holdings LLC, the sole member of which was Harry Kletter, the Company's founder and former Chief Executive Officer. After Mr. Kletter's passing in January 2014, Orson Oliver assumed the roles of executor of Mr. Kletter's estate and President of Kletter Holdings LLC. Mr. Oliver was the Company's Chairman of the Board and Interim Chief Executive Officer from 2014 until his resignation on March 26, 2018. Mr. Oliver continues to be a member of the Company's Board of Directors. As of December 31, 2018, Mr. Kletter's estate, K&R and the Harry Kletter Family Limited Partnership, collectively, beneficially own in excess of 20% of the Company's issued and outstanding shares.

The Company leased a portion of the Louisville, Kentucky facility from 7100 LLC (previously from K&R) under an operating lease (the "7100 Prior Lease"), expiring December 2017. Effective October 1, 2017, the Company entered into a new lease agreement with 7100 LLC for the same property (the "7100 Lease") that terminates and replaces the 7100 Prior Lease.

During 2015 and continuing into 2017, the Company deferred a portion of these lease payments. A portion of this deferral was converted into a term note during 2016 as described below. The remaining portion of this deferral was converted into a promissory note effective October 1, 2017 as described below.

On September 13, 2013, K&R made a \$500.0 thousand refundable, non-interest bearing deposit with the Company related to K&R's potential purchase of the Company's formerly owned real property located at 1565 East 4th Street in Seymour, Indiana. The Company was permitted and used the deposited funds for general corporate purposes. K&R did not acquire the property. Under the Company's lending arrangements, a refund of the deposit to K&R would have to be approved by the Company's lenders. This amount was converted into a term note during 2016 as described below.

As of December 31, 2018 and 2017, the Company had balances related to K&R and 7100 LLC pertaining to refundable lease and property deposits due to and from the Company, prepaid expenses, notes payable due from the Company, interest expense, and rent expense. On February 29, 2016, K&R assigned its interest in the 7100 Lease to another entity, 7100 LLC, also controlled by Mr. Kletter's estate. At that time, the total amount due to the estate's various entities, which amounted to approximately \$1.5 million and is inclusive of the \$500.0 thousand noted above, became a subordinated, unsecured debt (the "Kletter Notes") owed by the Company. A portion of the amount, approximately \$620.3 thousand, is owed to K&R, with the remaining amount, approximating \$883.8 thousand, owed

to 7100 LLC. Interest will accrue monthly at a per annum rate of 5.0%. Interest accrued until April 30, 2017, at which time interest is paid as due. This amount of \$1.5 million represents all net amounts due to Kletter estate entities as of February 29, 2016 with the exception of a \$32.0 thousand deposit owed by K&R to the Company. If the Company sells property it owns at 7110 Grade Lane in Louisville, Kentucky, the Company shall make a principal payment to K&R of \$500.0 thousand. Otherwise, all remaining principal is due at maturity on December 31, 2020.

On November 9, 2018, in connection with the entry into a Loan and Security Agreement with Bank of America, N.A., the February 29, 2016 intercreditor and subordination agreements between the respective Note holder and MidCap were cancelled.

On June 23, 2017, the Company entered into two agreements (referred to as the "Handler Agreement" and the "Crane Agreement") with K&R, each for the purchase of equipment to be used in the operation of the Company's business.

Table of Contents

Under the Handler Agreement, the Company purchased a hydraulic scrap handler from K&R for a purchase price of \$90.0 thousand, with a \$9.0 thousand down payment and a 24-month promissory note ("Handler Note") in the face principal amount of the remaining \$81.0 thousand. The Handler Note is interest free and provides for payments in equal monthly installments of \$3.4 thousand. Under the Handler Note, payments commenced on July 1, 2017. Upon a default, the Handler Note will bear interest at 1% per annum.

Under the Crane Agreement, the Company purchased a 2011 Komatsu crane from K&R for a purchase price of \$60.0 thousand, with a \$12.0 thousand down payment and a 24-month promissory note ("Crane Note") in the face principal amount of the remaining \$48.0 thousand. The Crane Note is interest free and provides for payments in equal monthly installments of \$2.0 thousand. Under the Crane Note, payments commenced on July 1, 2017. Upon a default, the Crane Note will bear interest at 1% per annum.

The Crane Note and the Handler Note are each secured by a security interest in the subject equipment and proceeds the Company derives from the equipment.

The Company entered into an agreement and promissory note (the "Back Rent Agreement"), effective October 1, 2017, to pay 7100 LLC \$345.8 thousand for back rent past due and owed under the 7100 Prior Lease with an initial payment of \$100.0 thousand paid at the signing of the Back Rent Agreement with six consecutive monthly payments of \$41.0 thousand each, beginning November 1, 2017. All amounts related to the Back Rent Agreement have been paid as of December 31, 2018.

On March 1, 2019, the Company entered into first amendments to the Kletter Notes. The Company made a prepayment in the amount of \$500.0 thousand, increased the interest rate of the Kletter Notes from 5.00% to 7.00% and extended the maturity date of the Kletter Notes from December 31, 2020 to December 31, 2022, among other things.
