Item 1.01 Entry into a Material Definitive Agreement.

On May 18, 2012, Nordson Corporation ("Nordson") entered into a Stock Purchase Agreement (the "Purchase Agreement") with EDI Holdings, Inc., a Delaware corporation ("EDI"), and the securityholders of EDI (the "Sellers"), pursuant to which Nordson agreed to acquire all of the capital stock of EDI (the "Acquisition"). EDI is a leading designer and manufacturer of extrusion dies and coating heads for plastic processors and web converters. The Acquisition is expected to close in the third quarter of Nordson's 2012 fiscal year.

Under the Purchase Agreement, Nordson will acquire EDI on a cash-free and debt-free basis for an aggregate purchase price of \$200 million, subject to certain adjustments (including a customary working capital adjustment) (the "Purchase Price"). Nordson expects to finance the Acquisition with borrowings under its existing \$500 million revolving credit facility.

The Purchase Agreement contains customary representations, warranties and covenants made by Nordson, EDI and the Sellers. Subject to certain exceptions, the representations and warranties of EDI and the Sellers survive until the 18-month anniversary of the closing of the Acquisition. Specified fundamental representations and warranties, such as organization and capitalization, survive until the 60-month anniversary of the closing of the Acquisition. Indemnification claims are generally capped at \$10 million, except for indemnification claims relating to the breach of certain fundamental representations and warranties and the breach of covenants, which are capped at \$20 million. Indemnification claims are also subject to a \$2 million aggregate threshold, which threshold is deductible from such claims.

The Purchase Agreement may be terminated at any time prior to closing by the mutual written consent of Nordson and the Sellers, by Nordson or the Sellers upon a material breach of the Purchase Agreement (subject to certain customary limitations) and by Nordson or the Sellers if the transactions contemplated by the Purchase Agreement have not been consummated on or before October 31, 2012 (subject to certain customary limitations). The closing of the Acquisition is subject to certain customary closing conditions and the expiration of any applicable waiting periods under competition laws, including, without limitation, the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended.

A copy of the press release, dated May 21, 2012, announcing the Acquisition is attached hereto as Exhibit 99.1.

More information about Nordson and risks and assumptions related to Nordson's business are detailed in the reports Nordson files with the Securities and Exchange Commission.
