**Invitation to the Shareholders Meeting**

**Dear Shareholder,**

We are pleased to invite you to the 9th Shareholders Meeting of Swisscom AG. The meeting is scheduled for **Tuesday, 24 April 2007 at 2:30 p.m.** in the Hallenstadion at Wallisellenstrasse 45, Zurich-Oerlikon. Doors will open at 1:30 p.m.

**Agenda and proposals**

**1. Annual report, annual financial statement and consolidated financial statements for the fiscal year 2006, reports of the statutory and group auditors**

**A. Proposal**

The Board of Directors proposes that the annual report, the annual financial statement and the consolidated financial statements for fiscal year 2006 be approved.

**B. Explanatory notes**

Consolidated accounting concludes with a net income after deduction of minority interests of CHF 1 599 million. That corresponds to a drop of 20.9 per cent in comparison with the previous year. Earnings per share amounted to CHF 28.92 per share. It was reduced only by 14.4 per cent as a consequence of the share buyback. Operating results (EBITDA) sank by 9.2 per cent over the previous year, down to CHF 3 787 million.

Turnover also dropped by 0.8 per cent to CHF 9 653 million.

The annual financial statement of Swisscom AG shows a net income of CHF 1 665 million, and retained earnings of CHF 1 935 million.

The statutory and group auditors KPMG Klynveld Peat Marwick Goerdeler SA recommend in their reports to the shareholders meeting that the consolidated financial statements for the year ending 31 December 2006 and the annual financial statement of Swisscom AG for the year ending 31 December 2006 be approved.

**2. Appropriation of retained earnings and declaration of dividends**

**A. Proposal**

The Board of Directors proposes that the retained earnings of CHF 1 935 million for fiscal year 2006 be appropriated as follows: CHF 881 million as dividend payments and CHF 1 054 million to be carried forward to the next fiscal year.

**B. Explanatory notes**

The proposed dividend amounts to CHF 17 per share. Provided the Shareholders Meeting approves this proposal, a net dividend of CHF 11.05, after deduction of a 35 per cent withholding tax, will be paid out on 27 April 2007.

**3. Discharge of the members of the Board of Directors and the Executive Board**

**A. Proposal**

The Board of Directors proposes that discharge be granted to the members of the Board of Directors and the Executive Board for the activity in fiscal year 2006.

**4. Change of clause 6.1.2 of the articles of incorporation**

**A. Proposal**

The Board of Directors proposes the maximum term of office for members of the Board of Directors be increased from eight to twelve years. Clause 6.1.2 of the articles of incorporation therefore reads as follows (change emphasized through italics): It shall, as a rule, be elected by the ordinary Shareholders Meeting for a period of two years of office, subject to prior resignation or removal. The term of office of members of the board shall commence upon election. A year of office is taken to be the period of time from one ordinary Shareholders Meeting until the closing of the next ordinary Shareholders Meeting. Members of the Board of Directors who have reached the age of 70 shall retire from the Board of Directors upon the date of the next ordinary Shareholders Meeting. Members may serve a maximum of *twelve* years of office on the Board of Directors.

**B. Explanatory notes**

With the increase in the maximum number of years in office, the Shareholders Meeting is getting more leeway in structuring the manning of the Board of Directors. They can make it possible for its members to have a longer involvement in the company, to the extent this is in the interest of Swisscom AG, and thus improve continuity in the corporate management. The age limitation of 70 remains unchanged.
