Long-Term Incentive Grants

On February 26, 2015, the Compensation Committee (the “Committee”) of the Board of Directors (the “Board”) of Hercules Offshore, Inc. (the “Company”) approved long-term incentive grants (the “Annual LTI Grants”) for certain of its executive officers.

The Annual LTI Grants were made pursuant to the Company’s 2014 Long-Term Incentive Plan (the “LTIP”) to each of John T. Rynd, Chief Executive Officer and President, Troy L. Carson, Senior Vice President and Chief Financial Officer, and Terrell L. Carr, Senior Vice President, Worldwide Drilling Operations.

Each of the executive officers received restricted stock awards (the “Restricted Stock Awards”), which vest 1/3 per year on each of the first three anniversaries of the designated grant date, March 2, 2015 (the “Grant Date”). Each executive officer was also granted a long-term cash performance award (the “Performance Awards”), which is earned subject to the achievement of Company performance objectives with respect to two metrics, relative stock price performance and operational downtime, over a one-year, two-year and three-year period, each beginning on January 1, 2015. 20% of the total Performance Award is achievable based on the one-year performance period, 30% is achievable based on the two-year performance period, and the remaining 50% is achievable based upon the three-year performance period. Mr. Rynd’s Performance Award also has an equity component that is earned, in addition to the cash, up to a total amount of 400,000 shares if minimum levels of performance are achieved. Performance objectives have been established for each metric, with the Performance Awards earning 100% more cash at the maximum level, and 40% less cash at the threshold level, with the amount earned prorated between levels. No cash or shares will be issued with respect to a particular metric over a particular performance period if the threshold performance objective is not met with respect to such metric over the particular performance period.

At the target level, the Performance Awards and the Restricted Stock Awards are approximately 80% and 20%, respectively, of the total target grant for Mr. Rynd, and approximately 73% and 27%, respectively, of the total target grant for Mr. Carson and Mr. Carr. The number of shares and amount of cash issuable to each of the executive officers if the target objectives are achieved with respect to each metric is as set forth below:

Name of Executive Officer	Restricted Stock Award	Performance Cash Award (Target)	Performance Equity Award
John T. Rynd	589,474 shares	\$1,082,334	400,000 shares
Troy L. Carson	378,947 shares	\$561,000	N/A
Terrell L. Carr	294,737 shares	\$436,333	N/A
