PROXY STATEMENT FOR 2006 ANNUAL MEETING

GENERAL INFORMATION ABOUT VOTING

Who can vote?

You can vote your shares of common stock if our records show that you owned the shares on January 17, 2006. A total of 10,128,747 shares of common stock can vote at the annual meeting. You get one vote for each share of common stock. We do not recognize cumulative voting for the election of our directors. The enclosed proxy card shows the number of shares you can vote.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxyholders will vote for you on that proposal. Unless you instruct otherwise, the proxyholders will vote for each of the five directors and for the ratification of Hogan & Slovacek as Independent auditors.

What if other matters come up at the annual meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the annual meeting. If other matters are properly presented at the meeting, the proxyholders will vote your shares as they see fit.

Can I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you can change your vote either by giving our secretary a written notice revoking your proxy

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person.

If your shares are held in the name of your broker, a bank, or other nominee, that party should give you instructions for voting your shares.

How are votes counted?

We will hold the annual meeting if holders of a majority of the shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card. Votes will be tabulated by an inspector of election appointed by our board of directors. Abstentions from voting, which you may specify on the ratification of the appointment of Hogan & Slovacek as independent auditors, will have the effect of a negative vote.

If your shares are held in the name of a nominee, and you do not tell the nominee how to vote your shares (so-called "broker nonvotes"), the nominee may vote them on the proposals to elect directors and to ratify the appointment of Hogan & Slovacek as our independent auditors. Additionally, broker nonvotes will be counted as present to determine if a quorum exists.

Who pays for this proxy solicitation?

The accompanying proxy is solicited

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form DEF 14A

card or by signing, dating and returning to us a new proxy card. We will honor the proxy card with the latest date. Attendance at the annual meeting will not, by itself, revoke your proxy card.

Can I vote in person at the annual meeting rather than by completing the proxy card?

by and on behalf of our board of directors, and the entire cost will be paid by us. In addition to sending you these materials, some of our employees may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this, but they may be reimbursed for their out-of-pocket expenses incurred while assisting us in soliciting your proxy.

Board Independence. The board of directors has determined that Messrs. Committees of the Board. The board of directors has three committees, the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. The following describes the functions and membership of each committee and the number of times it met during our fiscal year ended September 30, 2005:

Report of the Audit Committee

The Audit Committee of our board of directors is comprised of three directors who are not officers of the Company. Under currently applicable rules, all members are "independent" as defined under the American Stock Exchange listing standards. The Audit Committee reviews our financial reporting process on behalf of the board of directors. The Audit Committee's policy is to submit all proposed non-audit services to the Audit Committee chairman, who considers and pre-approves all engagements for audit or non-audit services rendered by our independent auditors. The Audit Committee approved 100% of such services in 2005 under its pre-approval policy. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In connection with its function to oversee and monitor our financial reporting process, the Audit Committee has done the following:

- reviewed and discussed the audited financial statements for the fiscal year ended September 30, 2005, with management;
- discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Certification of Statements on Auditing Standards, AU Section 380);
- received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent accountant the independent accountant's independence; and
- based on the review and discussions referred to above, recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for fiscal year 2005 for filing with the Securities and Exchange Commission (the "SEC").

The SEC has adopted rules pursuant to the provisions of the Sarbanes-Oxley Act requiring audit committees to include an "audit committee financial expert," defined as a person who has the following attributes:

- 1) an understanding of generally accepted accounting principles and financial statements;
- 2) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and reserves;
- 3) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form DEF 14A

accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the registrants financial statements, or experience actively supervising one or more persons engaged in such activities;

- 4) an understanding of internal control over financial reporting; and

7

- 5) an understanding of audit committee functions.

The financial expert will have to possess all of the attributes listed above to qualify as an audit committee financial expert. Our board of directors has determined that each of the Audit Committee members is financially literate under the current AMEX listing standards. The board also determined that Stephen J. Tyde and Freddie H. Gibson, both independent directors, qualify as "audit committee financial experts" as defined by the SEC in rules adopted pursuant to the Sarbanes-Oxley Act of 2002.

Report of the Compensation Committee

The Compensation Committee of our board of directors is comprised of three directors who are not officers of the Company. The Compensation Committee is responsible for the review of the performance of our executive officers. The performance of the executive officers of the Company is reviewed in light of the performance of the Company and the Company's working capital position and prospects. The Committee does not assign relative weights to the factors considered in setting compensation, but rather considers all factors as a whole. In determining compensation levels, the Committee has not set specific performance targets for officers to attain in order to earn any specific component of compensation.

The Committee and the board of directors have considered other companies in the telecommunications industry and reviewed, to the extent such information was available, the compensation paid to the Chief Executive Officer and other executive officers of those companies. As a result of such review, the board of directors has, as it did the previous year, concluded that the compensation levels of the Company's executive officers are in the lower range of compensation paid by comparably situated companies. There have been no material increases in salary or other compensation paid to the executive officers in the past four fiscal years. The Committee agreed to develop a comprehensive executive compensation program to be discussed and acted upon at the next scheduled board meeting in March.

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form DEF 14A

At the present time, the Company maintains its 1998 Incentive Stock Plan for the purpose of awarding options to its directors, executive officers and other key employees. Stock options were granted to the executive officers during fiscal 2005 as described herein under "Summary Compensation Table," and to directors as described herein under "Compensation of Directors."

The Company's future compensation policies will be developed in light of the Company's profitability and with the goal of rewarding members of management for their contributions to the Company's success.

The Corporate Governance and Nominating Committee is comprised of three directors who are not officers of the Company. Under currently applicable rules, all members are "independent" as defined under the American Stock Exchange listing standards. A copy of the Corporate Governance and Nominating Committee Charter is posted on our website at www.addvantagetech.com.

The Corporate Governance and Nominating Committee has adopted a policy with regard to the consideration of director candidates recommended by shareholders. The Corporate Governance and Nominating Committee will consider

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form DEF 14A

director candidates recommended by any shareholder holding 10,000 shares of our common stock for at least 12 months prior to the date of submission of the recommendation or nomination. Additionally, a recommending shareholder shall submit a written statement in support of the candidate, particularly within the context of the criteria for board membership, including issues of character, judgment, age, independence, expertise, corporate experience, length of service, other commitments and the like, personal references, and a written indication by the candidate of his/her willingness to serve, if elected, and evidence of the nominating persons ownership of our stock sufficient to meet any applicable stock ownership requirements set forth in our corporate governance guidelines.

A shareholder that instead desires to nominate a person directly for election to the board must meet the deadlines and other requirements set forth in the Company's bylaws and the rules and regulations of the SEC.

The Corporate Governance and Nominating Committee's criteria and process for identifying and evaluating the candidates that it selects, or recommends to the full board for selection, as director nominees, are: (i) regular review of composition and size of the board; (ii) review of qualifications of candidates properly recommended or nominated by any qualifying shareholder; (iii) evaluation of the performance of the board and qualification of members of the board eligible for re-election; and (iv) consideration of the suitability of each candidate, including current members of the board, in light of the size and composition of the board. After such review and consideration, the Corporate Governance and Nominating Committee will recommend a slate of director nominees.

While the Corporate Governance and Nominating Committee has not

9

established specific minimum requirements for director candidates, the committee believes that candidates and nominees must reflect a board that is comprised of directors who: (i) are predominantly independent; (ii) are of high integrity; (iii) have qualifications that will increase overall board effectiveness; and (iv) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to audit committee members.

Board Meetings

Our board held two meetings during fiscal 2005. Each director attended all meetings of the board and the committees on which he served.

Shareholder Communication with the Board of Directors

Communication with the board of directors should be directed to the attention of Stephen J. Tyde. Written correspondence to Mr. Tyde may be delivered to our executive offices, 1221 East Houston, Broken Arrow, Oklahoma, 74012. All security holder communications directed to Mr. Tyde will be promptly forwarded to him. All board members are encouraged, but not required, to attend our annual meeting. Last year, four board members attended our annual meeting.

Code of Ethics

We have adopted a Code of Business Conduct and Ethics which is applicable to all of our directors, officers and employees, and a Code of Ethics for CEO and Senior Financial Officers. Copies of our Code of Business Conduct and

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form DEF 14A

Ethics and Code of Ethics for CEO and Senior Financial Officers are posted on our website at www.addvantagetech.com.

Certain Relationships and Related Party Transactions

In fiscal 1999, Chymiak Investments, L.L.C., which is owned by David E. Chymiak and Kenneth A. Chymiak, purchased from Tulsat Corporation on September 30, 1999, the real estate and improvements comprising the headquarters and a substantial portion of the other office and warehouse space of Tulsat Corporation for a price of \$1,286,000. The price represents the appraised value of the property less the sales commission and other sales expenses that would have been incurred by Tulsat Corporation if it had sold the property to a third party in an arm's-length transaction. Tulsat Corporation entered into a five-year lease commencing October 1, 1999 with Chymiak Investments, L.L.C. covering the property. This lease was renewed on October 1, 2004 and will expire on September 30, 2008.

Chymiak Investments Inc., which is owned by Kenneth A. Chymiak and his wife, Susan C. Chymiak, owns three other properties leased to Tulsat Corporation for five-year terms (all ending in 2008).

The Company leases various properties primarily from two companies owned by David E. Chymiak and Kenneth A. Chymiak as discussed above. Future minimum lease payments under these leases are as follows:

2006	\$ 377,640
2007	360,000
2008	324,000

	\$ 1,061,640
	=====

Related party rental expense for the year ended September 30, 2005 was \$465,840.

10

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of our common stock to report their initial ownership of our common stock and any subsequent changes in that ownership to the SEC and to furnish us with a copy of each of these reports. SEC regulations impose specific due dates for these reports and we are required to disclose in this proxy statement any failure to file by these dates during fiscal 2004.

Based solely on the review of copies of these reports furnished to us and written representations that no other reports were required, during and with respect to the fiscal year ended September 30, 2005, we believe that these persons have complied with all applicable filing requirements, except that, due to administrative oversight, (i) in 2005, Forms 4 reporting option grants for each of the following individuals were not timely filed: Kenneth A. Chymiak, David E. Chymiak, Stephen J. Tyde, Freddie R. Gibson, and Henry F. McCabe; and a Form 4 for Stephen J. Tyde regarding one transaction was filed one day late; (ii) in 2001 and 2002, Forms 5 (as required at that time), and in 2003 and 2004, Forms 4 (as required at that time), reporting one option grant per year for each of the following individuals were not filed: Kenneth A. Chymiak, David E. Chymiak, Stephen J. Tyde, and Freddie R. Gibson; (iii) Henry F. McCabe did not timely file a Form 3 with respect to his holdings of

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form DEF 14A

common stock as of March 4, 2004, the date he became a director of the Company and one Form 4 in 2004; and (iv) Dee Cooper, Controller and Principal Accounting Officer until his resignation from the Company on July 11, 2005, did not timely file Form 3 and one Form 4. The omissions were inadvertent and the delinquent reports have been filed. Appropriate steps have been taken to educate all required filers of their obligations to file in a timely manner in the future.

In addition, directors are eligible to receive awards of options to purchase 1,000 shares of our common stock each year after the annual shareholders meeting. We reimburse all directors for out-of-pocket expenses incurred by them in connection with their service on our board and any board committee. PROPOSAL NO. 2 Ratification Of Independent Auditors

We recommend that you vote for the ratification of the appointment of Hogan & Slovacek.

Our Audit Committee has selected the accounting firm of Hogan & Slovacek as our independent auditors to examine our financial statements for the fiscal year ending September 30, 2006. This engagement will be effective upon completion of the review by Tullius Taylor Sartain & Sartain LLP of the Company's Quarterly Report on Form 10-Q for the first quarterly period ended December 31, 2005. Tullius Taylor Sartain & Sartain LLP has served as our principal accountant for the most recently completed fiscal year. However, as discussed below, that firm resigned on January 17, 2006.

Change in Company's Certifying Accountant

On January 17, 2006, the Company and the Chairman of the Audit Committee of the Company's Board of Directors were advised by letter of the same date that Tullius Taylor Sartain & Sartain LLP ("Tullius"), the principal accountant engaged to audit the Company's financial statements, would resign as the Company's independent registered public accounting firm. The effective date of the resignation is the date of completion of Tullius' review of the Company's Quarterly Report on Form 10-Q for the first quarterly period ended December 31, 2005.

The reports of Tullius on the Company's consolidated financial statements for each of the past two fiscal years did not contain an adverse opinion or a disclaimer of opinion, and were not qualified as to uncertainties, audit scope or accounting principles.

The Audit Committee was informed of, but neither recommended nor approved,

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form DEF 14A

the termination of the client-auditor relationship with Tullius.

During the Company's two most recent fiscal years ended September 30, 2005, and for the period from October 1, 2005, through the date of Tullius' letter of resignation, there were no disagreements with Tullius on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Tullius, would have caused them to make reference to the subject matter of their disagreement in their reports on the Company's consolidated financial statements for such periods.

During the period of October 1, 2005, through the date of Tullius' letter of resignation, there were no reportable events as defined by paragraph (a) (1) (v) of Item 304 of Regulation S-K promulgated by the SEC.

The Company provided Tullius with copies of both of its Current reports on Form 8-K reporting this event and asked Tullius to furnish the Company with letters addressed to the SEC stating whether Tullius agrees with the statements made by the Company and, if not, stating the respects in which it does not agree. Tullius furnished such letters to the Company, indicating to the SEC that it was in agreement with the Company's statements concerning Tullius.

On January 26, 2006, the Audit Committee engaged Hogan & Slovacek to serve as the principal accountant to audit the Company's financial statements for the current fiscal year.

During the Company's two most recent fiscal years ended September 30, 2005, and for the period from October 1, 2005, through the date of such engagement, the Company did not consult with Hogan & Slovacek regarding the application of accounting principles to a specific transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, or any other matters or reportable events described in Items 304(a) (2) (i) and (ii) of Regulation S-K.

PRINCIPAL ACCOUNTING FEES AND SERVICES

Tullius served as our independent auditor from 1994 until its resignation discussed above, and it examined our financial statements for the fiscal year ended September 30, 2005. Our Audit Committee considered whether the provision of the tax services and other services by Tullius was compatible with maintaining their independence and determined that it was.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm.

Before engagement of the independent registered public accounting firm for the next year's audit, management will submit a list of services and related fees expected to be rendered during that year within each of the following four categories of services to the Audit Committee for approval:

1. Audit services include audit work performed on the financial statements, internal control over financial reporting, as well as work that generally only the independent registered public accounting firm can reasonably be

16

expected to provide, including comfort letters, statutory audits, and discussions surrounding the proper application of financial accounting and/or reporting standards.

2. Audit-Related services are for assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.
3. Tax services include all services, except those services specifically related to the audit of the financial statements, performed by the independent registered public accounting firm's tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting other tax related regulatory requirements; and tax compliance and reporting.
4. Other Fees are those associated with services not captured in the other categories. The company generally doesn't request such services from the independent registered public accounting firm.

Before engagement, the Audit Committee pre-approves the independent registered public accounting firm's services within each category. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

1052:

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee

Edgar Filing: ADVANTAGE TECHNOLOGIES GROUP INC - Form DEF 14A

at its next scheduled meeting.
