PROXY STATEMENT FOR THE
2017 ANNUAL MEETING OF STOCKHOLDERS
INFORMATION ABOUT THE MEETING, VOTING AND PROXIES

Date, Time and Place of Meeting

Our Board of Directors (the "Board") is asking for your proxy for use at the Rosetta Stone Inc. 2017 Annual Meeting of Stockholders (the "2017 Annual Meeting") and at any adjournment or postponement thereof for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. We are holding the 2017 Annual Meeting on Friday, May 19, 2017 at 2:00 p.m. local time at our offices at 300 Baker Ave., Suite 320, Concord, Massachusetts 01742. Directions to the 2017 Annual Meeting may be found at <http://www.rosettastone.com/directions>. We have first released this proxy statement to our stockholders beginning on or about April 7, 2017.

Internet Availability of Proxy Materials

Under rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), we furnish our proxy materials on the Internet. Instructions on how to access and review the proxy materials on the Internet can be found on the proxy card sent to stockholders of record and on the Notice of Internet Availability of Proxy Materials (the "Notice") sent to stockholders who hold their shares through a brokerage firm or bank, also referred to as holding shares in street name. The Notice will also include instructions for stockholders who hold their shares in street name on how to vote over the Internet.

Record Date, Outstanding Shares and Quorum

Only holders of record of our common stock on March 24, 2017 (the "Record Date") will be entitled to vote at the 2017 Annual Meeting. On the Record Date, we had approximately 22,144,481 shares outstanding and entitled to vote. We need a quorum to take action at the 2017 Annual Meeting. We will have a quorum if a majority of the shares outstanding and entitled to vote on the Record Date are present at the 2017 Annual Meeting, either in person or represented by proxy.

If by the date of the 2017 Annual Meeting we do not receive sufficient shares to constitute a quorum or approve one or more of the proposals, the Chairman of the Annual Meeting, or the persons named as proxies, may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies. The persons named as proxies would typically exercise their authority to vote in favor of adjournment.

Voting Rights

Holders of our common stock are entitled to one vote for each share they own on the Record Date. Cumulative voting for directors is not permitted. The Inspector of Elections appointed for the 2017 Annual Meeting will tabulate all votes. The Inspector will separately tabulate for and against votes, withhold votes, abstentions and broker non-votes for each proposal, as applicable.

Voting and Revoking Proxies

Our Board of Directors is soliciting proxies to vote your shares at the 2017 Annual Meeting. If you attend the 2017 Annual Meeting, you may submit your vote in person, and any proxy that you previously submitted may be revoked

and superseded by the vote that you cast at the 2017 Annual Meeting.

If you properly submit your proxy, and do not revoke it prior to the 2017 Annual Meeting, your shares will be voted in the manner described in this proxy statement or as you may otherwise direct. If you sign and return your proxy card, but do not give any voting instructions, your shares will be voted in favor of the election of each of the director nominees listed in Proposal 1 and in favor of Proposals 2, 3, 4 and 5. As far as we know, no other matters will be presented at the 2017 Annual Meeting. However, if any other matters of business are properly presented, the proxy holders named on the proxy card are authorized to vote the shares represented by proxies according to their judgment.

Table of Contents

Whether you submit your proxy via the Internet or by mail, you may revoke it at any time before voting takes place at the 2017 Annual Meeting. If you are the record holder of your shares and you wish to revoke your proxy, you must deliver instructions to the General Counsel and Secretary at our headquarters and principal executive office: Rosetta Stone Inc., 1621 North Kent Street, Suite 1200, Arlington, Virginia 22209. You may also revoke a proxy by submitting a later-dated proxy or by voting in person at the 2017 Annual Meeting. Please note that if a broker, bank or other nominee is the record holder of your shares and you wish to vote at the 2017 Annual Meeting, you must bring to the 2017 Annual Meeting a letter from the record holder confirming your beneficial ownership of the shares. If a broker, bank or other nominee is the record holder of your shares and you wish to revoke your proxy, you must contact the record holder of your shares directly.

Abstentions and Broker Non-Votes

Any shares represented by proxies that are marked to abstain from voting on a proposal will be counted as present in determining whether we have a quorum. They will also be counted in determining the total number of shares entitled to vote on a proposal.

If your shares are held in street name and you do not instruct your broker on how to vote your shares, your broker, in its discretion, may either leave your shares un-voted or vote your shares on certain routine matters. However, the New York Stock Exchange (the "NYSE") precludes brokers from exercising voting discretion on certain proposals without specific instructions from the beneficial owner. Importantly, NYSE rules expressly prohibit brokers holding shares in street name for their beneficial holder clients from voting in uncontested director elections or executive compensation matters, including say-on-pay proposals, without receiving specific voting instructions from those clients. Under NYSE rules, only Proposal No. 2 (ratifying the selection of our independent registered public accounting firm) should be treated as a routine matter on which a broker can exercise its discretion and vote your shares without specific instructions. If your broker votes on your behalf on this proposal, your shares also will be counted as present for the purpose of determining a quorum. Proposals 1, 3, 4 and 5 are not considered routine matters, and, without your instruction, your broker cannot vote your shares with respect to these proposals. If a broker, bank, custodian, nominee or other record holder of Rosetta Stone stock indicates on a proxy that it does not have discretionary authority to vote certain shares on a particular matter, these shares (called "broker non-votes") will be counted as present in determining whether we have a quorum.

Soliciting Proxies

We will pay all expenses of soliciting proxies to be voted at the 2017 Annual Meeting. After the proxies are initially distributed, we and/or our directors, officers and regular employees may also solicit proxies by mail, electronic mail, telephone or in person. We will ask brokers, custodians, nominees and other record holders to prepare and send the Notice to people or entities for which they hold shares and forward copies of the proxy materials to beneficial owners who request paper copies, and we may reimburse them for their expense in doing so.

Delivery of Voting Materials to Stockholders Sharing an Address

To reduce the expense of delivering duplicate materials to stockholders sharing the same address, we have adopted a procedure approved by the SEC called "householding." Under this procedure, certain stockholders of record who have the same address and last name and do not participate in electronic delivery of proxy materials will receive only one copy of the Notice, Annual Report on Form 10-K and proxy materials, as applicable, sent to stockholders until such time as one or more of these stockholders notifies us that they wish to receive individual copies. In addition, your broker or bank may also follow this procedure. This procedure will reduce duplicate mailings and save printing costs and postage fees, as well as natural resources.

How to Obtain a Separate Set of Voting Materials

If you would like to have additional copies of our Notice, Annual Report on Form 10-K and proxy materials, as applicable, mailed to you, please submit your request to the General Counsel and Secretary at our headquarters, Rosetta Stone Inc., 1621 North Kent Street, Suite 1200, Arlington, Virginia 22209, or call the General Counsel and Secretary at (703) 387-5800 and we will promptly deliver these materials to you. Copies of our Annual Report on Form 10-K do not include exhibits unless exhibits are specifically requested in writing. You may also contact us at the address or phone number above if you received multiple copies of materials for the 2017 Annual Meeting and would prefer to receive a single copy in the future. If you would like to opt out of householding for future mailings, call the General Counsel and Secretary at (703) 387-5800 or send a written request to the General Counsel and Secretary at the above address.

Annual Report on Form 10-K and Additional Materials

The Notice of Annual Meeting, this Proxy Statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2016 have been made available to all stockholders entitled to vote at the 2017 Annual Meeting and who received the Notice. The Annual Report on Form 10-K can also be viewed at <http://investors.RosettaStone.com>.

OUR BOARD OF DIRECTORS AND NOMINEES

Our Board of Directors currently consists of six directors and is divided into three classes, with the nominees for one class to be elected at each annual meeting of stockholders, to hold office for a three-year term and until successors of the members of such class have been elected and qualified, subject to their earlier death, resignation or removal. In January 2016, Marguerite W. Kondracke resigned from the Board of Directors. Ms. Kondracke had been a valued member of the Company's Board of Directors since 2011 and served on the Compensation Committee prior to her resignation. Immediately following Ms. Kondracke's resignation from our Board, our Board of Directors unanimously voted to reduce the size of the Board from nine to eight directors.

In March 2016, Laura Witt provided notice of her decision to resign from our Board of Directors, effective the date of the Company's 2016 Annual Meeting. Ms. Witt had been a valued member of the Company's Board since 2005. Ms. Witt served as chair of the Board from December 2005 to February 2011 and served on the Compensation Committee prior to her resignation. Immediately following Ms. Witt's resignation from our Board, our Board of Directors unanimously voted to reduce the size of the Board from eight to seven directors.

In May 2016, James P. Bankoff resigned from the Board of Directors. Prior to his resignation, Mr. Bankoff had been a valued member of the Company's Board since 2012 and served as Chair of the former Consumer Advisory Committee. Upon Mr. Bankoff's resignation, the Board's size automatically reduced from seven to six.

Our Board of Directors believes that the board composition and size following Mses. Kondracke, Witt and Mr. Bankoff's resignations is sufficient to provide all required oversight, governance, and related board duties.

Only the terms of the Class II directors are scheduled to expire on the date of the upcoming 2017 Annual Meeting. Based on the recommendation of the Corporate Governance and Nominating Committee of our Board of Directors, the nominees for election to the Board of Directors by the stockholders are two current Class II members of our Board, who are A. John Hass III and Laurence Franklin. If elected, the nominees will serve as directors until the Annual Meeting of Stockholders in 2020 and until their successors are elected and qualified, subject to their earlier death, resignation or removal.

The names and certain information about the nominee directors and the continuing directors in each of the other two classes of our Board are set forth below. There are no family relationships among any of our directors or executive officers.

It is intended that the proxy will be voted, unless otherwise indicated, for the election of the nominees as Class II directors to our Board of Directors. If any of the nominees should for any reason be unable or unwilling to serve at any time prior to the 2017 Annual Meeting, the proxies may be voted for the election of a substitute nominee that our Board may designate in place of such nominee.

Because the upcoming 2017 Annual Meeting will trigger the expiration of the terms of only the Class II directors, proxies cannot be voted for more than two director nominees. The two candidates receiving the highest number of affirmative votes of the shares of our common stock entitled to vote at the 2017 Annual Meeting will be elected Class II directors to serve for a three-year term and until their successors have been duly elected and qualified, subject to their earlier death, resignation or removal.

Mr. Gross' finance and operations experience qualify him as an audit committee financial expert, and his long-tenured service on other public company boards provides significant insight into the Company's corporate governance.

Caroline J. Tsay was elected to serve as a director on our Board in December 2014. She is Chair of the Business Advisory Committee and serves on the Compensation Committee. Ms. Tsay is currently CEO of Compute Software, Inc. Compute Software dynamically optimizes cloud resource decisions and maximizes business value for companies running on the public cloud. From March 2013 until December 2016, Caroline served as Vice President and General Manager of Software at Hewlett-Packard Enterprise ("HPE"). Her focus at HPE was to grow customers and revenue through a new digital experience and online channel offering SaaS and on-premises software to SMB, mid-market, and large enterprise companies. From 2007 to 2013, Ms. Tsay held several positions at Yahoo!. Most notably, she served as Senior Director of Product Management for Search and E-Commerce, where she launched consumer internet innovations that drove 500 million daily visits and \$3.5 billion in revenue. Prior to joining Yahoo! in 2007, Ms. Tsay served as a Senior Consultant in the supply chain management and customer relationship management practices at IBM Global Services. Table of Contents

Composition of our Board of Directors; Classified Board

Our Board of Directors currently consists of six members, five of whom are non-employee members and are considered independent under NYSE rules. Each director holds office until the election and qualification of his or her successor, or his or her earlier death, resignation or removal. Our bylaws permit our Board of Directors to establish by resolution the authorized number of directors. Our bylaws provide that our Board of Directors is divided into three classes of directors, each serving a staggered three-year term. As a result, one class of our Board of Directors will be elected at each annual meeting for three-year terms.

Our Board of Directors is classified as follows:

David Nierenberg and Steven P. Yankovich are designated Class I Directors whose terms will expire at our 2019 Annual Meeting of Stockholders;

A. John Hass III and Laurence Franklin are designated Class II Directors whose terms will expire at our upcoming Annual Meeting; if re-elected at our upcoming Annual Meeting, these directors will have terms that expire at our 2020 Annual Meeting of Stockholders; and

Patrick W. Gross and Caroline J. Tsay are designated Class III Directors whose terms will expire at our 2018 Annual Meeting of Stockholders.

Our bylaws provide that the number of authorized directors will be determined from time to time by resolution of our Board of Directors. Any vacancy created by a resignation of a director shall automatically reduce the number of directors on our Board accordingly, upon the effective date of such resignation. Any additional directorships resulting from an increase in the number of authorized directors will be distributed among the three classes so that, as nearly as reasonably possible, each class will consist of one-third of the directors. The classification of our Board of Directors may have the effect of delaying or preventing changes in control of our Company. Our certificate of incorporation further provides for the removal of a director only for cause and by the affirmative vote of the holders of a majority of the shares then entitled to vote at an election of our directors.

Director Independence

Our Board of Directors reviewed the independence of each director in February 2017 and considered whether any director had or has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board of Directors determined that all of our directors, other than our President and Chief Executive Officer, A. John Hass III, were "independent directors" and meet the independence requirements under the listing standards of the NYSE and rules and regulations of the SEC.

Our Corporate Governance Guidelines provide that the non-management directors will regularly meet in executive session, without management present. As required under applicable NYSE listing standards, in the year ended December 31, 2016, our non-management directors met in regularly scheduled executive sessions at which only non-management directors were present. As Lead Director, Mr. Gross presided over these sessions. Mr. Gross is an "independent director" and meets the independence requirements under the listing standards of the NYSE.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors believes it is important to retain its flexibility to allocate the responsibilities of the offices of the Chairman of the Board and the Chief Executive Officer in a way that is in the best interest of the Company at any

given point of time. The Board of Directors may make a determination as to the appropriateness of its current policies in connection with the recruitment and succession of the Chairman of the Board and/or the Chief Executive Officer.

Our Board of Directors appointed Mr. Hass to serve as President, Chief Executive Officer and Chairman of the Board effective April 1, 2016. Mr. Hass previously served as a director since November 2014. We believe that as President and Chief Executive Officer, Mr. Hass is in the best position to focus the independent directors' attention on the issues of greatest importance to the Company and its stockholders. At any time that the Chairman of the Board is not an individual who is independent under the rules of the NYSE, the Board of Directors will appoint a Lead Independent Director elected by the independent directors, with broad authority and responsibility over Board governance and operations. This structure allows one person to speak for and lead both the Company and the Board of Directors, while also providing for effective independent board oversight through a Lead Independent Director.

Table of Contents

The Lead Independent Director has the following authority, as detailed in the Company's Corporate Governance Guidelines:

- preside at all meeting of the Board at which the Chairman of the Board is not present, including executive sessions of the independent directors;
- serve as a liaison between the Chairman of the Board and the independent directors;
- approve information sent to the Board;
- approve meeting agendas for the Board;
- approve meeting schedules to assure that there is sufficient time for discussion of all agenda items; and
- call meetings of the independent directors.

Mr. Gross acted as Lead Independent Director from February 2012 to May 2013 until he was appointed to Chairman of the Board in May 2013. Mr. Gross served as Chairman of the Board until Mr. Hass was appointed as Chairman of the Board, effective April 1, 2016. In light of Mr. Gross' experience, the independent directors elected Mr. Gross as Lead Independent Director on April 1, 2016. Mr. Gross also serves as a member of our Audit, Compensation, Corporate Governance and Nominating, CEO Search and Transaction Committees.

The Board of Directors oversees risk by actively reviewing management decisions and financial controls at both the full Board and Board committee levels. The Board of Directors takes a hands-on role in risk management practices in such areas as credit risk, liquidity risk, and operational risk by obtaining detailed reports from management, maintaining continuous dialogue with management, and providing extensive input on material corporate decisions. The Board of Directors extensively oversees management, particularly through periodic conferences between the Chief Executive Officer and certain members of the Board of Directors. The extent of the Board of Directors' oversight function has the effect of solidifying the Board's leadership structure by providing excellent knowledge of the day-to-day workings of the Company to the Board of Directors.

The Audit Committee assists our Board of Directors in risk oversight by reviewing and discussing policies with management and the independent auditor regarding our major financial risk exposures and the steps management has taken to monitor and control such exposures. The Audit Committee, as part of its independent auditor and internal audit oversight, also reviews and discusses the effectiveness of our disclosure controls and internal control over financial reporting and the performance of the internal audit function. The Audit Committee also directs and monitors our implementation of our corporate-wide compliance program, and oversees the periodic review and assessment of the effectiveness of our compliance program.

The Compensation Committee oversees the design and administration of the Company's executive compensation programs to promote an environment that does not encourage unnecessary and excessive risk-taking, including with respect to the Policy on Recoupment of Performance Based Compensation ("Clawback Policy"). The Compensation Committee also ensures that our compensation practices are in line with best practices with respect to "say on pay" philosophies and guidelines.

The Corporate Governance and Nominating Committee evaluates the Board of Directors' corporate governance guidelines and other Board and committee processes.

The Business Advisory Committee, a special ad hoc advisory committee that was formed to replace and combine the former Consumer Advisory Committee and E&E Advisory Committee, provides operational and strategic thought-partnership to the E&E and Consumer business leadership.

The CEO Search Committee is a special ad hoc advisory committee formed to identify and facilitate the evaluation of potential candidates for CEO and recommending certain candidates for consideration by the Corporate Governance and Nominating Committee and the full Board of Directors. It was disbanded upon the appointment of Mr. Hass as the Company's Chief Executive Officer, President and Chairman of the Board effective April 1, 2016.

The Transactions Committee is a special ad hoc advisory committee formed to review strategic transactions and operational alternatives for the Company.

Our Board of Directors receives periodic reports from each of these committees on their activities.

Policy Governing Director Qualifications and Nominations

We seek directors who possess, at a minimum, the qualifications and skills described below as set forth in our Policy Governing Director Qualifications and Nominations. We consider diversity in our nomination of directors, and in our assessment of the effectiveness of the Board of Directors and its committees. In considering diversity, we evaluate each director candidate in the context of the overall composition and needs of our Board of Directors, with the objective of recommending a group that can best manage the business and affairs of the Company and represent stockholder interests using its diversity of backgrounds and experience. Our Corporate Governance and Nominating Committee will consider these and other qualifications, skills, and attributes when recommending candidates to our Board of Directors.

Our Corporate Governance and Nominating Committee must be satisfied that each Committee-recommended nominee meets the following minimum qualifications:

- the candidate shall exhibit high standards of integrity, commitment, and independence of thought and judgment;
- the candidate shall be committed to representing the long-term interests of our stockholders;
- the candidate shall have sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards on which the nominee may serve;
- to the extent the candidate serves or has previously served on other boards, the candidate shall have a demonstrated history of contributing at board meetings; and
- the candidate meets any other minimum qualifications and other criteria for board membership approved by our Board of Directors from time to time.

In addition to the minimum qualifications for each candidate set forth above, our Corporate Governance and Nominating Committee shall recommend that our Board of Directors select persons for nomination to help ensure that:

- a majority of the Board of Directors is "independent" in accordance with the standards, if any, promulgated by the SEC, or any exchange upon which securities of the Company are traded, and any governmental or regulatory body exercising authority over the Company;
- each of our Audit Committee, Compensation Committee, and Corporate Governance and Nominating Committee is comprised entirely of independent directors; and
- at least one member of our Audit Committee shall have such experience, education and other qualifications necessary to qualify as an "audit committee financial expert" as defined by the rules of the SEC and financial sophistication requirements under NYSE rules.

In addition to any other standards our Corporate Governance and Nominating Committee may deem appropriate from time to time for the overall structure and composition of our Board of Directors, the Committee may consider the following factors when selecting and recommending that our Board of Directors select persons for nomination:

- whether the candidate has direct experience in our industry or in the markets in which we operate;

• whether the candidate, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience;

• whether the candidate has experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing;

• whether the candidate is accomplished in his or her respective field, with strong credentials and recognition; and/or

• whether the candidate is well-regarded in the community.

DIRECTOR COMPENSATION

Non-Employee Director Compensation Policy

The Compensation Committee is responsible for the review and oversight of non-employee director compensation of our Board of Directors in relation to the market and our peer data. We have adopted a compensation policy under which our non-employee directors receive an annual retainer for Board and committee membership, as well as additional fees for attending certain Board and committee meetings. An additional retainer is also provided to individuals who serve as chair of a committee or the Board.

In 2016, as part of cost efficiency efforts, the Compensation Committee reviewed the Company's non-employee director compensation policy against peer companies and adjusted the policy to also allow non-employee directors to choose payment in non-qualified stock options ("NQSOs") for the annual retainer for Board membership and the annual retainer for chairing the Board of Directors, as an expression of commitment and confidence of the Company's long-term success. The Compensation Committee also adjusted the vesting schedule of restricted stock units ("RSUs"), which comprise 50% of director's annual grants of equity, to vesting quarterly over one year, conditioned upon the director's continued service on our Board of Directors during that year, and paid out in shares of our common stock upon the recipient director's separation from service on our Board of Directors.

From October 1, 2015 to May 2016, the non-employee director compensation policy provided that each non-employee director would receive the following compensation for Board and committee services:

- an annual retainer for Board membership of \$40,000 paid in cash, NQSOs or RSUs at the choice of the director;
- an annual retainer of \$40,000 for chairing the Board of Directors, paid in cash, NQSOs or RSUs at the election of a non-employee Chairman of the Board;
- an annual cash retainer of \$20,000 for chairing the Audit Committee, \$10,000 for chairing the Compensation Committee, and \$5,000 for chairing the Corporate Governance and Nominating Committee;
- an annual cash retainer of \$10,000 for serving as a member of one or more Board committees (regardless of the number of committees served); and
- an annual grant of equity with a fair market value as of the date of grant of \$100,000 comprised of:
 - 50% NQSOs vesting quarterly over one year conditioned upon the director's continued service on our Board of Directors during that year; and
 - 50% RSUs vesting quarterly over one year conditioned upon the director's continued service on our Board of Directors during that year and which will be paid out in shares of our common stock following the recipient director's separation from service from the Company.

In May 2016, The Compensation Committee revisited the Company's non-employee director compensation policy and made additional adjustments to the Board of Directors' compensation to encourage directors to elect payment in NQSOs and RSUs for all retainer payments. The Compensation Committee also provided for an annual retainer for the Lead Director of the Board. The current non-employee director compensation policy provides that each non-employee director will receive the following compensation for Board and Committee services:

- an annual retainer for Board membership of \$40,000 paid in cash, NQSOs or RSUs at the choice of the director;

• an annual retainer of \$40,000 for chairing the Board of Directors, paid in cash, NQSOs or RSUs at the election of a non-employee Chairman of the Board;

• an annual retainer of \$15,000 for acting as Lead Director of the Board of Directors, paid in cash, NQSOs or RSUs at the choice of the Lead Director;

• an annual retainer of \$20,000 for chairing the Audit Committee, \$10,000 for chairing the Compensation Committee, and \$5,000 for chairing the Corporate Governance and Nominating Committee, each paid in cash, NQSOs or RSUs at the choice of the director;

an annual retainer of \$10,000 for serving as a member of one or more Board committees (regardless of the number of committees served), paid in cash, NQSOs or RSUs at the choice of the director; and

an annual grant of equity with a fair market value as of the date of grant of \$100,000 comprised of:

50% NQSOs vesting quarterly over one year conditioned upon the director's continued service on our Board of Directors during that year; and

50% RSUs vesting quarterly over one year conditioned upon the director's continued service on our Board of Directors during that year and which will be paid out in shares of our common stock following the recipient director's separation from service from the Company.

All cash retainers will be paid annually upon Board of Directors approval, with one-fourth of the total paid quarterly in arrears. Additionally, in the event of a change to the designated chair for each committee, the annual cash retainer for chairing a committee will be prorated based on the number of days the chair held the position. Non-employee directors are also encouraged to accumulate stock ownership, including ownership of RSUs, equal in value to three times the annual retainer for Board membership within three years of their appointment to the Board of Directors. All of our directors have achieved or are on course to achieve this threshold based on the applicable tenure of and payment to the individual directors.

Table of Contents

Our bylaws provide that if a stockholder wishes to nominate a person for election as director or to propose other business to be considered at an annual meeting of stockholders, that the stockholder must follow the procedures contained in our bylaws. The stockholder proposing such business or making such nomination must be a stockholder of record of our Company on the date the nomination is delivered to our General Counsel and Secretary and at the time of our annual meeting, and be entitled to vote at the annual meeting. The proposal or nomination must be received by our General Counsel and Secretary at our principal executive offices not earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting and not later than the close of business on the 90th day prior to such anniversary, except that if the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice by the stockholder must be delivered not earlier than the close of business on the 120th day prior to the annual meeting and not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day of our first public announcement of the date of the annual meeting. These time periods are designed to allow us time to adequately consider all proposals and nominees.

To be considered, each nomination must include the following information:

all information relating to the nominee that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to and in accordance with Section 14 of the Exchange Act and the rules and regulations promulgated thereunder;

a completed questionnaire with respect to the background and qualification of the nominee and the background of any other person or entity on whose behalf the nomination is being made, the form of which questionnaire will be provided by our General Counsel and Secretary upon written request; and

a written representation and agreement, in the form provided by our General Counsel and Secretary upon written request, that the nominee is not and will not become a party to any agreement, arrangement or understanding with, and has not given any commitment or assurance to, any person or entity as to how the nominee, if elected as a director, will act or vote on any issue or question that has not been disclosed to us or that could limit or interfere with the nominee's ability to comply, if elected as a director, with the nominee's fiduciary duties under applicable law, is not and will not become a party to any agreement, arrangement or understanding with any person or entity other than us with respect to any direct or indirect compensation, reimbursement or indemnification in connection with service

or action as our director that has not been disclosed to us, and in the nominee's individual capacity and on behalf of any person or entity on whose behalf the nomination is being made, would be in compliance, if elected as our director, and will comply with all of our applicable publicly disclosed corporate governance, conflict of interest, confidentiality and stock trading policies and guidelines.

The proposing stockholder must also include such other information as we may reasonably require or that is otherwise reasonably necessary to determine the eligibility of such proposed nominee to serve as a director of our Company, to determine whether such nominee qualifies as an "independent director" or "audit committee financial expert" under applicable law, securities exchange rule or regulation, or any of our publicly-disclosed corporate governance guidelines or committee charters, including our Corporate Governance Guidelines, and that could be material to a reasonable stockholder's understanding of the independence and qualifications, or lack thereof, of such nominee.

Fiscal Year 2016

On April 1, 2016, the Board of Directors appointed A. John Hass III, (“John Hass”) as President and Chief Executive Officer and Chairman of the Board. The Board of Directors had appointed Mr. Hass as Interim President and Chief Executive Officer, April 1, 2015.

Under the direction of Mr. Hass in 2015 we developed three priorities to improve performance:

- Narrow our focus to simplify our business and improve execution;
- Decrease our cost base to improve efficiency and profitability; and,

Table of Contents

• Reallocate capital to our non-Consumer SaaS businesses - especially Lexia - while making our Consumer business more profitable, even if smaller.

In 2016, we continued to focus on these priorities and aligned compensation to drive these changes in our business and to enhance alignment with the long-term interests of stockholders by:

• Structuring our annual cash bonus (the "Annual Performance-Based Incentive") such that 70% to 80% of the award target was based on financial performance metrics; and

• Utilizing performance metrics in the Annual Performance-Based Incentive that emphasized stabilizing revenues, achieving cost reductions, preserving cash, growing Lexia and enhancing the profitability of Consumer.

Emphasizing the importance of cash preservation and investment in the Company's future, Mr. Hass was paid a cash base salary of \$50,000 in 2016 with the remainder of his 2016 target compensation based in equity, of which 82% was incentive based. In addition, in 2016 all members of the Board of Directors elected to take most, if not all, of their compensation in equity.

During 2015 and 2016 we reduced our expense base by approximately \$100 million while continuing to invest in the Company's future. To focus our efforts and reduce costs, we exited a number of markets on a direct basis in both our Consumer and Enterprise & Education Language segments, we initiated closing five offices, and significantly reduced staff. A portion of the savings from these reductions was invested in the growth of Lexia by transitioning the distribution of its products to a predominantly direct sales force from resellers and investing in additional products that we believe will enhance future growth. In addition, we invested in the essential aspects of our Language businesses, introducing Catalyst, a significant new product that will be our core offering for Enterprise customers, and a new native iOS application that is the foundation for future mobile first development in our Consumer business. During this time we continued to maintain an adequate cash balance and have no outstanding debt.

Fiscal Year 2017

For 2017, our Annual Incentive Program ("AIP") will continue to emphasize the importance of improving cash flow while increasing the emphasis on profitable growth, especially in Lexia. In addition, to further incentivize the creation of shareholder value and the retention of critical senior talent we are instituting a Long-Term Performance-Based Equity Incentive Program ("LTIP") in 2017. We believe the longer-term goals of the LTIP complement the goals of the AIP and allow for the inclusion of additional goals that require extended time and management commitment. We will place a greater emphasis on achieving future revenue targets, especially at Lexia, and have introduced a goal for Mr. Hass, and our CFO, Tom Pierno, and our General Counsel, Sonia Galindo, to identify and execute strategic partnerships, licensing agreements or similar arrangements that leverage the power of our brand and products. In addition, we have established a goal for Mr. Hass to work with our team to improve the competitive positioning of the Company across our key markets.

Our 2017 AIP and LTIP are based entirely on the achievement of the financial and qualitative goals detailed in our plans. The awards to Mr. Hass under these plans have been granted entirely through restricted stock awards and performance share units, respectively. Other NEOs may receive a portion of their AIP in cash as well as restricted stock awards. Their LTIP grants have been made using performance share units.

We will continue to adapt our compensation plans to the changing needs of our business and the long-term interests of our shareholders.

Advisory Vote on Executive Compensation

At our 2016 Annual Meeting of Stockholders, nearly 98% of the votes cast on the proposal were in favor of our NEO compensation as disclosed in the Company's Current Report on Form 8-K filed with the SEC on May 19, 2016. As part of its deliberations on the Company's compensation philosophy and pay program construct, the Compensation Committee carefully considered the results of this vote and concluded that stockholders endorsed the decisions made with respect to our compensation program. Further, we believe the Company's overall compensation philosophy and pay practices demonstrate an ongoing commitment to align executive compensation with the interests of our stockholders and reflect evolving best practices.

Current Executive Compensation Best Practices

We employ the following executive compensation best practices.

Clawback Policy. The Company has a Policy on Recoupment of Performance Based Compensation ("Clawback Policy") whereby, in the event of a restatement of the Company's financial results, other than a restatement caused by a change in applicable accounting principle, the Company may review the circumstances that caused the restatement and clawback certain performance-based incentive compensation wrongly awarded to an executive officer as a result of misconduct. The Clawback Policy applies to certain performance-based incentive compensation granted on or after January 1, 2014.

No Tax Gross-ups in Employment Agreements. We do not have any contract or agreement with our NEOs that obligates us to make a tax gross-up payment.

No Excessive Severance Payments. Our termination arrangements with our NEOs do not contain excessive severance payments in cases of their termination.

No Guaranteed Bonuses. We believe that performance-based bonuses should reflect actual performance of the Company and/or individual. Therefore, we do not guarantee performance-based bonus payments to our NEOs.

Double Trigger Vesting for Equity Awards. We maintain a policy, whereby our equity awards do not vest upon consummation of a change in control, unless there is also a termination of service other than for cause or a voluntary resignation for good reason.

- **No Repricing or Replacing Outstanding Stock Options.** We do not permit repricing stock options without stockholder approval. We have never repriced or replaced any of our outstanding stock options.

Limited Use of Perquisites. We do not believe in granting perquisites to our NEOs that are excessive in value or substantially different from the perquisites available to all our employees generally.

No Hedging or Pledging. Our Insider Trading Compliance Policy prohibits all hedging and pledging transactions in Company stock by directors and all employees to ensure that the interests of these holders of Company stock are fully aligned with those of stockholders in general. We also discourage the purchase and sale of exchange-traded options on our stock by our executives.

Stock Ownership Guidelines. We encourage our executives to hold a significant equity interest in the Company. Effective January 1, 2013, our stock ownership guidelines are as follows:

Chief Executive Officer - equal in value to five times (5x) the market equivalent level of base salary; and

Other Executives equal in value to twice (2x) the base salary.

We have provided a time frame of five years from the date one becomes an Executive Officer to attain the equity ownership levels.

Elements of our Executive Compensation Program for Fiscal Year 2016

Our objective is to provide a competitive total compensation package to attract and retain key personnel and drive performance. To achieve this objective, the Compensation Committee has implemented and maintains compensation

plans that tie a substantial portion of the executives' overall compensation to financial and non-financial strategic performance goals. In addition, a substantial portion of each NEOs' total compensation is performance-based and dependent on the achievement of financial performance goals. Our executive compensation program consisted of four principal components in 2016:

- base salary;
- annual performance-based cash incentive;
- annual performance-based equity incentive; and
- long-term performance-based equity incentive.

Compensation of our Named Executive Officers

A detailed description of the components of our executive compensation program is provided below.

Base Salaries We utilize base salary as a means of providing compensation for performing the essential elements of an executive officer's job. To enhance our ability to attract and retain executives in competitive markets, it is our objective to position base salaries which approximate the median for relevant peers.

Table of Contents

Annual Performance-Based Incentive Our annual incentive program is intended to reward our executive officers, including NEOs, for performance which meets or exceeds corporate financial and strategic objectives. These objectives are evaluated separately and structured such that executives may be paid a portion of their annual incentives for achievement related to one or more objectives, as long as the results are above the threshold for the relevant objective.

With respect to financial objectives, the Compensation Committee typically sets a specific threshold performance goal to ensure that a minimum quantitative financial hurdle is met before any payment is earned by an executive officer for that objective. The Compensation Committee also establishes a target financial goal that would result in a payout at 100% of target for the financial objectives, as well as specific milestones above the goal target such that maximum payouts can reach 150% of annual cash incentive target payouts. The non-financial strategic goals include specific quantitative milestones as well as other metrics and objectives that cannot be defined by bright-line measurements, which require more qualitative determination by our Compensation Committee.

Long-Term Performance-Based Equity Incentive Our equity-based compensation is intended to enhance our ability to retain talent over a longer period of time, to reward long-term achievements that enhance future value of the Company, and to provide executives with a form of reward that aligns their interests with those of our stockholders and the three year vesting is intended to help with retention of talent.

It is our Compensation Committee's objective, from time-to-time, to grant annual equity-based compensation awards to our executives in amounts that are competitive with the median values of equity awards, and total target compensation, made by comparable public companies with whom we compete for talent. The Compensation Committee may use restricted stock awards, performance share units and/or stock options depending on what they believe best promotes long-term value creation, motivation and retention of executives and ownership of the Company's stock by executives (through the grant of equity awards).

Benefits NEOs generally participate in the same benefits programs offered to all employees. Our benefits, such as our basic health benefits, 401(k) Plan, disability and life insurance, are intended to provide support to executives and their families throughout their careers. These core benefits are provided to all executives regardless of their individual performance levels. The 401(k) Plan allows participants to defer up to 100% of their annual compensation, subject to any applicable caps set by the Internal Revenue Code. The executives' elective deferrals are immediately vested and non-forfeitable upon contribution to the 401(k) Plan, under provision of a safe harbor plan. We currently provide matching contributions equal to 100% of an employee's individual contribution, up to a maximum of 4% of the participant's annual salary, subject to certain limits.

Compensation of our President and Chief Executive Officer

For 2016, as detailed in the chart above and below, approximately 82% of the target total compensation for our Chief Executive Officer, Mr. Hass, and an average of approximately 60% of the target total compensation for our other NEOs was at-risk, variable compensation, including the annual incentive opportunity, stock options and restricted shares. All equity grants were valued based on the fair market value on the date of grant.

Compensation of our President and Chief Executive Officer

Effective April 1, 2016, the Board of Directors appointed A. John Hass III as permanent President, Chief Executive Officer, and Chairman of the Board. In connection, the Board of Directors approved a new executive employment agreement between Rosetta Stone Ltd. and Mr. Hass. Under the new Executive Employment Agreement, Mr. Hass received an annual base salary of only \$50,000 in order to promote the conservation of cash, and an annual equity award of \$360,000 of restricted stock which vests in equal installments over twelve months through April 4, 2017. Mr. Hass was also entitled to a short term performance equity grant with a target value of \$1,000,000 aligned to approved 2016 Company financial targets as well as Company efficiency goals, which upon achievement vests over three years at a rate of 50%, 25% and 25%, respectively on each anniversary date, beginning on April 4, 2017. Additionally, Mr. Hass was entitled to a long-term performance equity grant with a target value of \$1,000,000 aligned to absolute Total Shareholder Return growth metric between January 2016 and December 2017, which upon achievement vests over three years at a rate of 1/3 (~33.33%) per year on each anniversary date, beginning on April 4 2018. Both the short term and long-term grants are made up of 50% non-qualified stock options and 50% restricted share awards.

Determining the Amount of Each Element of Executive Compensation

Overview

Management is responsible for the compensation program for our executive officers, including NEOs, with the Compensation Committee's oversight, and considers several factors in determining the overall design of, and the various elements comprising, our compensation program. In general, the weight of each element of our compensation program is recommended by management to our Compensation Committee on an annual basis taking into consideration the following factors, among others:

- Company and individual performance;
- pay practices among competitive companies;
- the Company's desire to attract and retain key talent;
- broad economic factors; and
- the discretion of our Compensation Committee members based on their relevant experience.

As part of these considerations, management and the Compensation Committee seek to achieve the appropriate balance between immediate cash rewards and performance-driven equity and cash incentives for the achievement of both annual and long-term financial and non-financial strategic goals, while referencing both publicly-disclosed peer group compensation information as well as broad-based compensation survey data, as described below.

During 2016, management, on behalf of the Compensation Committee, consulted Exequity, an independent compensation consultant, but only on a very limited basis to provide the Compensation Committee with compensation data for peer group companies.

Comparable Market Compensation

In analyzing the competitiveness of our executive compensation program, our Senior Director of Total Rewards and the Committee reviewed pay practices from two primary sources. The market data for our NEOs and other senior management team members was collected from peer group proxy data (as described below) and the Radford Global Technology Compensation Survey data (the "Radford Survey"). It is our objective to target compensation levels, both in aggregate and by element, to median compensation levels for each of these sources. The Radford Survey includes compensation market data from more than 2,000 companies and provides a holistic perspective on total compensation levels, practices and emerging trends. The following data cuts were included to derive the overall survey data medians against which we benchmarked compensation levels: software companies; companies in the Internet/E-Commerce/Online Community industries; companies located in the mid-Atlantic states or in locations of our remote offices, such as in San Francisco and Austin; and software and technology companies with most recent relative annual revenues ranging from \$100 million to \$200 million.

The Compensation Committee performs a formal review of the Company's peer group annually and approves what it considers appropriate changes. In the third quarter of 2016, the Company's Total Rewards team reviewed the 2015 Peer Group to determine whether it remained an appropriate peer group for pay benchmarking purposes, based on the following guiding principles and criteria: companies that compete with Rosetta Stone for key executive talent; publicly traded; similar or complementary industries; organizational structure; relative peer as indicated by proxy advisory services; common operational or business challenges; investor feedback and similar size (revenue, market capitalization, and number of employees). After a comprehensive review of over 100 relevant companies, and as a result of the Company's strategic realignment of the business to prioritize around our Enterprise & Education and Literacy segments, management recommended to the Compensation Committee that the Company's 2015 Peer Group be revised accordingly. The Compensation Committee approved the removal of three peer companies and the addition

of three new peer companies for a total of 14 peer companies (the "2016 Peer Group). These are:

For 2016, our NEOs' base salaries and target annual cash incentive opportunities were generally close to median levels among peers. However, the grant date fair values of total long-term incentive opportunities for our NEOs were generally below peer median long-term incentive values. Although it has been our objective to target peer median practices for each element of compensation as well as aggregate total compensation for our NEOs, a combination of internal share usage constraints, as impacted by stock price volatility, and a hiatus on reintroducing a long-term incentive program has generally inhibited our ability to provide market-competitive long-term incentive opportunities to our NEOs. For this reason, the grant date fair value of target total long-term incentive opportunities for our NEOs has generally been below the peer group median equivalent. The Compensation Committee increased the annual grant values of our NEOs to emphasize long-term performance for our senior executives and to alleviate any such shortfall relative to peer practice.

Role of Chief Executive Officer and Other Executives in Executive Compensation Decisions

Our Compensation Committee receives recommendations from our Chief Executive Officer, our General Counsel and Secretary, in her capacity as the Chief of Human Resources, and our Senior Director of Total Rewards for consideration of the compensation levels and performance of our NEOs, other than the Chief Executive Officer. The Chief Executive Officer provides information about the other NEOs' performance to assist the Committee with its decisions.

Overview of Our Executive Compensation Program for Fiscal Year 2016

Base Salaries

Management reviews and recommends to the Compensation Committee our executives' base salaries on an annual basis taking into consideration the factors described above as well as changes in position or responsibilities and time and experience in the position. In the event of material changes in position, responsibilities or other factors, management may recommend and the Compensation Committee may approve changes in base pay during the year.

In February 2016, the Compensation Committee completed its annual CEO assessment process, which included the Committee discussing and finalizing Mr. Hass' 2015 performance and compensation recommendations for 2016. The Compensation Committee agreed to decrease the base salary for Mr. Hass and increase the proportion of performance equity against short and long-term performance targets. The Compensation Committee also completed an annual assessment process for Mr. Pierno, Ms. Verses and Ms. Galindo. The Compensation Committee decided to increase the base salaries and incentive targets for Ms. Galindo and Ms. Verses.

Name	2015 Base Salary (\$)	Annualized Base Salary after	
		2016 Adjustments (\$)	% Change
A. John Hass III	360,000	50,000	(86.1)%

Sonia Galindo	310,000	325,000	4.8%
Judy K. Verses (1)	340,000	400,000	17.6%

(1) Ms. Verses resigned from her position as President, Global Enterprise & Education effective October 21, 2016.

In setting each NEO's base salary in 2016, as detailed above, the Compensation Committee specifically considered the following factors:

Table of Contents

Ms. Galindo's individual performance and contributions in 2015 as well as her oversight and management of the Human Resources function in addition to the Legal function for the Company.

Ms. Verses' individual performance and contributions in 2015, and the Committee's desire to better align Ms. Verses' salary with peer medians based on her expanded role and responsibilities.

Annual Performance-Based Incentive

In accordance with the Rosetta Stone 2009 Omnibus Incentive Plan (the "2009 Plan"), the annual incentive program, in which our NEOs participate, our management recommends and the Compensation Committee approves each of our NEO's 2016 bonus targets as a percentage of his or her 2016 annualized base salary as set forth in the following table.

Name	2016 Annualized Base Salary (\$)	2016 Total Target Annualized Bonus Opportunity (\$)	Target Bonus as a Percentage of Base Salary	Financial Goals Target Bonus (\$)	Non-financial Strategic Goals Target Bonus (\$)
A. John Hass III (1)	50,000	1,000,000	2,000%	850,000	150,000
Thomas M. Pierno (2)	340,000	255,000	75%	178,500	76,500
Sonia Galindo (3)	325,000	195,000	60%	136,500	58,500
Judy K. Verses (4)	400,000	240,000	60%	192,000	48,000

(1) Under Mr. Hass' current employment agreement, he is not a participant of the Annual Incentive Program. However, Mr. Hass does have a Short-Term Performance Incentive. Mr. Hass' total Short-Term Performance Incentive opportunity (50% stock options/50% RSA's) was based on 85% financial goals and 15% on a non-financial strategic goal.

(2) Mr. Pierno's total cash incentive opportunity was based 70% on financial goals and 30% on non-financial strategic goals.

(3) Ms. Galindo's total cash incentive opportunity was based 70% on financial goals and 30% on non-financial strategic goals.

(4) Ms. Verses' total cash incentive opportunity was based 80% on financial goals and 20% on non-financial goals. However, her last day of employment with the Company was October 21, 2016 therefore her total cash incentive under the annual incentive program was forfeited.

We provided for an annual incentive opportunity for each executive in accordance with our 2009 Plan which is based on financial goals and non-financial strategic goals. Mr. Hass' target equity incentive was comprised of 50% stock options and 50% RSA's and aligned to 85% financial goals subject to a threshold attainment and 15% on a non-financial strategic efficiency goal with no threshold attainment.

For Mr. Pierno and Ms. Galindo, they were awarded an annual cash incentive opportunity based 70% on financial goals, subject to a threshold level of attainment; and 30% on non-financial strategic goals, with no threshold attainment. For Ms. Verses, the annual cash incentive opportunity was based 80% on financial goals, subject to a threshold attainment; and 20% on non-financial strategic goals, with no threshold attainment.

The financial goals and non-financial strategic goals are evaluated separately in determining the amount of incentives each independent goal contributes to the level of award. The Compensation Committee believes that maintaining these weightings of financial and non-financial strategic goals align the financial interests of our executives with the financial interests of our stockholders.

For our participants of the annual incentive program, the set of metrics varied between NEO's. For Mr. Pierno and Ms. Galindo, 70% of the award was for achieving financial goals. For Ms. Verses, 80% of the award was for achieving financial goals.

With respect to the 2016 financial goals portion of the annual incentive program, no amount would be earned with respect to any one of the financial targets if we failed to achieve the threshold for that particular target objective. If we achieved the threshold of a financial target, 50% of the amount attributable to such target would be earned for Mr. Hass and 25% of the amount attributable to such target would be earned for Mr. Pierno, Ms. Galindo and Ms. Verses. If we achieved 100% of a financial target, 100% of the amount attributable to such target would be earned. If we achieved the maximum or more of the target, 200% of the amount attributable to such bonus target would be earned for Mr. Hass, and 150% of the amount attributable to such bonus target would be earned for Mr. Pierno, Ms. Galindo and Ms. Verses. Between threshold and 100% and between 100% and the maximum of the financial targets, the amount earned would be interpolated between all three points based on the varied set of financial metrics above. The Bookings Adjusted EBITDA, Company Total Revenue and Bookings components of the financial goals were evaluated separately, so that part or the entire amount attributable to the financial goals could be awarded if one goal was met but not met by another goal.

With respect to the 2016 non-financial strategic goals portion of the annual incentive program for Mr. Hass, no minimum threshold was set for funding. Management recommended and our Compensation Committee approved a percentage of overall achievement based on an evaluation of our performance in meeting this strategic goal during the year. That determination of the percentage of the non-financial strategic goal that was achieved was an overall achievement of 100%.

Table of Contents

With respect to the 2016 non-financial strategic goals portion of the annual incentive program for Mr. Pierno and Ms. Galindo no minimum threshold was set for funding. Our Compensation Committee determined a percentage of overall achievement based on an evaluation of our performance in meeting each of these goals during the year. Some of these goals include defined milestones or other business metrics while others are subjective and not capable of being defined by bright-line measurements. Our Compensation Committee's determination of the percentage of each non-financial strategic goal that was achieved was an overall achievement of 100%, based on the following results:

• 10% efficiency performance resulted in cutting expenses.

• 10% on the successful launch of Rosetta Stone language learning suite for the enterprise market and directly supporting the development of and execution against a multi-year consumer product roadmap. and;

• 10% on the strengthening and reinforcing company-wide awareness and commitment to operational efficiencies and effectiveness regarding privacy and security of personally identifiable information (PII).

Based on the assessments detailed above, the financial goals (70% overall weight) were funded at 65.4% and the non-financial corporate goals and overall weight of (30%) or 6.7% individually were each funded at 100%. Based on the weights applied to these factors and the funding amounts detailed above, the aggregate funding amount for the annual incentive program for the executives was 95.4% of target incentive opportunity. Then, based on recommendations by Mr. Hass with respect to the performance and contributions of each NEO, other than himself, the Compensation Committee exercised discretion and determined the actual fiscal 2016 annual incentive for each NEO.

Management recommended and our Compensation Committee determined a percentage of overall achievement based on an evaluation of our performance in meeting each of these goals during the year. Some of these goals include defined milestones or other business metrics while others are subjective and not capable of being defined by bright-line measurements. Our Compensation Committee's determination of the percentage of each non-financial strategic goal that was achieved was an overall achievement of 100%, based on the following results.

• 8% on developing and implementing a comprehensive B2B Digital Marketing plan.

• 4% on the Successful Launch of a Single Solution to Enterprise Market.

• 8% on implementation of the new E&E global restructuring to facilitate a “right-sized” and cost efficient team.

Based on the assessments detailed above, the financial goals (80% weight) were funded at 74.9% and the three non-financial corporate goals (20% overall weight) were funded at 100%. Based on the weights applied to these factors and the funding amounts detailed above, the aggregate funding amount for the annual incentive program for the executives was 94.9%. Then, based on recommendations by Mr. Hass with respect to the performance and contributions of each NEO, other than himself, the Compensation Committee exercised discretion and determined the actual fiscal 2016 annual incentive for each NEO.

Based on the factors described above, the Compensation Committee determined the following annual incentive payments were earned by our NEOs for 2016.

CEO Long-Term Performance Based Equity Incentive

On April 4, 2016, the Compensation Committee approved for the CEO a Long-Term Performance Incentive directly aligned to increasing shareholder value. Mr. Hass was granted a Long-Term Performance Incentive opportunity with a target grant value of \$1,000,000 aligned to absolute Total Shareholder Return growth metric between January 2016 and December 2017. This long-term target grant opportunity consists of 50% non-qualified stock options and 50% restricted share awards. If achievement of absolute TSR performance is at or above threshold performance, Mr. Hass will receive a corresponding level of equity which will then vest in its entirety over a four year period beginning with a 33% vest on April 4, 2018, 33% vest on April 4, 2019, and 34% vest on April 4, 2020.

Allocation of Equity-Based Compensation Awards

Equity awards, including non-qualified stock options and restricted stock, granted to NEOs and other employees under our 2009 Plan typically vest over a period of four years, with 25% of the shares vesting on each annual anniversary of the vesting commencement date, with the exception of (i) the special retention awards granted to our NEOs and certain other executives in January 2012, which had two-year vesting schedules to ensure retention of key executives during a pivotal transformation period of the Company; (ii) Mr. Hass' April 2016 equity grant, received in connection with his position of Chief Executive Officer and President, with 1/12 of the shares vesting monthly over the course of one year and; (iii) the special retention awards granted to our NEOs and certain other executives in May 2016, which have two-year vesting schedules to ensure retention of key executives during a pivotal transformation period of the Company;

Timing of Equity-Based Compensation Awards

Management recommends and our Compensation Committee typically approves annual grants of restricted stock and stock options, if any, to our NEOs and other members of the senior management team in connection with its annual review of our executives' compensation.

We do not have any program, plan or practice to time stock option and restricted stock grants in coordination with the release of material non-public information. The exercise price of stock options for 2016 was determined based on the trading price of our common stock at the close of the market on the date of grant.

Severance and Change in Control Arrangements

Each of our equity incentive programs provides for a potential acceleration of vesting of outstanding awards in the event of a change in control and/or termination without cause, as defined in each plan. In 2012, restricted stock agreements were updated to provide that starting with equity awards granted in 2012, none of the equity awards granted to our NEOs would provide for automatic vesting acceleration upon consummation of a change in control transaction unless there is also a termination of service other than for cause or voluntary resignation for good reason in connection with the change in control.

In November 2015, our Board of Directors adopted and approved a Change in Control Severance Plan (the "Change in Control Plan") in which all of the Company's NEOs participate. The Change in Control Plan provides for severance and other benefits to eligible participants if they experience a "qualifying termination" within six months prior to or two years following a change in control event, without "cause" or a voluntary "qualifying termination" for "good reason," each as defined in the Change in Control Plan. The Company's Change in Control Plan generally provides that a change in control may occur upon (i) the liquidation, dissolution or winding up of the Company, (ii) the sale, license or lease of all or substantially all of the assets of the Company, and (iii) a share exchange, reorganization, recapitalization or certain merger and consolidation transactions. A NEO who experiences such a qualifying termination and executes (and does not revoke) a general release of claims against the Company will receive the payments and benefits described below under "Potential Payments Upon Termination or Change in Control."

The Change in Control Plan was adopted to mitigate the uncertainty that NEOs and other executives can experience while the possibility of a change in control exists, thereby allowing them to both operate in the best interests of the Company and stockholders, as well as to remain at the Company through the desired retention period. The Board of Directors believes that the Change in Control Plan allows the Company's NEOs and other executives to continue effectively executing their management responsibilities without being influenced by the uncertainty of their personal situations. In the event of an involuntary termination, outside of a change in control situation, we consider these benefits important to attract executive talent to the Company. In addition, the Change in Control Plan helps create a stable work environment in which the executives are provided certain economic benefits in the event their employment is terminated. In connection with the payment of these benefits, a participant under the Change in Control Plan must exercise a general release of claims against the Company and agree to confidentiality, non-competition (for a duration of twelve (12) months), and non-solicitation (for a duration of twelve (12) months) restrictive covenants in a form provided to such executive by the Company, making this a mutually beneficial arrangement.

For additional information, see "Employment Arrangements with Named Executive Officers" and "Potential Payments Upon Termination of Employment or Upon Change in Control" below for a description of the severance and change in control arrangements we have with our NEOs. The Compensation Committee believes that these arrangements were necessary to attract and are necessary to retain our NEOs. The terms of each arrangement were determined in negotiation with the applicable NEO in connection with his or her hiring, or promotion, and were not based on any set formula.

Effect of Accounting and Tax Treatment on Compensation Decisions

In the review and establishment of our compensation programs, we consider the anticipated accounting and tax implications to the Company and our executives. While we consider the applicable accounting and tax treatment of alternative forms of equity compensation, these factors alone are not dispositive. We also consider the cash and non-cash impact of the programs and whether a program is consistent with our overall compensation philosophy and objectives.

Section 162(m) of the Internal Revenue Code imposes a limit on the amount of compensation that we may deduct in any one year with respect to our Chief Executive Officer and each of our next three most highly compensated executive officers (excluding our Chief Financial Officer) to \$1,000,000, unless the compensation qualifies as performance-based and certain requirements are satisfied. Performance-based compensation, as defined in the Internal Revenue Code, is fully deductible if the material terms of the compensation are approved by stockholders and meet certain other requirements. While the Compensation Committee is mindful of the benefit of deductibility of compensation, the Compensation Committee believes that it should not be constrained by the requirements of Section 162(m) where those requirements would impair flexibility in compensating our executive officers in a manner that can best promote our corporate objectives. Therefore, the Compensation Committee has not adopted a policy that requires that all compensation be deductible. The Compensation Committee intends to continue to compensate our executive officers in a manner consistent with the best interests of our Company and our stockholders.

Compensation Policies and Practices as They Relate to Risk Management

In 2016, our Compensation Committee reviewed our compensation policies and practices and concluded that the mix and design of these policies and practices are not reasonably likely to encourage our employees to take excessive risks. In connection with its evaluation, our Compensation Committee considered, among other things, the structure, philosophy and design characteristics of our primary incentive compensation plans and programs in light of our risk management and governance procedures, as well as other factors that may calibrate or balance potential risk-taking incentives.

The Compensation Committee also reviewed our compensation programs for certain design features that have been identified by experts as having the potential to encourage excessive risk-taking.

The Compensation Committee noted several design features of our cash and equity incentive programs for all employees that reduce the likelihood of excessive risk-taking, including:

- the Compensation Committee's ability to exercise discretion to decrease incentive award payouts;
- the use of an array of performance metrics across compensation programs (that is, bonuses are based on financial goals, non-financial strategic metrics and individual performance goals and new hire and annual equity incentives are driven by stock price gains);
- the fact that many of our executives hold vested equity stakes in the Company; and
- the fact that the mix of compensation balances a short-term and long-term focus.

Based on this assessment, our Compensation Committee concluded that risks arising from our compensation policies and practices for all employees, including executive officers, are not reasonably likely to have a material adverse effect on the Company.

(1) Represents potential payouts under the annual incentive program, between 70% to 80% aligned to financial performance, and 20% to 30% of was aligned to non-financial strategic goals component, as further described above under "Annual Performance-Based Incentive". For all NEOs, the financial portion of the bonus was based on achievement of the corporate financial goals. There were four components of the financial portion of the incentive: (i) achievement of the 2016 target for Adjusted Free Cashflow (ii) achievement of the 2016 target Company Total Revenue (ii) achievement of the 2016 target for Bookings Adjusted EBITDA goal; and (iv) achievement of the 2016 target for E&E Bookings.

(2) With respect to the annual incentive program in footnote (1), all NEOs' amounts in this column, under "Annual Cash", represent the lowest possible annual cash incentive payout if the Company were to achieve the threshold of financial targets. As such, each NEO therefore earned 25% of the portion of his or her target annual cash incentive that was based on the financial targets (Company) assuming no payout in respect of the non-financial targets were earned and approved. There is no guarantee of payment under this plan, therefore zero is the absolute minimum payout under the plan parameters.

(3) With respect to the annual incentive program in footnote (1), all NEOs' amounts in this column, represent the highest possible annual cash incentive payout if the Company were to achieve or exceed the maximum target or more of each of the financial targets described in footnote (1), with a maximum payout of 150% for each metric. The calculation assumes maximum payout of 150% for all non-financial metrics for all NEOs. For all NEOs if achievement of one financial metric exceeded the threshold, and the other did not, the annual cash incentive would be funded for the metric that was achieved. Plan funding for the non-financial strategic targets was based on the attainment percentage of the specified non-financial strategic goals as determined by the Compensation Committee.

(4) For all NEOs, represents stock options and restricted stock awards granted to each NEO that vest over a period of time based on the individual's service to the Company. Awards granted on February 19, 2016 represent annual awards that vest in equal installments over four years. Awards granted on May 9, 2016 represent awards granted as part of a special retention program; these awards vest in equal installments over two years.

(5) As Chief Executive Officer, Mr. Hass was not a participant of the annual cash based incentive program.

(8) Represents Mr. Hass' long-term equity performance grant portion of stock options at maximum.

Employment Arrangements with Named Executive Officers

We have employment agreements with each of our executive officers, including our NEOs.

In May 2015, Mr. Hass was appointed as Interim President and Chief Executive Officer after our Board of Directors approved the Interim Executive Employment Agreement with Mr. Hass. Mr. Hass' Interim Executive Employment Agreement had a one month term that automatically renewed each day to ensure that there was always one month remaining in the term. On March 11, 2016, the Board of Directors concluded the search for a chief executive officer and appointed A. John Hass III as President, Chief Executive Officer, and Chairman of the Board effective April 1, 2016. Our Board of Directors approved the Current Executive Employment Agreement relating to Mr. Hass' position as appointed President, Chief Executive Officer, and Chairman of the Board of the Company. The Interim Executive Employment Agreement and Current Executive Employment Agreement set Mr. Hass' annual base salary, equity grants and other benefits, which are described in more detail under "Compensation Discussion and Analysis—Compensation of Our President and Chief Executive Officer."

The other NEOs' agreements have one-year terms that automatically renew each day so that there is always one year remaining in the term. The employment agreements set the annual base salaries of each executive, which may be increased from time to time but not decreased.

Table of Contents

The employment agreements also provide that the executive will be eligible to receive an annual incentive bonus in accordance with the bonus policy established by our Board of Directors from time to time, but no performance based incentive amount is guaranteed.

Under the agreements, each executive is entitled to severance benefits if his or her employment is terminated without cause or if he or she terminates his or her employment for good reason.

Generally, termination without cause is defined in the agreements as termination for a reason other than the executive's commission of a felony or a crime involving moral turpitude; an act involving dishonesty or fraud involving his or her duties; failure to perform his or her duties; commission of gross negligence or willful misconduct involving his or her duties; material breach of his or her employment agreement, failure to comply with instructions given by our Board of Directors which affect our business; misconduct likely to materially injure our reputation; harassment of or discrimination against our employees; customers or vendors; misappropriation of our Company's assets; willful violation of our policies; issues involving his or her immigration status affecting his or her ability to continue his or her employment with us; or (as to Mr. Pierno, Ms. Galindo and Ms. Verses) disclosure of trade secrets.

Generally, good reason is defined in the agreements as a material reduction in the executive's annual salary, duties, authority or responsibilities; (as to Mr. Pierno and Ms. Verses) our failure to perform a material obligation undertaken by us to the executive after the executive has provided us with notice of failure and such failure has not been cured within 10 days or (as to Ms. Galindo) our material breach of his or her employment agreement; or our relocation of him or her to an area more than 50 miles outside of Arlington, Virginia; provided that, in certain employment agreements, the Company receives notification of one of the aforementioned events and fails to cure within the prescribed period of time under the agreements.

If we terminate the employment of one of the named executive officers without cause or if he or she terminates his or her employment for good reason, we will be required to pay severance in an amount equal to 12 months of his or her annual base salary, such payment to be made six months after the termination date, if he or she signs a general release waiving any claims he or she may then have against us and agrees not to compete against us for 12 months after the date of termination and provide COBRA continuation for health benefits and the annual bonus which the executive would have earned for such year, pro-rated to the date of termination. These agreements contain provisions known as "best-after tax provisions," which provide that in the event that any excise tax would otherwise be payable by an executive on any "parachute payment," then the amount of those payments may instead be reduced to eliminate or minimize any required excise tax payment.

Potential Payments Upon Termination of Employment or Upon Change in Control as of December 31, 2016

In addition to the severance payments that may be paid to our NEOs upon termination under their executive employment agreements, upon a change in control of the Company, all of our NEOs are also entitled to accelerated vesting of their unvested stock options that were granted prior to October 1, 2011. All of our NEOs are entitled to accelerated vesting of their unvested restricted stock awards granted prior to August 1, 2012 as a result of termination without cause or resignation for good reason. Beginning with stock option awards granted on or after October 1, 2011 and restricted stock awards granted on or after August 1, 2012, as well as the restricted stock awards ("retention grant award") granted on or after January 9, 2012, accelerated vesting of equity awards in the event of a change in control is based on a "double trigger," which also requires termination of the executive officer's employment without cause or by the executive for good reason.

On November 1, 2015, our Board of Directors adopted and approved the Change in Control Plan in which all of the Company's NEOs participate. The Change in Control Plan provides for severance and other benefits to eligible

participants as a result of a qualifying termination without cause or resignation for good reason, in either case within six months prior or two years following a change in control event. An NEO who experiences a qualifying termination and executes (and does not revoke) a general release of claims against the Company will receive the payments and benefits described in the table below.

Table of Contents

The following table sets forth information concerning the payments that would be received by each NEO upon a termination of employment without cause or for good reason, upon a change in control or both. The table assumes the termination and/or change in control, as applicable, occurred on December 31, 2016, using the fair market value of \$8.91 for each share of our common stock that was the closing price per share as of December 30th due to December 31st falling on a Saturday. The table below only shows additional amounts that the NEOs would be entitled to receive upon termination, and does not show other items of compensation that may be earned and payable at such time, such as earned but unpaid base salary.

TRANSACTIONS WITH RELATED PERSONS

Since January 1, 2014, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are a participant and in which the amount involved exceeded or exceeds \$120,000 and in which any of our directors, executive officers, holders of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest, other than compensation arrangements with directors and executive officers, which are described elsewhere in this proxy statement, and as set forth below.

Procedures for Related-Party Transactions

Under our Code of Ethics and Business Conduct and our policy governing related-party transactions, our employees, officers and directors are discouraged from entering into any transaction that may cause a conflict of interest for us. In addition, they must report any potential conflict of interest, including related-party transactions, to their managers and/or our General Counsel and Secretary who then reviews and summarizes the proposed transaction for our Audit Committee. Pursuant to its charter and our policy governing related-party transactions, our Audit Committee must then approve any related-party transactions, including those transactions involving our directors. In approving or rejecting such proposed transactions, our Audit Committee considers the relevant facts and circumstances available and deemed relevant to our Audit Committee, including the material terms of the transactions, risks, benefits, costs, availability of other comparable services or products and, if applicable, the impact on a director's independence. Our Audit Committee will approve only those transactions that, in light of known circumstances, are in, or are not inconsistent with, our best interests, as our Audit Committee determines in the good faith exercise of its discretion. PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our directorship is divided into three classes, with all of the members of one class standing for election each year to serve three-year terms. Our Corporate Governance and Nominating Committee, consisting solely of independent directors, as determined by our Board under applicable NYSE listing standards, recommended the two directors named below for nomination by our full Board. Based on that recommendation, our Board has nominated those directors for election at the 2017 Annual Meeting.

Nominees The following two incumbent members of Class II of our Board of Directors have been nominated for re-election to our Board: A. John Hass III and Laurence Franklin.

Each nominee, if elected, will serve until our annual meeting of stockholders in 2020 and until his or her qualified successor is elected, unless the nominee dies, resigns or is removed from our Board of Directors prior to such meeting. Although we know of no reason why any of the nominees would not be able to serve, if any nominee is unavailable for election, the proxy holder may vote your shares to approve the election of any substitute nominee proposed by our Board. Please see "Our Board of Directors and Nominees—Directors Standing for Election" above for information concerning each of our nominees standing for election.

Vote Required for Election

Directors will be elected by a plurality of the votes cast by the shares of common stock present in person or represented by proxy at the 2017 Annual Meeting. As a result, the two nominees with the most votes will be elected. Votes may be cast in favor of a director or withheld. Broker non-votes will have no effect on the outcome of the election of directors.

Our Board of Directors unanimously recommends that you vote "FOR" the election of each of the nominated directors.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed Deloitte & Touche LLP ("Deloitte") to serve as the Company's independent registered public accounting firm for its 2017 fiscal year. The Audit Committee and the Board seek to have the stockholders ratify the Audit Committee's appointment of Deloitte. In recommending ratification by the stockholders of such engagement, the Board is acting upon the recommendation of the Audit Committee, which has satisfied itself as to Deloitte's independence, professional competence and standing. As a matter of good corporate governance, we are asking stockholders to ratify this appointment. Our Audit Committee continually monitors the services and fees of the independent registered public accounting firm and even if the appointment is ratified by our stockholders, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our Company and our stockholders. One or more representatives of Deloitte are expected to attend the 2017 Annual Meeting and will have the opportunity to make a statement at the 2017 Annual Meeting if they wish to do so. It is also expected that Deloitte's representative(s) will be available to respond to appropriate questions from stockholders.

Our Audit Committee's Policy on Pre-Approval of Services Performed by the Independent Registered Public Accounting Firm It is the policy of our Audit Committee to pre-approve all audit and permissible non-audit services to be provided by the independent registered public accounting firm on a case-by-case basis. The Audit Committee authorizes specific projects within categories of services, subject to a budget for each project. The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated is required to report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The independent auditor and management periodically report to the Audit Committee the actual fees incurred versus the pre-approved budget. All audit contracts that were entered into in 2016 were pre-approved by the Audit Committee.

Fees Paid to Independent Registered Public Accounting Firm

The following table shows fees and expenses that we paid (or accrued) for professional services rendered by Deloitte for the years ended December 31, 2015 and 2016:

Vote Required for Approval

In order to be approved, Proposal No. 2 must receive the affirmative vote of a majority of the votes cast on this proposal. Abstentions and broker non-votes will not be counted for the purpose of determining the number of votes necessary for approval of this proposal, and will have no effect on the outcome of the vote on this proposal. If the selection of Deloitte is not ratified accordingly, our Board will consider whether we should select another independent registered public accounting firm.

Our Board of Directors unanimously recommends that you vote "FOR" the ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2017.

PROPOSAL NO. 3

APPROVAL OF AN AMENDMENT TO THE
ROSETTA STONE INC. AMENDED AND RESTATED 2009 OMNIBUS INCENTIVE PLAN

We are asking our stockholders to approve an amendment to the Rosetta Stone Inc. Amended and Restated 2009 Omnibus Incentive Plan (the "2009 Plan"), to increase the number of shares available for issuance under the 2009 Plan (the "Amendment"). The 2009 Plan was originally approved by our Board of Directors and stockholders effective as of February 27, 2009 and last amended and restated effective June 12, 2015. On March 17, 2017, our Board of Directors approved the Amendment, subject to and effective upon the approval of our stockholders.

The purpose of the Amendment is to create additional flexibility to continue to aid the Company and its affiliates in recruiting and retaining employees, directors and advisors and to motivate such employees, directors and advisors to exert their best efforts on behalf of the Company and its affiliates by providing incentives through the granting of awards. We expect that we will benefit from the added interest, which such employees, directors and advisors will have in the welfare of the Company as a result of their proprietary interest in our success. We believe that equity-based incentive awards are crucial to recruit and retain employees, as well as an important means of aligning employee interests with those of our stockholders.

Changes to the 2009 Plan Made by the Amendment

The Amendment:

Adds 1,900,000 shares to the 2009 Plan by increasing the maximum aggregate number of shares of common stock in respect of which awards may be granted under the 2009 Plan from 8,577,674 shares to 10,477,674 (of which approximately 3,303,424 shares would be available for grant if our stockholders approve this Amendment); and

Increases the aggregate number of shares of our common stock with respect to which incentive stock options may be granted under the 2009 Plan to 10,477,674 shares.

To ensure that we have adequate capacity to continue to attract and retain talented employees and directors and to properly prepare for strategic activities, such as adopting a new long-term performance based incentive program, we believe it is necessary to request stockholders to approve an increase in the maximum number of shares available for awards under the 2009 Plan. We believe that these additional shares represent a reasonable amount of potential equity dilution and allow us to have a small cushion in addition to the shares to cover approximately one additional annual grant of equity incentive awards and so should enable us to have sufficient shares available to respond to special, unplanned activities. Being cognizant of the dilution associated with equity awards, we strive to make judicious use of our equity awards and will repurchase outstanding shares in the open market when we believe doing so serves the Company's best interests, both of which help to manage and/or mitigate the dilution associated with our equity awards.

Summary of the 2009 Plan (as Amended by the Amendment)

The material features of our 2009 Plan, as amended by the Amendment, are summarized below. This summary does not purport to be complete and is qualified in its entirety by reference to the full text of our 2009 Plan, as amended by the Amendment, attached as Appendix A to this Proxy Statement.

Types of Awards

The terms of the 2009 Plan provide for the grant of incentive stock options, non-qualified stock options, SARs, restricted stock awards, RSU awards, Performance Stock Awards, performance unit awards, annual cash incentive awards, other stock-based awards and cash-based awards.

Table of Contents

Eligibility

All of the approximately 970 employees of our Company and our affiliates, all of the five non-employee directors of our Company, and all of the approximately 43 consultants, agents, representatives, advisors and independent contractors as of March 31, 2017 who render services to our Company and our affiliates that are not in connection with the offer and sale of our Company's securities in a capital raising transaction and do not directly or indirectly promote or maintain a market for our Company's securities ("third party service providers") are eligible to receive all types of awards under our 2009 Plan, except that: (i) only those persons who are, on the dates of grant, key employees of our Company or any parent or subsidiary corporation of our Company are eligible for incentive stock options under our 2009 Plan; (ii) only key executive employees of our Company and our affiliates who, by the nature and scope of their positions, regularly directly make or influence policy decisions which significantly impact the overall results or success of the Company are eligible to receive annual cash incentive awards under our 2009 Plan; and (iii) directors and third party service providers are only eligible to receive non-qualified stock options, SARs, and other awards settled in shares of our common stock, other than incentive stock options, under our 2009 Plan.

In addition, an award other than an incentive stock option, performance stock award, performance unit award or annual cash incentive award may be granted to a person who is expected to become a key employee of our Company or an affiliate within six months of the date of grant of the award, conditioned upon the person becoming an employee within this time period.

Shares Available for Awards and 162(m) Limits

If the Amendment is approved by our stockholders, a maximum of 10,477,674 shares of our common stock will be available for issuance under the 2009 Plan, subject to adjustment for certain changes in our capitalization as provided in the 2009 Plan. This number includes our prior share reserve of 8,577,674 shares, plus 1,900,000 additional shares.

If the Amendment is approved by our stockholders, the aggregate number of shares of our common stock with respect to which incentive stock options may be granted under the 2009 Plan will be equal to 10,477,674 shares, subject to adjustment for certain changes in our capitalization as provided in the 2009 Plan.

The maximum number of shares of our common stock with respect to which incentive stock options, non-qualified stock options, SARs, Performance Stock Awards, or performance unit awards payable in shares of our common stock, may be granted to an employee during a fiscal year is 630,517 shares, subject to adjustment for certain changes in our capitalization as provided in the 2009 Plan. Under our 2009 Plan the maximum value of cash with respect to which performance unit awards payable in cash may be granted to an employee during a fiscal year and the maximum amount that may be paid to a key executive employee under all annual cash incentive awards granted to the employee during a fiscal year are both \$5,000,000.

As of the approval of this amendment, each share of our common stock subject to awards, other than stock options or SARs, that are settled by the issuance of shares of our common stock ("Full Value Awards") will be counted as 1.75 shares against the aggregate share reserve under the 2009 Plan. Formerly, Full Value Awards were counted as 1.47 shares against the aggregate share reserve under the 2009 Plan. Each share of our common stock subject to stock options and SARs will be counted as one share against the aggregate share reserve under the 2009 Plan.

If an award is settled in cash rather than in shares of our common stock, the shares reserved for such award will become available again for issuance under the 2009 Plan. If any award is canceled, forfeited, terminates, expires, or lapses for any reason, any shares of our common stock subject to such award again will become available again for issuance under the 2009 Plan. To the extent a Full Value Award is forfeited prior to the expiration of the applicable vesting period or performance goal period, the same number of shares of our common stock will be added to the

aggregate share reserve under the 2009 Plan as were deducted when such award first was granted. If shares of our common stock are issued under the 2009 Plan with respect to a substitution award (as described below), such shares will not count against the aggregate share reserve under the 2009 Plan.

If shares of our common stock are withheld from any award to satisfy applicable tax withholding obligations, or if shares of our common stock are tendered by a participant to pay the exercise price of a stock option or to satisfy applicable tax withholding obligations of an award, such shares will not become available again for issuance under the 2009 Plan.

If a SAR is settled in shares of our common stock, the number of shares subject to the SAR will be counted against the aggregate share reserve under the 2009 Plan as one share for every share subject to the SAR, regardless of the number of shares used to settle the SAR upon exercise.

Administration

Our Board of Directors administers our 2009 Plan with respect to awards to non-employee directors and our Compensation Committee administers our 2009 Plan with respect to awards to employees and third party service providers. In administering awards under our 2009 Plan our Board of Directors or the Compensation Committee, as applicable (the "Committee"), has the power to determine the terms of the awards granted under our 2009 Plan, including the exercise price, the number of shares subject to each award and the vesting and exercisability of the awards. The Committee also has full power to determine the persons to whom and the time or times at which awards will be made and to make all other determinations and take all other actions advisable for the administration of the 2009 Plan. The Committee also has the authority to provide for accelerated exercisability and vesting of awards.

The Committee may delegate to one or more of its members or to one or more officers of our Company or our affiliates or to one or more agents or advisors such administrative duties or powers as it deems advisable. The Committee may authorize one or more officers of our Company to designate employees (other than officers, directors, or owners of more than 10% our securities) and third-party service providers to be recipients of awards and determine the size of any such awards. Under any such delegation, the Committee will specify the total number of shares of our common stock that may be subject to the awards granted by such officer.

No Repricing; No Cancellation and Re-Grant of Stock Awards

Under our 2009 Plan, without the prior approval of our stockholders, the Committee will not directly or indirectly lower the exercise price of a previously granted option or the grant price of a previously granted SAR, or cancel a previously granted option or previously granted SAR for a payment of cash, other property or other awards if the aggregate fair market value of such award is less than the aggregate exercise price of such award in the case of an option or the aggregate grant price of such award in the case of a SAR.

Stock Options

Stock options are options to acquire our common stock. The terms and conditions of stock options granted under the 2009 Plan are determined by the Committee and set forth in stock option agreements.

The exercise price of a stock option granted under our 2009 Plan must at least be equal to the fair market value of our common stock on the date of grant and the term of a stock option may not exceed ten years, except that with respect to an incentive stock option granted to any employee who owns more than 10% of the voting power of all classes of our outstanding stock as of the grant date, the term must not exceed five years and the exercise price must equal at least 110% of the fair market value on the grant date.

Stock options granted under the 2009 Plan may vest and become exercisable at the rate specified by the Committee in the applicable stock option agreement. Shares covered by different stock options granted under the 2009 Plan may be subject to different vesting schedules as the Committee may determine.

In order to exercise a stock option under the 2009 Plan, a participant must provide a written notice of exercise and pay the exercise price (i) by cash, certified check, bank draft or postal or express money order, (ii) pursuant to an election to make a cashless exercise through a registered broker-dealer (if approved in advance by the Committee or an executive officer of the Company), or (iii) in any other form of payment acceptable to the Committee. The Committee may permit a participant to pay the exercise price and any applicable tax withholding resulting from such exercise by authorizing a third-party broker to sell all or a portion of the shares of our common stock acquired upon exercise and remit to us a sufficient portion of the sale proceeds to pay the exercise price and applicable tax withholding.

The aggregate fair market value, determined at the time of grant, of shares of our common stock with respect to incentive stock options that are exercisable for the first time by a participant during any calendar year under all of our stock plans may not exceed \$100,000. The stock options or portions of stock options that exceed this limit or otherwise fail to qualify as incentive stock options are treated as non-qualified stock options.

Stock Appreciation Rights

SARs allow the recipient to receive, upon exercise of the SAR, the appreciation in the fair market value of our common stock between the date of grant and the exercise date. The terms and conditions of SARs granted under the 2009 Plan are

50

Table of Contents

determined by the Committee and set forth in SAR agreements. The grant price of a SAR granted under our 2009 Plan must not be less than the fair market value of our common stock on the date of grant and the term of a SAR may not exceed ten years, except that with respect to a tandem SAR granted in connection with an incentive stock option, the tandem SAR will expire no later than the expiration of the underlying incentive stock option. SARs may be subject to vesting in accordance with a vesting schedule determined by the Committee. The amount payable upon exercise of a SAR may be paid in cash or with shares of our common stock, a combination thereof, or in any other manner approved by the Committee.

Restricted Stock Awards

Restricted stock awards are awards of shares of our common stock that vest in accordance with terms and conditions established by the Committee. The terms and conditions of restricted stock awards granted under the 2009 Plan are determined by the Committee and set forth in restricted stock award agreements.

Restricted Stock Unit Awards

Restricted stock unit awards are awards that are based on the value of our common stock and may be paid in cash or in shares of our common stock. The terms and conditions of restricted stock unit awards granted under the 2009 Plan are determined by the Committee and set forth in restricted stock unit award agreements. Restricted stock unit awards may be subject to vesting in accordance with a vesting schedule determined by the Committee. A restricted stock unit award agreement may specify that the participant will be entitled to the payment of dividend equivalents under the award.

Performance Stock and Performance Unit Awards

Performance stock and performance unit awards are awards that will result in a payment to a participant only if specified performance goals (as provided in the 2009 Plan) established by the Committee are achieved or the award otherwise vests. The terms and conditions of performance stock and performance unit awards granted under the 2009 Plan are determined by the Committee and set forth in performance stock and performance unit award agreements. The Committee will establish organization or individual performance goals which, depending on the extent to which they are met, will determine the number and the value of performance stock and performance units to be paid out to participants. Payment under performance unit awards may be made in cash or in shares of our common stock with equivalent value, or in some combination, as determined by the Committee. The amount of, the vesting and the transferability restrictions applicable to any performance stock or performance unit award will be based upon the attainment of such performance goals as the Committee may determine, provided that the performance period for any performance stock or performance unit award will not be less than one year. A performance stock or performance unit award agreement may specify that the participant will be entitled to the payment of dividend equivalents under the award, provided that no dividend equivalents will be distributed unless the restrictions imposed on the award lapse.

Annual Cash Incentive Awards

Annual cash incentive awards are awards payable in cash upon the attainment of specified performance goals (as provided in the 2009 Plan) established by the Committee. The terms and conditions of annual cash incentive awards granted under the 2009 Plan are determined by the Committee and set forth in annual cash incentive award agreements.

Other Stock-Based Awards

Other stock-based awards (including the grant or offer for sale of unrestricted shares of our common stock) may be granted under the 2009 Plan upon terms and conditions determined by the Committee. Such awards may involve the transfer of actual shares of our common stock to participants, or payment in cash or otherwise of amounts based on the value of shares of our common stock and may include awards designed to comply with the applicable laws of jurisdictions other than the United States. Payment with respect to such awards will be made in cash or in shares of our common stock, as determined by the Committee.

Other Cash-Based Awards

Other cash-based awards may be granted under the 2009 Plan upon terms and conditions determined by the Committee. Payment with respect to such awards will be made in cash.

Table of Contents

Substitution Awards

Awards may be granted under our 2009 Plan in substitution for stock options and other awards held by employees of other corporations who are about to become employees of our Company or any of our affiliates, or whose employer is about to become an affiliate as the result of our merger or consolidation with another corporation, our acquisition of substantially all the assets of another corporation, or our acquisition of at least 50% of the outstanding stock of another corporation as the result of which such other corporation will become our subsidiary. The terms and conditions of the substitute awards granted may vary from the terms and conditions set out in our 2009 Plan to the extent our Board of Directors may deem appropriate to conform to the provisions of the substituted award.

Separation from Service

The treatment of awards upon a participant's separation from service with our Company and our affiliates will be determined by the Committee and set forth in an award agreement. However, if the Committee finds that, before or after the participant's separation from service, he or she committed certain "cause" events (as described in the 2009 Plan), then as of the date the Committee makes its finding, all of the participant's unexercised awards (including all unvested awards) will be forfeited.

Transferability

Except as specified in the applicable award agreement or in a domestic relations court order, an award granted under the 2009 Plan will not be transferable by a participant other than by will or the laws of descent and distribution, and will be exercisable, during the participant's lifetime, only by the participant. Incentive stock options may not be transferred other than by will or the laws of descent and distribution, and all incentive stock options will be exercisable during a participant's lifetime only by such participant.

Forfeiture Events and Other Restrictions

The Committee may specify in an award agreement that the participant's rights, payments, and benefits with respect to an award will be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an award. Such events may include separation from service for cause or for any other reason, violation of our material policies, breach of any applicable noncompetition, confidentiality, or other restrictive covenants, or other conduct by the participant that is detrimental to our business or reputation. The Committee may also impose conditions or restrictions on shares of our common stock issued pursuant to an award, including a requirement that the participant hold the shares for a specified period of time.

Changes to Capital Structure

The existence of outstanding awards will not affect in any way the right or power of our Company to make any adjustments, recapitalizations, reorganizations or other changes in our Company's capital structure or its business. If our Company shall effect a capital readjustment or any increase or reduction of the number of shares of our common stock outstanding, without receiving compensation therefore in money, services or property, then the following will be appropriately adjusted: (i) the number, class or series and per share price of our common stock subject to outstanding awards under our 2009 Plan; (ii) the number and class or series of our common stock then reserved for issuance under the 2009 Plan; (iii) the aggregate number and class or series of our common stock with respect to which incentive stock options may be granted under the 2009 Plan; and (iv) the maximum number and class or series of our common stock with respect to which awards may be granted to any employee during a fiscal year.

Corporate Transactions

If we are not the surviving entity in any merger, consolidation or other reorganization (or we survive only as a subsidiary of an entity other than an entity that was wholly-owned by us immediately prior to such merger, consolidation or other reorganization); if we sell, lease or exchange or agree to sell, lease or exchange all or substantially all of our assets (other than to any entity wholly-owned by us); if we are to be dissolved; or if we are a party to any other corporate transaction (as defined under Section 424(a) of the Internal Revenue Code), then the Committee may:

accelerate the time at which some or all of the awards then outstanding may be exercised so that such awards may be exercised in full for a limited period of time on or before a specified date, after which all such awards that remain unexercised shall terminate;

Table of Contents

require the mandatory surrender to our Company of some or all of the then outstanding awards as of a specified date, in which event the Committee will then cancel such awards and our Company will pay to each such holder an amount of cash per share equal to the excess, if any, of the per share price offered to stockholders of our Company in connection with such transaction over the exercise prices under such awards for such shares;

have some or all outstanding awards assumed or have a new award of a similar nature substituted for some or all of the then outstanding awards;

provide that the number and class or series of our shares of common stock covered by an award will be adjusted so that such award when exercised will then cover the number and class or series of our common stock or other securities or property to which the holder of such award would have been entitled pursuant to the terms of the agreement or plan relating to such transaction if the holder of such award had been the holder of record of the number of shares of our common stock then covered by such award; or

make such adjustments to awards then outstanding as the Committee deems appropriate to reflect such transaction.

In the event of changes in our outstanding common stock by reason of recapitalizations, reorganizations, mergers, consolidations, combinations, exchanges or other relevant changes in capitalization, the number and price of the shares or other consideration subject to any outstanding award will be subject to adjustment by the Committee. In the event of any such change in our outstanding common stock, the aggregate number of shares of our common stock available under the 2009 Plan may be appropriately adjusted by the Committee.

After a merger or consolidation involving our Company in which we are the surviving corporation, each holder of a restricted stock award granted under our 2009 Plan shall be entitled to have his restricted stock appropriately adjusted based on the manner in which the shares of our common stock were adjusted under the terms of the agreement of merger or consolidation.

Plan Amendments and Termination

Our Board of Directors may alter, amend, or terminate our 2009 Plan and the Committee may alter, amend, or terminate any award agreement in whole or in part; however, no termination, amendment, or modification of our 2009 Plan or any award agreement shall adversely affect in any material way any award previously granted, without the written consent of the holder. We will obtain stockholder approval of any amendment to the 2009 Plan as required by applicable law or stock exchange rules.

Our 2009 Plan became effective February 27, 2009. No awards may be granted under our 2009 Plan on or after the tenth anniversary of the effective date, unless our 2009 Plan is subsequently amended, with the approval of stockholders, to extend the termination date.

(1) Awards granted under the 2009 Plan to our executive officers and employees are discretionary and are not subject to set benefits or amounts, and we have not approved any awards that are conditioned on stockholder approval of this Proposal No. 3. Accordingly, we cannot currently determine the benefits or number of shares subject to awards that may be granted in the future to our executive officers or employees under the 2009 Plan.

(2) Pursuant to our current non-employee director compensation policy, each of our then current non-employee directors will receive an annual equity grant with a fair market value as of the date of grant of \$100,000, comprised of 50% stock options and 50% RSUs granted under the 2009 Plan. The number of shares subject to such awards granted under the 2009 Plan is determined on the basis of the fair market value of our common stock on the date of grant and, therefore, is not determinable at this time. Our then current non-employee directors also have the choice to elect their annual retainers in either cash or restricted stock units ("RSUs"), at the discretion of the director.

Accordingly, we cannot currently determine the number of shares subject to awards that may be granted in the future to our directors under the 2009 Plan.

U.S. Federal Income Tax Consequences of 2009 Plan Awards

The following is a general summary of the principal U.S. Federal income tax consequences to participants who are either U.S. citizens or residents of certain transactions with respect to awards granted under our 2009 Plan and to the Company. This summary is not intended to be exhaustive, and does not discuss the income tax laws of any locality, state or foreign jurisdiction in which a participant may reside. The information is based upon current federal income tax rules and therefore is subject to change when those rules change. Because the tax consequences to any participant may depend on his or her particular situation, each participant should consult the participant's tax advisor regarding the federal, state, local, and other tax consequences of the grant or exercise of an award or the disposition of stock acquired under the 2009 Plan. This information is not tax guidance to participants.

Incentive Stock Options

When the Committee grants an employee an incentive stock option to purchase shares of our common stock under our 2009 Plan, the employee will not be required to recognize any U.S. Federal taxable income as a result of the grant or as a result of the employee's exercise of the incentive stock option; however, the difference between the exercise price and the fair market value of the shares of our common stock at the time of exercise is an item of tax preference that may require payment of an alternative minimum tax. On the sale of the shares acquired through exercise of an incentive stock option (assuming such sale does not occur within two years of the date of grant of the option or within one year from the date of exercise), any gain (or loss) will be taxed as long-term capital gain (or loss) and our Company will not be entitled to any deduction in connection with the sale or the grant or exercise of the incentive stock option. With respect to a sale of shares that occurs after the later of two years from the date of grant and one year from the date of exercise, the tax basis of the shares for the purpose of a subsequent sale includes the option price paid for the shares.

However, if the employee sells the shares acquired upon exercise of an incentive stock option before the later of (i) two years from the date of grant and (ii) one year from the date of exercise, the employee will be treated as having received, at the time of sale, compensation taxable as ordinary income, and our Company should be entitled to a corresponding deduction. The amount treated as compensation income is the excess of the fair market value of the shares at the time of exercise over the exercise price, and any amount realized in excess of the fair market value of the shares at the time of exercise would be treated as long or short term capital gain, depending on how long such shares were held. With respect to a sale of shares that occurs before the later of two years from the date of grant and one year from the date of exercise, the tax basis of the shares for the purpose of a subsequent sale includes the option price paid for the shares and the compensation income reported at the time of sale of the shares.

Nonqualified Stock Options

When the Committee grants a nonqualified stock option to purchase shares of our common stock under our 2009 Plan, the recipient will not be required to recognize any U.S. Federal taxable income as a result of the grant. However, the recipient will be required to recognize ordinary income on the date the recipient exercises the nonqualified stock option. Generally, the measure of the income will be equal to the difference between the fair market value of the shares of our common stock acquired on the date of exercise and the option grant price. The tax basis of the shares acquired on exercise of the nonqualified stock option for the purpose of a subsequent sale includes the option price paid and the ordinary income reported on exercise of the nonqualified stock option. The income reportable on exercise of the nonqualified stock option by an employee is subject to Federal tax withholding. Generally, our Company should be entitled to a deduction in the amount reportable as income by the recipient on the exercise of a nonqualified stock option.

Table of Contents

Stock Appreciation Rights

The grant of a SAR under our 2009 Plan generally will not result in the recognition of any U.S. Federal taxable income by the recipient or a deduction for our Company, at the time of grant. However, the recipient will be required to recognize ordinary income on the date the recipient exercises the SAR. Generally, the measure of the taxable income will be equal to the difference between the fair market value of the underlying shares of our common stock acquired on the date of exercise and the grant price of the SAR. The income reportable on exercise of the SAR by an employee is subject to Federal tax withholding. Generally, our Company should be entitled to a deduction in the amount reportable as income by the recipient on the exercise of a SAR.

Restricted Stock Awards

The grant of a restricted stock award under our 2009 Plan generally will not result in the recognition of any U.S. Federal taxable income by the recipient or a deduction for our Company, at the time of grant unless the recipient timely makes an election under Section 83(b) of the Internal Revenue Code, as described below. Upon the expiration of the forfeiture restrictions applicable to the restricted stock award (i.e., as the shares become vested), the recipient will recognize ordinary income in an amount equal to the excess of the fair market value of those shares at that time over the amount (if any) the recipient paid for the shares. The income realized by an employee is subject to Federal tax withholding. The Company should be entitled to a deduction in the amount and at the time the recipient recognizes income. If an election under Section 83(b) of the Internal Revenue Code has not been made, any dividends received with respect to any restricted shares that are not vested (i.e., the forfeiture restrictions have not yet lapsed) generally will be treated as compensation that is taxable as ordinary income to the recipient and our Company should be entitled to a corresponding deduction. With respect to any restricted shares that are vested (i.e., the forfeiture restrictions have lapsed), the recipient will be taxed on any dividends on such shares as the dividends are paid to the recipient and our Company will not be entitled to deductions with respect to the dividends.

If a participant makes an election under Section 83(b) of the Internal Revenue Code within 30 days of the date of transfer of the restricted shares awarded under the restricted stock award, the participant will recognize ordinary income on the date the shares are awarded. The amount of ordinary income required to be recognized is an amount equal to the excess, if any, of the fair market value of the shares on the date of award over the amount, if any, paid for such shares. In such case, the participant will not be required to recognize additional ordinary income when the shares vest. However, if the shares are later forfeited, a loss can only be recognized up to the amount the participant paid, if any, for the shares.

Restricted Stock Unit Awards

The grant of a restricted stock unit award under our 2009 Plan generally will not result in the recognition of any U.S. Federal taxable income by the recipient or a deduction for our Company at the time of grant. At the time a restricted stock unit award is settled the recipient will recognize ordinary income and our Company should be entitled to a corresponding deduction. Generally, the measure of the income and deduction will be the fair market value of our Company's common stock at the time the restricted stock unit is settled.

Performance Stock and Performance Unit Awards

Performance stock awards granted under our 2009 Plan generally have the same tax consequences as restricted stock awards as discussed above (except that the compensation deduction limitation described below generally will not apply). A recipient of a performance unit award under our 2009 Plan generally will not realize U.S. Federal taxable income at the time of grant of the award, and our Company will not be entitled to a deduction at that time with respect to the award. When the performance goals applicable to the performance unit award are attained and amounts are due

under the award, the holder of the award will be treated as receiving compensation taxable as ordinary income, and our Company should be entitled to a corresponding deduction.

Annual Cash Incentive Awards

The grant of an annual cash incentive award under our 2009 Plan generally will not result in the recognition of any U.S. Federal taxable income by the recipient or a deduction for us at the time of grant. At the time the annual cash incentive award is settled in cash, the recipient will recognize ordinary income and our Company should be entitled to a corresponding deduction, in the amount of cash received by the recipient under the award at that time.¹

Other Cash-Based and Stock-Based Awards

Table of Contents

The grant of a cash-based award under our 2009 Plan generally will not result in the recognition of any U.S. Federal taxable income by the recipient or a deduction for us at the time of grant. At the time a cash-based award is settled in cash, the recipient will recognize ordinary income and our Company should be entitled to a corresponding deduction, in the amount of cash received by the recipient under the award at that time.

Other stock-based awards granted under our 2009 Plan generally have the same tax consequences as restricted stock unit awards.

Section 409A

Section 409A of the Internal Revenue Code ("Section 409A") generally provides rules that must be followed with respect to covered nonqualified deferred compensation arrangements in order to avoid immediate inclusion of amounts deferred and the imposition of an additional 20% tax (plus interest) on the service provider who is entitled to receive the nonqualified deferred compensation. The 2009 Plan permits the grants of various types of awards, which may or may not be exempt from Section 409A. For awards subject to Section 409A, certain officers of the Company may be subject to a delay of up to six months in the settlement of their awards. If an award is subject to Section 409A, and if the requirements of Section 409A are not met, the taxable events described in this section could apply earlier than described, and could result in the immediate inclusion of any amounts deferred (even if they have not actually been paid) and the imposition of the 20% additional tax plus interest. Restricted stock awards, stock options and SARs that comply with the terms of the 2009 Plan, are designed to be exempt from Section 409A. RSUs granted under the 2009 Plan may be subject to Section 409A unless they are designed to satisfy the short-term deferral exemption from Section 409A. If not exempt, such RSUs must be specifically designed to meet the requirements of Section 409A in order to avoid early taxation and penalties.

Certain Other Tax Issues

In addition, (i) any of our officers subject to Section 16(b) liability may be subject to special rules regarding the income tax consequences concerning their awards; (ii) our ability to realize the benefit of any tax deductions described above depends on our generation of taxable income as well as the requirement of reasonableness, the provisions of Section 162(m) of the Internal Revenue Code and the satisfaction of our tax reporting obligations; and (iii) in the event that the exercisability or vesting of any award is accelerated because of a change in control, payments relating to the awards (or a portion thereof), either alone or together with certain other payments, may constitute parachute payments under Section 280G of the Internal Revenue Code, which excess amounts may be subject to excise taxes and may be nondeductible by us. The 2009 Plan is not qualified under the provisions of Section 401(a) of the Internal Revenue Code and is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974, as amended.

Other Information and Conclusion

Our 2009 Plan will continue for 2017 and future years until its termination date as permitted by applicable law if our stockholders do not approve the Amendment. However, if our stockholders do not approve the Amendment, we are unlikely to have sufficient shares available to continue granting equity awards as part of our annual long-term incentive compensation awards.

The Company believes that its best interests will be served by the approval of the Amendment. The Amendment will enable the Company to be in a position to continue to grant long-term incentive awards to employees and directors, including those who through promotions and development of the Company's business will be entrusted with new and more important responsibilities.

Vote Required for Approval

Under NYSE rules, approval of the Amendment requires the affirmative vote of a majority of the votes cast on the proposal. Under NYSE guidance, abstentions are treated as votes cast. Accordingly, abstentions will have the effect of votes against the proposal, while broker non-votes will have no effect on the outcome of the proposal.

PROPOSAL NO. 4

ADVISORY VOTE ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

The following proposal gives our stockholders the opportunity to vote to approve or not approve, on an advisory basis, the compensation of our NEOs. This vote, commonly referred to as "say on pay," is not intended to address any specific item of compensation, but rather the overall compensation of our NEOs, as disclosed in this proxy statement in accordance with SEC rules. We are providing this vote as required by Section 14A of the Exchange Act. Accordingly, we are asking our stockholders to vote "FOR" the adoption of the following resolution:

"RESOLVED, that the stockholders of Rosetta Stone Inc. ("Rosetta Stone") advise that they approve the compensation paid to Rosetta Stone's Named Executive Officers, as disclosed in Rosetta Stone's Proxy Statement for the 2017 Annual Meeting of Stockholders, including the Compensation Discussion and Analysis, compensation tables and narrative discussion."

While we intend to carefully consider the voting results of this proposal, the final vote is advisory in nature and therefore not binding on us, our Board of Directors or our Compensation Committee. Our Board of Directors and our Compensation Committee value the opinions of all of our stockholders and will consider the outcome of this vote when making future compensation decisions for our NEOs.

Vote Required for Approval

In order to be approved, this proposal must be approved by the affirmative vote of a majority of the shares present in person or represented by proxy at the 2017 Annual Meeting and entitled to vote on this proposal. Abstentions with respect to this proposal will have the effect of a vote against the proposal. Broker non-votes will not be counted for the purpose of determining the number of votes necessary for approval of this proposal, and will have no effect on the outcome of the vote on this proposal.

Our Board of Directors unanimously recommends that you vote "FOR" the advisory approval of the resolution set forth above.

PROPOSAL NO. 5

ADVISORY VOTE ON THE FREQUENCY OF FUTURE ADVISORY VOTES
ON EXECUTIVE COMPENSATION

As described in Proposal 4 above, in accordance with the requirements of Section 14A of the Exchange Act, our stockholders have the opportunity to cast an advisory vote to approve the compensation of our named executive officers. We are asking stockholders to cast an advisory vote on whether future advisory votes on executive compensation of the nature reflected in Proposal 4 above (a "say-on-pay vote") should occur every year, every two years or every three years. Our stockholders voted on a similar proposal in 2011 with the majority voting to hold the say-on-pay vote every year.

We continue to believe that holding an advisory vote on executive compensation every year is the most appropriate policy for the Company, so that our stockholders may annually express their views on our executive compensation program. While the Company's executive compensation programs are designed to promote a long-term connection between pay and performance, the Board of Directors recognizes that executive compensation disclosures are made annually and that holding an annual advisory vote on executive compensation provides the Company with more direct and immediate feedback on our compensation disclosures.

As an advisory vote, the final vote on the frequency of future advisory votes is not binding on us, our Board of Directors or our Compensation Committee. Stockholders will be able to specify one of four choices for this proposal on the proxy card: one year, two years, three years or abstain. Stockholders are not voting to approve or disapprove the board's recommendation. Although non-binding, our Board of Directors and our Compensation Committee will carefully review the voting results. Notwithstanding the Board of Directors' recommendation and the outcome of the stockholder vote, our Board of Directors may in the future decide to conduct advisory votes on a more or less frequent basis and may vary its practice based on factors such as discussions with stockholders and the adoption of material changes to compensation programs.

The advisory vote regarding the frequency of the stockholder vote described in this proposal shall be determined by a plurality vote, which means that we will consider stockholders to have expressed a non-binding preference for the preferred frequency option that receives the highest number of favorable votes. Broker non-votes will have no effect on the outcome of this proposal.

Our Board of Directors unanimously recommends that you vote to conduct future advisory votes on executive compensation every year.

OTHER MATTERS

If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By order of the Board of Directors,

Sonia Galindo
General Counsel and Secretary

ROSETTA STONE INC.
AMENDED AND RESTATED 2009 OMNIBUS INCENTIVE PLAN

(Amended and Restated Effective Upon Stockholder Approval)

ARTICLE I
ESTABLISHMENT, PURPOSE AND DURATION

1.1 Establishment. The Company originally established this incentive compensation plan, then known as the "Rosetta Stone Inc. 2009 Omnibus Incentive Plan," (the "Plan") effective February 27, 2009 (the "Effective Date"), and the Plan was approved by the Company's stockholders. The Plan was subsequently amended and restated by the First Amendment to the Plan (effective May 26, 2011), the Second Amendment to the Plan (effective May 23, 2012), the Third Amendment to the Plan (effective May 23, 2013), the Fourth Amendment to the Plan (effective May 20, 2014) and by the Fifth Amendment to the Plan (effective June 12, 2015). The Plan is hereby amended and restated, effective upon stockholder approval at the Company's 2017 Annual Meeting of Stockholders, to incorporate the provision of the Sixth Amendment to the Plan. The Plan permits the grant of Incentive Stock Options, Non-qualified Stock Options, SARs, Restricted Stock, RSUs, Performance Stock Awards, Performance Unit Awards, Annual Cash Incentive Awards, Other Stock-Based Awards and Cash-Based Awards.

1.2 Purpose of the Plan. Awards other than ISOs, Performance Stock Awards, Performance Units Awards or Annual Cash Incentive Awards may also be granted to a person who is expected to become a key Employee within six months.

ARTICLE IV

GENERAL PROVISIONS RELATING TO AWARDS

4.1 Authority to Grant Awards. The Committee may grant Awards to those Employees, Directors and Third Party Service Providers as the Committee shall from time to time determine, under the terms and conditions of the Plan. Subject only to any applicable limitations set out in the Plan, the number of shares of Stock or other value to be covered by any Award to be granted under the Plan shall be as determined by the Committee in its sole discretion.

(a) Unless otherwise authorized by the shareholders of the Company and subject to adjustment as provided in Section 4.5, the total number of shares of Stock available for grant under the Plan, including shares subject to Awards previously issued and outstanding under the Plan, may not exceed 10,477,674 shares (which includes 8,577,674 shares of Stock authorized under the Plan prior to May 19, 2017) (the "Authorized Shares").

(b) The aggregate number of shares of Stock with respect to which ISOs may be granted under the Plan is equal to the Authorized Shares.

(c) The maximum number of shares of Stock with respect to which ISOs may be granted to an Employee during a Fiscal Year is 630,517. The maximum number of shares of Stock with respect to which NQSOs may be granted to an Employee during a Fiscal Year is 630,517. The maximum number of shares of Stock with respect to which SARs may be granted to an Employee during a Fiscal Year is 630,517. The maximum number of shares of Stock with respect to which performance stock awards may be granted to an Employee during a Fiscal Year is 630,517. The maximum number of shares of Stock with respect to which Performance Unit Awards payable in shares of Stock may be granted to an Employee during a Fiscal Year is 630,517. The maximum value of cash with respect to which Performance Unit Awards payable in cash may be granted to an Employee during a Fiscal Year, determined as of the dates of grants of the Performance Unit Awards, is \$5,000,000. The maximum amount that may be paid to a key executive Employee under Annual Cash Incentive Award(s) granted to an Employee during a Fiscal Year is \$5,000,000.

(d) Each of the foregoing numerical limits stated in this Section 4.1 shall be subject to adjustment in accordance with the provisions of Section 4.5.

4.2 Shares That Count Against Limit. The following rules shall apply in determining the number of shares of Stock remaining available for grant under the Plan:

- (a) While an Award is outstanding, it shall be counted against the authorized pool of shares of Stock, regardless of its vested status.
- (b) The grant of an Option or SAR shall reduce the shares of Stock available for grant under the Plan by one (1) share of Stock for each share of Stock subject to such Award.
- (c) Upon stockholder approval of the Amendment, each grant of Restricted Stock, RSU, Performance Stock Awards, Performance Unit Awards, Performance Share, or any Other Stock-Based Awards which are Full Value Awards shall reduce the authorized Stock pool by 1.75 shares of Stock for each share of Stock subject to such Full Value Award.

A-8

Table of Contents

(d) To the extent that an Award is settled in cash rather than in shares of Stock, the shares of Stock reserved for such Award shall not be deducted from the authorized Stock pool, and such number of credited shares of Stock may again be made subject to Awards under the Plan.

(e) To the extent shares of Stock are withheld from any Award by the Company as full or partial payment of taxes applicable to any Award, such shares shall not be added back to the number of shares of Stock available for issuance under the Plan.

(f) Shares of Stock tendered by a Participant to pay the exercise price of any Option or to satisfy tax-withholding obligations of any Award shall not be added to the authorized Stock pool.

(g) When a SAR is settled in shares of Stock, the number of shares of Stock subject to the SAR under the SAR Award Agreement will be counted against the aggregate number of shares of Stock with respect to which Awards may be granted under the Plan as one (1) share for every share subject to the SAR, regardless of the number of shares used to settle the SAR upon exercise.

(h) If any Award granted under this Plan is canceled, forfeited, terminates, expires, or lapses for any reason, any shares of Stock subject to such Award again shall be available for the grant of an Award under the Plan. Without limiting the foregoing, to the extent a Full Value Award is forfeited prior to the expiration of the applicable Period of Restriction or Performance Goal period (as applicable), the same number of shares of Stock shall be added to the authorized Stock pool as were deducted when such Award first was granted.

4.3 Non-Transferability. Except as specified in the applicable Award Agreement or in domestic relations court orders, an Award shall not be transferable by the Holder other than by will or under the laws of descent and distribution, and shall be exercisable, during the Holder's lifetime, only by him or her; provided, however, no Award may be transferred for value. Any attempted assignment of an Award in violation of this Section shall be null and void. In the discretion of the Committee, any attempt to transfer an Award other than under the terms of the Plan and the applicable Award Agreement may terminate the Award.

4.4 Requirements of Law. The Company shall not be required to sell or issue any shares of Stock under any Award if issuing those shares of Stock would constitute or result in a violation by the Holder or the Company of any provision of any law, statute or regulation of any governmental authority. Specifically, in connection with any applicable statute or regulation relating to the registration of securities, upon exercise of any Option or pursuant to any other Award, the Company shall not be required to issue any shares of Stock unless the Committee has received evidence satisfactory to it to the effect that the Holder will not transfer the shares of Stock except in accordance with applicable law, including receipt of an opinion of counsel satisfactory to the Company to the effect that any proposed transfer complies with applicable law. The determination by the Committee on this matter shall be final, binding and conclusive. The Company may, but shall in no event be obligated to, register any shares of Stock covered by the Plan pursuant to applicable securities laws of any country or any political subdivision. In the event the shares of Stock issuable on exercise of an Option or pursuant to any other Award are not registered, the Company may imprint on the certificate evidencing the shares of Stock any legend that counsel for the Company considers necessary or advisable to comply with applicable law, or, should the shares of Stock be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the shares of Stock as counsel for the Company considers necessary or advisable to comply with applicable law. The Company shall not be obligated to take any other affirmative action in order to cause or enable the exercise of an Option or any other Award, or the issuance of shares of Stock pursuant thereto, to comply with any law or regulation of any governmental authority.

4.5 Changes in the Company's Capital Structure.

(a) The existence of outstanding Awards shall not affect in any way the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of bonds, debentures, preferred or prior preference shares ahead of or affecting the Stock or Stock rights, the dissolution or liquidation of the Company, any sale or transfer of all or any part of its assets or business or any other corporate act or proceeding, whether of a similar character or otherwise.

(b) If the Company shall effect a subdivision or consolidation of Stock or other capital readjustment, the payment of a Stock dividend, or other increase or reduction of the number of shares of Stock outstanding, without receiving compensation therefor in money, services or property, then (1) the number, class or series and per share price of Stock subject to outstanding Awards under the Plan shall be appropriately adjusted in such a manner as to entitle a Holder to receive upon

A-9

Table of Contents

exercise of an Award, for the same aggregate cash consideration, the equivalent total number and class or series of Stock the Holder would have received had the Holder exercised his or her Award in full immediately prior to the event requiring the adjustment, and (2) the number and class or series of Stock then reserved to be issued under the Plan shall be adjusted by substituting for the total number and class or series of Stock then reserved, that number and class or series of Stock that would have been received by the owner of an equal number of outstanding shares of Stock of each class or series of Stock as the result of the event requiring the adjustment.

(c) If while unexercised Awards remain outstanding under the Plan (1) the Company shall not be the surviving entity in any merger, consolidation or other reorganization (or survives only as a subsidiary of an entity other than an entity that was wholly-owned by the Company immediately prior to such merger, consolidation or other reorganization), (2) the Company sells, leases or exchanges or agrees to sell, lease or exchange all or substantially all of its assets to any other person or entity (other than an entity wholly-owned by the Company), (3) the Company is to be dissolved or (4) the Company is a party to any other corporate transaction (as defined under section 424(a) of the Code and applicable Department of Treasury regulations) that is not described in clauses (1), (2) or (3) of this sentence (each such event is referred to herein as a "Corporate Change"), then, except as a result of the Committee's effectuation of one or more of the alternatives described below, there shall be no acceleration of the time at which any Award then outstanding may be exercised, and no later than ten days after the consummation of such Corporate Change, the Committee, acting in its sole and absolute discretion without the consent or approval of any Holder, shall act to effect one or more of the following alternatives, which may vary among individual Holders and which may vary among Awards held by any individual Holder (provided that, with respect to a reincorporation merger in which Holders of the Company's ordinary shares will receive one ordinary share of the successor corporation for each ordinary share of the Company, none of such alternatives shall apply and, without Committee action, each Award shall automatically convert into a similar award of the successor corporation exercisable for the same number of ordinary shares of the successor as the Award was exercisable for ordinary shares of Stock of the Company):

(1) accelerate the time at which some or all of the Awards then outstanding may be exercised so that such Awards may be exercised in full for a limited period of time on or before a specified date (before or after such Corporate Change) fixed by the Committee, after which specified date all such Awards that remain unexercised and all rights of Holders thereunder shall terminate;

(2) require the mandatory surrender to the Company by all or selected Holders of some or all of the then outstanding Awards held by such Holders (irrespective of whether such Awards are then exercisable under the provisions of the Plan or the applicable Award Agreement evidencing such Award) as of a date, before or after such Corporate Change, specified by the Committee, in which event the Committee shall thereupon cancel such Award and the Company shall pay to each such Holder an amount of cash per share equal to the excess, if any, of the per share price offered to stockholders of the Company in connection with such Corporate Change over the exercise prices under such Award for such shares;

(3) with respect to all or selected Holders, have some or all of their then outstanding Awards (whether vested or unvested) assumed or have a new award of a similar nature substituted for some or all of their then outstanding Awards under the Plan (whether vested or unvested) by an entity which is a party to the transaction resulting in such Corporate Change and which is then employing such Holder or which is affiliated or associated with such Holder in the same or a substantially similar manner as the Company prior to the Corporate Change, or a parent or subsidiary of such entity, provided that (A) such assumption or substitution is on a basis where the excess of the aggregate fair market value of the Stock subject to the Award immediately after the assumption or substitution over the aggregate exercise price of such Stock is equal to the excess of the aggregate fair market value of all Stock subject to the Award immediately before such assumption or substitution over the aggregate exercise price of such Stock, and (B) the assumed rights under such existing Award or the substituted rights under such new Award, as the case may be, will have the same terms and conditions as the rights under the existing Award assumed or substituted for, as the case may

be;

(4) provide that the number and class or series of Stock covered by an Award (whether vested or unvested) theretofore granted shall be adjusted so that such Award when exercised shall thereafter cover the number and class or series of Stock or other securities or property (including, without limitation, cash) to which the Holder would have been entitled pursuant to the terms of the agreement or plan relating to such Corporate Change if, immediately prior to such Corporate Change, the Holder had been the holder of record of the number of shares of Stock then covered by such Award; or

(5) make such adjustments to Awards then outstanding as the Committee deems appropriate to reflect such Corporate Change (provided, however, that the Committee may determine in its sole and absolute discretion that no such adjustment is necessary to reflect such Corporate Change).

4.6 Election Under Section 83(b) of the Code. No Holder shall exercise the election permitted under section 83(b) of the Code with respect to any Award without the prior written approval of the General Counsel of the Company. Any Holder who makes an election under section 83(b) of the Code with respect to any Award without the prior written approval of the General Counsel of the Company may, in the discretion of the Committee, forfeit any or all Awards granted to him or her under the Plan.

4.7 Forfeiture for Cause. Notwithstanding any other provision of the Plan or an Award Agreement, if the Committee finds by a majority vote that a Holder, before or after his Separation from Service (a) committed a felony or a crime involving moral turpitude or committed any other act or omission involving fraud, embezzlement or any other act of dishonesty in the course of his employment by the Company or an Affiliate which conduct damaged the Company or an Affiliate; (b) substantially and repeatedly failed to perform duties of the office held by the Holder as reasonably directed by the Company or an Affiliate, (c) committed gross negligence or willful misconduct with respect to the Company or an Affiliate; (d) committed a material breach of any employment agreement between the Holder and the Company or an Affiliate that is not cured within ten (10) days after receipt of written notice thereof from the Company or the Affiliate, as applicable; (e) failed, within ten (10) days after receipt by the Holder of written notice thereof from the Company or an Affiliate, to correct, cease or otherwise alter any failure to comply with instructions or other action or omission which the Board reasonably believes does or may materially or adversely affect the Company's or an Affiliate's business or operations, (f) committed misconduct which is of such a serious or substantial nature that a reasonable likelihood exists that such misconduct will materially injure the reputation of the Company or an Affiliate, (g) harassed or discriminated against the Company's or an Affiliate's employees, customers or vendors in violation of the Company's policies with respect to such matters, (h) misappropriated funds or assets of the Company or an Affiliate for personal use or willfully violated the Company policies or standards of business conduct as determined in good faith by the Board, (i) failed, due to some action or inaction on the part of the Holder, to have immigration status that permits the Holder to maintain full-time employment with the Company or an Affiliate in the United States in compliance with all applicable immigration law, (j) disclosed trade secrets of the Company or an Affiliate, then as of the date the Committee makes its finding, any Awards awarded to the Holder that have not been exercised by the Holder (including all Awards that have not yet vested) will be forfeited to the Company. The findings and decision of the Committee or the Board, if applicable, with respect to such matter, including those regarding the acts of the Holder and the damage done to the Company, will be final for all purposes. No decision of the Committee, however, will affect the finality of the discharge of the individual by the Company or an Affiliate.

4.8 Forfeiture Events. The Committee may specify in an Award Agreement that the Holder's rights, payments, and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture, or recoupment upon the occurrence of certain specified events, in addition to any otherwise applicable vesting or performance conditions of an Award. Such events may include, but shall not be limited to, Separation from Service for cause, Separation from Service for any other reason, violation of material policies of the Company and its Affiliates, breach of noncompetition, confidentiality, or other restrictive covenants that may apply to the Holder, or other conduct by the Holder that is detrimental to the business or reputation of the Company and its Affiliates.

4.9 Award Agreements. Each Award shall be embodied in a written Award Agreement that shall be subject to the terms and conditions of the Plan. The Award Agreement shall be signed by an executive officer of the Company, other than the Holder, on behalf of the Company, and may be signed by the Holder to the extent required by the Committee. The Award Agreement may specify the effect of a change in control of the Company on the Award. The Award Agreement may contain any other provisions that the Committee in its discretion shall deem advisable which are not inconsistent with the terms and provisions of the Plan.

4.10 Amendments of Award Agreements. The terms of any outstanding Award under the Plan may be amended from time to time by the Committee in its discretion in any manner that it deems appropriate and that is consistent with the terms of the Plan. However, no such amendment shall adversely affect in a material manner any

right of a Holder without his or her written consent. Except as specified in Section 4.5(b), the Committee may not directly or indirectly lower the exercise price of a previously granted Option or the grant price of a previously granted SAR.

4.11 Rights as Stockholder. A Holder shall not have any rights as a stockholder with respect to Stock covered by an Option, a SAR, an RSU, a Performance Unit, or an Other Stock-Based Award payable in Stock until the date, if any, such Stock is issued by the Company; and, except as otherwise provided in Section 4.5, no adjustment for dividends, or otherwise, shall be made if the record date therefor is prior to the date of issuance of such Stock.

4.14 Compliance With Section 409A. Awards shall be designed, granted and administered in such a manner that they are either exempt from the application of, or comply with, the requirements of Section 409A. The Plan and each Award Agreement under the Plan that is intended to comply the requirements of Section 409A shall be construed and interpreted in accordance with such intent. If the Committee determines that an Award, Award Agreement, payment, distribution, deferral election, transaction, or any other action or arrangement contemplated by the provisions of the Plan would, if undertaken, cause a Holder to become subject to additional taxes under Section 409A, then unless the Committee specifically provides otherwise, such Award, Award Agreement, payment, distribution, deferral election, transaction or other action or arrangement shall not be given effect to the extent it causes such result and the related provisions of the Plan and/or Award Agreement will be deemed modified, or, if necessary, suspended in order to comply with the requirements of Section 409A to the extent determined appropriate by the Committee, in each case without the consent of or notice to the Holder. The exercisability of an Option or a SAR shall not be extended to the extent that such extension would subject the Holder to additional taxes under Section 409A.

4.15 Date of Grant. The date on which an option or SAR is granted shall be the date the Company completes the corporate action constituting an offer of stock for sale to a Holder under the terms and conditions of the Option or SAR; provided that such corporate action shall not be considered complete until the date on which the maximum number of shares that can be purchased under the Option and the minimum Option price are fixed or determinable. If the corporate action contemplates an immediate offer of stock for sale to a class of individuals, then the date of the granting of an Option is the time or date of that corporate action, if the offer is to be made immediately. If the corporate action contemplates a particular date on which the offer is to be made, then the date of grant is the contemplated date of the offer.

4.16 Source of Shares Deliverable Under Awards. Any shares of Stock delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued shares of Stock or of treasury shares of Stock.

ARTICLE V

OPTIONS

5.1 Authority to Grant Options. Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may grant Options under the Plan to eligible persons in such number and upon such terms as the Committee shall determine; provided that ISOs may be granted only to eligible Employees of the Company or of any Parent Corporation or Subsidiary Corporation (as permitted by section 422 of the Code and the regulations thereunder).

5.2 Type of Options Available. Options granted under the Plan may be NQSOs or ISOs.

5.3 Option Agreement. Each Option grant under the Plan shall be evidenced by an Award Agreement that shall specify (a) whether the Option is intended to be an ISO or an NQSO, (b) the Option Price, (c) the duration of the Option, (d) the number of shares of Stock to which the Option pertains, (e) the exercise restrictions, if any, applicable to the Option and (f) such other provisions as the Committee shall determine that are not inconsistent with the terms and provisions of the Plan. Notwithstanding the designation of an Option as an ISO in the applicable Award Agreement for such Option, to the extent the limitations of Section 5.11 of the Plan are exceeded with respect to the Option, the portion of the Option in excess of the limitation shall be treated as a NQSO. An Option granted under the Plan may not be granted with any Dividend Equivalents rights.

5.4 Option Price. The price at which shares of Stock may be purchased under an Option (the "Option Price") shall not be less than one hundred percent (100%) of the Fair Market Value of the shares of Stock on the date the Option is granted; provided, however, if the Option is an ISO granted to a Ten Percent Stockholder, the Option Price must not be less than one hundred ten percent (110%) of the Fair Market Value of the shares of Stock on the date the ISO is granted. Subject to the limitations set forth in the preceding sentences of this Section 5.4, the Committee shall determine the Option Price for each grant of an Option under the Plan.

5.5 Duration of Option. An Option shall not be exercisable after the earlier of (i) the general term of the Option specified in the applicable Award Agreement (which shall not exceed ten years, or, in the case of a Ten Percent Stockholder, no ISO shall be exercisable later than the fifth (5th) anniversary of the date of its grant) or (ii) the period of time specified in the applicable Award Agreement that follows the Holder's Separation from Service.

5.6 Amount Exercisable. Each Option may be exercised at the time, in the manner and subject to the conditions the Committee specifies in the Award Agreement in its sole discretion.

5.7 Exercise of Option.

(a) General Method of Exercise. Subject to the terms and provisions of the Plan and the applicable Award Agreement, Options may be exercised in whole or in part from time to time by the delivery of written notice in the manner designated by the Committee stating (1) that the Holder wishes to exercise such Option on the date such notice is so delivered, (2) the number of shares of Stock with respect to which the Option is to be exercised and (3) the address to which a stock certificate, if any, representing such shares of Stock should be mailed or delivered. Except in the case of exercise by a third party broker as provided below, in order for the notice to be effective the notice must be accompanied by payment of the Option Price by any combination of the following: (a) cash, certified check, bank draft or postal or express money order for an amount equal to the Option Price under the Option, (b) an election to make a cashless exercise through a registered broker-dealer (if approved in advance by the Committee or an executive officer of the Company) or (c) any other form of payment which is acceptable to the Committee.

(b) Exercise Through Third-Party Broker. The Committee may permit a Holder to elect to pay the Option Price and any applicable tax withholding resulting from such exercise by authorizing a third-party broker to sell all or a portion of the shares of Stock acquired upon exercise of the Option and remit to the Company a sufficient portion of the sale proceeds to pay the Option Price and any applicable tax withholding resulting from such exercise.

5.8 Transferability—Incentive Stock Options. Notwithstanding anything in the Plan or an Award Agreement to the contrary, no ISO granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution, and all ISOs granted to an Employee under this Article V shall be exercisable during his or her lifetime only by such Employee.

5.9 Notification of Disqualifying Disposition. If any Employee shall make any disposition of shares of Stock issued pursuant to the exercise of an ISO under the circumstances described in section 421(b) of the Code (relating to certain disqualifying dispositions), such Employee shall notify the Company of such disposition within ten (10) days thereof.

5.10 No Rights as Stockholder. A Holder of an Option shall not have any rights as a stockholder with respect to Stock covered by an Option until the date a stock certificate for such Stock is issued by the Company; and, except as otherwise provided in Section 4.5, no adjustment for dividends, or otherwise, shall be made if the record date therefor is prior to the date of issuance of such certificate.

5.11 \$100,000 Limitation on ISOs. To the extent that the aggregate Fair Market Value of shares of Stock with respect to which ISOs first become exercisable by a Holder in any calendar year exceeds \$100,000, taking into account both shares of Stock subject to ISOs under the Plan and Stock subject to ISOs under all other plans of the Company, such Options shall be treated as NQSOs. For this purpose, the "Fair Market Value" of the shares of Stock subject to Options shall be determined as of the date the Options were awarded. In reducing the number of Options treated as ISOs to meet the \$100,000 limit, the most recently granted Options shall be reduced first. To the extent a reduction of simultaneously granted Options is necessary to meet the \$100,000 limit, the Committee may, in the manner and to the extent permitted by law, designate which shares of Stock are to be treated as shares acquired pursuant to the exercise of an ISO.

5.12 Separation from Service. Each Award Agreement shall set forth the extent to which the Holder of an Option shall have the right to exercise the Option following the Holder's Separation from Service. Such provisions shall be determined in the sole discretion of the Committee, need not be uniform among all Options issued pursuant to

the Award Agreement or the Plan, and may reflect distinctions based on the reasons for termination.

ARTICLE VI

6.1 Authority to Grant SAR Awards. Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may grant SARs under the Plan to eligible persons in such number and upon such terms as the Committee shall determine. A-13

Table of Contents

6.2 Type of Stock Appreciation Rights Available. The Committee may grant Freestanding SARs, Tandem SARs, or any combination of these forms of SARs.

6.3 General Terms. Subject to the terms and conditions of the Plan, a SAR granted under the Plan shall confer on the recipient a right to receive, upon exercise thereof, an amount equal to the excess of (a) the Fair Market Value of one share of the Stock on the date of exercise over (b) the grant price of the SAR, which shall not be less than one hundred percent (100%) of the Fair Market Value of one share of the Stock on the date of grant of the SAR. The grant price of Tandem SARs shall be equal to the Option Price of the related Option. A SAR granted under the Plan may not be granted with any Dividend Equivalents rights.

6.4 SAR Agreement. Each Award of SARs granted under the Plan shall be evidenced by an Award Agreement that shall specify (a) the grant price of the SAR, (b) the term of the SAR, (c) the vesting and termination provisions of the SAR and (d) such other provisions as the Committee shall determine that are not inconsistent with the terms and provisions of the Plan. The Committee may impose such additional conditions or restrictions on the exercise of any SAR as it may deem appropriate.

6.5 Term of SAR. The term of a SAR granted under the Plan shall be determined by the Committee, in its sole discretion; provided that no SAR shall be exercisable on or after the tenth anniversary date of its grant. Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (a) the Tandem SAR will expire no later than the expiration of the underlying ISO; (b) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the excess of the Fair Market Value of the shares of Stock subject to the underlying ISO at the time the Tandem SAR is exercised over the Option Price of the underlying ISO; and (c) the Tandem SAR may be exercised only when the Fair Market Value of the shares of Stock subject to the ISO exceeds the Option Price of the ISO.

6.6 Exercise of Freestanding SARs. Subject to the terms and provisions of the Plan and the applicable Award Agreement, Freestanding SARs may be exercised in whole or in part from time to time by the delivery of written notice in the manner designated by the Committee stating (a) that the Holder wishes to exercise such SAR on the date such notice is so delivered, (b) the number of shares of Stock with respect to which the SAR is to be exercised and (c) the address to which the payment due under such SAR should be mailed. In accordance with applicable law, a Freestanding SAR may be exercised upon whatever additional terms and conditions the Committee, in its sole discretion, imposes.

6.7 Exercise of Tandem SARs. Subject to the terms and provisions of the Plan and the applicable Award Agreement, Tandem SARs may be exercised for all or part of the shares of Stock subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option and by the delivery of written notice in the manner designated by the Committee stating (a) that the Holder wishes to exercise such SAR on the date such notice is so delivered, (b) the number of shares of Stock with respect to which the SAR is to be exercised and (c) the address to which the payment due under such SAR should be mailed. A Tandem SAR may be exercised only with respect to the shares of Stock for which its related Option is then exercisable. In accordance with applicable law, a Tandem SAR may be exercised upon whatever additional terms and conditions the Committee, in its sole discretion, imposes.

6.8 Payment of SAR Amount. Upon the exercise of a SAR, a Holder shall be entitled to receive payment from the Company in an amount determined by multiplying the excess of the Fair Market Value of a share of Stock on the date of exercise over the grant price of the SAR by the number of shares of Stock with respect to which the SAR is exercised. At the discretion of the Committee, the payment upon SAR exercise may be in cash, in Stock of equivalent value, in some combination thereof or in any other manner approved by the Committee in its sole discretion. The Committee's determination regarding the form of SAR payout shall be set forth in the Award Agreement pertaining to

the grant of the SAR.

6.9 Separation from Service. Each Award Agreement shall set forth the extent to which the Holder of a SAR shall have the right to exercise the SAR following the Holder's Separation from Service. Such provisions shall be determined in the sole discretion of the Committee, may be included in the Award Agreement entered into with the Holder, need not be uniform among all SARs issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination or severance.

6.10 Nontransferability of SARs. Except as otherwise provided in a Holder's Award Agreement, no SAR granted under the Plan may be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Holder's Award Agreement, all SARs granted to a Holder under the Plan shall be exercisable during his or her lifetime only by the Holder, and after that time, by the Holder's heirs or estate. Any attempted assignment of a SAR in violation of this Section 6.10 shall be null and void.

6.11 No Rights as Stockholder. A grantee of a SAR award, as such, shall have no rights as a stockholder.

6.12 Restrictions on Stock Received. The Committee may impose such conditions and/or restrictions on any shares of Stock received upon exercise of a SAR granted pursuant to the Plan as it may deem advisable or desirable. These restrictions may include, but shall not be limited to, a requirement that the Holder hold the shares of Stock received upon exercise of a SAR for a specified period of time.

ARTICLE VII

RESTRICTED STOCK AWARDS

7.1 Restricted Stock Awards. Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may make Awards of Restricted Stock under the Plan to eligible persons in such number and upon such terms as the Committee shall determine. The amount of, the vesting and the transferability restrictions applicable to any Restricted Stock Award shall be determined by the Committee in its sole discretion. If the Committee imposes vesting or transferability restrictions on a Holder's rights with respect to Restricted Stock, the Committee may issue such instructions to the Company's share transfer agent in connection therewith as it deems appropriate. The Committee may also cause the certificate for shares of Stock issued pursuant to a Restricted Stock Award to be imprinted with any legend which counsel for the Company considers advisable with respect to the restrictions or, should the shares of Stock be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the shares of Stock as counsel for the Company considers necessary or advisable to comply with applicable law.

7.2 Restricted Stock Award Agreement. Each Restricted Stock Award shall be evidenced by an Award Agreement that contains any vesting, transferability restrictions and other provisions not inconsistent with the Plan as the Committee may specify.

7.3 Holder's Rights as Stockholder. Subject to the terms and conditions of the Plan, each recipient of a Restricted Stock Award shall have all the rights of a stockholder with respect to the shares of Restricted Stock included in the Restricted Stock Award during the Period of Restriction established for the Restricted Stock Award. Dividends paid with respect to Restricted Stock in cash or property other than shares of Stock or rights to acquire shares of Stock shall be paid to the recipient of the Restricted Stock Award currently. Dividends paid in shares of Stock or rights to acquire shares of Stock shall be added to and become a part of the Restricted Stock. During the Period of Restriction, certificates representing the Restricted Stock shall be registered in the Holder's name and bear a restrictive legend to the effect that ownership of such Restricted Stock, and the enjoyment of all rights appurtenant thereto, are subject to the restrictions, terms, and conditions provided in the Plan and the applicable Award Agreement. Such certificates shall be deposited by the recipient with the Secretary of the Company or such other officer of the Company as may be designated by the Committee, together with all stock powers or other instruments of assignment, each endorsed in blank, which will permit transfer to the Company of all or any portion of the Restricted Stock which shall be forfeited in accordance with the Plan and the applicable Award Agreement.

ARTICLE VIII

RESTRICTED STOCK UNIT AWARDS

8.1 Authority to Grant RSU Awards. Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may grant RSU Awards under the Plan to eligible persons in such amounts and upon such terms as the Committee shall determine. The amount of, the vesting and the transferability restrictions applicable to any RSU Award shall be determined by the Committee in its sole discretion. The Committee shall maintain a bookkeeping ledger account which reflects the number of RSUs credited under the Plan for the benefit of a Holder.

8.2 RSU Award. An RSU Award shall be similar in nature to a Restricted Stock Award except that no shares of Stock are actually transferred to the Holder until a later date specified in the applicable Award Agreement. Each RSU shall have a value equal to the Fair Market Value of a share of Stock.

8.3 RSU Award Agreement. Each RSU Award shall be evidenced by an Award Agreement that contains any Substantial Risk of Forfeiture, transferability restrictions, form and time of payment provisions and other provisions not inconsistent with the Plan as the Committee may specify.

8.4 Dividend Equivalents. An Award Agreement for an RSU Award may specify that the Holder shall be entitled to the payment of Dividend Equivalents under the Award.

8.6 Time of Payment Under RSU Award. A Holder's payment under an RSU Award shall be made at such time as is specified in the applicable Award Agreement. The Award Agreement shall specify that the payment will be made (1) by a date that is no later than the date that is two and one-half (21/2) months after the end of the Fiscal Year in which the RSU Award payment is no longer subject to a Substantial Risk of Forfeiture or (2) at a time that is Permissible under Section 409A.

8.7 Holder's Rights as Stockholder. Each recipient of an RSU Award shall have no rights of a stockholder with respect to the Holder's RSUs. A Holder shall have no voting rights with respect to any RSU Awards.

The amount of, the vesting and the transferability restrictions applicable to any Performance Stock Award or Performance Unit Award shall be based upon the attainment of such Performance Goals as the Committee may determine; provided, however, that the performance period for any Performance Stock Award or Performance Unit Award shall not be less than one year. If the Committee imposes vesting or transferability restrictions on a Holder's rights with respect to Performance Stock Award or Performance Unit Awards, the Committee may issue such instructions to the Company's share transfer agent in connection therewith as it deems appropriate. The Committee may also cause the certificate for shares of Stock issued pursuant to a Performance Stock Award or Performance Unit Award to be imprinted with any legend which counsel for the Company considers advisable with respect to the restrictions or, should the shares of Stock be represented by book or electronic entry rather than a certificate, the Company may take such steps to restrict transfer of the shares of Stock as counsel for the Company considers necessary or advisable to comply with applicable law.

Unless specified otherwise by the Committee (i) in the Award Agreement at the time the Award is granted or (ii) in such other document setting forth the Performance Goals at the time the Performance Goals are established, the Committee shall appropriately adjust any evaluation of performance under a Performance Goal to exclude: (i) litigation or claim judgments or settlements; (ii) restructuring costs, transaction costs, and other costs associated with mergers and acquisitions; (iii) adjustments related to recording the non-cash tax valuation allowance for deferred tax assets; (iv) asset write-downs; (v) the effect of changes in, or provisions under, tax law, accounting principles or other such laws or provisions affecting reported results; (vi) any extraordinary non-recurring items as described in Accounting Principles Board Opinion No. 30 (or any successor pronouncement thereto) and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; and (vii) restructuring and/or other nonrecurring charges.

Goals may also be based on performance relative to a peer group of companies. Unless otherwise stated, such a Performance Goal need not be based upon an increase or positive result under a particular business criterion and could include, for example, maintaining the status quo or limiting economic losses (measured, in each case, by reference to specific business criteria). In interpreting Plan provisions applicable to Performance Goals and Performance Stock or Performance Unit Awards, it is intended that the Plan will conform with the standards of section 162(m) of the Code and Treasury Regulation section 1.162-27(e)(2)(i), and the Committee in establishing such goals and interpreting the Plan shall be guided by such provisions. Prior to the payment of any compensation based on the achievement of Performance Goals, the Committee must certify in writing that applicable Performance Goals and any of the material terms thereof were, in fact, satisfied. 9.7 **Holder's Rights as Stockholder With Respect to a Performance Stock Award.** Subject to the terms and conditions of the Plan, each Holder of a Performance Stock Award shall have all the rights of a stockholder with respect to the shares of Stock issued to the Holder pursuant to the Award during any period in which such issued shares of Stock are subject to forfeiture and restrictions on transfer, including without limitation, the right to vote such shares of Stock.

9.8 **Increases Prohibited.** None of the Committee or the Board may increase the amount of compensation payable under a Performance Stock or Performance Unit Award. Subject to the terms and provisions of the Plan, the Committee, at any time, and from time to time, may grant other types of equity-based or equity-related Awards not otherwise described by the terms and provisions of the Plan (including the grant or offer for sale of unrestricted shares of Stock) under the Plan to eligible persons in such number and upon such terms as the Committee shall determine. Such Awards may involve the transfer of actual shares of Stock to Holders, or payment in cash or otherwise of amounts based on the value of shares of Stock and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

12.2 Value of Other Stock-Based Award. Each Other Stock-Based Award shall be expressed in terms of shares of Stock or units based on shares of Stock, as determined by the Committee.

12.3 Payment of Other Stock-Based Award. Payment, if any, with respect to an Other Stock-Based Award shall be made in accordance with the terms of the Award, in cash or shares of Stock as the Committee determines.

12.4 Separation from Service. The Committee shall determine the extent to which a Holder's rights with respect to Other Stock-Based Awards shall be affected by the Holder's Separation from Service. ARTICLE XIII

ARTICLE XIV

SUBSTITUTION AWARDS

Awards may be granted under the Plan from time to time in substitution for stock options and other awards held by employees of other entities who are about to become Employees, or whose employer is about to become an Affiliate as the result of a merger or consolidation of the Company with another corporation, or the acquisition by the Company of

substantially all the assets of another corporation, or the acquisition by the Company of at least fifty percent (50%) of the issued and outstanding stock of another corporation as the result of which such other corporation will become a subsidiary of the Company. The terms and conditions of the substitute Awards so granted may vary from the terms and conditions set forth in the Plan to such extent as the Board at the time of grant may deem appropriate to conform, in whole or in part, to the provisions of the Award in substitution for which they are granted. If shares of Stock are issued under the Plan with respect to an Award granted under this Article such shares of Stock will not count against the aggregate number of shares of Stock with respect to which Awards may be granted under the Plan.

ARTICLE XV

ADMINISTRATION

15.1 Awards. The Plan shall be administered by the Committee or, in the absence of the Committee or in the case of awards issued to Directors, the Plan shall be administered by the Board. The members of the Committee (that is not itself the Board) shall serve at the discretion of the Board. The Committee shall have full and exclusive power and authority to administer the Plan and to take all actions that the Plan expressly contemplates or are necessary or appropriate in connection with the administration of the Plan with respect to Awards granted under the Plan.

15.2 Authority of the Committee. The Committee shall have full and exclusive power to interpret and apply the terms and provisions of the Plan and Awards made under the Plan, and to adopt such rules, regulations and guidelines for implementing the Plan as the Committee may deem necessary or proper, all of which powers shall be exercised in the best interests of the Company and in keeping with the objectives of the Plan. A majority of the members of the Committee shall constitute a quorum for the transaction of business relating to the Plan or Awards made under the Plan, and the vote of a majority of those members present at any meeting shall decide any question brought before that meeting. Any decision or determination reduced to writing and signed by a majority of the members shall be as effective as if it had been made by a majority vote at a meeting properly called and held. All questions of interpretation and application of the Plan, or as to Awards granted under the Plan, shall be subject to the determination, which shall be final and binding, of a majority of the whole Committee. No member of the Committee shall be liable for any act or omission of any other member of the Committee or for any act or omission on his own part, including but not limited to the exercise of any power or discretion given to him under the Plan, except those resulting from his own willful misconduct. In carrying out its authority under the Plan, the Committee shall have full and final authority and discretion, including but not limited to the following rights, powers and authorities to (a) determine the persons to whom and the time or times at which Awards will be made; (b) determine the number and exercise price of shares of Stock covered in each Award subject to the terms and provisions of the Plan; (c) determine the terms, provisions and conditions of each Award, which need not be identical and need not match the default terms set forth in the Plan; (d) accelerate the time at which any outstanding Award will vest; (e) prescribe, amend and rescind rules and regulations relating to administration of the Plan; and (f) make all other determinations and take all other actions deemed necessary, appropriate or advisable for the proper administration of the Plan.

The Committee may make an Award to an individual who the Company expects to become an Employee of the Company or any of its Affiliates within six (6) months after the date of grant of the Award, with the Award being subject to and conditioned on the individual actually becoming an Employee within that time period and subject to other terms and conditions as the Committee may establish.

The Committee may correct any defect or supply any omission or reconcile any inconsistency in the Plan or in any Award to a Holder in the manner and to the extent the Committee deems necessary or desirable to further the Plan's objectives. Further, the Committee shall make all other determinations that may be necessary or advisable for the administration of the Plan. As permitted by law and the terms and provisions of the Plan, the Committee may delegate to one or more of its members or to one or more officers of the Company, and/or its Affiliates or to one or more agents

or advisors such administrative duties or powers as it may deem advisable, and the Committee or any person to whom it has delegated duties or powers as aforesaid may employ one or more persons to render advice with respect to any responsibility the Committee or such person may have under the Plan. The Committee may, by resolution, authorize one or more officers of the Company to do one or more of the following on the same basis as can the Committee: (a) designate Employees to be recipients of Awards; (b) designate Third Party Service Providers to be recipients of Awards; and (c) determine the size of any such Awards; provided, however, (i) the Committee shall not delegate such responsibilities to any such officer for Awards granted to an Employee that is considered an Insider; (ii) the resolution providing such authorization sets forth the total number of Awards such officer(s) may grant; and (iii) the officer(s) shall report periodically to the Committee regarding the nature and scope of the Awards granted pursuant to the authority delegated. The Committee may employ attorneys, consultants, accountants, agents, and other persons, any of whom may be an Employee, and the Committee, the Company, and its officers and Board shall be entitled to rely upon the advice, opinions, or valuations of any such persons.

15.3 Decisions Binding. All determinations and decisions made by the Committee or the Board, as the case may be, pursuant to the provisions of the Plan and all related orders and resolutions of the Committee or the Board, as the case may be, shall be final, conclusive and binding on all persons, including the Company, its Affiliates, its stockholders, Holders and the estates and beneficiaries of Holders.

15.4 No Liability. Under no circumstances shall the Company, its Affiliates, the Board or the Committee incur liability for any indirect, incidental, consequential or special damages (including lost profits) of any form incurred by any person, whether or not foreseeable and regardless of the form of the act in which such a claim may be brought, with respect to the Plan or the Company's, its Affiliates', the Committee's or the Board's roles in connection with the Plan.

ARTICLE XVI

AMENDMENT OR TERMINATION OF PLAN

16.1 Amendment, Modification, Suspension, and Termination. Subject to Section 16.2, the Board may, at any time and from time to time, alter, amend, modify, suspend, or terminate the Plan and the Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate any Award Agreement in whole or in part; provided, however, that, without the prior approval of the Company's stockholders and except as provided in Section 4.5, the Committee shall not directly or indirectly lower the Option Price of a previously granted Option or the grant price of a previously granted SAR, cancel a previously granted Option or previously granted SAR for a payment of cash, other property or other Awards if the aggregate fair market value of such Award is less than the aggregate Option Price of such Award in the case of an Option or the aggregate grant price of such Award in the case of a SAR, and no amendment of the Plan shall be made without stockholder approval if stockholder approval is required by applicable law or stock exchange rules.

16.2 Awards Previously Granted. Notwithstanding any other provision of the Plan to the contrary, no termination, amendment, suspension, or modification of the Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Holder holding such Award.

ARTICLE XVII

MISCELLANEOUS

17.1 Unfunded Plan/No Establishment of a Trust Fund. Holders shall have no right, title, or interest whatsoever in or to any investments that the Company or any of its Affiliates may make to aid in meeting obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Holder, beneficiary, legal representative, or any other person. To the extent that any person acquires a right to receive payments from the Company under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company. All payments to be made hereunder shall be paid from the general funds of the Company and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts, except as expressly set forth in the Plan. No property shall be set aside nor shall a trust fund of any kind be established to secure the rights of any Holder under the Plan. The Plan is not intended to be subject to the Employee Retirement Income Security Act of 1974, as amended.

17.2 No Employment Obligation. The granting of any Award shall not constitute an employment contract, express or implied, nor impose upon the Company or any Affiliate any obligation to employ or continue to employ, or utilize the services of, any Holder. The right of the Company or any Affiliate to terminate the employment of any person shall not be diminished or affected by reason of the fact that an Award has been granted to him, and nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or its Affiliates to terminate any Holder's employment at any time or for any reason not prohibited by law.

17.3 Tax Withholding. The Company or any Affiliate shall be entitled to deduct from other compensation payable to each Holder any sums required by federal, state, local or foreign tax law to be withheld with respect to the vesting or exercise of an Award or lapse of restrictions on an Award. In the alternative, the Company may require the Holder (or other person validly exercising the Award) to pay such sums for taxes directly to the Company or any Affiliate in cash or by check within one day after the date of vesting, exercise or lapse of restrictions. In the discretion of the Committee, and with the consent of the Holder, the Company may reduce the number of shares of Stock issued to the Holder upon such Holder's exercise of an Award or the vesting of an Award to satisfy the tax withholding obligations of the Company or an Affiliate; provided that the

Fair Market Value of the shares of Stock held back shall not exceed the Company's or the Affiliate's Minimum Statutory Tax Withholding Obligation.

The Committee may, in its discretion, permit a Holder to satisfy any Minimum Statutory Tax Withholding Obligation arising upon the vesting of or payment under an Award by delivering to the Holder a reduced number of shares of Stock in the manner specified herein. If permitted by the Committee and acceptable to the Holder, at the time of vesting of shares under the Award, the Company shall (a) calculate the amount of the Company's or an Affiliate's Minimum Statutory Tax Withholding Obligation on the assumption that all such shares of Stock vested under the Award are made available for delivery, (b) reduce the number of such shares of Stock made available for delivery so that the Fair Market Value of the shares of Stock withheld on the vesting date approximates the Company's or an Affiliate's Minimum Statutory Tax Withholding Obligation and (c) in lieu of the withheld shares of Stock, remit cash to the United States Treasury and/or other applicable governmental authorities, on behalf of the Holder, in the amount of the Minimum Statutory Tax Withholding Obligation. The Company shall withhold only whole shares of Stock to satisfy its Minimum Statutory Tax Withholding Obligation. Where the Fair Market Value of the withheld shares of Stock does not equal the amount of the Minimum Statutory Tax Withholding Obligation, the Company shall withhold shares of Stock with a Fair Market Value slightly less than the amount of the Minimum Statutory Tax Withholding Obligation and the Holder must satisfy the remaining minimum withholding obligation in some other manner permitted under this Section 17.3. The withheld shares of Stock not made available for delivery by the Company shall be retained as treasury shares or will be cancelled and the Holder's right, title and interest in such shares of Stock shall terminate.

The Company shall have no obligation upon vesting or exercise of any Award or lapse of restrictions on an Award until the Company or an Affiliate has received payment sufficient to cover the Minimum Statutory Tax Withholding Obligation with respect to that vesting, exercise or lapse of restrictions. Neither the Company nor any Affiliate shall be obligated to advise a Holder of the existence of the tax or the amount which it will be required to withhold.

17.4 Indemnification of the Committee. The Company shall indemnify each present and future member of the Committee against, and each member of the Committee shall be entitled without further action on his or her part to indemnity from the Company for, all expenses (including attorney's fees, the amount of judgments and the amount of approved settlements made with a view to the curtailment of costs of litigation, other than amounts paid to the Company itself) reasonably incurred by such member in connection with or arising out of any action, suit or proceeding in which such member may be involved by reason of such member being or having been a member of the Committee, whether or not he or she continues to be a member of the Committee at the time of incurring the expenses, including, without limitation, matters as to which such member shall be finally adjudged in any action, suit or proceeding to have been negligent in the performance of such member's duty as a member of the Committee. However, this indemnity shall not include any expenses incurred by any member of the Committee in respect of matters as to which such member shall be finally adjudged in any action, suit or proceeding to have been guilty of willful misconduct in the performance of his duty as a member of the Committee. In addition, no right of indemnification under the Plan shall be available to or enforceable by any member of the Committee unless, within 60 days after institution of any action, suit or proceeding, such member shall have offered the Company, in writing, the opportunity to handle and defend same at its own expense. This right of indemnification shall inure to the benefit of the heirs, executors or administrators of each member of the Committee and shall be in addition to all other rights to which a member of the Committee may be entitled as a matter of law, contract or otherwise.

17.5 Gender and Number. If the context requires, words of one gender when used in the Plan shall include the other and words used in the singular or plural shall include the other.

17.6 Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as

if the illegal or invalid provision had not been included.

17.7 Headings. Headings of Articles and Sections are included for convenience of reference only and do not constitute part of the Plan and shall not be used in construing the terms and provisions of the Plan.

17.8 Other Compensation Plans. The adoption of the Plan shall not affect any other option, incentive or other compensation or benefit plans in effect for the Company or any Affiliate, nor shall the Plan preclude the Company from establishing any other forms of incentive compensation arrangements for Employees, Directors or Third Party Service Providers.

17.9 Retirement and Welfare Plans. Neither Awards made under the Plan nor shares of Stock or cash paid pursuant to such Awards, may be included as "compensation" for purposes of computing the benefits payable to any person under the

A-23

Company's or any Affiliate's retirement plans (both qualified and non-qualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a participant's benefit.

17.10 Other Awards. The grant of an Award shall not confer upon the Holder the right to receive any future or other Awards under the Plan, whether or not Awards may be granted to similarly situated Holders, or the right to receive future Awards upon the same terms or conditions as previously granted.

17.11 Successors. All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

17.12 Law Limitations/Governmental Approvals. The granting of Awards and the issuance of shares of Stock under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

17.13 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for shares of Stock issued under the Plan prior to (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and (b) completion of any registration or other qualification of the Stock under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

17.14 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares of Stock hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such shares of Stock as to which such requisite authority shall not have been obtained.

17.15 Investment Representations. The Committee may require any person receiving Stock pursuant to an Award under the Plan to represent and warrant in writing that the person is acquiring the shares of Stock for investment and without any present intention to sell or distribute such Stock.

17.16 Persons Residing Outside of the United States. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws in other countries in which the Company or any of its Affiliates operates or has Employees, the Committee, in its sole discretion, shall have the power and authority to (a) determine which Affiliates shall be covered by the Plan; (b) determine which persons employed outside the United States are eligible to participate in the Plan; (c) amend or vary the terms and provisions of the Plan and the terms and conditions of any Award granted to persons who reside outside the United States; (d) establish subplans and modify exercise procedures and other terms and procedures to the extent such actions may be necessary or advisable—any subplans and modifications to Plan terms and procedures established under this Section 17.16 by the Committee shall be attached to the Plan document as Appendices; and (e) take any action, before or after an Award is made, that it deems advisable to obtain or comply with any necessary local government regulatory exemptions or approvals. Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate the Exchange Act, the Code, any securities law or governing statute or any other applicable law.

17.17 Arbitration of Disputes. Any controversy arising out of or relating to the Plan or an Award Agreement shall be resolved by arbitration conducted in the greater District of Columbia metropolitan area pursuant to the arbitration rules of the American Arbitration Association. The arbitration shall be final and binding on the parties.

17.18 No Fractional Shares. No fractional shares of Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, additional Awards, or other property shall be issued or paid in lieu of fractional shares of Stock or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

17.19 Governing Law. The provisions of the Plan and the rights of all persons claiming thereunder shall be construed, administered and governed under the laws of the State of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under the Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of the Commonwealth of Virginia, to resolve any and all issues that may arise out of or relate to the Plan or any related Award Agreement.
