PROXY STATEMENT

This Proxy Statement and the accompanying proxy card are being provided to shareholders in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Luby’s, Inc., a Delaware corporation (the “Company”) for use at the Annual Meeting of Shareholders of the Company to be held on Thursday, February 4, 2016, or at any adjournment or postponement thereof (the “Annual Meeting”). This Proxy Statement and the accompanying proxy card are first being mailed to shareholders on or about December 15, 2015.

VOTING PROCEDURES

Your Vote is Very Important

Whether or not you plan to attend the Annual Meeting, please take the time to vote your shares as soon as possible.

Shares Outstanding, Voting Rights, and Quorum

Only record holders of the Company’s common stock, par value \$0.32 per share (“Common Stock”) at the close of business on December 14, 2015, will be entitled to vote at the Annual Meeting or at adjournments or postponements thereof. There were 28,825,754 shares of the Common Stock outstanding as of December 14, 2015. Each share of Common Stock outstanding is entitled to one vote. The presence in person or by proxy of the holders of a majority of the shares of Common Stock outstanding on the record date will constitute a quorum at the Annual Meeting.

Methods of Voting

Shares Held in Shareholder's Name. If your shares are held in your name, you may vote by proxy or you may vote in person by attending the Annual Meeting. If your shares are held in your name and you would like to vote your shares by proxy prior to the Annual Meeting, there are three ways for you to vote:

1. Call 1-800-690-6903 (toll charges may apply for calls made from outside the United States) and follow the instructions provided;
2. Log on through the Internet at *www.proxyvote.com* and follow the instructions at that site; or
3. If you received a proxy card in the mail, complete, sign, and mail the proxy card in the return envelope provided to you.

Please note that telephone and Internet voting will close at 11:59 p.m. Eastern time on February 3, 2016. If you wish to vote by telephone or Internet, follow the instructions on your proxy card.

If your proxy card is signed and returned without specifying choices, the shares represented will be voted as recommended by the Board.

Shares Held in "Street Name" Through a Bank or Broker. If your shares are held through a bank or broker, you can vote via the Internet or by telephone if your bank or broker offers these options. Please see the voting instructions provided by your bank or broker for use in instructing your bank or broker how to vote. Your bank or broker cannot vote your shares without instructions from you. You will not be able to vote in person at the Annual Meeting unless you obtain a signed proxy from the record holder giving you the right to vote the shares.

If you plan to attend the Annual Meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note that you may vote by proxy prior to February 4, 2016 and still attend the Annual Meeting.

Revoking Your Proxy

Shares Held in Shareholder's Name. If your shares are held in your name, whether you vote by mail, the Internet, or by telephone, you may later revoke your proxy by delivering a written statement to that effect to the Secretary of the Company at the address provided above prior to the date of the Annual Meeting, by a later-dated electronic vote via the Internet, by telephone, by submitting a properly signed proxy with a later date, or by voting in person at the Annual Meeting.

Shares Held in "Street Name" Through a Bank or Broker. If you hold your shares through a bank or broker, the methods available to you to revoke your proxy are determined by your bank or broker, so please see the instructions provided by your bank or broker.

Vote Required

A majority of the votes cast by the shares present in person or represented by proxy at the Annual Meeting and entitled to vote in the election of directors at the Annual Meeting is required for the election of a director nominee. Shareholders do not have cumulative voting rights. Ratification of the appointment of Grant Thornton LLP as the Company's independent registered public accounting firm, the approval of the compensation of our Named Executive Officers (as defined in "Compensation Discussion and Analysis—Compensation Tables and Information—Summary Compensation Table") on a non-binding basis and the approval of the 2015 Stock Plan (as defined in "Approval of the Luby's Incentive Stock Plan (Item 4)"), each require the affirmative vote of a majority of the votes cast by the shares present in person or represented by proxy at the Annual Meeting. Approval of all other matters requires the affirmative vote of a majority of the votes cast by the shares present in person or represented by proxy at the Annual Meeting. Abstentions and broker non-votes will be included in determining the presence of a quorum at the Annual Meeting. However, abstentions and broker non-votes will not be included in determining the number of votes cast on any matter.

A "broker non-vote" occurs when you fail to provide your bank or broker with voting instructions at least ten days before the Annual Meeting and the bank or broker does not have the discretionary authority to vote your shares in the election of directors or on a particular proposal because the proposal is not a "routine" matter under applicable rules. Under the rules of the New York Stock Exchange (the "NYSE"), the election of directors, the advisory votes on executive compensation and the advisory vote on the frequency of future advisory votes on executive compensation are not considered to be routine matters. Accordingly, if you hold your shares through a bank or broker and you do not indicate on your proxy card your preferences with respect to the election of directors, the advisory vote on executive compensation or the advisory vote on the frequency of future advisory votes on executive compensation, your bank or broker is not permitted to cast your vote on your behalf on those matters.

Other Business

The Board knows of no other matters that may be presented for shareholder action at the Annual Meeting. If other matters are properly brought before the Annual Meeting, the persons named as proxies on the accompanying proxy card intend to vote the shares represented by them in accordance with their best judgment.

Confidential Voting Policy

It is the Company's policy that any proxy, ballot, or other voting material that identifies the particular shareholder's vote and contains the shareholder's request for confidential treatment will be kept confidential, except in the event of a contested proxy solicitation or as may be required by law. The Company may be informed whether or not a particular shareholder has voted and will have access to any comment written on a proxy, ballot, or other material and to the identity of the commenting shareholder. Under the policy, the inspectors of election at any shareholder meeting will be independent parties unaffiliated with the Company.

Each nonemployee director other than the Chairman of the Board is paid an annual retainer fee of \$50,000. The Chairman of the Board is paid an annual retainer fee of \$85,000. In addition to the base annual retainer fee of \$50,000, all nonemployee directors except the Chairman of the Board receive a single fee of \$15,000 for all other committees in which they are a member. Further, for nonemployee directors other than the Chairman of the Board, the Chair of the Finance and Audit Committee is paid an additional annual retainer of \$14,000, and the Chair of each other Board Committee is paid an additional annual retainer of \$10,000. Nonemployee directors do not receive meeting fees.

Pursuant to the Company's Second Amended and Restated Nonemployee Director Stock Plan (the "Plan"), each nonemployee director is required to receive a portion of the annual retainer fee in restricted stock in an amount as determined by the Board (the "Mandatory Retainer Award"). The Board has set the Mandatory Retainer Award at the dollar value equivalent of \$15,000. In addition (as defined in the Plan), each nonemployee director, prior to the end of any calendar year, may elect to receive an additional portion of their annual retainer fee in the dollar value equivalent of restricted stock (the "Elective Retainer Award"). On the first day of each January, April, July, and October during the term of the Plan, the director receives the Mandatory Retainer Award and any Elective Retainer Award so elected in restricted stock, the amount of shares being equal to the dollar value equivalent of the elected portion of the director's annual retainer fees. Directors receiving an Elective Retainer Award will also receive an additional number of whole shares of restricted stock equal to 20% of the number of whole shares of restricted stock issued in payment of the Elective Retainer Award for the quarterly period beginning on that date.

Further, under the Plan, nonemployee directors may be periodically granted nonqualified options to purchase shares of Common Stock at an option price equal to 100% of their fair market value on the date of grant or shares of restricted stock. Each option terminates on the earlier of the tenth anniversary of the grant date or one year after the optionee ceases to be a director. An option may not be exercised prior to the first anniversary of the grant date, subject to certain exceptions specified in the Plan. No nonemployee director may receive options to purchase more than 7,500 shares in any 12-month period.

The Company's Nonemployee Director Deferred Compensation Plan permits nonemployee directors to defer all or a portion of their directors' fees in accordance with applicable regulations under the Internal Revenue Code of 1986 as amended (the "Code"). Deferred amounts bear interest at the average interest rate of U.S. Treasury ten-year obligations. The Company's obligation to pay deferred amounts is unfunded and is payable from general assets of the Company.

The Company's Corporate Governance Guidelines establish guidelines for share ownership. Currently, Directors are expected to accumulate, over time, shares of Common Stock with a market value of at least \$100,000.

ADVISORY VOTE ON THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS (Item 3)

The Board is recommending that the shareholders approve the following advisory resolution:

RESOLVED, that the shareholders approve, on an advisory basis, the compensation paid to the Company's Named Executive Officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC, including disclosure under "Compensation Discussion and Analysis," "Compensation Tables and Information," and the related narrative discussion.

The Board recommends a vote FOR this resolution because it believes that the policies and practices described under "Compensation Discussion and Analysis" are effective in achieving the Company's goals of linking pay to performance and levels of responsibility, encouraging our executive officers to remain focused on both short-term and long-term operational and financial goals of the Company and linking executive performance to shareholder value.

The "Say-on-Pay" vote is required pursuant to Section 14A of the Exchange Act. The vote is advisory in nature and is non-binding on the Company.

We urge shareholders to read the disclosure under "Compensation Discussion and Analysis" beginning on page 28 of this Proxy Statement, as well as under "Compensation Tables and Information," and the related narrative, beginning on page 33, which provide detailed information on the Company's compensation policies and practices and the compensation of our Named Executive Officers.

Because the vote on this proposal is advisory in nature, it will not affect any compensation already paid or awarded to any Named Executive Officer and will not be binding on or overrule any decisions by the Executive Compensation Committee or the Board. Because we value our shareholders' views, however, the Executive Compensation Committee and the Board will consider the results of this advisory vote when formulating future executive compensation policy.

THE BOARD RECOMMENDS A VOTE "FOR" THE RESOLUTION APPROVING, ON AN ADVISORY BASIS, THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

Subject to earlier termination, the 2015 Stock Plan will remain in effect until the tenth (10th) anniversary of the Effective Date.

Change of Control. In the event of a “Change of Control” of the Company as defined in the 2015 Stock Plan, the Board may (i) remove any applicable forfeiture restrictions on any award; (ii) accelerate the vesting of, or the time at which the restrictions shall lapse, to a specific date, before or after such change of control, specified by the Committee; (iii) require mandatory surrender to the Company by selected holders of some or all of the outstanding awards held by such holders, in which event the Board shall thereupon cancel such awards and pay to each holder an amount of cash per share equal to the “Change of Control Price” as defined in the 2015 Stock Plan; or (iv) make such adjustments to awards then outstanding as the Board deems appropriate to reflect such a change of control; *provided, however*, that the Board may determine in its sole discretion that no adjustment is necessary to awards then outstanding. In the case of any outstanding award with an exercise price that equals or exceeds the Change of Control Price, the Board may cancel any such award without the payment of any consideration therefor to the holder of such award.

Unfunded Plan. Insofar as it provides for awards of cash and shares, the 2015 Stock Plan shall be unfunded.

Tax Consequences. The tax consequences of the issuance and exercise of options and other awards granted under the 2015 Stock Plan are set forth in Annex B to this Proxy Statement.

Shareholder Vote. The affirmative vote of a majority of the shares present at the meeting in person or by proxy is required for approval of the 2015 Stock Plan.

Plan Benefits

No grants have been made that are subject to shareholder approval of the 2015 Stock Plan. Future grants and awards under the 2015 Stock Plan are subject to the discretion of the Committee and, therefore, we cannot currently determine the benefits of number of shares of Common Stock subject to awards that may be granted in the future to Eligible Persons under the 2015 Stock Plan. Furthermore, because all awards under the 2015 Stock Plan are discretionary, it is not possible to determine which awards would have been granted during fiscal 2015 had the 2015 Stock Plan been in effect at that time. Therefore, a New Plan Benefits table is not provided. However, the following table sets forth the number and dollar value of options and shares of restricted stock granted under the current Luby’s Incentive Stock Plan to our named executive officers and certain other groups in respect of services provided during fiscal 2015.

CORPORATE GOVERNANCE

Committees of the Board

The Board currently maintains the following standing committees: Finance and Audit, Nominating and Corporate Governance, Personnel and Administrative Policy, Executive Compensation, and Executive. All committees meet as necessary to fulfill their responsibilities. The Board has directed each committee to consider matters within its areas of responsibility and to make recommendations to the full Board for action on these matters. Only the Executive Committee is empowered to act on behalf of the Board, and the specific powers of that committee may be exercised only in extraordinary circumstances.

Finance and Audit Committee

The Finance and Audit Committee is a standing audit committee established to oversee the Company's accounting and financial reporting processes and the audit of the Company's financial statements. Management is responsible for preparing the financial statements, and the independent registered public accounting firm is responsible for auditing those financial statements. The Finance and Audit Committee is also directly responsible for the appointment, compensation, retention, and oversight of the work of the Company's independent registered public accounting firm and the preparation of the Finance and Audit Committee Report below. A copy of the current Finance and Audit Committee Charter adopted by the Board is available in print to any shareholder upon request and can be found on the Company's website at www.lubysinc.com. The Finance and Audit Committee met eleven times during the last fiscal year.

The Board determined that Gasper Mir, III and Joe C. McKinney are "audit committee financial experts" as defined in rules of the SEC adopted pursuant to the Sarbanes-Oxley Act of 2002 and are "independent" under the corporate governance standards of the NYSE.

The members of the Finance and Audit Committee are: Joe C. McKinney (Chair); J.S.B. Jenkins (Vice-Chair); Arthur Rojas Emerson; and Gasper Mir, III.

Nominating and Corporate Governance Committee

A copy of the current Nominating and Corporate Governance Committee Charter is available in print to any shareholder upon request and can be found on the Company's website at www.lubysinc.com. All members of the Nominating and Corporate Governance Committee are independent directors as described below. The Nominating and Corporate Governance Committee met four times during the last fiscal year.

The members of the Nominating and Corporate Governance Committee are: Gasper Mir, III (Chair); Judith B. Craven (Vice-Chair); Jill Griffin; J.S.B. Jenkins; and Joe C. McKinney.

Personnel and Administrative Policy Committee

The primary functions of the Personnel and Administrative Policy Committee are to monitor and evaluate the policies and practices of: (1) human resource management and administration; (2) management development; (3) non-executive officer compensation and benefits; (4) savings and investment plan administration; (5) marketing and public relations strategies; (6) loss prevention, quality assurance, and food safety policies and procedures; and (7) investor relations and communications on matters other than financial reporting. The Personnel and Administrative Policy Committee met three times during the last fiscal year.

The members of the Personnel and Administrative Policy Committee are: Jill Griffin (Chair); Judith B. Craven; Frank Markantonis; and Harris J. Pappas.

Executive Compensation Committee

The Executive Compensation Committee is a standing committee of the Board, consisting of independent directors, whose primary functions are: (1) to discharge the Board's responsibilities relating to compensation of our Named Executive Officers and (2) to communicate to shareholders the Company's executive compensation policies and the reasoning behind such policies. The Executive Compensation Committee may delegate its responsibilities to a subcommittee consisting of one or more of its members. The Executive Compensation Committee Charter is available in print to any shareholder upon request and can be found on the Company's website at www.lubysinc.com. All members of the Executive Compensation Committee are independent directors as described under "Corporate Governance Guidelines—Director Independence" on page 23. The Executive Compensation Committee met seven times during the last fiscal year.

For information concerning policies and procedures relating to the consideration and determination of executive compensation, including the role of the Executive Compensation Committee, see "Compensation Discussion and Analysis" beginning on page 28. For the report of the Executive Compensation Committee concerning the Compensation Discussion and Analysis, see "Executive Compensation Committee Report" on page 33.

The members of the Executive Compensation Committee are: J.S.B. Jenkins (Chair); Judith B. Craven (Vice-Chair); Jill Griffin; and Arthur Rojas Emerson.

Compensation Committee Interlocks and Insider Participation. Nominations for Director

The Nominating and Corporate Governance Committee considers candidates for Board membership recommended by its members and other Board members, as well as management and shareholders. The Nominating and Corporate Governance Committee may retain a third-party search firm to assist it in identifying candidates. The Nominating and Corporate Governance Committee will consider director candidates whose recommendations are timely submitted by our shareholders in accordance with the notice provisions discussed below under “Shareholder Proposals for 2017 Annual Meeting.”

Once the Nominating and Corporate Governance Committee has identified a prospective nominee, or received a recommendation for a prospective nominee, the Nominating and Corporate Governance Committee makes an initial determination as to whether to conduct a full evaluation of the prospective nominee. The initial determination is based on the information provided to the Nominating and Corporate Governance Committee with the recommendation of the prospective candidate, as well as the Nominating and Corporate Governance Committee’s own knowledge of the prospective nominee, which may be supplemented by inquiries of the person making the recommendation or others. The preliminary determination is based primarily on the need for additional Board members to fill vacancies or expand the size of the Board and the likelihood that the prospective nominee can satisfy the evaluation factors described below.

If the Nominating and Corporate Governance Committee determines, in consultation with the Board, as appropriate, that additional consideration is warranted, it may request a third-party search firm to gather additional information about the prospective nominee’s background and experience and report its findings to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee then evaluates the prospective nominee against the minimum standards and qualifications set out in the Company’s Corporate Governance Guidelines and the charter of the Nominating and Corporate Governance Committee, including:

- candidate's expertise and experience;
- independence (as defined by applicable rules promulgated by the NYSE and the SEC);
- financial literacy and understanding of business strategy, business environment, corporate governance, and board operation knowledge;
- commitment to the Company's core values;
- skills, expertise, independence of mind, and integrity;
- relationships with the Company;
- service on the boards of directors of other companies;
- openness, ability to work as part of a team and willingness to commit the required time; and
- familiarity with the Company and its industry.

The Nominating and Corporate Governance Committee also considers the diversity of, and the optimal enhancement of the current mix of talent and experience on, the Board and other factors as it deems relevant, including the current composition of the Board, the balance of management and independent directors, and the need for Finance and Audit Committee expertise. While no formal diversity policy exists, diversity is considered as one factor of many in evaluating prospective nominees, and the Nominating and Corporate Governance Committee believes that its evaluation of diversity as a factor in evaluating prospective nominees is effective.

In connection with its evaluation, the Nominating and Corporate Governance Committee determines whether to interview the prospective nominee; in addition, if warranted, one or more members of the Nominating and Corporate Governance Committee, and others as appropriate, may interview prospective nominees in person. After completing this evaluation and interview, the Nominating and Corporate Governance Committee makes a recommendation to the full Board as to the persons who should be nominated by the Board, and the Board determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

In connection with the Board's decision to add a new Board member in fiscal 2015, our Chief Executive Officer recommended Gerald W. Bodzy to the Nominating and Corporate Governance Committee as a Board member

candidate. After considering diversity of professional experience, education, skill, gender, race, ethnic or national origin, age and other qualities and attributes as compared to the current Board members, in November, 2015 the Nominating and Corporate Governance Committee recommended the nomination of Mr. Bodzy, and the Board unanimously agreed to nominate Mr. Bodzy for election as a director at the annual meeting. The Board believes that Mr. Bodzy meets the established criteria and is a well-qualified candidate for election to the Board. Mr. Bodzy is a new nominee for election to the Board this year. His nomination is recommended by the Nominating and Corporate Governance Committee and approved by the Board.

The Company did not pay any third party a fee to assist in the process of identifying or evaluating nominees for election at the Annual Meeting.

CORPORATE GOVERNANCE GUIDELINES

The Company maintains Corporate Governance Guidelines evidencing the views of the Company on such matters as the role and responsibilities of the Board, composition of the Board, Board leadership, functioning of the Board, functioning of committees of the Board, and other matters. These guidelines are reviewed annually and modified when deemed appropriate by the Board. The current version of the Company's Corporate Governance Guidelines are available in print to any shareholder upon request and can be found on the Company's website at *www.lubysinc.com*.

Director Independence

The Board has evaluated the independence of the members of the Board under the Luby's Director Independence Test. In conducting this evaluation, the Board considered transactions and relationships between each director or his or her immediate family and the Company to determine whether any such transactions or relationships were material and, therefore, inconsistent with a determination that each such director is independent. Based upon that evaluation, the Board determined that the following directors have no material relationship with us and, thus, are independent:

Judith B. Craven

Arthur Rojas Emerson

Jill Griffin

J.S.B. Jenkins

Joe C. McKinney

Gasper Mir, III

We expect that, if elected at the annual meeting, the Board will determine that Mr. Bodzy is an independent director under the Luby's Director Independence Test.

The Board also has determined that each member of the Finance and Audit Committee, the Nominating and Corporate Governance Committee, and the Executive Compensation Committee meets the independence requirements applicable to those committees prescribed by the NYSE, the SEC, and the Internal Revenue Service. The Luby's

Director Independence Test is available in print to any shareholder upon request and can be found on the Company's website at www.lubysinc.com.

Resignation of Directors

Any director may resign at any time by giving notice in writing or by electronic transmission to the Board or the Secretary of the Company.

Executive Session Meetings of Non-Management Directors

Non-management directors regularly meet in executive sessions, without the presence of management directors or executive officers of the Company.

Board Leadership Structure and Presiding Director

Currently, the offices of Chairman and Chief Executive Officer are separate. Corporate policy allows for the separation of these offices to preserve flexibility for the Board regarding the selection of Chairman and Chief Executive Officer and the independence of these positions, although it is not mandated.

The Chairman of the Board currently presides over the executive sessions of non-management directors. If the offices of Chief Executive Officer and Chairman are not separate or, for any other reason, the Chairman is not independent, the independent directors will elect one of the independent directors to preside over the executive sessions of non-management directors.

Board Member Meeting Attendance

Directors are expected to attend Board meetings and meetings of the Committees on which they serve, to spend the time needed, and to meet as frequently as necessary to properly discharge their responsibilities. During the fiscal year ended August 26, 2015, the Board held six meetings. Each Director attended at least 83% of the meetings of the Board and Committees on which he or she served. All of the Company's Directors attended the 2015 annual meeting of shareholders of the Company, and the Company expects that all continuing members of the Board will be present at the Annual Meeting.

The Board's Role in Risk Oversight

The Board considers the effective oversight of risk important to running a successful business and in fulfilling its fiduciary responsibilities to the Company and its stockholders. In addition to the Chief Executive Officer, General Counsel, Vice President of Risk Management, and other members of our senior leadership team who are responsible for the day-to-day management of risk, the Board is responsible for ensuring that an appropriate culture of risk management exists within the Company and for overseeing its risk profile and assisting management in addressing specific risks, such as operational risks, strategic and competitive risks, financial risks, brand and reputation risks, and legal and regulatory risks.

Strategic, operational, and competitive risks, as well as the steps management has taken or will take to mitigate these risks, are presented, reviewed, and discussed at regular meetings of the Board and its committees. Additionally, at each quarterly meeting, or more often as necessary, the General Counsel presents to the Board an update on material legal and regulatory matters.

The Nominating and Corporate Governance Committee is responsible for reviewing our Enterprise Risk Management, or ERM, framework and programs, as well as the framework by which management discusses our risk profile and risk exposures with the full board and its committees.

The Finance and Audit Committee meets regularly with our Chief Financial Officer, our internal auditor, independent auditor, General Counsel, and other members of senior management to discuss our major financial risk exposures, financial reporting, internal controls, credit and liquidity risk, compliance risk, key operational risks, and ERM framework and programs.

The Executive Compensation Committee and Personnel and Administrative Policy Committee are responsible for overseeing human capital and compensation risks, including evaluating and assessing risks arising from our compensation policies and practices for all employees and ensuring executive compensation is aligned with performance. They are also charged with monitoring our incentive and equity-based compensation plans, including employee pension and benefit plans.

The Nominating and Corporate Governance Committee oversees risks related to our overall corporate governance, including board and committee composition, board size and structure, director independence, and our corporate governance profile and ratings. The Committee also is actively engaged in overseeing risks associated with succession planning for the Board and the Company's management.

Code of Conduct and Ethics for All Directors, Officers, and Employees

The Board has adopted a Policy Guide on Standards of Conduct and Ethics, which is applicable to all directors, officers, and employees. The intent of the Policy Guide on Standards of Conduct and Ethics is to promote observance of fundamental principles of honesty, loyalty, fairness, and forthrightness and adherence to the letter and spirit of the law. Waivers of any part of the Policy Guide on Standards of Conduct and Ethics for any director or executive officer are permitted only by a vote of the Board or a designated Board committee that will ascertain whether a waiver is appropriate under all the circumstances. The Company intends to disclose any waivers of the Policy Guide on Standards of Conduct and Ethics granted to directors and executive officers in print to any shareholder upon request and will also disclose such waivers on the Company's website at www.lubysinc.com.

Copies of the Policy Guide on Standards of Conduct and Ethics are available in print to shareholders upon request and can be found on the Company's website at www.lubysinc.com.

Code of Ethics for the Chief Executive Officer and Senior Financial Officers

The Board has adopted a Supplemental Standards of Conduct and Ethics that apply to the Company's Chief Executive Officer, Chief Financial Officer, Controller, and all senior financial officers ("Senior Officers' Code"). The Senior Officers' Code is designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;

- full, fair, accurate, timely, and understandable disclosure in reports and documents that the Company files with, or submits to, the SEC and in other public communications made by the Company;

compliance with governmental laws, rules, and regulations;

the prompt internal reporting to an appropriate person or persons identified in the Senior Officers' Code of violations of the Senior Officers' Code; and

accountability for adherence to the Senior Officers' Code.

Waivers of the Senior Officers' Code for the Chief Executive Officer, Chief Financial Officer, and the Controller are permitted only by a vote of the Board or a designated Board committee that will ascertain whether a waiver is appropriate under all the circumstances. The Company intends to disclose any waivers of the Senior Officers' Code granted to the Chief Executive Officer, Chief Financial Officer, or the Controller on the Company's website at www.lubysinc.com and in print to any shareholder upon request.

Copies of the Senior Officers' Code are available in print to shareholders upon request and can be found on the Company's website at www.lubysinc.com.

Receipt and Retention of Complaints Regarding Accounting and Auditing Matters

To facilitate the reporting of questionable accounting, internal accounting controls, or auditing matters, the Company has established an anonymous reporting hotline through which employees can submit complaints on a confidential and anonymous basis. Any concerns regarding accounting, internal accounting controls, auditing, or other disclosure matters reported on the hotline are reported to the Chair of the Finance and Audit Committee. These reports are confidential and anonymous. Procedures are in place to investigate all reports received by the hotline relating to questionable accounting, internal accounting controls, or auditing matters and to take any corrective action, if necessary. The Finance and Audit Committee is notified of these reports at every quarterly committee meeting, or sooner if necessary.

Any person who has concerns regarding accounting, internal accounting controls, or auditing matters may address them to the attention of Chair, Finance and Audit Committee, Luby's, Inc., 13111 Northwest Freeway, Suite 600, Houston, Texas 77040.

Nonretaliation for Reporting

The Company's policies prohibit retaliation against any director, officer, or employee for any report made in good faith. However, if the reporting individual was involved in improper activity, the individual may be appropriately disciplined even if he or she was the one who disclosed the matter to the Company. In these circumstances, the Company may consider the conduct of the reporting individual in promptly reporting the information as a mitigating factor in any disciplinary decision.

Shareholder Communications to the Board

Shareholders and other parties interested in communicating directly with the Chairman of the Board, the non-management directors as a group or the Board itself regarding the Company may do so by writing to the Chairman of the Board, in care of the Corporate Secretary at Luby's, Inc., 13111 Northwest Freeway, Suite 600, Houston, Texas 77040.

The Board has approved a process for handling letters received by the Company and addressed to non-management members of the Board. Under that process, the Corporate Secretary reviews all such correspondence that, in the opinion of the Corporate Secretary, deals with the function of the Board or committees thereof or that the Corporate Secretary otherwise determines requires the Board's attention. Directors may at any time request copies of all correspondence received by the Company that is addressed to members of the Board. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Company's internal audit department and handled in accordance with procedures that the Finance and Audit Committee has established with respect to such matters.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors, executive officers, and any persons beneficially owning more than ten percent of the outstanding shares of our Common Stock to report their initial ownership of Common Stock and any subsequent changes in that ownership to the SEC and the NYSE, and to provide copies of such reports to the Company. Based upon the Company's review of copies of such reports received by the Company and written representations of its directors and executive officers, the Company believes that during the fiscal year ended August 26, 2015, all Section 16(a) filing requirements were satisfied on a timely basis.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Related Person Transactions

On July 23, 2002, the Company entered into an Indemnification Agreement with each member of the Board under which the Company obligated itself to indemnify each director to the fullest extent permitted by applicable law so that he or she will continue to serve the Company free from undue concern regarding liabilities. The Company has also entered into an Indemnification Agreement with each person becoming a member of the Board since July 23, 2002. The Board has determined that uncertainties relating to liability insurance and indemnification have made it advisable to provide directors with assurance that liability protection will be available in the future.

The Company obtains certain goods and/or services from entities owned or controlled by Christopher J. Pappas, President and Chief Executive Officer of the Company, and Harris J. Pappas, a member of the Board (the "Pappas Entities"), pursuant to the terms of an Amended and Restated Master Sales Agreement, dated May 28, 2015 (the "Master Sales Agreement"). Under the terms of the Master Sales Agreement, the Pappas Entities may provide specialized (customized) equipment fabrication and basic equipment maintenance, including stainless steel stoves, shelving, rolling carts, and chef tables. During the fiscal year ended August 26, 2015, the Pappas Entities did not provide goods to the Company under the Master Sales Agreement. Consistent with past practices, the Finance and Audit Committee, consisting entirely of independent directors, reviewed on a quarterly basis all applicable amounts related to the Master Sales Agreement.

The Company anticipates that payments to the Pappas Entities under the Master Sales Agreement during the current fiscal year, if any, will be primarily for goods purchased pursuant to the terms of the Master Sales Agreement. In the opinion of the Finance and Audit Committee, the fees paid by the Company for such goods and/or services are primarily at or below what the Company would pay for comparable goods and/or services (if available) from a party unaffiliated with the Company.

In the third quarter of the fiscal year ended August 25, 2004, Messrs. Pappas became partners in a limited partnership which purchased a retail strip center in Houston, Texas. Messrs. Pappas collectively own a 50% limited partner interest and a 50% general partner interest in the limited partnership. An independent third party company manages the center. One of the Company's restaurants has rented approximately 7% of the space in that center since July 1969. No changes were made to the Company's lease terms as a result of the transfer of ownership of the center to the new partnership. On November 22, 2006, due to the approaching expiration of the previous lease, the Company executed a new lease agreement with respect to this property, which provides, effective upon the Company's relocation and occupancy into the new space in July 2008, for a primary term of approximately 12 years with two subsequent five-year options. The new lease also gives the landlord an option to buy out the tenant on or after the calendar year

2015 by paying the then unamortized cost of improvements to the tenant. The Company will owe, under the lease, \$22.00 per square foot plus maintenance, taxes, and insurance for the calendar year 2016. Thereafter, the lease provides for reasonable increases in rent at set intervals. The new lease agreement was approved by the Finance and Audit Committee. The Company made lease payments of \$415,490 during the fiscal year ended August 26, 2015, and \$68,879 from August 26, 2015 to November 15, 2015, under the current lease agreement, of which Messrs. Pappas collectively own a 50% limited partner interest and a 50% general partner interest in the limited partnership.

In the third quarter of the fiscal year ended August 27, 2014, an entity owned or controlled by Christopher J. Pappas, President and Chief Executive Officer of the Company, and Harris J. Pappas, a member of the Board, purchased from the Company's landlord, the land underlying one of the Company's Fuddrucker's restaurants in Houston, Texas, which was contiguous to other land owned by the same entity. One of the Company's restaurants has rented that property since July 1996, and the property was previously one of several properties included on the Master Lease, dated November 24, 1998, between Spirit Master Funding, LLC and Luby's Fuddrucker's Restaurants, LLC, as amended (the "Master Lease"). On March 12, 2014, the Company executed a new ground lease agreement severing this property from the Master Lease. The terms of the new ground lease agreement are substantially similar to the Master Lease and provide for a primary term of approximately 6 years with two subsequent five-year options. Pursuant to the new ground lease agreement, the Company pays \$2.46 per square foot plus maintenance, taxes, and insurance from March 12, 2014 until November 30, 2016. Thereafter, the new ground lease agreement provides for reasonable increases in rent at set intervals. The Company made lease payments of \$159,900 during the fiscal year ended August 26, 2015, and \$26,650 from August 26, 2015 to November 15, 2015, of which Messrs. Pappas collectively own a 50% limited partner interest and a 50% general partner interest in the limited partnership.

Policies and Procedures Regarding Related Person Transactions

The Board has adopted a written Related Person Transaction Approval Policy, which requires the Finance and Audit Committee to review each related person transaction (as defined below) and determine whether it will approve or ratify that transaction.

For purposes of the policy, a “related person transaction” is any transaction, arrangement, or relationship where the Company is a participant, the Related Person (defined below) had, has, or will have a direct or indirect material interest and the aggregate amount involved is expected to exceed \$120,000 in any calendar year. “Related Person” includes: (a) any person who is or was (at any time during the last fiscal year) an executive officer, director or nominee for election as a director; (b) any person or group who is a beneficial owner of more than 5% of the Company’s voting securities; (c) any immediate family member of a person described in provisions (a) or (b) of this sentence; or (d) any entity in which any of the foregoing persons is employed, is a partner or has a greater than 5% beneficial ownership interest.

In determining whether a related person transaction will be approved or ratified, the Finance and Audit Committee may consider factors such as: (a) the extent of the Related Person’s interest in the transaction; (b) the availability of other sources of comparable products or services; (c) whether the terms are competitive with terms generally available in similar transactions with persons that are not Related Persons; (d) the benefit to the Company; and (e) the aggregate value of the transaction.

COMPENSATION DISCUSSION AND ANALYSIS

In our Compensation Discussion and Analysis, we:

- describe our goals for compensating our Named Executive Officers;

- describe how we designed our compensation program and explain how executive compensation decisions reflect both the Company's business performance and the individual performance goals for each of our Named Executive Officers; and

- explain the tables and other disclosures that follow.

Our "Named Executive Officers" are identified in the Summary Compensation Table on page 33.

EXECUTIVE SUMMARY

This section highlights key actions taken by the Executive Compensation Committee to further align the interests of our Named Executive Officers with those of our shareholders and realize our pay for performance position.

The Company's executive compensation program (the "program") is designed to enable the Company to execute its business objectives by attracting, retaining, and motivating the highest quality of management talent. The program serves to incent and reward executive performance, with the objective of enhancing shareholder value over the long term and encouraging long-term retention of executive officers. The Company's annual compensation plans are typically determined at the beginning of each fiscal year and are granted during the beginning of the following fiscal year after disclosure of the prior fiscal year's results.

The Executive Compensation Committee evaluates the effectiveness of the program in meeting its objectives and in light of the Company's performance for the prior fiscal year, competitive compensation data, evaluation of each executive's contribution to the Company's performance, each executive's experience, responsibilities, management abilities, and other individual criteria. The Executive Compensation Committee advises the Board on executive compensation and typically makes recommendations to the Board for approval of the compensation for executive officers.

In fiscal 2015, much of the Company's strategic focus centered on raising earnings through sales improvements, improved operations, and the opening of new restaurants. Management initiatives led to an increased EBITDA, 0.6% same-store sales increase at Luby's Cafeterias and a 1.1% same-store sales increase at Fuddruckers, as well as a \$2.0 million reduction in Selling, general, and administrative expense. The Company further improved operations and results at its Cheeseburger in Paradise restaurants. The Company successfully opened ten new restaurants consisting of a side-by-side Luby's Cafeteria and Fuddruckers restaurant and eight stand-alone Fuddruckers restaurants. Management also led further development of the Company's Fuddruckers franchisee pipeline through execution of development agreements with new and existing franchisees and opening eight new franchise units. In addition, management continued to focus on supporting and enhancing the Company's legacy restaurants.

Summary of 2015 Compensation Activity

In recognition of the sales activity and lower expenses achieved in fiscal 2015, our Named Executive Officers received discretionary non-equity incentive compensation. No short-term or long-term equity incentive compensation was awarded in accordance with the objectives outlined below and the form of short-term equity incentive compensation which began for fiscal 2013. Awards granted during the beginning of fiscal 2016 correlate with the fiscal 2015 executive compensation plan. Base salaries of the Company's executive officers were set in accordance with market and industry levels.

EXECUTIVE COMPENSATION OVERVIEW

The program is designed to enable the Company to execute its business objectives by attracting, retaining, and motivating the highest quality of management talent. The program serves to incent and reward executive performance, with the objective of enhancing shareholder value over the long term and encouraging long-term retention of executive officers. As such, each element of compensation is an integral part of achieving this purpose. In addition, the Company strives to remain competitive by balancing all elements of compensation.

The Executive Compensation Committee annually evaluates the effectiveness of the Company's executive compensation program in meeting its objectives, annually advises the Board on the compensation to be paid to the Company's executive officers and approves the compensation for executive officers. In addition, the Company annually provides shareholders with an advisory vote to approve the Company's executive compensation as required under Section 14A of the Exchange Act. At the Company's 2015 annual meeting of Shareholders, shareholders expressed substantial support for the compensation of our Named Executive Officers, with approximately 96 percent of votes cast for approval of the advisory vote. The Executive Compensation Committee evaluated the results of the 2015 advisory vote at its March 11, 2015 meeting. The Executive Compensation Committee also considered many other factors in its evaluation of the Company's executive compensation program, including reference to the Company's performance for the prior fiscal year, competitive compensation data, evaluation of each executive's contribution to the Company's performance, each executive's experience, responsibilities, management abilities, and other individual criteria it deems appropriate. While each of these factors bore on the Executive Compensation

Committee's decisions regarding the compensation of our Named Executive Officers, the Executive Compensation Committee did not make any changes to the Company's executive compensation program and policies as a result of the 2015 advisory vote on the compensation of our Named Executive Officers.

The Company's executive compensation program currently consists of three main components:

- base salary;
- a performance-based annual non-equity incentive award; and
- performance-based short-term and long-term equity incentive awards.

The dollar value of performance-based short-term and long-term incentive equity compensation awards is typically divided between stock options and long-term grants of Common Stock. Fifty percent of such dollar value consists of incentive stock option grants and is referred to as the "Short-Term Equity Incentive." The Short-Term Equity Incentive is tied to an annual pre-budgeted earnings before interest, taxes, depreciation, and amortization ("EBITDA") number during the applicable fiscal year, and is subject to vesting schedules requiring continued service with the Company. The other fifty percent of such dollar value consists of grants of Common Stock at the end of a three-year period and referred to as the "Long-Term Equity Incentive." The Long-Term Equity Incentive is tied to the cumulative Total Shareholder Return results for the Company over a three-year period.

For the compensation plan relating to fiscal 2013, the Company replaced three-year vesting restricted stock grants with long-term Common Stock grants, granted at the end of a three-year period and computed based on the level of achievement of cumulative T results for the Company over the same three-year period.

The Company's executive compensation program does not include any pension benefits. None of our Named Executive Officers participates in any retirement or defined benefit plan maintained by the Company. The Company has no compensation agreements or benefits which provide for tax gross-ups. Further, executive officers do not receive perquisites and other personal benefits which exceed \$10,000 in the aggregate for any executive officer in any fiscal year.

The Company currently has no salary continuation agreement, or change in control agreements having similar effect, with any employee of the Company other than the employment agreement with Christopher J. Pappas as described under "—Employment Agreement" below.

The Executive Compensation Committee administers the Company's stock option, ownership, and any other equity-based compensation plans to our Named Executive Officers.

Base Salaries

The Company seeks to compensate executive officers for their performance throughout the year with annual base salaries that are fair and competitive while being consistent with the Company's position in the foodservice industry.

Base salaries are reviewed annually or biannually by the Executive Compensation Committee to ensure continuing consistency with the industry and the Company's level of performance during the previous fiscal year. A third-party consultant, Towers Watson, provided benchmark information in the fiscal 2015, through the use of peer and general industry data, which was used as a reference to assist the Executive Compensation Committee. See "—Benchmarking and Use of Third-Party Compensation Consultant" beginning on page 31.

Any increase in an executive officer's base salary is intended to reflect the Company's financial performance, individual performance, market conditions, and/or potential changes in the officer's duties and responsibilities.

The salary of the Chief Executive Officer is fixed according to his employment agreement, but it may be modified by the Board with consent of the Chief Executive Officer. See “—Employment Agreement” beginning on page 32 and “—Compensation of Chief Executive Officer” beginning on page 32. Members of the Executive Compensation Committee, along with members of the Finance and Audit Committee, were involved in advising the Board on the appropriateness and reasonableness of the compensation package for the Chief Executive Officer.

Future adjustments to base salaries and salary ranges will reflect average movement in the competitive market and peers as well as individual performance.

Non-Equity Incentive Compensation and Bonus

The Company’s annual incentive compensation is designed to be a balanced set of measures which blend Company-wide financial measures, process-improvement measures, and Company and individual business objectives. Corporate and individual performance objectives are established near the beginning of each fiscal year and monitored throughout the fiscal year. If earned, the annual incentive compensation paid to each executive in the form of a cash payment will vary according to the Company’s overall performance.

Towers Watson, a third-party consultant provided benchmark information through the use of peer and general industry data, which was used as a reference to assist the Executive Compensation Committee. See “—Benchmarking and Use of Third-Party Compensation Consultant” beginning on page 31.

The Executive Compensation Committee believes that same-store sales and EBITDA are important financial measures of executive performance. The two measures, taken together, allow for a reasonably accurate measure of executive performance relative to past periods, while minimizing the impact of non-operating factors, such as macroeconomic trends and acquisition integration. Accordingly, annual non-equity incentive compensation for all Named Executive Officers is determined by the Company’s performance relative to pre-determined goals that are based on:

• Same-store sales (33%) and

• EBITDA (67%).

Further, the Executive Compensation Committee considers individual executive performance factors relative to each executive’s functions and area of responsibility. Such factors may include, without limitation: achievement of operational and management goals, revenue, profitability, return on investment, cost controls, business development,

and other enhancements of shareholder's value.

The Executive Compensation Committee maintains full discretion with regard to annual incentive compensation, including the ability to grant an additional discretionary cash bonus at fiscal year-end and may decide to award or withhold an incentive compensation award for an individual based upon overall Company performance or upon each participant's individual performance during the year, and the performance factors that the Executive Compensation Committee reviews differs from year to year.

Short-Term Equity Incentive Compensation

Short-term equity incentive compensation in the form of incentive stock option grants, is used to (1) incent performance that leads to enhanced shareholder value, (2) encourage retention of high quality talent, and (3) closely align the executive's interests with shareholders' long-term interests.

The stock option grants provide compensation to the optionee only to the extent the market price of the stock increases between the date of grant and the date the option is exercised. Stock option grants are made toward the beginning of the fiscal year and are intended to incent the optionee through long-term compensation tied specifically to increases in the price of Common Stock from the date of such grant.

The Executive Compensation Committee typically considers the grants of incentive stock options to eligible executive officers and other officers on an annual basis for the above-stated goals.

The expected present value of such stock options is calculated using the Black-Scholes option pricing model. The value of each stock option grant and restricted stock grant is determined relative to the Company's size and market, the scope and responsibility of the individual, individual performance, share usage under the plan, employee qualifications and position, as well as peer and general industry data.

The stock option grants are at market value on the date of grant, and they typically vest 50% on the first anniversary of the grant date, 25% on the second anniversary of the grant date, and 25% on the third anniversary of the grant date. The stock option grants typically expire ten years from their grant date.

Long-Term Equity Incentive Compensation

Long-term equity incentive compensation in the form of grants of Common Stock, granted at the end of a three-year period based on pre-determined metrics, are used to (1) incent performance that leads to enhanced shareholder value, (2) encourage retention, and (3) closely align the executive's interests with shareholders' long-term interests. These grants are based on the Company's relative cumulative three-year Total Shareholder Return performance, and its value varies from 0% to 200% of a base amount based on a ranking of the results of an investment in the Company's Common Stock compared with investments in the Common Stock of certain pre-determined peer companies over the same three-year period.

The size of long-term equity grants is determined relative to the Company's size and its market, scope and responsibility of the individual, individual performance, share usage under the plan, employee qualifications and position, as well as peer and general industry data.

The Executive Compensation Committee typically reviews the grants of Common Stock to eligible executive officers and other officers on at least an annual basis. If earned, such long-term incentive equity compensation will vary according to the Company's overall performance.

These long-term incentive equity compensation awards are based primarily on the Company's achievement of its Total Shareholder Return goals. Long-term equity incentive compensation is typically granted at the end of a three-year period following the disclosure of the year-end results of the third year. The following chart summarizes this process:

Company achievement of budgeted target	Payout to Named Executive Officers based on predetermined incentive levels
Below Threshold Performance Level	No payout of incentive equity compensation
Threshold Performance Level	50% payout of incentive equity compensation
Target Performance Level	100% payout of incentive equity compensation
Maximum Performance Level	200% payout of incentive equity compensation

All grants require Board approval and are typically presented at the first regularly scheduled Board meeting following the disclosure of fiscal year-end results. Neither the Company nor the Executive Compensation Committee has a program, plan, or practice to time option grants to the Company's executive officers in coordination with the release of material nonpublic information. Any stock option grants made to non-executive employees typically occur concurrently with grants to Named Executive Officers.

Benchmarking and Use of Third-Party Compensation Consultant

The Executive Compensation Committee engaged a third-party compensation consultant, Towers Watson, to provide an assessment of the Company's compensation structure for all of its officer positions and to evaluate their compensation relative to the marketplace. Towers Watson relied on its own annual incentive plan design surveys, its experience with general industry companies with annual revenues similar to that of the Company, and research from the proxy statements of companies considered peers of the Company. Towers Watson also developed marketplace base salary, target annual incentive opportunity, target total annual compensation, actual total annual compensation, long term incentive award level, target total direct compensation, and actual total direct compensation rates at the 25th, 50th, and 75th percentiles which were used as a reference to assist the Committee in designing and maintaining the Company's compensation programs. Towers Watson reviewed all methods of compensation and compared the Company's levels and method of compensation to a selected peer group. Target total direct compensation—base salary plus target non-equity incentive compensation and bonus plus long-term incentives—under the program was below the 25th percentile of the peer group data.

Role of Executive Officers

Of our Named Executive Officers, only the Chief Executive Officer has a role in determining executive compensation policies and programs. Within the parameters of the compensation policies established by the Executive Compensation Committee, the Chief Executive Officer makes preliminary recommendations for base salary adjustments and short-term and long-term incentive levels for the other Named Executive Officers. The Chief Executive Officer may base his recommendation on a variety of factors such as his appraisal of the officer's performance and contribution to the Company and on market data.

Stock Ownership Guidelines

The Board has adopted guidelines for ownership of Common Stock by executive officers and directors to help demonstrate the alignment of the interests of the Company’s executive officers and directors with the interests of its shareholders. The amount of stock that a particular executive or director is required to hold is determined relative such person’s position with the Company. The guidelines provide that executives and directors are expected to attain the following levels of stock ownership within five years of their election to the specified director or officer position:

Position	Share Ownership
Chief Executive Officer, President	4 times annual base salary
Chief Operating Officer	2 times annual base salary
Senior Vice President	2 times annual base salary
Nonemployee Director	Shares with a market value of at least \$100,000

Phantom stock and stock equivalents in the nonemployee director deferred compensation plan are considered Common Stock for purposes of the guidelines, as they are essentially awarded in lieu of cash compensation for Board services.

Employment Agreement

The Company entered into a new employment agreement with Christopher J. Pappas, the Company’s President and Chief Executive Officer on January 24, 2014. The employment agreement was amended on December 1, 2014. The employment agreement, as amended, expires on August 31, 2016, unless earlier terminated, and currently provides for a base annual salary of \$462,000, plus potential bonus compensation in an amount that the independent directors of the Board or an authorized committee, shall determine, in its sole discretion. Please refer to “—Compensation of Chief Executive Officer” beginning on page 32 for more information regarding Mr. Pappas’ employment agreement.

The employment agreement provides that Mr. Pappas will be entitled to receive all compensation and benefits provided under the employment agreement on August 31, 2016, if (1) the Company terminates his employment “without cause” (as defined in the employment agreement) or (2) Mr. Pappas terminates the employment agreement for “good reason” (as defined in the employment agreement). For more information regarding potential payments under the employment agreement, please read “—Potential Payments upon Termination or Change in Control” beginning on page 36.

The Company does not have any agreements with any of its other officers, directors, or employees containing provisions governing the compensation and benefits that may be paid to any such person upon termination of employment or a change in control of the Company.

Compensation of Chief Executive Officer

Under his current employment agreement, Christopher J. Pappas was paid an annual base salary of \$462,000 in fiscal year 2015. Mr. Pappas is eligible to receive potential annual cash bonuses and long-term equity incentives under his employment agreement in an amount that the independent directors of the Board or an authorized committee, shall determine. His Non-Equity Incentive Compensation is computed, similar to all Named Executive Officers, based upon the Company's achievement of Board-approved goals relating to same-store sales (33%) and EBITDA (67%). For more discussion regarding annual cash bonuses and long-term equity incentives, please read "—Non-Equity Incentive Compensation and Bonus," "—Short-Term Equity Incentive Compensation" and "—Long-Term Equity Incentive Compensation" beginning on page 30.

Compensation and the Company's Risk Management

The Company believes that our compensation policies and practices for our employees are appropriately structured and encourage decision making that could expose the Company to unreasonable risks of material adverse consequences. Furthermore, the Company employs a number of safeguards with respect to the compensation policies and practices which mitigate excessive risk-taking by our employees. These safeguards include: benchmarking compensation to market levels; focusing on long-term shareholder value creation; tying long-term incentive grants to objectives; issuing equity awards that vest over multi-year time horizons; and maintaining stock ownership guidelines for our officers.

Section 162(m) of the Internal Revenue Code

Section 162(m) of the Code generally disallows a public company's tax deduction for compensation to the chief executive officer and the four other most highly compensated executive officers in excess of \$1 million in any calendar year. Compensation that qualifies as "performance based compensation" (as defined for purposes of Section 162(m)) is excluded from the \$1 million limitation, and therefore remains fully deductible by the company that pays it. Options granted under the Company's Luby's Incentive Stock Plan have been structured to qualify as performance-based and thus would not be subject to this deduction limitation. While the Executive Compensation Committee will seek to utilize deductible forms of compensation to the extent practicable, it does not believe that compensation decisions should be made solely to maintain the deductibility of compensation for federal income tax purposes. Although none of our Named Executive Officers reached the deduction limitation in fiscal 2015, the Executive Compensation Committee plans to continue to evaluate the Company's salary, bonus, and stock option programs to determine the advisability of future compliance with Section 162(m).

EXECUTIVE COMPENSATION COMMITTEE REPORT

The Executive Compensation Committee reviewed and discussed the Company's Compensation Discussion and Analysis with the Company's management. Based on this review and discussion, the Executive Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement and incorporated by reference into the Company's Annual Report on Form 10-K for the fiscal year ended August 26, 2015.

Potential Payments upon Termination or Change in Control

Trigger Events

The employment agreement between the Company and Christopher J. Pappas ("Executive") will terminate upon the Executive's death or upon the Executive's disability, which is defined as his becoming incapacitated by accident, sickness or other circumstance that renders him physically or mentally unable to carry out the duties and services required of him under the employment agreement on a full-time basis for more than 120 days in any 180-day period. If a dispute arises between the Executive and the Company concerning the Executive's physical or mental ability to continue or return to the performance of his duties as described above, the Executive is required to submit to an examination by a competent physician mutually agreeable to both parties or, if the parties are unable to agree, by a physician appointed by the president of the Harris County Medical Association, and that physician's opinion will be final and binding.

The Company may terminate the Executive's employment at any time for cause, which means that the Executive has (1) been convicted of a crime constituting a felony or a misdemeanor involving moral turpitude, (2) committed, or participated in, an illegal act or acts that were intended to defraud the Company, (3) willfully refused to fulfill his duties and President and Chief Executive Officer, (4) breached material provisions of the employment agreement, a Company policy, or the Company's code of conduct, in each case after notice from the Board and an opportunity to correct the breach, (5) engaged in gross negligence or willful misconduct in the performance of his duties and obligations to the Company, or (6) willfully engaged in conduct known, or which should have been known, to be materially injurious to the Company. The Company also may terminate at any time an employment agreement for any other reason, in the sole discretion of the Board.

The Executive may terminate his employment for "good reason," which means that any of the following circumstances have occurred without the Executive's consent: (1) a material diminution in the nature, scope or duties of the Executive or assignment of duties inconsistent with those of President and Chief Executive Officer, or a change in the location of the Company's principal business office in which his services are to be carried out, to a location outside Texas, (2) any breach of a material provision of the employment agreement by the Company after written notice from the Executive and if correctable, the failure to correct such breach within 30 days from the date such notice is given, (3) within two years after the Company's sale of all or substantially all of its assets or the merger, share exchange or other reorganization of the Company into or with another corporation or entity, with respect to which the Company does not survive, or (4) certain reductions in the employee benefits and perquisites applicable to the Executive. Finally, the Executive may terminate his employment agreement for any other reason, in his sole discretion.

Termination due to Death or Disability. If the Executive's employment is terminated due to his death or disability, all compensation and benefits to the Executive under his employment agreement (other than any equity-based compensation awards granted to the Executive by the Company, which are governed by the terms of the applicable award agreement), will terminate contemporaneously with the termination of employment and without further obligation to the Executive or his legal representatives under his employment agreement, other than the payment of his base salary for the period through the date of termination. Under the Executive's existing incentive stock option agreements, upon the death of the Executive the stock option may be exercised within one year after his death, by the person or persons to whom his rights under the option have passed by will or the laws of descent and distribution, until the expiration of the option. If the Executive is terminated due to disability, the option may be exercised, to the extent the option was exercisable on the date of termination, until the earlier of the first anniversary of the date of termination or the expiration of the option.

Termination for Cause or other than for Good Reason. If the Executive terminates his employment without good reason, or if the Company terminates the Executive's employment for cause, all compensation and benefits to the Executive under his employment agreement (other than any equity-based compensation awards granted to the Executive by the Company, which are governed by the terms of the applicable award agreement), will terminate immediately upon the termination of employment and without further obligation to the Executive or his legal representatives under his employment agreement, other than the payment of his base salary for the period through the date of termination. Under the Executive's existing incentive stock option agreement, the Executive's stock option may be exercised, to the extent the option was exercisable on the date of termination, until the earlier of the first anniversary of the date of termination or the expiration of the option.

Termination Without Cause or For Good Reason. If the Executive's employment is terminated by the Company without cause or by the Executive for good reason, the Company will be obligated to pay to, or make available to, the Executive his monthly base salary and benefits in effect on the date of termination for the remainder of the term of the employment agreement, which expires on August 31, 2016. If, however, the Executive violates the confidentiality or noncompetition provisions in his employment agreement, then the Executive will forfeit his rights to receive any further payments under the employment agreement. Under the Executive's existing incentive stock option agreement, the Executive's stock option may be exercised, to the extent the option was exercisable on the date of termination, until the earlier of the first anniversary of the date of termination or the expiration of the option.

Non-renewal of Agreement. If the Executive's employment is terminated because the employment agreement is not renewed, then all compensation for periods subsequent to termination and all benefits to the Executive under the employment agreement will terminate immediately upon termination of employment. Under the Executive's existing incentive stock option agreement, the Executive's stock option may be exercised, to the extent the option was exercisable on the date of termination, until the earlier of the first anniversary of the date of termination or the expiration of the option.

In fulfilling its oversight responsibilities, the Finance and Audit Committee reviewed and discussed with management and the independent registered public accounting firm the Company's audited financial statements included in the Annual Report on Form 10-K for the year ended August 26, 2015 and their judgment about the quality and appropriateness of accounting principles and financial statement presentations, the reasonableness of significant judgments, the clarity of the disclosures in the financial statements, and major issues as to the adequacy of the Company's internal controls. In addition, the Finance and Audit Committee discussed any matter required to be communicated under generally accepted auditing standards. The Finance and Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the Public Company Accounting Oversight Board (the "PCAOB") regarding the independent registered public accounting firm's communications with the Finance and Audit Committee concerning independence and has discussed with the independent registered public accounting firm the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, professional standards, Vol. I, AV section 380), as adopted by the PCAOB in Rule 3200T. The Finance and Audit Committee also has discussed with the independent registered public accounting firm the firm's independence from the Company and management. The Finance and Audit Committee also considered the compatibility of nonaudit services with the independent registered public accounting firm's independence.

SHAREHOLDER PROPOSALS FOR 2017 ANNUAL MEETING

Proposals of shareholders for inclusion in the Company's proxy statement and form of proxy for the Company's 2017 annual meeting of shareholders submitted pursuant to Rule 14a-8 under the Exchange Act must be received in writing by the Company at its corporate office no later than August 17, 2016. Notice of a shareholder proposal submitted outside the processes of Rule 14a-8 with respect to the Company's 2017 annual meeting of shareholders will be considered untimely if received by the Company after October 31, 2016.

The Company's Bylaws provide that any shareholder of record may nominate a candidate for election as a director of the Company or bring any other business before an annual meeting of shareholders, so long as the shareholder gives timely notice thereof. To be timely, such notice must be delivered in writing to the Secretary of the Company at the principal executive offices of the Company not later than the close of business on the 90th day and not earlier than the close of business on the 120th day prior to the first anniversary of the preceding year's annual meeting of shareholders and must include (1) as to each person whom the shareholder proposes to nominate for election or reelection as a director, all information with respect to each nominee as would be required to be disclosed in a proxy solicitation relating to an election of directors pursuant to Regulation 14A under the Exchange Act; (2) as to any other business that the shareholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and if such business includes a proposal to amend the Company's Bylaws, the language of the proposed amendment), the reasons for conducting such business at the meeting, and any material interest in such business of such shareholder; and (3) as to the shareholder giving the notice, (a) the name and address of such shareholder, as they appear on the Company's books, (b) the class and number of shares of the Company which are owned beneficially and of record by such shareholder, and any derivative positions owned beneficially by such shareholder, and (c) all such other information required to be submitted by the shareholder in accordance with the Bylaws.

REIMBURSEMENT OF CERTAIN EXPENSES

The Company requests persons such as brokers, nominees, and fiduciaries holding stock in their names for the benefit of others, or holding stock for others who have the right to give voting instructions, to forward proxy material to their principals and to request authority for the execution of the proxy, and the Company will reimburse such persons for their reasonable expenses.

HOUSEHOLDING OF PROXY MATERIALS

Under SEC rules, companies and intermediaries (such as brokers) may satisfy the delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement

addressed to those shareholders. This practice, known as “householding,” is intended to improve the convenience of shareholders and to reduce the Company’s printing and postage costs.

A number of brokers with accountholders who are shareholders of the Company will be householding the Company’s proxy materials and accordingly, a single proxy statement will be delivered to multiple shareholders sharing an address unless contrary instructions have been received from an affected shareholder. Shareholders who participate in householding will continue to receive separate proxy cards. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or you revoke your consent. If at any time you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker or call the Company at (713) 329-6808 or write the Company at Luby’s, Inc., Investor Relations, 13111 Northwest Freeway, Suite 600, Houston, Texas 77040.

Shareholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

PROXY SOLICITATION

The cost of soliciting proxies will be borne by the Company. Proxies may be solicited through the mail and through telephonic or telegraphic communications to, or by meetings with, shareholders or their representatives by directors, officers, and other employees of the Company who will receive no additional compensation therefore. We have also retained Georgeson to assist us in soliciting proxies for a fee of \$8,500 plus reasonable out-of-pocket expenses. The Company also requests brokers, nominees, and fiduciaries holding stock in their names for the benefit of others, or holding stock for others who have the right to give voting instructions, to forward proxy material to their principals and to request authority for the execution of the proxy, and the Company will reimburse such persons for their reasonable expenses.

The Company will provide without charge on the written request of any person solicited hereby a copy of the Company's Annual Report on Form 10-K for the year ended August 26, 2015, current Finance and Audit Committee Charter, current Nominating and Corporate Governance Committee Charter, current Policy Guide on Standards of Conduct and Ethics, and Senior Officers' Code. Written requests should be mailed to Luby's, Inc., Investor Relations, 13111 Northwest Freeway, Suite 600, Houston, Texas 77040.

By Order of the Board of Directors,

General Counsel and Secretary

All authorized Shares may be used for any of the types of Awards described in the Plan. No

Participant may receive, under the Plan, Options for more than 200,000 Shares in any one fiscal year, except that Options may be granted to a newly hired Employee for not more than 400,000 Shares in the first fiscal year of employment. Shares related to Awards which (i) are forfeited, (ii) expire unexercised, (iii) are settled in such manner that all or some of the Shares covered by an Award are not issued to a Participant (for the avoidance of doubt, the grant of Restricted Shares is not a delivery of Shares for this purpose unless and until such Restricted Shares vest and any restrictions placed upon them under the Plan lapse), (iv) are exchanged for Awards that do not involve Common Stock, or (v) are tendered by a Participant upon exercise of an Option in payment of all or a portion of the Exercise Price shall be added back to the pool and shall immediately become available for Awards.

A-5

(b) **Sources of Shares Deliverable Under Awards.** Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares, treasury Shares or Shares previously issued and reacquired by the Company by purchase on the open market or otherwise.

5. Awards. The Committee shall select the Eligible Persons who are to receive Awards and shall determine the type or types of Award(s) to be made to each Participant and shall set forth in the related Award Agreement the terms, conditions, performance requirements, and limitations applicable to each Award (other than those contained in the Plan). Awards may be granted singly, in combination, or in tandem.

(a) **Options.** Subject to the provisions of the Plan, the Committee shall have the authority to determine the Eligible Persons, if any, to whom Options shall be granted and the terms and conditions of such Options, including the following:

(i) Provisions Applicable to All Options.

a) **Award Agreement.** Each Option grant shall be evidenced by an Award Agreement that shall state the Grant Date, the number of Shares to which the Option pertains, whether such Options are intended to be Non-Qualified Options or Incentive Stock Options, the vesting requirements, the time when such Option shall first be exercisable (if other than the vesting date), the Term, the conditions and circumstances, if any, under which the Option shall be forfeited or expire prior to the end of its Term, the Exercise Price, the terms and conditions to the exercise of such Option, the terms and conditions regarding the effect on the Award of the Participant's Termination and such other terms and conditions not inconsistent with this Section 5(a) and the Plan as the Committee shall determine. Unless otherwise provided in the Award Agreement relating to an Option, all Shares purchased by the exercise of an Option shall be fully vested from the time of their acquisition by exercise of the Option.

b) **Exercise.** Options granted under the Plan shall be exercised by the delivery of a written notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares being purchased and, unless other arrangements have been made with the Committee, all required withholding taxes. The Committee shall determine the method or methods by which, and the form or forms in which, payment of the Exercise Price with respect thereto may be made or deemed to have been made (which may include, without limitation, cash, check acceptable to the Company, outstanding Awards, the Participant's delivery of vested Shares already owned or the Company's withholding Shares otherwise deliverable pursuant to the exercise of the Option (in either such case having an aggregate Fair Market Value as of the exercise date not greater than the full Exercise Price for the Shares with respect to which the Option is being exercised and by paying any remaining amount of the Exercise Price as otherwise allowed by the Committee (but, with respect to an Incentive Stock Option, such withholding shall be permitted only if such withholding would not result in the Option being treated as other than an Incentive Stock Option)), a "cashless-broker" exercise through procedures approved by the Company, other securities or other property, loans, notes approved by the Committee, or any combination thereof approved by the Committee,

having a Fair Market Value on the exercise date equal to the relevant Exercise Price). If the Committee so requires, the Participant shall also deliver a written representation that all Shares being purchased are being acquired for investment and not with a view to, or for resale in connection with, any distribution of such Shares. The exercise shall be effective only upon the satisfaction of the foregoing requirements, as applicable.

c) Listing and Registration of Shares. Each Option shall be subject to the requirement that if at any time the Board or the Committee determines, in its discretion, that the listing, registration or qualification of the Shares subject to such Option under any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the issue or purchase of such shares thereunder, such Option may not be exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained and the same shall have been free of any conditions not acceptable to the Board.

d) Repricing. The Board or the Committee may, subject to shareholder approval and compliance with applicable securities laws, grant to Participants holding Options, in exchange for the surrender and cancellation of such Options, new Options having Exercise Prices lower (but not lower than the Fair Market Value per Share on the Grant Date of the new Option) or, with the consent of the Participant, higher than the Exercise Price provided in the Options so surrendered and canceled and containing such other terms and conditions as the Board or the Committee may deem appropriate, provided that no changes to the Exercise Price, terms or conditions shall be made, and the new Option shall not be awarded, if the affected Options would become subject to the income tax under the Section 409A Rules. An adjustment to the Exercise Price pursuant to Section 11 shall not require the Participant's consent.

(ii) Non-Qualified Options.

a) Eligibility. The Committee may grant Non-Qualified Options to any Eligible Person.

b) Exercise Price. The Exercise Price to be paid for each Share deliverable upon exercise of each Non-Qualified Option granted under this Section 5(a)(ii) shall not be less than one hundred percent (100%) of the Fair Market Value per Share on the Grant Date of such Non-Qualified Option.

c) Term. Unless otherwise provided in the Award Agreement, the Term of all Non-Qualified Options shall be ten (10) years.

(iii) Incentive Stock Options.

a) Compliance with Section 422 of the Code. All Options that are intended to be Incentive Stock Options described in Section 422 of the Code shall be designated as such in the Award Agreement for such Option, shall be granted on or before the tenth (10th) anniversary of the Effective Date, shall, subject to Section 5(a)(iii)(e), have a Term of not more than ten (10) years, and shall, in all respects, be issued in compliance with Section 422 of the Code.

b) Eligibility. The Committee may grant Incentive Stock Options to Employees only.

c) Exercise Price. Subject to Section 5(a)(iii)(e), the Exercise Price to be paid for each Share deliverable upon exercise of each Incentive Stock Option granted under this Section 5(a)(iii) shall not be less than one hundred percent (100%) of the Fair Market Value per Share on the Grant Date of such Incentive Stock Option.

d) Dollar Limitation. The aggregate Fair Market Value of Shares issued pursuant to one or more Options granted to any Employee (determined as of the date the Option is, or the respective dates the Options are, granted under the Plan) that become exercisable for the first time as Incentive Stock Options during any one calendar year shall not exceed \$100,000. To the extent the Employee holds two or more such Options (whether under this Plan or any other plan of the Company or any Affiliate) which become exercisable for the first time in the same calendar year, the foregoing limitation on the exercisability of such Options as Incentive Stock Options shall be determined in accordance with Section 422 of the Code.

e) 10% Stockholder. If any Employee to whom an Incentive Stock Option is granted owns stock possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or any Affiliate, then the Exercise Price per Share under such Incentive Stock Option shall not be less than 110 percent (110%) of the Fair Market Value per Share on the Grant Date, and the Term shall not be longer five (5) years. For purposes of the immediately preceding sentence, the attribution rules under Section 424(d) of the Code shall apply for purposes of determining an Employee's ownership.

f) Incentive Stock Options Not Transferable. No Incentive Stock Option granted hereunder (a) shall be transferable, other than by will or by the laws of descent and distribution, and (b) except as provided in the Award Agreement and permitted under Section 422 of the Code, shall be exercisable during the Participant's lifetime by any person other than the Participant (or his guardian).

g) Limitations on Exercise. No Incentive Stock Option shall be exercisable more than three (3) months after the Participant's Termination as an Employee for any reason other than death or Disability, or more than one (1) year after the Participant's termination as an Employee due to the Participant's death or Disability.

(b) **Restricted Shares.** Subject to the provisions of the Plan, the Committee shall have the authority to determine the Eligible Persons, if any, to whom Restricted Shares shall be granted and the terms and conditions of such Restricted Shares, including the following:

(i) **Award Agreement.** Each Restricted Share grant shall be evidenced by an Award Agreement that shall state the number of Restricted Shares granted to the Eligible Person, the vesting requirements and forfeiture provisions (including, without limitation, limitations that qualify as a “substantial risk of forfeiture” within the meaning given to that term under Section 83 of the Code) under which if not achieved, the Restricted Shares will be forfeited to the Company, the terms and conditions regarding the effect on the Award of the Participant’s Termination and the other terms and conditions of such Awards. Unless subject to the achievement of performance requirements other than continuous service or a special determination is made by the Committee as to a shorter vesting period, the vesting period with respect to Restricted Shares shall not be less than three (3) years.

(ii) **Registration.** Restricted Shares may be evidenced in such manner as the Committee shall deem appropriate, including, without limitation, book-entry registration or issuance of a stock certificate or certificates. In the event any stock certificate is issued in respect of Restricted Shares granted under the Plan, such certificate shall be registered in the name of the Participant and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Shares.

(iii) **Forfeiture and Vesting.** Except as otherwise determined by the Committee or set forth in the applicable Award Agreement, Termination of a Participant for any reason prior to vesting shall result in the forfeiture and the reacquisition by the Company of all Restricted Shares. Restricted Shares that vest shall become unrestricted Shares to be evidenced in such manner as the Committee shall deem appropriate.

(iv) **Voting.** Unless otherwise set forth in the Award Agreement, all voting rights appurtenant to the Restricted Shares shall be exercisable by the Participant.

(v) **Dividends.** Unless otherwise set forth in the Award Agreement, (i) dividends and other distributions with respect to Restricted Shares payable in cash or other property (other than Shares), shall be subject to the same vesting requirements and forfeiture conditions as the associated Restricted Shares and, subject to the vesting of such Restricted Shares, shall be paid or delivered, as applicable, without interest within ten (10) days of the vesting date, and (ii) dividends and other distributions with respect to Restricted Shares payable in Shares and Shares resulting from stock splits of Restricted Shares, shall constitute additional Restricted Shares subject to the terms and conditions of the Award Agreement applicable to the underlying Restricted Shares.

(c) **Phantom Shares.** Subject to the provisions of the Plan, the Committee shall have the authority to determine the Eligible Persons, if any, to whom Phantom Shares shall be granted and the terms and conditions of such Phantom Shares, including the following:

(i) **Award Agreement.** Each Phantom Share grant shall be evidenced by an Award Agreement that shall state the number of Phantom Shares to which the Award pertains, the vesting requirements, the conditions and circumstances, if any, under which the Phantom Shares shall be forfeited, the method of settlement of vested Phantom Shares, method by or forms in which Shares, if any, will be delivered or deemed delivered to Participants (if or to the extent Settlement is to be in Shares), the terms and conditions regarding the effect on the Award of the Participant's Termination and any other terms and conditions not inconsistent with this Section 5(c) and the Plan as the Committee shall determine. An Award of Phantom Shares shall not constitute a transfer of property within the meaning of Section 83 of the Code, but instead shall constitute a conditional, unfunded, unsecured promise to pay cash or to deliver Shares, subject to the vesting of the Award.

(ii) **Payment.** Unless otherwise provided in the Award Agreement, the settlement of a vested Phantom Share shall be made (i) in a single payment of cash equal to the Fair Market Value on the vesting date of one Share or (ii) by delivery or transfer of a Share on the settlement date, which shall be no later than ten (10) days after the vesting date.

(iii) **Dividend Equivalent Rights.** Subject to the provisions of the Plan, the Committee is authorized to grant Dividend Equivalent Rights to a Participant in tandem with a grant of Phantom Shares, entitling the Participant to receive cash, Shares, other Awards, or other property equal in value to dividends or other distributions paid with respect to a number of Shares equal to the number of Phantom Shares granted. The Committee may provide that Dividend Equivalent Rights shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional Shares, Awards, or other investment vehicles, and subject to such restrictions on transferability and risks of forfeiture, as the Committee may specify. Unless otherwise set forth in the Award Agreement, amounts payable with respect to Dividend Equivalent Rights shall be subject to the same vesting requirements and forfeiture conditions as the associated Phantom Shares and, subject to the vesting of such Phantom Shares, shall be paid without interest within ten (10) days of the vesting date.

(d) **Other Share-Based Awards.** Subject to the provisions of the Plan, the Committee may grant to Participants an Other Share-Based Award, which shall be an Award denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares as is deemed by the Committee to be consistent with the purposes of the Plan. Subject to the terms of the Plan, including vesting requirements, if any, applicable to such Award, the Committee shall determine the terms and conditions of any such Other Share-Based Award, which shall be evidenced by an Award Agreement.

(e) **Performance Awards.** Subject to the provisions of the Plan, the Committee may grant to Participants any Option, Restricted Share, Phantom Share or Other Share-Based Award and make the vesting of such Award conditioned, in whole or in part, upon achievement of one or more Performance Goals specified by the Committee.

(i) Award Agreement. Award Agreements for Awards that are intended and designated by the Committee to be Performance Awards shall specify the Performance Goal(s), and shall, along with the Award, be subject to and comply with this Section 5(e).

(ii) Performance Goals. Performance Goals shall be established by the Committee for each Performance Period and set forth in each Award Agreement. Each Performance Goal shall consist of and incorporate (i) one or more designated Business Criteria, (ii) the quantitatively determinable level(s), standard(s), degree(s) or range(s) of achievement to be applied to each such Business Criterion, and (iii) the amount of compensation (which shall be objectively determinable under one or more formulas or pre-determined standards) that shall vest under the Performance Goal for the achievement of each specified Business Criterion at the prescribed level(s), standard(s), degree(s) or range(s). Performance Awards shall vest and shall be paid only if and to the extent vested under the Performance Goals. Performance Goals may be based on any one or more Business Criteria, on an absolute or relative basis or as compared to the performance of a published index deemed by the Committee to be applicable to the Company or a group of comparable companies. Performance Goals may differ among Awards granted to any one Participant or for Awards granted to different Participants.

(iii) Limit. No Participant may receive under the Plan a Performance Award for any fiscal year with respect to more than 200,000 Shares.

6. Limits on Transfer of Awards.

(a) Except as provided in (c) below, each Award, and each right under any Award, shall be exercisable only by the Participant during the Participant's lifetime, or by the person to whom the Participant's rights shall pass by will, the laws of descent and distribution or domestic relations order entered or approved by a court of competent jurisdiction.

(b) Except as provided in (c) below, no Award and no right under any such Award may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant otherwise than by will, by the laws of descent and distribution (or, in the case of Restricted Shares, to the Company) or by domestic relations order entered or approved by a court of competent jurisdiction, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate.

(c) Notwithstanding anything in the Plan to the contrary, to the extent specifically provided by the Committee with respect to a grant, a Non-Qualified Option may be transferred to immediate family members or related family trusts, or similar entities on such terms and conditions as the Committee may establish.

7. Administration.

(a) The Plan shall be administered by the Committee except to the extent the Board elects to administer the Plan, in which case the Board shall have the rights and powers otherwise assigned to the Committee hereunder and references herein to the "Committee" shall mean the "Board." A majority of the Committee shall constitute a quorum, and the acts of the members of the Committee who are present at any meeting thereof at which a quorum is present, or acts unanimously approved by the members of the Committee in writing, shall be the acts of the Committee.

(b) Subject to the terms of the Plan and applicable law, and in addition to other express powers and authorizations conferred on the Committee by the Plan, the Committee shall have full power and authority to: (i) determine Persons who are Eligible Persons; (ii) designate Eligible Persons to whom Awards shall be made; (iii) determine the type or types of Awards to be granted to an Eligible Person; (iv) determine the number of Shares to be covered by, or with respect to which payments, rights, or other matters are to be calculated in connection with, Awards; (v) determine the terms and conditions of any Award; (vi) determine whether, to what extent, and under what circumstances Awards may be settled or exercised in cash, Shares, other securities, other Awards or other property, or canceled, forfeited, or suspended and the method or methods by which Awards may be settled, exercised, canceled, forfeited, or suspended; (vii) interpret and administer the Plan and any instrument or agreement relating to an Award made under the Plan; (viii) establish, amend, suspend, or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; (ix) take any action or exercise any power or right reserved, explicitly or implicitly, to the Committee under the Plan or any Award Agreement; (x) determine the Fair Market Value of a Share or other property at any time; and (xi) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan or any Award shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive, and binding upon all Persons, including but not limited to the Company, its Affiliates and any Participant. The Committee may delegate to the Chief Executive Officer of the Company its administrative functions and authority to grant Awards under the Plan pursuant to such conditions and limitations as the Committee may establish, except that only the Committee may select and grant Awards to Participants who are subject to Section 16 of the Exchange Act.

(c) In addition to such other rights of indemnification as they may have as Directors or members of the Committee, and to the extent allowed by applicable laws, the Directors and the members of the Committee shall be indemnified by the Company against the reasonable expenses, including attorney's fees, actually and necessarily incurred in connection with the defense of any claim, action, suit or proceeding or in connection with any appeal therein, to which they or any of them may be party by reason of any action taken, or failure to act, under or in connection with the Plan or any Award granted thereunder, and against all amounts paid by them in settlement thereof (provided, however, that the settlement has been approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such claim, action, suit or proceeding, except in any case in relation to matters as to which it shall be adjudged in such claim, action, suit or proceeding that such Director or member of the Committee did not act in good faith and in a manner which such person reasonably believed to be in the best interests of the Company, or in the case of a criminal proceeding, had no reason to believe that the conduct complained of was unlawful; provided, however, that within sixty (60) days after institution of any such action, suit or proceeding, such Committee shall, in writing, offer the Company the opportunity at its own expense to handle and defend such action, suit or proceeding.

(d) It is the intent of the Company that the grant of any Awards to, or other transaction by, a Participant who is subject to Section 16 of the Exchange Act shall be exempt from Section 16(b) of the Exchange Act pursuant to Rule 16b-3 or another applicable exemption (except for transactions acknowledged by the Participant in writing to be non-exempt). Accordingly if any provision of the Plan or any Award Agreement does not comply with the requirements of Rule 16b-3 or such other exemption as then applicable to any such transaction, such provision shall be construed or deemed amended to the extent necessary to conform to the applicable requirements of Rule 16b-3 so that such Participant shall avoid liability under Section 16(b) of the Exchange Act.

8. Amendment, Modification, Suspension, or Discontinuance of the Plan. The Board may amend, modify, suspend, or terminate the Plan for the purpose of meeting or addressing any changes in legal requirements or for any other purpose permitted by law. Subject to changes in law or other legal requirements that would permit otherwise, without the consent of the holders of a majority of the Shares then outstanding the Plan may not be amended (i) to increase the aggregate number of Shares that may be issued under the Plan (except for adjustments pursuant to Section 11 of the Plan), (ii) to decrease the Exercise Price, (iii) to materially modify the requirements as to eligibility for participation in the Plan, (iv) to withdraw administration of the Plan from the Committee, or (v) to extend the period during which Awards may be granted.

A-10

9. Amendments to Awards. The Committee may waive any conditions or rights under, amend any terms of, or alter any Award theretofore granted, provided no change, other than pursuant to Section 11, in any Award shall materially reduce the vested rights or benefits (as contrasted with a contingent right or benefit) to the holder of such Award without the consent of such holder.

10. Acceleration of Exercisability and Vesting. The Committee shall have the power to accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest.

11. Adjustments Upon Certain Changes. In the event of changes in the outstanding Shares or in the capital structure of the Company by reason of any stock or extraordinary cash dividend, stock split, reverse stock split, an extraordinary corporate transaction such as any recapitalization, reorganization, merger, consolidation, combination, exchange, or other relevant change in capitalization occurring after the Grant Date of any Award, Awards granted under the Plan and any Award Agreements, the Exercise Price of Options, the maximum number of Shares subject to all Awards and the maximum number of Shares with respect to which any one person may be granted Awards during any period will be equitably adjusted or substituted, as to the number, price or kind of a Share or other consideration subject to such Awards to the extent necessary to preserve the economic intent of such Award. In the case of adjustments made pursuant to this Section 11, unless the Committee specifically determines that such adjustment is in the best interests of the Company or its Affiliates, the Committee shall, in the case of Incentive Stock Options, ensure that any adjustments under this Section 11 will not constitute a modification, extension or renewal of the Incentive Stock Options within the meaning of Section 424(h)(3) of the Code and in the case of Non-Qualified Options, ensure that any adjustments under this Section 11 will not constitute a modification of such Non-Qualified Options within the meaning of the Section 409A Rules. Any adjustments made under this Section 11 shall be made in a manner which does not adversely affect the exemption provided pursuant to Rule 16b-3. In the event of a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation with respect to the Company, the Committee shall be authorized to issue or assume stock options, whether or not in a transaction to which Section 424(a) of the Code applies, by means of substitution of new stock options for previously issued stock options or an assumption of previously issued stock options. The issuance of new stock options for previously issued stock options or the assumption of previously issued stock options in connection with a corporate merger, consolidation, acquisition of property or stock, separation, reorganization or liquidation shall not reduce the number of Shares available for Awards under the Plan.

12. Change of Control.

(a) In the event of a Change of Control, then the Committee may, in its discretion, take any of the following actions as a result of, or in anticipation of, any such Change in Control, which actions may vary among individual holders and which may vary among Awards:

- (i) remove any applicable forfeiture restrictions on any Award;

 - (ii) accelerate the vesting of, or the time at which the restrictions shall lapse, to a specific date, before or after such Change of Control, specified by the Committee;

 - (iii) require mandatory surrender to the Company by selected holders of some or all of the outstanding Awards held by such holders (irrespective of whether such Awards are then subject to vesting conditions or other restrictions pursuant to the Plan) as of a date, before or after such Change of Control, specified by the Board, in which event the Board shall thereupon cancel such Awards and pay to each holder thereof an amount of cash per share equal to the Change of Control Price (and, for the avoidance of doubt, in the case of any outstanding Award with an Exercise Price that equals or exceeds the Change of Control Price, the Committee may cancel any such Award without the payment of any consideration therefor to the holder of such Award); or

 - (iv) make such adjustments to Awards then outstanding as the Board deems appropriate to reflect such a Change of Control; provided, however, that the Board may determine in its sole discretion that no adjustment is necessary to Awards then outstanding.
- (b) The “Change of Control Price” shall equal the amount determined in clause (i), (ii), (iii), (iv) or (v), whichever is applicable, as follows: (i) the per Share price offered to holders of Shares in any merger or consolidation, (ii) the per Share value of the Shares immediately before the Change of Control without regard to assets sold in the Change of Control and assuming the Company has received the consideration paid for the assets in the case of a sale of the assets, (iii) the amount distributed per Share in a dissolution transaction, (iv) the price per Share offered to holders of Shares in any tender offer or exchange offer whereby a Change of Control takes place, or (v) if such Change of Control occurs other than pursuant to a transaction described in clauses (i), (ii), (iii), or (iv) of this Section 12(b), the Fair Market Value per Share of the Share that may otherwise be obtained with respect to such Awards, as determined by the Board as of the date determined by the Board to be the date of cancellation and surrender of such Awards. In the event that the consideration offered to shareholders of the Company in any transaction described in any Change of Control consists of anything other than cash, the Board shall determine the fair cash equivalent of the portion of the consideration offered which is other than cash.

(c) Any such action by the Board shall be conclusive and binding on the Company and all Participants. Notwithstanding the foregoing, the Committee shall retain full authority to take, in its discretion, any of the foregoing actions with respect to Awards held by Participants who are Employees but who are also directors, and the Board shall have no authority to act in any such matter.

(d)

(i) Notwithstanding any other provision of this Plan, any Award Agreement or other contract or agreement to the contrary, if any of the payments or benefits provided or to be provided by the Company or its Affiliates to a Participant or for a Participant's benefit pursuant to the terms of this Plan or otherwise ("Covered Payments") constitute parachute payments ("Parachute Payments") within the meaning of Section 280G of the Code and would, but for this Section 7(d) be subject to the excise tax imposed under Section 4999 of the Code or any similar tax imposed by state or local law or any interest or penalties with respect to such taxes (collectively, the "Excise Tax"), then prior to making the Covered Payments, a calculation shall be made comparing (i) the Net Benefit (as defined below) to the Participant of the Covered Payments after payment of the Excise Tax to (ii) the Net Benefit to the Participant if the Covered Payments are limited to the extent necessary to avoid being subject to the Excise Tax. Only if the amount calculated under (i) above is less than the amount under (ii) above will the Covered Payments be reduced to the minimum extent necessary to ensure that no portion of the Covered Payments is subject to the Excise Tax (that amount, the "Reduced Amount"). "Net Benefit" shall mean the present value of the Covered Payments net of all federal, state, local, foreign income, employment and excise taxes.

(ii) Any such reduction shall be made in accordance with Section 409A Rules and the following:

a) the Covered Payments which do not constitute nonqualified deferred compensation subject to the Section 409A Rules shall be reduced first; and

b) all other Covered Payments shall then be reduced as follows: (A) cash payments shall be reduced before non-cash payments; and (B) payments to be made on a later payment date shall be reduced before payments to be made on an earlier payment date.

13. Unfunded Plan. Insofar as it provides for Awards of cash and Shares, the Plan shall be unfunded. Although bookkeeping accounts may be established with respect to Participants who are entitled to cash, Shares, or rights thereto under the Plan, any such accounts shall be used merely as a bookkeeping convenience. The Company shall not be required to segregate any assets that may at any time be represented by cash, Shares, or rights thereto, nor shall the Plan be construed as providing for such segregation, nor shall the Company or the Board or the Committee be deemed to be a trustee of any cash, Shares, or rights thereto to be granted under the Plan. Any liability of the Company or any

of its affiliates to any Participant with respect to a grant of cash, Shares, or rights thereto under the Plan shall be based solely upon any contractual obligations that may be created by the Plan and any Award Agreement; no such obligation of the Company or any of its affiliates shall be deemed to be secured by any pledge or other encumbrance on any property of the Company. Neither the Company nor the Board nor the Committee shall be required to give any security or bond for the performance of any obligation that may be created by the Plan.

14. No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash, other securities, or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated, or otherwise eliminated.

15. Section 409A Rules. This Plan, the Awards and all Award Agreements are intended to either comply with or be exempt from the Section 409A Rules, and ambiguous provisions hereof, if any, shall be construed and interpreted in a manner consistent with such intent. The Company and its Affiliates make no representations that the Plan, the administration of the Plan, or the Awards, Award Agreements or amounts payable hereunder comply with, or are exempt from, the Section 409A Rules, and undertake no obligation to ensure such compliance or exemption. For purposes of the Section 409A Rules, each payment or amount due under this Plan shall be considered a separate payment, and a Participant's entitlement to a series of payments under this Plan shall be treated as an entitlement to a series of separate payments. Notwithstanding any other provision of the Plan or an Award Agreement to the contrary, if a Participant is a "specified employee" under the Section 409A Rules, except to the extent permitted under the Section 409A Rules, no benefit or payment that is not otherwise exempt from the Section 409A Rules (after taking into account all applicable exceptions to the Section 409A Rules, including to the exceptions for short-term deferrals and for "separation pay only upon an involuntary separation from service") shall be made to that Participant under the Plan or the affected Award granted thereunder on account of the Participant's "separation from service," as defined in the Section 409A Rules, until the later of the date prescribed for payment in the Plan or the affected Award granted thereunder and the first (1st) day of the seventh (7th) calendar month that begins after the date of the Participant's separation from service (or, if earlier, the date of death of the Participant). Unless otherwise provided in the Award Agreement, any amount that is otherwise payable within the delay period described in the immediately preceding sentence will be aggregated and paid in a lump sum without interest.

16. No Guarantee of Tax Consequences. None of the Board, the Company or the Committee (i) makes any commitment or guarantee that any federal, state, local or other tax treatment will (or will not) apply or be available to any person participating or eligible to participate hereunder or to any person claiming through or on behalf of any such person or (ii) shall have any liability or responsibility with respect to any taxes, penalties or other amounts imposed on any person participating or eligible to participate hereunder or to any person claiming through or on behalf of any such person as a result of the Plan or any Award or Award Agreement hereunder.

17. Withholding. The Company or any Affiliate is authorized to withhold from any Award, any payment due or transfer made under any Award or under the Plan or from any compensation or other amount owing to a Participant the amount (in cash, Shares, other securities, Shares that would otherwise be issued pursuant to such Award, other Awards or other property) of any applicable taxes payable in respect of an Award, its exercise, satisfaction of vesting requirements, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes. Notwithstanding the above, a Participant who is subject to Rule 16b-3 may direct the Company to satisfy such Participant's tax withholding obligation through the "constructive" tender of already-owned Shares or the withholding of Shares otherwise to be acquired upon the exercise or payment of such Award.

18. Claw-back Policy. All Awards (including any proceeds, gains or other economic benefit actually or constructively received by the Participant or any other Person upon any receipt or exercise of any Award or upon the receipt or resale of any Shares underlying the Award) shall be subject to the provisions of any claw-back policy implemented by, as applicable, the Company or any Affiliate, including, without limitation, any claw-back policy adopted to comply with the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder, to the extent set forth in such claw-back policy and/or in the applicable Award Agreement.

19. No Rights to Awards. No Employee, Consultant or other Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of among such Persons. The terms and conditions of Awards need not be the same with respect to each recipient.

20. Right of Discharge Reserved. Nothing in the Plan or in any Award shall confer upon any employee or other individual the right to continue in the employment or service of the Company or any Affiliate or affect any right the Company or any Affiliate may have to terminate the employment or service of any such employee or other individual at any time for any reason or for no reason.

21. Nature of Payments. All Awards made pursuant to the Plan are in consideration of services performed for the Company or an Affiliate. Any gain realized pursuant to such Awards constitutes a special incentive payment to the Participant and shall not be taken into account as compensation for purposes of any of the employee benefit plans of the Company or of any Affiliate.

22. Notice. Any notice to the Company required by any of the provisions of the Plan shall be addressed to the chief human resources officer or the Chief Executive Officer of the Company in writing and shall become effective when it is received by the office of either of them.

23. Headings. The titles and headings of Sections and subsections of the Plan are included solely for convenience of reference only. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

A-13

24. Governing Law. The validity, construction, interpretation and enforceability of the Plan shall be determined and governed by the laws of the State of Texas without regard to any conflicts or choice of law rules or principles that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction, and any litigation arising out of the Plan shall be brought in Harris County, Texas.

25. Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

26. Effective and Termination Dates. The most recent prior amendment and restatement of the Plan became effective on December 6, 2005. This present amendment and restatement of the Plan shall become effective on December 5, 2015, subject to approval of the shareholders of the Company at the 2016 annual meeting of shareholders. If the Plan, as amended and restated, is approved by the shareholders at the 2016 annual meeting, the Plan shall terminate on December 4, 2025, unless sooner terminated by the Board, after which no Awards may be made under the Plan, but any such termination shall not affect Awards then outstanding or the authority of the Committee to continue to administer the Plan.

ANNEX B

LUBY'S INCENTIVE STOCK PLAN CERTAIN FEDERAL INCOME TAX ASPECTS

The following summary is intended as a general guide to U.S. federal income tax consequences under current law for certain awards under Luby's Incentive Stock Plan (the "Plan"), and does not attempt to describe all possible federal or other tax consequences of participation in the Plan or tax consequences based on particular circumstances.

Tax Consequences to Participants

Incentive Stock Options. Stock options granted under the Plan are intended to qualify as incentive stock options within the meaning of Section 422 of the Internal Revenue Code, if so designated on the date of grant. Stock options that are not designated or do not qualify as incentive stock options are nonqualified stock options and are not eligible for the tax benefits applicable to incentive stock options.

An optionee recognizes no gross income for federal income tax purposes ("taxable income") upon the grant of an incentive stock option. In addition, the optionee will not recognize taxable income at the time of exercise of an incentive stock option if the optionee has been in the employ of the Company at all times during the period beginning on the date of grant and ending on the date three months before the date of exercise (longer if the optionee dies or becomes disabled), unless the alternative minimum tax rules apply. Upon the exercise of an incentive stock option, an amount equal to the excess of the fair market value of the option shares at the exercise date over the exercise price may be treated as alternative minimum taxable income for purposes of the alternative minimum tax.

Gain recognized upon a disposition of the option shares generally will be treated as long-term capital gain as long as the shares are not disposed of within (i) two years after the date of grant of the incentive stock option and (ii) one year after the exercise date. If both of these conditions are not satisfied, the disposition is a "disqualifying disposition." In that event, gain equal to the lesser of (i) the excess of the fair market value of the option shares at the exercise date over the exercise price or (ii) if the disposition is a sale or exchange with respect to which a loss, if sustained, would be recognized by the optionee, the excess, if any, of the amount realized on the sale or exchange over the exercise price, which, in either case, generally will be taxed as ordinary income with any further gain taxed as long-term capital gain if the shares are held more than 12 months. Different rules apply if an optionee exercises an incentive stock option by surrendering shares of common stock which were previously acquired upon the exercise of an incentive stock option and with respect to which the optionee did not satisfy certain holding periods.

Shares of common stock acquired upon the exercise of an incentive stock option by the payment of cash will have a basis equal to the exercise price of the stock option, plus any amount the optionee is required to include as ordinary income from a disqualifying disposition of stock. Different rules apply if an optionee exercises an incentive stock option by surrendering previously owned shares of common stock.

Incentive stock options exercised by an optionee who has not satisfied the applicable requirements as to continuous employment do not qualify for the tax treatment discussed above. Instead, the exercise of such options will be subject to the rules which apply to the exercise of nonqualified stock options.

Nonqualified Stock Options. Generally, an optionee recognizes no taxable income upon the grant of a nonqualified stock option. In general, upon the exercise of a nonqualified stock option, the optionee will recognize ordinary income in an amount equal to the excess of the fair market value of the option shares on the exercise date over the exercise price.

Shares of common stock acquired upon the exercise of a nonqualified stock option by the payment of cash will have a basis equal to the exercise price of the stock option. Different rules apply if an optionee exercises a nonqualified stock option by surrendering previously owned shares of common stock.

The optionee will be subject to applicable tax withholding at the time the optionee recognizes ordinary income (i.e., the exercise date). Generally, the Company will be entitled to a tax deduction at the same time the optionee recognizes income and in the same amount.

Restricted Stock. The tax consequences of a grant of restricted stock depend upon whether or not the participant elects under Section 83(b) of the Internal Revenue Code to be taxed at the time of the grant.

If no election is made under Section 83(b), the participant will not recognize taxable income at the time of the grant of the restricted stock. Instead, if the restrictions on the restricted stock lapse, the participant will recognize compensation taxable as ordinary income on the date the restrictions lapse in an amount equal to the fair market value of the underlying stock as of the same date, less the purchase price, if any, paid by the participant.

If an election is made under Section 83(b), the participant will recognize compensation taxable as ordinary income at the time of the grant in an amount equal to the fair market value of the underlying stock (determined without regard to any of the restrictions) on the date of the grant, less the purchase price, if any, paid by the participant. If the restricted stock is forfeited before the restrictions lapse, the participant will generally not be entitled to a deduction.

Restricted stock granted under the Plan may or may not require dividends payable on the underlying shares to be subject to the same restrictions as the underlying shares. In either case, until the lapse of the restrictions, dividends are treated as ordinary income recognized at the time of their receipt, unless an election is made under Section 83(b), in which case dividends are taxed as dividend income.

The participant will be subject to applicable tax withholding at the time when ordinary income (including any dividends taxed as ordinary income, other than dividends on restricted stock with respect to which an election was made under Section 83(b)) is recognized. Subject to the restrictions under Section 162(m) of the Internal Revenue Code, discussed below, generally the Company will be entitled to a tax deduction at the same time the participant recognizes ordinary income and in the same amount (excluding any dividends on restricted stock with respect to which an election was made under Section 83(b)).

Gain or loss recognized on a disposition of the shares of common stock generally will qualify as long-term capital gain or loss if the shares have a holding period of more than 12 months. In the case of restricted stock, the holding period begins when the restrictions lapse if the participant did not make an election under Section 83(b) or, if the participant did make such an election, on the date of the grant of restricted stock.

Phantom Stock. A participant generally will not recognize taxable income upon the grant of phantom stock. Instead, if the restrictions under the phantom stock lapse, the participant will recognize compensation taxable as ordinary income on the date the underlying shares of stock are issued or the cash equivalent thereof is paid in settlement of the vested award, and the amount of such ordinary income will be equal to the fair market value of the underlying shares as of the same date or the amount of cash received.

The participant will be subject to applicable tax withholding at the time when the ordinary income is recognized. Subject to the Section 162(m) restrictions discussed below, generally the Company will be entitled to a tax deduction at the same time the participant recognizes ordinary income and in the same amount.

Gain or loss recognized on a disposition of any shares of common stock received in settlement of the phantom stock generally will qualify as long-term capital gain or loss if the shares have a holding period of more than 12 months. The holding period for such shares from phantom stock begins upon receipt of the shares after the restrictions on the phantom stock have lapsed.

Other Stock-Based Awards. The timing of taxable income to a participant who is granted other stock-based awards depends on the individual award and whether any restrictions or conditions are placed upon the award when granted.

Performance Based Awards. A participant generally will not recognize taxable income upon the grant of a performance based award. Rather, taxation generally will be postponed until the performance based award vests, generally upon the participant's attainment of performance criteria. At that time, the participant will recognize compensation taxable as ordinary income in an amount equal to the value of the amount payable.

The participant will be subject to applicable tax withholding when ordinary income is recognized and, generally, we will be entitled to a tax deduction at the same time and in the amount of the income recognized.

Withholding. To the extent applicable, a participant will be required to pay to the Company, or make arrangements satisfactory to the Company, to satisfy all federal, state and other withholding tax requirements related to awards under the Plan. The Company may permit or require a participant to satisfy tax withholding obligation by paying cash, by withholding an amount from the participant's cash compensation, by withholding shares from shares of common stock issued or that vest under the award, or by any other method deemed appropriate by the Company.

Section 409A. Section 409A of the Internal Revenue Code governs the taxation of certain types of compensation, including compensation from certain awards authorized under the Plan. Failure to comply with the requirements of Section 409A can result in adverse income tax consequences to a participant in the Plan, including the accelerated recognition and taxation of noncompliant compensation, the imposition of an additional 20 percent tax on such noncompliant compensation, and the imposition of interest on those taxes. The Plan has been drafted with the intention of complying with Section 409A and the regulations thereunder.

Excess Parachute Payments. If any award under the Plan is granted or modified in connection with a change in control of the Company, or if the vesting or payment of an award under the Plan is accelerated, directly or indirectly, by or in connection with a change in control, the award may be deemed to give rise to an “excess parachute payment” within the meaning of Section 280G of the Internal Revenue Code, which would result in the imposition of a 20 percent nondeductible excise tax on the participant.

Tax Consequences to the Company

In general, under Section 162(m) of the Internal Revenue Code, compensation paid by a public corporation to its chief executive officer or generally any of its three most highly compensated executive officers (excluding the chief executive officer and the chief financial officer) is not deductible to the extent it exceeds one million dollars for any year. Compensation resulting from awards under the Plan may be subject to this deduction limit. Under Section 162(m), however, qualifying performance-based compensation, including income from stock options granted with exercise prices no less than the fair market value of the stock on the date of grant, is exempt from the deduction limitation. Based on current interpretive authority, we believe compensation generated in connection with the exercise of stock options granted under the Plan should qualify as performance-based compensation and should not be limited by Section 162(m), although other awards under the Plan may not so qualify. To the extent the total salary, other compensation and compensation recognized from awards under the Plan to any applicable executive officers exceed one million dollars in any year and do not qualify as performance-based compensation, the limitation on deductibility under Section 162(m) will apply. As a result, we may from time to time in the future, make award payments under the Plan to executive officers that are not deductible by the Company.

In addition, if any award is granted under the Plan or modified in connection with a change in control, or if the vesting or payment of an award under the Plan is accelerated, directly or indirectly, by a change in control of the Company, all or a portion of the compensation from that award may be treated as an “excess parachute payment” under Section 280G of the Internal Revenue Code, which would cause that compensation to be non-deductible by the Company.
