Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

At its meeting on July 28, 2016, the Compensation and Executive Development Committee of the Board of Directors of Twin Disc, Incorporated (the “Company”) (i) approved the base salaries of, and (ii) approved the targets for fiscal 2017 bonuses for, the Company’s principal executive officer, principal financial officer, and certain of the Company’s other “named executive officers” (as used in Instruction 4 to Item 5.02 of Form 8-K). The base salaries and target bonuses for the named executive officers were not increased or changed from the levels that were in effect at the end of FY 2016, and were set as follows:

Name and Position	Base Salary	Target Bonus as % of Base Salary
John H. Batten President and Chief Executive Officer	\$450,000	65%
Jeffrey S. Knutson Vice President – Finance, Chief Financial Officer, Treasurer, and Secretary	\$296,100	50%
Dean J. Bratel Vice President – Global Sales and Marketing	\$258,500	50%
Denise L. Wilcox Vice President – Human Resources	\$216,200	40%
Michael B. Gee Vice President – Engineering	\$178,600	35%

In each case, the target incentive bonus is based on the FY 2017 Corporate Incentive Plan (“CIP”), which the Compensation Committee adopted and approved on July 28, 2016. The CIP establishes the target bonuses for the named executive officers based on the following factors and relative weights for each factor: (i) EBITDA (40%); trade working capital as a percentage of sales (20%); sales growth (20%); and strategic objectives (individual achievement) (20%). In no event will an incentive payment under the CIP exceed 200% of the target. An incentive payment to a named executive officer under the CIP may be increased or decreased by up to 20%, at the discretion of the Chief Executive Officer (except that an increase or decrease of the CIP payment to the CEO shall be at the discretion of the Compensation Committee).

On July 28, 2016, the Committee also issued performance stock awards to named executive officers of the Company under the Twin Disc, Incorporated 2010 Long-Term Incentive Compensation Plan (as amended and restated, the “2010 LTI Plan”). A target number of 75,078 performance shares were awarded to the named executive officers (subject to adjustment as described below), allocated as follows: Mr. Batten, 33,496 performance shares; Mr. Knutson, 14,117 performance shares; Mr. Bratel, 12,834 performance shares; Ms. Wilcox, 8,214 performance shares; and Mr. Gee 6,417 performance shares. The performance shares will be paid out based on the following performance objectives and relative weights for each objective for the three fiscal year period ending June 30, 2019: (i) average return on invested capital (also known as average return on total capital) (40%), (ii) average sales revenue (30%), and (iii) average earnings per share (30%). With respect to each performance objective, a value shall be determined as a percentage of the target based on the attainment of the performance objective for the performance period. If the Company does not obtain the threshold for that performance objective, such percentage shall be 0%. If the Company equals or exceeds the maximum for that performance objective, the percentage shall be 150%. Outcomes between the threshold and target will be interpolated linearly between the amount of threshold award and the amount of the target award applicable to that performance objective, and outcomes between target and maximum will be interpolated linearly between the amount of the target award and the amount of the maximum award applicable to that performance objective. The percentage for each performance objective will be multiplied by the weight accorded to that performance objective, and the sum of the weighted percentages for each of performance objectives will be multiplied by the target number of performance shares awarded. The maximum number of performance shares that can be earned by the named executive officers pursuant to this award is 112,617. A copy of the form of the Performance Stock Award Grant Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

On July 28, 2016, the Committee also issued restricted stock grants to named executive officers of the Company under the 2010 LTI Plan. A total of 75,078 shares of restricted stock were granted to the named executive officers, allocated as follows: Mr. Batten, 33,496 shares of restricted stock; Mr. Knutson, 14,117 shares of restricted stock; Mr. Bratel, 12,834 shares of restricted stock; Ms. Wilcox, 8,214 shares of restricted stock; and Mr. Gee, 6,417 shares of restricted stock. The restricted stock will vest in three years, provided the named executive officer remains employed as of such vesting date. The restricted stock will fully vest if the named executive officer terminates employment due to death or disability, or if the named executive officer is involuntarily terminated without cause or terminates employment for good reason following a change in control of the Company. A copy of the form of the Restricted Stock Grant Agreement is attached hereto as Exhibit 10.2 and is incorporated herein by reference.
