**Item 2.02 Results of Operations and Financial Condition.**

On July 11, 2017, Cohu, Inc. (the “Company”) issued a press release regarding its announcement of certain preliminary unaudited financial results for the second quarter ended June 24, 2017. A copy of the press release is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.

In addition to financial results determined in accordance with generally accepted accounting principles (“GAAP”), this press release refers to forward-looking non-GAAP guidance for gross margin and operating expenses. Company non-GAAP financial measures exclude stock compensation expense, amortization of acquired intangible assets, manufacturing transition and severance costs, and Kita acquisition and related inventory step-up costs. The use of non-GAAP measures are not meant as a substitute for GAAP, but are included solely for informational and comparative purposes. The Company’s management believes that this information can assist investors in evaluating the Company’s operational trends, financial performance, and cash generating capacity. Management believes these non-GAAP measures allow investors to evaluate the Company’s financial performance using some of the same measures as management. These disclosures should not be viewed as a substitute for operating results determined in accordance with GAAP, nor are they necessarily comparable to non-GAAP performance measures that may be presented by other companies. A full GAAP to non-GAAP reconciliation will be provided as part of the Company’s second quarter 2017 earnings release, on July 27, 2017.
