Item 1.01 Entry into a Material Definitive Agreement

On May 22, 2015, MamaMancini's Holdings, Inc. (the "Company") issued an aggregate of \$450,000 in Convertible Debentures (the "Debentures"), in the form attached hereto as Exhibit 10.1 (the "Financing"), in favor of six (6) of the Company's directors (each an "Investor" and collectively, the "Investors"). Each Investor is an accredited investor as defined in Rule 501 of Regulation D. The Debentures pay interest at a rate of 8% per annum and are due on July 22, 2016. The Debentures are convertible into common stock of the Company at a per share price of \$1.50, which is subject to adjustment (pursuant to the terms of the Debentures), or, at the sole discretion of the Investors, can be converted under the terms of a Qualified Offering (as defined in the Debentures).

The above description of the Debentures does not purport to be complete and is qualified in its entirety by the full text of such document, which is attached as Exhibits 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

These securities were not registered under the Securities Act of 1933, as amended (the "Securities Act"), but qualified for exemption under Section 4(2) of the Securities Act. The securities were exempt from registration under Section 4(2) of the Securities Act because the issuance of such securities by the Company did not involve a "public offering," as defined in Section 4(2) of the Securities Act, due to the insubstantial number of persons involved in the transaction, size of the offering, manner of the offering and number of securities offered. The Company did not undertake an offering in which it sold a high number of securities to a high number of investors. In addition, these shareholders had the necessary investment intent as required by Section 4(2) of the Securities Act since they agreed to, and received, share certificates bearing a legend stating that such securities are restricted pursuant to Rule 144 of the Securities Act. This restriction ensures that these securities would not be immediately redistributed into the market and therefore not be part of a "public offering." Based on an analysis of the above factors, we have met the requirements to qualify for exemption under Section 4(2) of the Securities Act.
