Item 1.01 Entry into a Material Definitive Agreement.

Registered Offering Purchase Agreement

On September 28, 2017, Viking Therapeutics, Inc. (the “Company”) entered into a purchase agreement (the “Registered Offering Purchase Agreement”), pursuant to which the Company agreed to sell to Lincoln Park Capital Fund, LLC (“LPC”), and LPC agreed to purchase 701,282 shares of its common stock, \$0.00001 par value per share (“Common Stock”), at a price of approximately \$1.78 per share for an aggregate purchase price of \$1,250,000, pursuant to the Company’s effective shelf registration statement on Form S-3 (Registration No. 333-212134), filed with the Securities and Exchange Commission (the “SEC”) in accordance with the provisions of the Securities Act of 1933, as amended (the “Securities Act”), and declared effective on July 26, 2016, and the prospectus supplement thereto dated September 28, 2017.

The Company is filing the opinion of its counsel, Paul Hastings LLP, relating to the legality of the shares of Common Stock to be offered and sold pursuant to the Registered Offering Purchase Agreement, as Exhibit 5.1 hereto.

Equity Commitment Purchase Agreement and Registration Rights Agreement

On September 28, 2017, the Company entered into a purchase agreement (the “Commitment Purchase Agreement” and together with the Registered Offering Purchase Agreement, the “Purchase Agreements”) and a Registration Rights Agreement (the “Registration Rights Agreement”) with LPC, pursuant to which the Company has the right to sell to LPC up to \$15,000,000 in shares of Common Stock, subject to certain limitations and conditions set forth in the Commitment Purchase Agreement.

Upon the satisfaction of the conditions in the Commitment Purchase Agreement, including that a registration statement, which the Company agreed to file with the SEC, pursuant to the Registration Rights Agreement, is declared effective by the SEC and a final prospectus in connection therewith is filed with the SEC (the “Commencement”), the Company will have the right, from time to time at its sole discretion over the 30-month period from and after the Commencement, to direct LPC to purchase up to 75,000 shares of Common Stock on any business day (subject to certain limitations contained in the Commitment Purchase Agreement), with such amounts increasing based on certain threshold prices set forth in the Commitment Purchase Agreement; however, not to exceed \$1,000,000 in total purchase proceeds per purchase date. The purchase price of shares of Common Stock that the Company elects to sell to LPC pursuant to the Commitment Purchase Agreement will be based on the market prices of the Common Stock at the time of such purchases as set forth in the Commitment Purchase Agreement.

In addition to regular purchases, as described above, the Company may also direct LPC to purchase additional amounts as accelerated purchases or as additional purchases if the closing sale price of the Common Stock is not below certain threshold prices, as set forth in the Commitment Purchase Agreement. In all instances, the Company may not sell shares of its Common Stock to LPC under the Commitment Purchase Agreement if it would result in LPC beneficially owning more than 4.99% of the Common Stock.

There are no restrictions on future financings, rights of first refusal, participation rights, penalties or liquidated damages in the Commitment Purchase Agreement or Registration Rights Agreement other than a prohibition on entering into a “Variable Rate Transaction,” as defined in the Commitment Purchase Agreement.

LPC has covenanted not to cause or engage in any manner whatsoever, any direct or indirect short selling or hedging of the Common Stock. There is no upper limit on the price per share that LPC could be obligated to pay for the Common Stock under the Commitment Purchase Agreement. The purchase price per share will be equitably adjusted for any reorganization, recapitalization, non-cash dividend, stock split, or other similar transaction occurring during

the business days used to compute such price.

The Company has the right to terminate the Commitment Purchase Agreement at any time, at no cost or penalty. Actual sales of shares of the Common Stock to LPC under the Commitment Purchase Agreement will depend on a variety of factors to be determined by the Company from time to time, including, among others, market conditions, the trading price of the Common Stock and determinations by the Company as to the appropriate sources of funding for the Company and its operations. As consideration for LPC's commitment to purchase shares of Common Stock pursuant to the Commitment Purchase Agreement, the Company issued to LPC 100,000 shares of Common Stock (the "Commitment Shares"). The Company will not receive any cash proceeds from the issuance of the Commitment Shares.

The net proceeds under the Commitment Purchase Agreement to the Company will depend on the frequency and prices at which the Company sells shares of its stock to LPC. The Company expects that any proceeds received by the Company from such sales to LPC will be used for working capital and general corporate purposes.

The Purchase Agreements and the Registration Rights Agreement contain customary representations, warranties and agreements of the Company and LPC and customary conditions to completing future sale transactions, indemnification rights and obligations of the parties.

The foregoing summaries of the Registered Offering Purchase Agreement, the Commitment Purchase Agreement and the Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the full text of such agreements that are filed herewith as Exhibit 10.1, 10.2 and 10.3, respectively, and incorporated by reference herein.

The representations, warranties and covenants contained in the Purchase Agreements and the Registration Rights Agreement were made only for purposes of such agreements and as of specific dates, were solely for the benefit of the parties to the Purchase Agreements and the Registration Rights Agreement, and may be subject to limitations agreed upon by the contracting parties. Accordingly, the Purchase Agreements and the Registration Rights Agreement are incorporated herein by reference only to provide investors with information regarding the terms of the Purchase Agreements and the Registration Rights Agreement, and not to provide investors with any other factual information regarding the Company or its business, and should be read in conjunction with the disclosures in the Company's periodic reports and other filings with the SEC.

Item 3.02 Unregistered Sales of Equity Securities.

The information set forth under the heading "Commitment Purchase Agreement and Registration Rights Agreement" in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference into this Item 3.02 in its entirety. The Common Stock that has been and may be issued under the Commitment Purchase Agreement is being offered and sold in a transaction exempt from registration under the Securities Act, in reliance on Section 4(a)(2) thereof and Rule 506 of Regulation D thereunder. LPC represented that it was an "accredited investor," as defined in Regulation D, and was acquiring such shares under the Commitment Purchase Agreement for investment only and not with a view towards, or for resale in connection with, the public sale or distribution thereof. Accordingly, the shares of Common Stock that have been and may be issued to LPC under the Commitment Purchase Agreement have not been registered under the Securities Act or any applicable state securities laws and may not be offered or sold in the United States absent registration or an exemption from registration under the Securities Act and any applicable state securities laws.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any shares of Common Stock, nor shall there be any sale of shares of Common Stock in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

Item 8.01 Other Events.

On September 29, 2017, the Company issued a press release announcing the entry into the Purchase Agreements with LPC. A copy of the press release is attached as Exhibit 99.1 hereto and incorporated by reference herein.
