Item 8.01. Other Information.

On November 6, 2014, B. Riley Financial, Inc. (the “Company”), formerly known as Great American Group, Inc., issued a press release reporting its financial results for the fiscal quarter ended September 30, 2014. Subsequent to the issuance of the release, the Company discovered errors in the table attached to the release which reconciled non-GAAP disclosures to the most comparable GAAP measures. The table below sets forth the correct information in the same tabular format as that attached to the original release.

Note Regarding Use of Non-GAAP Financial Measures

Certain of the information set forth herein, including Adjusted EBITDA, may be considered non-GAAP financial measures. B. Riley Financial believes this information is useful to investors because it provides a basis for measuring the performance of the Company on a combined basis with B. Riley & Co. In addition, the Company’s management uses these non-GAAP financial measures along with the most directly comparable GAAP financial measures in evaluating the Company’s operating performance, capital resources and cash flow. Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information presented in compliance with GAAP, and non-financial measures as reported by the Company may not be comparable to similarly titled amounts reported by other companies. The accompanying tables have more details on the non-GAAP financial measures that are most directly comparable to GAAP financial measures and the related reconciliations between these financial measures.
