Item 8.01 Other Events.

Declaration of Cash Dividend

On April 22, 2014, the Board of Directors reinstated its quarterly cash dividend by declaring a dividend of three cents (\$0.03) per share on its common stock. The dividend is payable on June 3, 2014 to holders of record at the close of business on May 13, 2014.

Share Repurchase Program

On April 22, 2014, the Board of Directors also authorized a share repurchase program of up to \$15 million of the Company's common stock. The repurchase program is intended primarily to facilitate a reduction in the allocation of investment to Company stock within the Company's U.S. defined benefit pension plan portfolio and to reduce dilution resulting from issuances of stock under the Company's employee equity incentive programs.

Under the share repurchase program, the Company is authorized to repurchase, from time to time, shares of its outstanding common stock in the open market or through privately negotiated transactions. Share repurchases by the Company are subject to market conditions and other factors and may be commenced, suspended or discontinued at any time.
