Item 1.01 Entry into a Material Definitive Agreement

We obtained \$2.3 million in additional financing from the Bank of Oklahoma. The \$2.3 million loan was closed on May 3, 2005 and is in addition to our existing debt outstanding. The new funding is secured by certain aviation related assets we acquired late last year and is repayable in monthly principal repayments of \$38,560 beginning May 31, 2005 and ending on April 30, 2010 with interest at the 30 day LIBOR Rate plus 2.25%, adjusted monthly. We expect to use proceeds from the new financing to fund additional treasury stock purchases. We currently have Board authorization to purchase approximately 618,000 additional treasury shares and expect to seek authority for additional purchases.

We also received on May 5, 2005 approval for certain modifications to existing loan agreements we previously requested from our lenders, Bank of Oklahoma, Comerica Bank and First United Bank and Trust. These modifications allow us to more aggressively execute our open market treasury share purchase program and provide greater flexibility for cash dividends. The amendments to our existing debt agreements include (1) increasing the percentage of quarterly income available for dividends or stock purchases from 50% to 65%; (2) lowering the debt coverage ratio from 125% to 110% and (3) adding a covenant that allows for prepayments of principal on the stock loan to be applied in the direct order of maturities. These amendments provide us greater flexibility with our stock repurchase and cash dividend programs.

\$2,313,555

Oklahoma City, Oklahoma

FOR VALUE RECEIVED, PRE-PAID LEGAL SERVICES, INC., an Oklahoma corporation (the "Maker") promises to pay to the order of BANK OF OKLAHOMA, N.A., a national banking association ("Bank") at the office of the Bank in Oklahoma City, Oklahoma, which is located at 201 Robert S. Kerr Ave., or such other place as may be designated in writing by the Bank, the principal sum of Two Million Three Hundred Thirteen Thousand Five Hundred Fifty Five and No/100 Dollars (\$2,313,555), together with interest at the rate stated herein on such outstanding principal amount, and on any past due interest payments, payable as follows:

This Note is subject to the terms and conditions of that certain Loan Agreement dated April 30, 2005 between the undersigned and the Bank (the "Loan Agreement"), which terms and conditions are hereby incorporated by reference herein and shall be controlling over any provision of this Note to the contrary. Reference is hereby made to the Loan Agreement for a statement of the calculation and computation of the rate of interest charged on amounts outstanding under this Note, for a statement of repayment and prepayment rights and obligations of Maker, for a statement of the terms and conditions under which the due date of this Note may be accelerated and for statements regarding other matters affecting this Note (including without limitation the obligations of the holder hereof to advance funds hereunder, exercise of rights and remedies, payment of attorneys' fees, court costs and other costs of collection and certain waivers by Maker and others now or hereafter obligated for payment of any sums due hereunder). Upon the occurrence of an Event of Default, as that term is defined in the Loan Agreement, and after the expiration of any grace or cure period as set forth in the Loan Agreement, the holder hereof (i) may declare forthwith to be entirely and immediately due and payable the principal balance hereof and the interest accrued hereon, and (ii) shall have all rights and remedies of the Bank under the Loan Agreement and Loan Documents. This Note may be prepaid in accordance with the terms and provisions of the Loan Agreement. Capitalized terms not otherwise defined herein shall be defined as set forth in the Loan Agreement.

This Note is the Note, as such term is defined in the Loan Agreement. It is to be construed according to the laws of the State of Oklahoma.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 8-K

The undersigned agrees that if, and as often as, this Note is placed in the hands of an attorney for collection or to defend or enforce any of the holder's rights hereunder, the undersigned will pay to the holder hereof its reasonable attorney's fees, together with all court costs and other expenses paid by such holder.

All payments on this Note shall be made in legal tender of the United States of America or other immediately available funds at the Agent's or other holder's address as shown herein or otherwise indicated and any such payment will not be deemed to have been made until it is received by the holder of this Note in collected funds.

All agreements between the undersigned and the holder are expressly limited so that in no event whatsoever, whether by reason of disbursement of the proceeds hereof or otherwise shall the amount of interest or finance charge (as defined by the laws of the State of Oklahoma) paid or agreed to be paid by the undersigned to the holder hereof exceed the highest lawful contractual rate of interest or the maximum finance charge permissible under the law which a court of competent jurisdiction, by final non-appealable order, determines to be applicable hereto. If fulfillment of any agreement between the undersigned and the holder hereof, at the time the performance of such agreement becomes due, involves exceeding such highest lawful contractual rate or such maximum permissible finance charge, then the obligation to fulfill the same shall be reduced so such obligation does not exceed such highest lawful contractual rate or maximum permissible finance charge. If by any circumstance the holder shall ever receive as interest or finance charge an amount which would exceed the amount allowed by applicable law, the amount which may be deemed excessive shall be deemed applied to the principal of the indebtedness evidenced hereby and not to interest. All interest and finance charges paid or agreed to be paid to the holder hereof shall be prorated, allocated and spread throughout the full period of this Note. The terms and provisions of this paragraph shall control all other terms and provisions contained herein and in any other documents executed in connection herewith. If any provision of this Note, or the application thereof to any party or circumstance is held invalid or unenforceable, the remainder of this Note and the application of such provision to other parties or circumstances shall not be affected thereby, provisions of this Note being severable in any such instance.

The makers, endorsers, sureties, guarantors and all other persons who may become liable for all or any part of this obligation severally waive presentment for payment, protest and notice of nonpayment. Said parties consent to any extension of time (whether one or more) of payment hereof, any renewal (whether one or more) hereof, and any release of any such party liable for payment of this note without notice to any such party and without discharging the said party's liability hereunder.

The failure of the holder hereof to exercise any of the remedies or options set forth in this Note or in any instrument securing payment hereof, upon the occurrence of one or more of the Events of Default shall not constitute a waiver of the right to exercise the same or any other remedy at any subsequent time in respect to the same or any other Event of Default. Acceptance by the holder hereof of any payment which is less than the total of all amounts due and payable at the time of such payment shall not constitute a waiver of the right to exercise any of the foregoing remedies or options at that time or at any subsequent time, or nullify any prior exercise of any such remedy or option, without the express consent of the holder hereof, except as and to the extent otherwise provided by law.

IN WITNESS WHEREOF, the undersigned has executed this instrument effective as of April 30, 2005.

(e) Debtor shall not use or permit the Collateral to be used in any manner or for any purpose excepted from or contrary to the requirements of any insurance policy or policies required to be carried and maintained hereunder or for any purpose excepted or exempted from or contrary to said insurance policies, and do any other act or permit anything to be done which could reasonably be expected to invalidate or limit any such insurance policy or policies.

(i) Secured Party shall give Debtor and each holder of a security interest in the Collateral who has filed with Secured Party a written request for notice, a notice in writing of the time and place of public sale, or, if the sale is a private sale or some other disposition other than a public sale is to be made of the Collateral, the time on or after which the private sale or other disposition is to be made; and

4.6 Termination. If all of the Secured Obligations are fully paid and performed, then the security interest and lien of Secured Party in the Collateral shall terminate. In any such case, Secured Party shall, upon the request of Debtor and at Debtor's expense, execute and deliver to Debtor proper instruments acknowledging the termination of the security interest and liens.

FOR VALUE RECEIVED, PRE-PAID LEGAL SERVICES, INC., an Oklahoma corporation (the "Maker") promises to pay to the order of BANK OF OKLAHOMA, N.A., a national banking association ("Bank") at the office of Bank of Oklahoma, N.A. (the "Agent") in Oklahoma City, Oklahoma, which is located at 201 Robert S. Kerr Ave., or such other place as may be designated in writing by the Agent, the principal sum of _____ Million _____ and ___/100 Dollars (\$_____), or so much thereof as shall be disbursed, together with interest at the rate stated herein on such outstanding principal amount, and on any past due interest payments, payable as follows:

This Note is subject to the terms and conditions of that certain Loan Agreement dated September 19, 2003, as amended by that certain First Amendment to Loan Agreement dated August 26, 2004, as amended by that certain Second Amendment to Loan Agreement of even date herewith as the same may be further amended, modified or restated from time to time hereafter, between Bank of Oklahoma, N.A., as Agent and a Bank, Comerica Bank and First United Bank & Trust (as amended, the "Loan Agreement"), which terms and conditions are hereby incorporated by reference herein and shall be controlling over any provision of this Note to the contrary. Reference is hereby made to the Loan Agreement for a statement of the calculation and computation of the rate of interest charged on amounts outstanding under this Note, for a statement of repayment and prepayment rights and obligations of Maker, for a statement of the terms and conditions under which the due date of this Note may be accelerated and for statements regarding other matters affecting this Note (including without limitation the obligations of the holder hereof to advance funds hereunder, exercise of rights and remedies, payment of attorneys' fees, court costs and other costs of collection and certain waivers by Maker and others now or hereafter obligated for payment of any sums due hereunder). Upon the occurrence of an Event of Default, as that term is defined in the Loan Agreement, and after the expiration of any grace or cure period as set forth in the Loan Agreement, the holder hereof (i) may declare forthwith to be entirely and immediately due and payable the principal balance hereof and the interest accrued hereon, and (ii) shall have all rights and remedies of the Banks under the Loan Agreement and Loan Documents. This Note may be prepaid in accordance with the terms and provisions of the Loan Agreement. Capitalized terms not otherwise defined herein shall be defined as set forth in the Loan Agreement.

This Note is one of the Notes, as such term is defined in the Loan Agreement.

This Note is to be construed according to the laws of the State of Oklahoma.

The undersigned agrees that if, and as often as, this Note is placed in the hands of an attorney for collection or to defend or enforce any of the holder's rights hereunder, the undersigned will pay to the holder hereof its reasonable attorney's fees, together with all court costs and other expenses paid by such holder.

All payments on this Note shall be made in legal tender of the United States of America or other immediately available funds at the Agent's or other holder's address as shown herein or otherwise indicated and any such payment will not be deemed to have been made until it is received by the holder of this Note in collected funds.

All agreements between the undersigned and the holder are expressly limited so that in no event whatsoever, whether by reason of disbursement of the proceeds hereof or otherwise shall the amount of interest or finance charge (as defined by the laws of the State of Oklahoma) paid or agreed to be paid by the

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 8-K

undersigned to the holder hereof exceed the highest lawful contractual rate of interest or the maximum finance charge permissible under the law which a court of competent jurisdiction, by final non-appealable order, determines to be applicable hereto. If fulfillment of any agreement between the undersigned and the holder hereof, at the time the performance of such agreement becomes due, involves exceeding such highest lawful contractual rate or such maximum permissible finance charge, then the obligation to fulfill the same shall be reduced so such obligation does not exceed such highest lawful contractual rate or maximum permissible finance charge. If by any circumstance the holder shall ever receive as interest or finance charge an amount which would exceed the amount allowed by applicable law, the amount which may be deemed excessive shall be deemed applied to the principal of the indebtedness evidenced hereby and not to interest. All interest and finance charges paid or agreed to be paid to the holder hereof shall be prorated, allocated and spread throughout the full period of this Note. The terms and provisions of this paragraph shall control all other terms and provisions contained herein and in any other documents executed in connection herewith. If any provision of this Note, or the application thereof to any party or circumstance is held invalid or unenforceable, the remainder of this Note and the application of such provision to other parties or circumstances shall not be affected thereby, provisions of this Note being severable in any such instance.

The makers, endorsers, sureties, guarantors and all other persons who may become liable for all or any part of this obligation severally waive presentment for payment, protest and notice of nonpayment. Said parties consent to any extension of time (whether one or more) of payment hereof, any renewal (whether one or more) hereof, and any release of any such party liable for payment of this note without notice to any such party and without discharging the said party's liability hereunder.

The failure of the holder hereof to exercise any of the remedies or options set forth in this Note or in any instrument securing payment hereof, upon the occurrence of one or more of the Events of Default shall not constitute a waiver of the right to exercise the same or any other remedy at any subsequent time in respect to the same or any other Event of Default. Acceptance by the holder hereof of any payment which is less than the total of all amounts due and payable at the time of such payment shall not constitute a waiver of the right to exercise any of the foregoing remedies or options at that time or at any subsequent time, or nullify any prior exercise of any such remedy or option, without the express consent of the holder hereof, except as and to the extent otherwise provided by law.

IN WITNESS WHEREOF, the undersigned has executed this instrument effective as of May 6, 2005.
