Pre-Paid Legal Announces Second Quarter 2005 Financial Results

Membership Revenue Up 10% and Commissions Up 31%

ADA, OK, July 25, 2005 - Pre-Paid Legal Services, Inc. (NYSE:PPD) announced financial results for the second quarter and six months ended June 30, 2005. Membership revenues increased 10% to a record \$97.1 million vs. \$88.1 million. Primarily due to a 31% increase (\$9.2 million) in commissions, second quarter net income decreased 32% to \$6.9 million vs. \$10 million for the 2004 second quarter. Diluted earnings per share decreased 27% to 44 cents vs. 60 cents. Diluted earnings per share declined less than net income due to the 5% decrease in diluted shares outstanding.

First half 2005 membership revenues increased 8% to a record \$189.6 million vs. \$174.9 million for the first half of 2004. Primarily due to a 20% (\$11.6 million) increase in commissions, net income for the first six months of 2005 decreased 23% to \$15.8 million vs. \$20.6 million for the first six months of 2004. Diluted earnings per share decreased 19% to \$1.00 vs. \$1.24. Diluted earnings per share declined less than net income due to the 6% decrease in diluted shares outstanding.

To put the decline in net income in perspective it is appropriate to review our accounting method. During 2005 we had meaningful increases in new membership sales and "add-on" Identity Theft sales. We expense commission advances in the first month. Increased sales thus reduce current earnings but increase future earnings as the revenues are earned and recorded without the corresponding commissions.

Net cash from operations for the six months ended June 30, 2005 vs. 2004 remained unchanged at approximately \$21 million. We invested \$11.6 million during the first six months of 2005 repurchasing 335,000 shares at an average price of \$34.69. We also paid out \$12.4 million in dividends. Since April 1999, we have repurchased 9.4 million shares, investing \$222.5 million at an average per share cost of \$23.64. Shares outstanding have been reduced by approximately 35%. At June 30, 2005 we owed \$19.7 million on our stock purchase line of credit, \$16.4 million on our line of credit for our new office building and \$2.2 million on our aircraft loan, and had unpledged cash and investment balances exceeding \$41.9 million.

Second quarter 2005 membership fees increased 5% vs. the first quarter of 2005. Associate services revenues increased approximately \$133,000. Associates services and direct marketing expenses decreased approximately \$1.1 million. Membership benefits represented 35% of membership fees in both periods. Commissions were 40% vs. 34% of membership fees respectively due to growth in new membership sales and "add-on" Identity Theft sales. General and administrative expenses represented 13% and 12% of membership fees respectively.

We will conduct a conference call to present the second quarter results on Wednesday, July 27, 2005, at 8:30 a.m. Eastern Time. The conference call will be webcast on the investor relations' page of www.prepaidlegal.com or may be accessed by dialing (719) 457-2698. Audio replay will be available beginning at 12:00 p.m. Eastern Time on July 27, 2005 and will run through midnight Wednesday, August 3, 2005 by dialing (719) 457-0820; passcode for the replay is 7519483. The presentation will be available on the web site indefinitely by selecting "Earnings Calls" under the "Investor Relations" section. Questions may be submitted prior to the call via email to investor@pplsi.com.

We expect to file our quarterly report on Form 10-Q for the period ended June 30, 2005 later this week.

These risks and uncertainties are described in the reports and statements filed by us with the Securities and Exchange Commission, including (among others) those listed in our Form 10-K, Form 10-O and Form 8-K, and include the risks that our membership persistency or renewal rates may decline, that we may not be able to continue to grow our memberships and earnings, that we are dependent on the continued active participation of our principal executive officer, that pending or future litigation may have a material adverse effect on us if resolved unfavorably to us, that we could be adversely affected by regulatory developments, that competition could adversely affect us, that we are substantially dependent on our marketing force, that our stock price may be affected by short sellers, that we have been unable to increase significantly our employee group membership sales, that our active premium in force is not indicative of future revenue as a result of changes in active memberships from cancellations and additional membership sales and that we may have material weaknesses in our internal control environment.
