Pre-Paid Legal Announces 2009 First Quarter Results

2009 First Quarter Net Income Up 7%; EPS Up 18%

ADA, OK, April 27, 2009 - Pre-Paid Legal Services, Inc. (NYSE:PPD), announced results for the first quarter ended March 31, 2009. Net income for the first quarter of 2009 increased 7% to \$17.1 million from \$15.9 million for the prior year's first quarter. Diluted earnings per share increased 18% to \$1.52 per share from \$1.29 per share for the prior year's comparable quarter due to an increase in net income of 7% and a 9% decrease in the weighted average outstanding shares. Membership fees in the first quarter of 2009 decreased 2% to \$106.9 million from \$109.1 million for the same period last year.

Net cash provided from operating activities increased 42% to \$29.7 million for the first quarter of 2009 from \$20.8 million for 2008 primarily due to higher cash taxes paid during the 2008 period. During the 2009 first quarter, we returned \$13.5 million to shareholders through the repurchase of 422,505 shares

of common stock, at an average per share price of \$32.05. Since April 1999, we have returned \$420.7 million to shareholders through the purchase of 14.2 million shares, average price of \$29.69 per share, and \$17.1 million in dividends for a combined total of \$437.8 million representing more than 110% of our net earnings during the same timeframe. At March 31, 2009, we had \$52.6 million of debt outstanding and \$68.5 million in cash and cash equivalents and unpledged investments.

First quarter 2009 membership fees decreased \$2.1 million to \$106.9 million from \$109.0 million for the fourth quarter of 2008. Associate services revenues increased during the 2009 first quarter by approximately \$330,000 to \$5.3 million from \$5.0 million for the 2008 fourth quarter and associate services and direct marketing expenses increased by \$1.2 million during the same period. Membership benefits totaled \$36.2 million in the first quarter of 2009 compared to \$37.6 million for the 2008 fourth quarter and represented 34% of membership fees for the first quarter and 35% for the 2008 fourth quarter. Commissions to associates totaled \$27.0 million in the 2009 first quarter compared to \$31.1 million for the 2008 fourth quarter and represented 25% and 28%, respectively, of membership fees for the two periods. General and administrative expenses decreased \$772,000 during the 2009 first quarter to \$13.4 million compared to \$14.2 million for the 2008 fourth quarter and represented 13% of membership fees for both periods. The \$772,000 decrease in general and administrative expenses included decreases in employee cost, telecommunications and bank service charges which were partially offset by increases in postage, legal expenses and accounting fees.

We will conduct a conference call to present the first quarter results on Wednesday, April 29, 2009, at 8:30 a.m. Eastern Time. The conference call will be webcast on the investor relations' page of [www.prepaidlegal.com](http://www.prepaidlegal.com) or may be accessed by dialing (719) 325-2164. that could cause actual results to differ materially from those described in the forward-looking statements. These risks and uncertainties are described in the reports and statements filed by us with the Securities and Exchange Commission, including (among others) those listed in our Form 10-K, Form 10-Q and Form 8-K, and include the risks that our membership persistency or renewal rates may decline, that we may not be able to continue to grow our memberships and earnings, that we are dependent on the continued active participation of our principal executive officer, that pending or future litigation may have a material adverse effect on us if resolved unfavorably to us, that we may have compromises of our information security, that during an economic downturn in the economy consumer purchases of discretionary items may be affected which could materially harm our sales, retention rates, profitability and financial condition, that we could be adversely affected by regulatory developments, that competition could adversely affect us, that we are substantially dependent on our marketing force, that our stock price may be affected by short sellers, that we have been unable to increase our employee group membership sales and that our active premium in force is not indicative of future revenue as a result of changes in active memberships from cancellations and additional membership sales. Please refer to pages 15 - 17 of our 2008 Form 10-K for a more complete description of these risks. We undertake no duty to update any of the forward-looking statements in this release.
