- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 2.02 Results of Operations and Financial Condition.

On February 2, 2006, Hercules Incorporated ("Hercules") reported its fourth quarter and full year 2005 results. A news release detailing the fourth quarter and full year 2005 financial performance, dated February 2, 2006, was issued by Hercules and is furnished as an exhibit hereto and incorporated by reference herein.

The news release includes presentations of earnings before interest and taxes ("EBIT") and earnings before interest, taxes, depreciation and amortization ("EBITDA"), both of which are non-GAAP financial measures. EBIT and EBITDA are measures commonly used by the capital markets to value enterprises. Interest, taxes, depreciation and amortization can vary significantly between companies due in part to differences in accounting policies, tax strategies, levels of indebtedness and interest rates. Excluding these items provides insight into the underlying results of operations and facilitates comparisons between Hercules and other companies. In addition, EBITDA is considered a reasonable approximation of gross cash flow and is one of the measures used for determining debt covenant compliance. Management believes that EBIT and EBITDA information is useful to investors for these reasons. These measurements are not recognized in accordance with GAAP and should not be viewed as alternatives to GAAP measures of performance.

The table below provides a reconciliation of EBIT and EBITDA to net cash provided by operations for the twelve months ended December 31, 2005 and 2004:

:

	Twelve Months Ended	
	December 31	
	2005	2004
(Loss) income before income taxes and equity loss	\$ (34.0)	\$ 30.5
Interest and debt expense	89.4	108.7
EBIT	\$ 55.4	\$ 139.2
Depreciation and amortization, net of amortization of debt issuance costs	103.7	98.0
EBITDA	\$ 159.1	\$ 237.2
Income tax benefit (provision)	7.2	(2.4)
Interest and debt expense	(89.4)	(108.7)
Other operating cash flows, net	61.0	(5.6)
Net cash provided by (used in) operations	\$ 137.9	\$ 120.5

The news release also includes presentations of earnings from ongoing operations, which is a non-GAAP financial measure. Management believes that earnings from ongoing operations is meaningful to investors and the credit markets because it provides insight into the underlying operating results of Hercules by excluding the effects of recent divestitures, restructuring and severance charges, changes in accounting principles and other significant discrete items. This measurement is not recognized in accordance with GAAP and should not be viewed as an alternative to GAAP measures of performance.

The information in this Current Report on Form 8-K, including Exhibit 99.1, shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934 (the "Exchange Act") or otherwise subject to the liability of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Exchange Act, unless the registrant expressly states otherwise.
