Item 8.01 Other Events.

In connection with the preparation of its Annual Report on Form 10-K, Hercules Incorporated ("Hercules") has revised its previously reported results of operations for the fourth quarter and full year 2005 to reflect an adjustment to the impairment of goodwill attributable to the FiberVisions division. The impairment, which resulted from Hercules' commitment to sell a majority interest in the FiberVisions division, was originally reported on February 2, 2006 as \$41.6 million. The impairment has been increased to \$52.9 million primarily as a result of additional review and further refinement of provisions associated with the proposed transaction upon which the fair value determination of the division is based. Reported results for the fourth quarter and year ended December 31, 2005, revised to reflect the adjustment to the impairment of FiberVisions' goodwill, are a net loss of \$79.2 million or \$0.73 per share and a net loss of \$41.1 million or \$0.38 per share, respectively.
