REPORT OF INDEPENDENT ACCOUNTANTS

To the shareholders and Board of Directors of  
Modine Manufacturing Company

In our opinion, the accompanying consolidated balance sheets and the related consolidated statements of earnings, cash flows, and shareholders' equity present fairly, in all material respects, the financial position of Modine Manufacturing Company and its subsidiaries at March 31, 2002 and March 31, 2001, and the results of their operations and their cash flows for each of the three years in the period ended March 31, 2002 in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of the company's management; our responsibility is to express an opinion on these financial statements based on our audits. The consolidated financial statements give retroactive effect to the merger of Thermacore International, Inc. on April 27, 2001 in a transaction accounted for as a pooling of interests, as described in Note 10 to the consolidated financial statements. We did not audit the financial statements of Thermacore International, Inc., which statements reflect total assets of \$37,058,922 as of March 31, 2001 and total revenues of \$56,005,487 and \$35,687,000 for the years ended March 31, 2001 and 2000, respectively. Those statements were audited by other auditors which report thereon has been furnished to us, and our opinion expressed herein, insofar as it relates to the amounts included for Thermacore International, Inc., is based solely on the report of other auditors. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Board of Directors and Shareholders  
of Thermacore International, Inc.

We have audited the accompanying consolidated balance sheets of Thermacore International, Inc. (a Pennsylvania corporation) and subsidiaries as of June 30, 2000 and 1999, and the related consolidated statements of income, shareholders' investment and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Thermacore International, Inc. and subsidiaries as of June 30, 2000 and 1999, and the results of their operations and their cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

As discussed in Note 1 to the consolidated statements, the Company changed its method of accounting for organizational costs in 1999 to adopt the provisions of AICPA Statement of Position 98-5 "Reporting on the Costs of Start-up Activities."

### NOTICE REGARDING CONSENT OF ARTHUR ANDERSEN

Section 11(a) of the Securities Act of 1933, as amended (the "Securities Act"), provides that if any part of a registration statement at the time such part becomes effective contains an untrue statement of a material fact or an omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, any person acquiring a security pursuant to such registration statement (unless it is proved that at the time of such acquisition such person knew of such untruth or omission) may sue, among others, every accountant who has consented to be named as having prepared or certified any part of the registration statement, or as having prepared or certified any report or valuation which is used in connection with the registration statement, with respect to the statement in such registration statement, report or valuation which purports to have been prepared or certified by the accountant.

The Company's Form 10-K for the fiscal year ended March 31, 2002, which is hereby amended by this Form 10-K/A, is incorporated by reference into the Company's filings on Form S-8 (File Nos. 1-1373, 2-63714, 2-86984, 2-87299, 2-86985, 33-1764, 33-58544, 2-55398, 33-66436, 33-66438, 33-66442, 33-66440, 33-54719, 33-54721, 33-54723, 33-54725, 333-29789, 333-52639, 333-78991, 333-78989, 333-48294, 333-48296, 333-66111, 333-48290, 333-66115, 333-48298, 333-66109, 333-48292 and 333-102124, collectively the "Registration Statements") and, for purposes of determining any liability under the Securities Act, is deemed to be a new registration statement for each Registration Statement into which it is incorporated by reference.

With this Form 10-K/A, the Company files the previously issued report of Arthur Andersen LLP dated August 11, 2000 relating to Thermacore International, Inc., which was acquired by the Company on April 27, 2001 in a business combination accounted for as a pooling of interests. After reasonable efforts, the Company has not been able to obtain Arthur Andersen's written consent to the incorporation by reference into the Registration Statements of Arthur Andersen's report with respect to Thermacore's financial statements as of June 30, 2000 and 1999 and for the years then ended. Under these circumstances, Rule 437a under the Securities Act permits the Company to file this Form 10-K/A without a written consent from Arthur Andersen. As a result, however, Arthur Andersen will not have any liability under Section 11(a) of the Securities Act for any untrue statements of a material fact contained in the financial statements audited by Arthur Andersen or any omissions of a material fact required to be stated therein. Accordingly, you would be unable to assert a claim against Arthur Andersen under Section 11(a) of the Securities Act for any purchases of the securities under the Registration Statements made on or after the date the Form 10-K was filed with the Securities and Exchange Commission, which is hereby amended by this 10-K/A. To the extent provided in Section 11(b)(3)(C) of the Securities Act, however, other persons who are liable under Section 11(a) of the Securities Act, including the Company's officers and directors, may still rely on Arthur Andersen's original audit reports as being made by an expert for purposes of establishing a due diligence defense under Section 11(b) of the Securities Act.
