INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of the
Thrift Plan of the Peoples Natural Gas Company for Employees Represented
by United Gas Workers Union, Local 69 - Division 1, SEIU, AFL-CIO

We have audited the accompanying statements of net assets available for benefits of the Thrift Plan of the Peoples Natural Gas Company for Employees Represented by United Gas Workers Union, Local 69 - Division 1, SEIU,

AFL-CIO (the Plan) as of June 30, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended June 30, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2003 and 2002, and the changes in net assets available for benefits for the year ended June 30, 2003 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules listed in the Table of Contents are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These schedules are the responsibility of the Plan's management. Such schedules have been subjected to the auditing procedures applied in our audit of the basic 2002 financial statements and, in our opinion, are fairly stated in all material respects when considered in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Thrift Plan of the Peoples Natural Gas Company for Employees Represented by the United Gas Workers Union, Local No. 69 - Division 1, SEIU, AFL-CIO (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- a. GENERAL - The Plan is a defined contribution plan covering union-eligible employees of Peoples Natural Gas Company (the Employer). The Employer is a wholly-owned subsidiary of Consolidated Natural Gas Company (the Company or CNG). CNG is a wholly-owned subsidiary of Dominion Resources, Inc. (Dominion). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee and employer contributions are made pursuant to the terms of the plan and are held in funds administered by the Trustees under two declarations of trust; i.e., the Long-Term Thrift Trust and the Short-Term Thrift Trust (the Trusts).

The Trusts are maintained in accordance with the Plan's provision to provide for the custody and investment of employee and employer contributions. They are administered by individual trustees (the Trustees) who are appointed by and serve at the pleasure of the Company for a term of three years. The Trustees are employed by and are officers of various subsidiaries of the Company and serve without compensation from the Plan or Trusts. Custody of Plan assets resides with Mellon Bank, N.A., who also serves as the Plan's Trustee.

b. CONTRIBUTIONS - Under the Plan, participants may contribute not less than 2% and not more than 50% of their earnings each pay period, in increments of 1%. The contributions are subject to applicable Internal Revenue Code (IRC) limitations. The Employer's matching contribution is based upon the participant's contribution rate and length of service.

c. PARTICIPANT ACCOUNTS - Each participant's account includes the effect of the participant's contributions and withdrawals, as applicable, and allocations of the Company's contributions, Plan earnings, and administrative expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Retired participants may elect to receive an amount equal to their vested Long-Term Thrift Trust account balance either in a lump sum or in installments. For terminations other than retirements, participants can only receive their vested Long-Term Thrift Trust account balance as a lump sum distribution. Upon termination and retirement, participants can only receive their Short-Term Thrift Trust account balance as a lump sum distribution.

d. PARTICIPANTS - Each employee is eligible to participate in the Plan on an entirely voluntary basis. Participation by an employee becomes effective immediately upon enrollment in the Plan.

Page 5

e. VESTING - Participants immediately vest in their contributions and earnings thereon. Participants vest in the Employer's matching contribution and related earnings based upon years of continuous service and are fully vested after five years of credited service. Forfeited balances of terminated participants' non-vested accounts are used to reduce future employer contributions.

f. INVESTMENT OPTIONS - Upon enrollment in the Plan, a participant may direct contributions in any option (except the loan fund) in 1% increments totaling to 100%. Investment options are valued daily. Changes in investment options may be made at any time and become effective with the subsequent pay period. Participants can make unlimited transfers among existing funds. The Plan provides for employee and employer contributions to be invested in the following based on information contained in the funds' prospectus:

Short-Term Thrift Trust

(1) Interest in Master Trust:

Money Market Fund

Long-Term Thrift Trust

(1) Common Stock:

Dominion Stock Fund

(2) Interest in Master Trusts:

Certus Stable Value Fund (Certus Fund)

(3) Mutual Funds:

One Group Small Stock Fund

Euro Pacific Growth Fund

(4) Common/Collective Trusts:

Page 6

g. PARTICIPANT LOANS - Participants are eligible to secure loans against their plan account and repay the amount over a one to five-year period. The maximum loan amount is the lesser of;

- ◆ 3 months base pay or
- ◆ 50% of the vested account balance or
- ◆ \$50,000 (reduced by the maximum outstanding loan balance during the prior 12 months).

Loan transactions are treated as a transfer between the respective investment fund and the loan fund. The loans bear fixed interest at a rate commensurate with local prevailing rates at the time the loan is issued as determined by the Trustees.

Participants make repayments to the Plan on a monthly basis. Loan repayments, including interest, are deposited in the participant's account and invested in accordance with the participant's then current investment elections. Defaults result in a reclassification of the remaining loan balances as taxable distributions to the participants.

h. PAYMENTS OF BENEFITS - Distributions from the Plan are recorded on the valuation date when a participant's valid withdrawal request is processed by the recordkeeper. On termination of service, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or defer the payment to a future time no later than the year in which the participant reaches age 70 1/2.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. BASIS OF ACCOUNTING - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

b. VALUATION OF INVESTMENTS:

(1) Dominion Stock Fund

- Investments in Dominion Common Stock are stated at fair value based on the closing sales price reported on the New York Stock Exchange on the last business day of the plan year.

(2) Investment in CNG Master Trust and Dominion Master Trust

(Master Trusts)- The fair value of the Plan's interest in the Master Trusts is based on the beginning of the month value of the Plan's interest in the Master Trusts plus actual contributions and allocated investment income less actual distributions and allocated administrative expenses. Quoted market prices are used to value investments in the Master Trusts, with the exception of investments in the Certus Fund.

Investments in the Certus Fund are stated at contract value, which approximates market value. Contract value represents contributions and income earned in the fund, less withdrawals.

(3) Mutual Funds

- Investments in mutual funds are valued at quoted market prices, which represent the net asset values of shares held by the Plan at year-end.

(4) Common/Collective Trusts

- Investments in common/collective trust funds are stated at estimated fair values, which have been determined based on the unit values of the funds. Unit values are determined by the bank (or trust company) sponsoring such funds by dividing the fund's net assets by its units outstanding at the valuation dates.

Page 7

c. INVESTMENT INCOME - Dividend income is recognized on the ex-dividend date. Dividends received on all shares of company stock are reinvested in additional shares of Dominion Common Stock.

Diversified Equity Fund units of the Long-Term Thrift Trust are prorated to participants, based on the unit value calculated at the end of each day.

Realized gains and losses on the sale of investments are determined using the average cost method.

Net investment income from mutual fund holdings includes dividend income and realized and unrealized appreciation/depreciation.

d. EXPENSES - The Plan's expenses are accrued as incurred and paid by the Plan or the Company, as provided by the Plan document. The Company paid \$75,960 in Plan expenses from July 1, 2002 to June 30, 2003.

e. USE OF ESTIMATES - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and changes therein. Actual results could differ from those estimates.

f. CONCENTRATION OF INVESTMENTS - Included in the Plan's net assets available for benefits at June 30, 2003 and 2002, are investments in Dominion Common Stock amounting to approximately \$50 million and \$54 million, respectively, whose value could be subject to change based upon market conditions.

3. INVESTMENTS

The following presents investments that represent 5% or more of the Plan's net assets available for benefits:

	June 30,	
	<u>2003</u>	<u>2002</u>
Interest in Certus Fund	\$41,615,386	\$39,139,938
Dominion Stock Fund	50,426,628	53,955,449

Common/Collective Trust	108,328
Corporate Stock, Common	<u>(1,017,438)</u>
)
	<u>\$ (1,105,581)</u>
)

4. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of any termination of the Plan, or upon complete or partial discontinuance of contributions, the accounts of each affected participant shall become fully vested.

5. PLAN INTEREST IN THE DOMINION AND CNG MASTER TRUSTS

CNG Master Trust

- A portion of the Plan's investments are in a Master Trust, which was established for the investment of assets of the Plan and the thrift plans of other subsidiaries of the CNG. Mellon Bank, N.A., as Trustee of the funds, holds the assets of the Master Trust. Each participating thrift plan has an undivided interest in the CNG Master Trust. The assets and income, including net appreciation (depreciation) in fair value of plan assets, are allocated to the participating plans based on each plan's proportionate share of the units of participation held in the fund each month. As of June 30, 2003 and 2002, the Plan's interest in the net assets of the CNG Master Trust was approximately 100% and 34%, respectively.

The following table presents the value of the undivided investments (and related investment income) in the CNG Master Trust.

Mellon Bank, N.A., holds the assets of the Master Trust. The Certus Fund is the sole investment held by the Plan in the Dominion Master Trust. At both June 30, 2003 and June 30, 2002, the Plan's interest in the net assets of the Certus Fund was approximately 7 %. Investment income and administrative expenses relating to the Certus Fund are allocated to the individual plans based upon average monthly balances invested by each plan.
