## Edgar Filing: NL INDUSTRIES INC - Form 8-K

Pursuant to Items 2.02 and 7.01 of this Current Report on Form 8-K, the Registrant hereby furnishes the information set forth in its press release issued on November 14, 2005, a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference.

The information, including Exhibit 99.1, the Registrant furnishes in this Current Report is not deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that Section. Registration Statements or other documents filed with the Securities and Exchange Commission shall not incorporate this information by reference, except as otherwise stated in such filing.

As disclosed in the Company's other Current Report on Form 8-K dated November 14, 2005 and filed with the Securities and Exchange Commission, the Company will file an Annual Report on Form 10-K/A for the year ended December 31, 2004, and Quarterly Reports on Form 10-Q/A for the quarters ended March 31, 2005 and June 30, 2005, to restate its consolidated financial statements to correct for certain misstatements contained in such consolidated financial statements. As more fully described in such Current Report, the Company is still in the process of evaluating these misstatements. However, based on the information currently available to the Company, the Company believes that, among other things, certain previously-reported provisions for income taxes recognized as a direct reduction to the Company's stockholders' equity (retained earnings and additional paid-in capital) may instead be included in the determination of the Company's consolidated net income for the affected periods, and the aggregate effect of the restatements are not expected to impact previously-reported cash flows from operating activities.

As a result of the time involved in addressing the matters described in such Current Report, the Company will be delayed in filing its Quarterly Report on Form 10-Q for the quarter ended September 30, 2005, which Quarterly Report would otherwise be required to be filed on November 14, 2005. While the Company currently believes the financial information contained in Exhibit 99.1 will be consistent with the Company's consolidated financial statements that will be contained in its Quarterly Report when filed, the financial information contained in Exhibit 99.1 is, however, subject to future correction and revision and could differ from the Company's consolidated financial statements that will be contained in its Quarterly Report when filed.

### Item 8.01 Other Events.

As disclosed in the Company's other Current Report on Form 8-K dated November 14, 2005 and filed with the Securities and Exchange Commission, the Company will file an Annual Report on Form 10-K/A for the year ended December 31, 2004, and Quarterly Reports on Form 10-Q/A for the quarters ended March 31, 2005 and June 30, 2005, to restate its consolidated financial statements for certain matters more fully described in such Current Report. As a result of the time involved in addressing the matters described in such Current Report, the Company will be delayed in filing its Quarterly Report on Form 10-Q for the quarter ended September 30, 2005, which Quarterly Report would otherwise be required to be filed on November 14, 2005.
